Detailed descriptions for this week: AWARDS/PRIZES

- List is sorted by month of submission deadline. NOTE: **In cases where the sponsor has not yet posted the updated deadline, I keep the last published deadline as a placeholder. Anything with a date of 2015 or 2014 means that the sponsor hasn't published the next year date. Usually it is a similar date for each year, so the list can give you guidance on what to expect.**
- All require nomination, and generally do not require institutional coordination, some exclude self-nomination.
