

CAMPUS SAFETY AND CRIME STATISTICS

The University of Massachusetts Medical School is dedicated to maintaining a safe and secure environment for learning and working. Our campus, like other college and university campuses, does experience some crime. The Department of Public Safety wants students, faculty, and staff to be aware of crime on campus and in the surrounding area.

The *Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act* is a federal law that requires colleges and universities to annually disclose information about campus crime. Each year the campus files a report with the United States Department of Education tabulating incidents of crime on campus.

The current report can be accessed by visiting this link on the Public Safety website at <http://www.umassmed.edu/publicsafety/clery-act/>.

This annual report lists the incidents of crime that occurred on or near campus for the previous three calendar years (2013-2015). Also included in the report are the numbers of arrests and disciplinary referrals. Other topics included in the report are incidents of timely warning, emergency response and evacuation; general information about campus facilities safety and security; security awareness and crime prevention programs and sexual assault prevention and response.

Anyone may obtain a copy of the report from the Department of Public Safety office on the main level of the visitor parking garage, 55 Lake Avenue North, Worcester, MA 01655-0002, or by clicking on the following link:
