At Bright Horizons®, your child will be cared for in a loving and nurturing environment by experienced and dedicated teachers. Our carefully crafted programs are age appropriate, all with the goal of encouraging curious, happy, and confident children, who, above all, fully experience the joys of childhood.

A Bright Horizons early education & preschool experience includes:

• Our signature curriculum, The World at Their Fingertips®, guides children through each age and stage, empowering them to become confident, successful, lifelong learners

• Health, safety, and security policies that meet or exceed state and local standards as well as those created by the National Association for the Education of Young Children

• Experienced child development professionals with the training to guide and nurture each child

• Strong parent/teacher communication and partnerships

Our Curriculum: The World at Their Fingertips

The World at Their Fingertips is our unique curriculum designed to engage children in active learning that prepares them for school while helping them to achieve their individual potential and fostering a spirit of community. Built around extensive research, 21st century technology, and developmentally appropriate instruction, the curriculum introduces concepts of math, science, language, culture, environment, art, and health.
