Summer Curriculum Development Service Program
UMMS students have the opportunity to work for pay with faculty to develop new curriculum during the summer months.

Medical Student Summer Research Program
Faculty mentors provide projects on which SOM students work for pay during an 8-week period in the summer after their first medical school year at UMMS.

Summer Service-Learning Assistantship Program
Coordinated in conjunction with the Department of Family Medicine and Community Health, the Summer Service-Learning Assistantship Program offers rising second-year medical students the opportunity to work in a wide variety of community-based health, educational and human service organizations across the Commonwealth during the summer months. read more...
