

Theresa Glenn, MPH
Program Manager, MassHealth Training Forum (MTF)

Ms. Glenn is responsible for coordination and facilitation of the day to day operations of the MassHealth Training Forum and the MassHealth Outreach and Enrollment Grants. She is also responsible for program administration and staff supervision. Ms. Glenn began working at the Office of Community Programs in January 2001.

Ms Glenn has 23 years of experience within the healthcare industry. Prior to coming to work for the Office of Community Programs, Ms Glenn held such positions as Public Health Educator for the City of Springfield, Co-Chair of the Springfield Community Health Network Area #4, Co-Founder of the Greater Springfield Nutrition and Wellness Coalition, Consultant for the Massachusetts Coalition of School Based Health Centers and Steering Committee Member of the Springfield Adolescent Health Project - an award winning project of the Greater Springfield Community Health Network Area (CHNA #4).

Ms Glenn is an experienced community health educator/organizer with experience bringing organizations and members of the community together to improve health access. She received several awards for this work as an individual and as a member of team. Individual awards included: A Community Health Recognition Award in 2000 from the CHNA#4 and recognition of participation in the CHNA#4 Women & Substance Abuse Initiative in 1999. Group awards included recognition for excellence in public health service by the MA Commissioner of Public Health in 1994 and at the Ounce of Prevention Conference in 1995 for work with the Springfield Adolescent Health Project. Ms. Glenn has been a member of the American Public Health Association since 1996.

Ms Glenn received a Bachelor of Arts degree from Smith College where she graduated with High Honors in Psychology. Ms Glenn earned a Masters of Public Health, with a concentration in community health education from University of Massachusetts, Amherst School of Public Health and Health Sciences.
