Procedure following Blood/Body Fluid Exposure

If you are exposed to blood, visibly bloody fluids, or other body fluids (e.g. cerebrospinal, synovial, peritoneal, pleural, amniotic, semen, vaginal secretions) from a needlestick/ cut or splash to eyes, mouth, nose, or open cut:

1. Gently bleed, wash, and flush affected area with soap and water.

2. Page **BUGS** beeper: **Internal: 77-BUGS (2847)**

External: 508-334-1000 have operator page 2847

3. Notify supervisor/supervising resident (if there is one) & Clerkship Dir.

4. Obtain initial evaluation. –**DO NOT DELAY** - It is important to be evaluated within 2 hours of exposure. You may need immediate treatment.

GO to the appropriate place for evaluation and treatment:

- Employee Health University Campus 774-441-6263 (M-F 7:00am- 4:00pm)
- Employee Health Memorial Campus 508-334-6238 (M-F 8:00am - 4:00pm)
- Employee Health 210 Lincoln Street 508-793-6400 (M -F 8:00am - 4:00pm)
- If after hours, go to the Emergency Department-DO NOT go to Student Health for any immediate attention for a needlestick/body fluid exposure.
- At all other sites, students should follow protocol @ that site for initial treatment and follow-up will be provided through Student Health.

5. Fill out incident report (avail. in each dept.) bring to Student Health.

6. All students with exposures will go to Student Health (1st fl Benedict Bldg) for Follow-up after initial visit in the ER or with Employee Health.

Caring for Patients on Airborne Precautions

If assisting in the care of a patient in a neg. pressure room or on respiratory precautions. (e.g. TB, H1N1), you **MUST** be wearing a fit tested respirator such as a NIOSH-approved N95 respirator **before** entering a patient's room.

*No student will be allowed to start 3rd year until they have cleared or been exempted from the N-95 fitting req. with Student Health (508-334-8464)
