CONTINUING MEDICAL EDUCATION

GRAND ROUNDS

“Breast Cancer Genetics as a Paradigm: Where is Cancer Genetics Going?”

At the conclusion of this activity, participants will be able to:

- Recognize features of individuals and families with hereditary cancer syndromes
- Understand something of how germline genetics can influence drug development and clinical trial design
- Be familiar with new approaches to cancer genetics

Judy E. Garber, MD, MPH
Director, Center for Cancer Genetics and Prevention
Dana Farber Cancer Institute
Boston, MA

Tuesday, September 7, 2010
5:30 p.m. – 6:30 p.m.
Amphitheatre I, University Campus

For more information contact: Gary S. Stein, Ph.D.

Accreditation Statement: This activity has been planned and implemented in accordance with the Essentials Areas and policies of the Accreditation Council for Continuing Medical Education. The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The UMMS designates this continuing medical education activity for a maximum of 1 hour *AMA PRA Category 1 credit*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Statement on Faculty Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
