

Massachusetts STEM EXPO 2009

Presented by the Central MA STEM Network

The Central MA STEM Network presented the 2nd Annual **STEM Expo** in conjunction with the Massachusetts State Middle School Science and Engineering Fair at the Worcester Technical High School in Worcester on Saturday, June 6, 2009. Over 500 students, parents, teachers and STEM professionals from across the Commonwealth enjoyed meeting the presenters, doing activities and hearing first hand about the work that these organizations do every day.

**SAVE THE DATE:
3rd Annual STEM EXPO
June 5, 2010**

For further information about having your company/university/college/program/STEM organization represented, please contact the Network Director, Sandra Mayrand @ 508-856-5097 or Sandra.Mayrand@umassmed.edu

Massachusetts STEM EXPO 2009

Featured STEM Expo Presenters:

- Intel
- University of Massachusetts Medical School
- Mass MEP
- Quinsigamond Community College
- Mid-Massachusetts STEM Pathway Initiative
- Optical Society of America, New England Chapter
- Colleges of the Worcester Consortium

STEM Expo Events:

Demonstrations about engineering, medicine, biomedical research and advanced manufacturing opportunities to engaged students and adults by presenters

Financial Aid workshop for parents on college admission and financial aid

Tours of state of the art Worcester Technical High School

During the STEM Expo, the Chair of the Central MA STEM Network, Robert Richardson of Intel, presented the organization's first **STEMMY Awards** to students who developed exemplary communication projects that raised awareness of the many careers in science, technology, engineering and mathematics.
