## Honors and Awards

[Note: you may also list elite fellowship programs, those to which you were accepted on the basis of a competitive, as opposed to first-come, first-serve, application process, here.]

Years

## Committee Assignments and Administrative Services

List in reverse chronological order, noting leadership positions held. Include university and non-university activities (e.g., work with NIH study groups).

Years

## Educational Activities

- Identify your teaching activities here or write "See attached Teaching Portfolio."
- List in reverse chronological order, noting your role (course developer, course director, lecturer)
- Include supervision of doctoral students and thesis supervision in a research setting
- Include graduate student teaching
- Identify teaching residents in a clinical setting
- Include advising responsibilities
- Consider using a table, as it provides a concise, visual way to identify role, number of students, number of sessions, and evaluation data.

Reflect the years you undertake each activity

## Grants

- List under sections of pending, current, and past in reverse chronological order
- Include the title of grant
- Identify the granting agency and grant number
- Note award total, demarcating total direct and indirect costs
- State your role, also identifying the PI if you are not the PI, and percent of effort
- If you include contracts, rename the section, "Grants and Contracts," and use two subheadings, separating contracts from grant awards
- If voluminous, truncate this listing to the most recent decade and note the limitation in the heading.
- Consider using a table, as it provides a concise, visual depiction of this material.

Include the dates of each award
