

High School Health Careers Program Recommendation Form

The HSHCP has been designed to motivate and stimulate 10th and 11th grade under-represented and disadvantaged students to pursue careers in the biomedical research, medicine, and other health careers. The HSHCP has been able to better prepare under-represented and/or disadvantaged students with the skills that help them access college and pursue those professional careers.

The program is intended for highly motivated students with a strong commitment to science, mathematics, and academic enrichment. The HSHCP was not designed for students in need of remedial attention or students seeking a gifted or talented experience.

You can initially fax this form, but then mail it to the address above.

STUDENT'S NAME:	DATE:
------------------------	--------------

Please rate the student in each category below. Your candid evaluation of this applicant's ability to participate in a rigorous program is appreciated.

Evaluation Categories	Ratings
A. Interest in science and math	<input type="radio"/> Superior <input type="radio"/> Above Average <input type="radio"/> Average <input type="radio"/> Below Average <input type="radio"/> No Knowledge
