

EIGHTEENTH NEW ENGLAND REGIONAL WORKSHOP

AUTOIMMUNE DIABETES MELLITUS

Friday, October 24, 2008

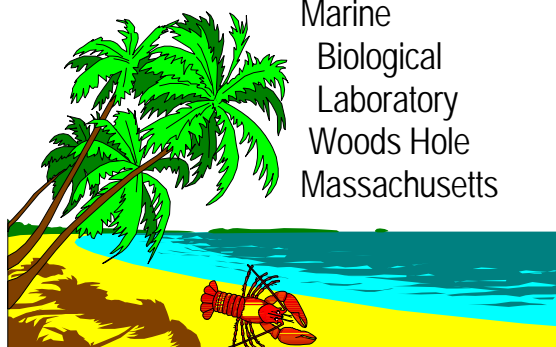

You are invited to New England's annual informal small gathering to review research work in autoimmune diabetes. Participants present one or more posters and join in off-the-record discussion. Any research germane to autoimmunity, transplantation, tolerance, human type 1 diabetes, NOD mice, BB rats, *etc.* is welcome.

We will have three lectures, a poster session, and our traditional New England Lobster Dinner!

The workshop will again be held at the Marine Biological Laboratories in Woods Hole, MA, sponsored by The University of Massachusetts Medical School, assisted by an unrestricted educational grant from the Novo Nordisk Corporation.

The Workshop will be followed on Saturday and Sunday by the 34th [Annual New England Immunology Conference](#). *Registration and fees for the two meetings are separate!*

Location

Marine
Biological
Laboratory
Woods Hole
Massachusetts
