

# GRAND ROUNDS SERIES

## Center for Health Equity Intervention Research (CHEIR)

### *Sample Representativeness and Validity of Health Data on Asian Americans: A Profile of Data Collected on Ethnic Subgroups in Massachusetts*

**Carolyn Wong, Ph.D.**

Research Associate

Institute of Asian American Studies, UMass Boston

Dr. Wong has held academic appointments as an Assistant Professor in the Departments of Political Science at Stanford University and Carleton College. Dr. Wong's research expertise is in the processes of civic and political integration of Asian American immigrants and refugees in U.S. At UMass Boston, Wong has extended her research on Asian Americans to examine health disparities. In 2012 she published a paper evaluating methods used to collect data on the health of Asian Americans in Massachusetts.

**Monday, April 29, 2013**

**12:00pm—1: 00pm**

**Hiatt Auditorium—S1-608 University Campus**
