

UMass Memorial congratulates its physicians named to the 2010 list of

Best Doctors®

Best Doctors®, Inc. continuously surveys specialists worldwide to ask which doctors they would choose for treatment in their own specialty. Less than five percent of U.S. doctors are named to the list.

UMass Memorial Health Care is proud that more than 10 percent of our doctors were named to this prestigious list.

Cancer *Center of Excellence*

Harrison G. Ball, MD	.Gynecologic Oncology
Susan L. Zweizig, MD	.Gynecologic Oncology
