

Program in Bioinformatics and Integrative Biology

## **Jonathan Dry**

Director of Bioinformatics, Oncology IMED  
AstraZeneca

**"Where bioinformatics can make the difference  
for drug discovery in Pharma"**

## **Zhongwu Lai**

Principal Scientist, Bioinformatics, Oncology IMEF  
AstraZeneca

**"Computationally navigating real-world clinical  
NGS to assess complex biomarkers for the PARP  
inhibitor Lynparza."**

Thursday  
September 7, 2017  
11:00 AM

Albert Sherman Center  
8<sup>th</sup> Floor Conference Room 2072

---

*Host: Zhiping Weng, Director and Professor  
Program in Bioinformatics and Integrative Biology  
University of Massachusetts Medical School*
