NEWS

NEW! Mentored Career Development (KL2) Award Fall 2015

Request for Proposals

Training of investigators who will make a career of innovative, hypothesis-driven clinical and translational research is a top priority and the Mentored Career Development (KL2) Program is designed to address this need. [Learn More](#)

Two New UMCCTS Funding Opportunities!

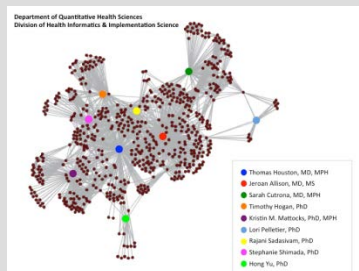

The UMass Center for Clinical and Translational Science will be announcing 2 new pilot grant awards, the **Next Hundred Million Pilot Program (NHMPP)** and the **Pilot Project Program (PPP)**. Announcement of these two funding opportunities will be sent via email to our UMCCTS members and available on the UMCCTS website under Funding. [Learn More](#) or [Sign-Up for Membership](#)

The Art of Collaboration

Sally Gore, MS, MSLIS
Research Evaluation Analyst, UMCCTS

One of the goals of the UMCCTS is to promote and facilitate collaboration across departments and disciplines, thus effectively reducing barriers between the basic and clinical sciences, and ultimately speeding the pathway between the discovery and implementation of new treatments, therapies, and the like that improve health. One means of demonstrating collaboration is through co-authorship. The networks that develop between authors of publications give us a picture of how individuals are connected and where collaborations exist.

MassTERi Kick-Off Event 2015!

**From Chemical to Drug-The Path to Small Molecule
IND**

Best Practices When Filing Small Molecule Investigational New

Drug Applications

Do you have a solid plan to achieve IND acceptance? Filing an Investigational New Drug (IND) application might be the next step in advancing your early-stage drug development idea. Johnson & Johnson, JLABS, and Janssen Discovery Sciences invite you to an in-depth look into the process of filing an IND. [More Information](#)

**Office of Clinical Research, Human Research
Protection Program
Upcoming Educational Opportunities**

Clinical Research Professionals Group (CRPG) Meetings:

Monday, November 16, 2015

3:00 - 4:00 pm

Hiatt Auditorium, S1-608, UMMS, Worcester

Wednesday, December 16, 2015

12:00 - 1:00 pm

Lazare Auditorium, S1-607, UMMS, Worcester

Intermediate Level Clinical Research Coordinator Training

Coming in January! Watch for announcement and registration link.
