

TEACHING OF TOMORROW

Teaching of Tomorrow (TOT) is a nationally recognized and highly acclaimed Faculty Development Program

For over 25 years, UMass Chan faculty from the departments of Family Medicine and Community Health, Internal Medicine and Pediatrics and Graduate School of Nursing have trained over 1,750 clinical faculty and preceptors in many disciplines across the country. TOT focuses on building and refining foundational skills for effective clinical teaching in inpatient and ambulatory settings. Preceptors from any specialty and discipline will enhance their clinical teaching skills through discourse and practice.

TOT also provides valuable opportunities to network with other clinician educators. Our award-winning interprofessional faculty utilize the principles of adult learning, drawing on participants' experience and building knowledge through dialogue. The engaging conference provides frequent opportunities to practice and assess new skills in a safe and fun environment.

Accreditation:

CME credits are granted by the American Academy of Family Physicians (and accepted by organizations such as AAPA, ANCC, NCCPA, and AANPCB).

Program Goals:

- Provide a model of systematic educational planning for effective and efficient integration of teaching into clinical practice.
- Enhance teaching skills for clinical reasoning and habits of life-long learning.
- Provide practice opportunities to apply and assess new teaching skills.

Format and Description:

- A total of 4 days of training: two, 2-day in-person conferences, beginning Friday morning and ending Saturday afternoon.
- This event is to encourage participation of teachers from across the country.
- The learning sessions alternate between brief, large group didactics and small groups, which include application of new skills and case and problem-based learning.

Topics include:

- Characteristics of good teachers
- Conducting needs assessments
- Writing and implementing learning objectives
- Effective and efficient teaching methods
- Feedback and evaluation
- Innovations in teaching

Audience:

- Clinical educators –MDs, DOs, NPs, PAs, RNs, Behavioral Health, Pharmacists, etc.
- Primary care and specialty providers
- Teachers of students, residents, and advanced learners.
- Teachers in both in-patient and ambulatory settings.

Dates and Location:

The 2023-2024 Conference:

- Session 1 – November 17-18, 2023
- Session 2 – March 8-9, 2024

Attendance is required at both sessions

Location:

Hotel Northampton
Northampton, MA

<http://www.hotelnorthampton.com>

Registration Cost:

\$1650 per participant

(UMass employee discount may be available, contact susan.foley@umassmed.edu)

Includes all session materials and CMEs.

Register before October 25th Deadline:
