TEACHING OF TOMORROW

Teaching of Tomorrow (TOT) is a nationally recognized and highly acclaimed Faculty Development Program.

For over 24 years, UMass faculty from the departments of Family Medicine and Community Health, Internal Medicine and Pediatrics have trained over 1,500 clinical faculty and preceptors from across the Northeast and beyond. TOT focuses on building and refining foundational skills for effective clinical teaching in both the inpatient and ambulatory settings. Preceptors from any specialty and discipline will enhance their clinical teaching skills through discourse and practice. TOT also provides valuable opportunities to network with other clinician educators. Our award-winning faculty utilize the principles of adult learning, drawing on participants’ experience and building knowledge through dialogue. The conference provides frequent opportunities to practice and assess new skills in a safe and fun environment.

Accreditation:
CME credits are granted by the American Academy of Family Physicians

Program Goals:
• Learn and apply a model of systematic educational planning for effective teaching
• Integrate teaching into clinical practice more efficiently
• Enhance teaching skills for clinical reasoning and habits of life-long learning
• Provide practice opportunities to apply and assess new teaching skills

Audience:
• Clinical educators – MDs, DOs, NPs, PAs, RNs, Behavioral Health, Pharmacists
• Primary Care and Specialty providers
• Teachers of students, residents, and advanced learners
• Teachers in both In-patient and Ambulatory settings
