“My Patient with an ICD needs an MRI: Challenges and the Way Forward”

Matthew Parker, MD
Barinder Hansra, MD
Division of Cardiology
UMASS Medical School
UMASS Memorial Medical Center

February 6, 2020
12 – 1 pm
Hiatt Auditorium – S1-608

(Objectives)
1. Define the terms MR-safe, MR-conditional, MR-nonconditional, and MR-unsafe
2. Understand the potential effects of the MR environment on cardiovascular implantable electronic devices (CIEDs)
3. Recognize the issues that must be addressed when weighing risks and benefits of MRI in patients with CIEDs

Accreditation Statement: The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement: The UMMS Designates this continuing medical education activity for a maximum of 1 AMA PRA Category 1 credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Statement on Faculty Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
