Grand Rounds—February 26, 2019
ONLINE VIEWING ONLY, Noon-1pm
Sponsor: Family Medicine & Community Health—Family Health Center of Worcester
Live Webcast: See page 2 of this flyer for instructions—https://zoom.us/j/191986273

“Survivors Surviving and Surviving Survivors”

Lucy Candib, MD
Professor, Department of Family Medicine & Community Health, UMMS

Learning Objectives: Attendees will be able to….
- Summarize how childhood and adult trauma and other abuse experiences contribute to interpersonal problems for “difficult” patients.
- Assess the aspects of our “difficult” patients’ experiences that helped them cope in the past but are dysfunctional for adult health and well-being.
- Assess the aspects of our “difficult” patients’ experiences that have been protective for them, including their ability to forge and maintain relationships.
- Describe the elements of trauma-informed-care and assess how current work environments do and don’t fulfill those elements.

CME Details
Accreditation Statement: The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.
Designation Statement: The UMMS designates this live activity for a maximum of 1 AMA PRA category 1 CME credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
Statement on Faculty Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.

Staff are Invited and Encouraged to Attend
Webinar Information:

Here are some things you need to know:

Requirements: You need a desktop, laptop, or cell phone with speakers to pick up the audio in order to participate remotely. Cell phone users should download the ZOOM App before starting, and please remember to MUTE YOUR PHONE during the presentation. We will still broadcast out of the Memorial Amphitheater for those who prefer to attend in person. Our health centers will use ZOOM to broadcast Grand Rounds in their respective conference rooms.

If you want CME credit:
As before, each health center will maintain a sign-in sheet at the video conference sites. For remote viewers, you must sign into ZOOM using your full name, and you must be logged in for at least 30 minutes in order for credit to be awarded.

(Type your full name over what appears in the box labeled “Your Name.”)

Please join the conference without audio or video. This will mute your microphone on your desktop AND your desktop’s camera will not display your image over the presentation, but you will see and hear the presentation being broadcast.

Presenters are encouraged to leave time for questions. Rather than calling in, we will be using the Chat feature of ZOOM located at the bottom of the ZOOM screen on your device.

Grand Rounds will continue to be recorded for viewing after the live session (No CME is available if watching asynchronously). The Grand Rounds Archive will appear on the FMCH website: https://www.umassmed.edu/fmch/faculty-resources/gr/

Use meeting ID: 191 986 273
You may want to watch this quick video before Grand Rounds if you are unfamiliar with Zoom.
