School Health in Worcester: What Primary Care Physicians Need to Know

Mary Beth Miotto, MD, MPH
Associate Director, Pediatric Population Health
Assistant Professor of Pediatrics, UMMS

Beverly Nazarian, MD
School Physician Consultant, Worcester Public Schools
Associate Professor, Department of Pediatrics, UMMS

Learning Objectives:
1. Describe best practices for communication with school nurses.
2. Appreciate the changing role of the school nurse.
3. Identify opportunities for collaboration with school nurses in the care of children with chronic medical conditions.
4. Understand current Massachusetts school immunization requirements.
5. Evaluate benefits of communication on IEPs and 504 plans for your patients with learning and behavioral concerns.
6. Formulate a role for community physicians in reducing chronic absenteeism among their patients.
7. Develop a health equity lens as you consider school health.

Lunch will be offered to Memorial Campus Amphitheater attendees

CME Details
Accreditation Statement: The University of Massachusetts Medical School is accredited by the ACCME to provide continuing medical education for physicians.
Designation Statement: The UMMS designates this live activity for a maximum of AMA PRA category 1 CME credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
Statement on Faculty Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidence-based data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
**Webinar Information:**

**Here are some things you need to know:**

**Requirements:** You need a desktop, laptop, or cell phone with speakers to pick up the audio in order to participate remotely. Cell phone users should download the ZOOM App before starting, and please remember to **MUTE YOUR PHONE** during the presentation. We will still broadcast out of the Memorial Amphitheater for those who prefer to attend in person. Our health centers will use ZOOM to broadcast Grand Rounds in their respective conference rooms.

If you want CME credit:
As before, each health center will maintain a sign-in sheet at the video conference sites. For remote viewers, you must sign into ZOOM using your full name, and you must be logged in for at least 30 minutes in order for credit to be awarded.

Please join the conference without audio or video.
This will mute your microphone on your desktop AND your desktop’s camera will not display your image over the presentation, but you will see and hear the presentation being broadcast.

Presenters are encouraged to leave time for questions. Rather than calling in, we will be using the Chat feature of ZOOM located at the bottom of the ZOOM screen on your device.

Grand Rounds will continue to be recorded for viewing after the live session (No CME is available if watching asynchronously). The Grand Rounds Archive will appear on the FMCH website: [https://www.umassmed.edu/fmch/faculty-resources/gr/](https://www.umassmed.edu/fmch/faculty-resources/gr/)

**Use meeting ID: 191 986 273**
You may want to watch this quick video before Grand Rounds if you are unfamiliar with Zoom.
