## **DNP Scholarly Projects Presentations 2010 – Present**

	Scholarly Project Title
2025	
Boucher	Mechanical Ventilation in Critical Care: Improving Confidence Through a Mechanical Ventilation Module
Hayes	Utilizing a Communication Tool to Improve Care in the Setting of Pressure Injury Reduction
Konjoian	Improving Postoperative Care in the Medical Intensive Care Unit Clinical Pearls in Postoperative Care
Monagle	Optimization of Caregiver Plan Documentation in the EHR for Hematopoietic Stem Cell Transplant Patients
Tran	Incorporating Procedural Skills to Boost Confidence in Adult-Gerontology Acute Care Nurse Practitioner (AGACNP) Students
<b>Buonacore</b> , Smith	Preventative Healthcare for the Homeless of Worcester
Landry	Evaluation of Peer Support Training for First Responders in Massachusetts
Vega Zayas, Wiandt	Reproductive Health Education in the Bateyes of the DR
Tulip	Psychological First Aid Training for Healthcare Workers in La Romana, Dominican Republic
Appiah, Patel	Improving Clinician Self-Efficacy in Substance Use Disorder Treatment
Fowlks	Graduate Student Wellness Support Group
Gentile, Powell Burson	Fostering Resilience in Graduate Nursing Students
Haas, O'Neill	Improving Student-Athlete Mental Health Through Coaching Education
Ingraham-Shaw	Program Evaluation of a De-escalation Training Module in a Pediatric Emergency Department
Yates	Implementation of Mood Disorder Screening in University Students
Sherman, Steacy	Implementation of a Community Mental Health Platform on Mental Health Literacy and Resource Access in Cape Cod Adolescents
Saleeba	A Needs Analysis with Recommendations for the Boroughs YMCA Cancer Survivorship Group Program
Thangthaeng	Understanding Vaping: Implementing an Educational Module in High School
Glozman, Ashkar	A Needs Assessment for Access to Radiation Therapy Care at the Anna Jaques Hospital
Bugos, De La Cruz	ADA Metrics, Medications, and Lifestyle Interventions in Patients with Type 2 Diabetes Mellitus and Obesity: A Legacy Project at a Nurse Practitioner-Owned Clinic
Prajapati	Evaluating clinicians' assessment of social determinants of health for patients of a home-based palliative care program
Lee, Menendez	Transitioning to Practice: A Pilot Residency Program for Novice  Providers within the Subacute Specialty
Markushova, Webb	Evaluating Quality Metrics and Implementing Educational Tools for Palliative Care Patients with COPD
Young	Enhancing Clinical Training in Transgender and Gender-Diverse Healthcare Education: Improving Representation of Gender Diversity in Simulation
Packard	Health Care Delivery Analysis for Management of Latent Tuberculosis in a Community Health Center
Bahramjerdi, Abdeljaber	Evidence-Based Practice Implementation: Enhancing Vaccine Knowledge Among Nursing Student Volunteers at the Epworth Free Medical Program Through an Online Module
Stroh	Advancing Competencies in Transgender and Gender Diverse Healthcare through  Competency-Based Education
Hebert, Tanteh	Early Intervention for Lifelong Health: The Role of a Nutritional and Physical Education Module on Obesity in a Large City-based Third Grade School Curriculum

D 11	
Reid	Caring for Refugees at EMKCHC: Specialized Trauma Informed Care for Patient Facing Staff
Agyei, Leandre	Enhancing Knowledge about the Impact of Racism
	on Postpartum Depression
Guarino, Oliveri	Improving Knowledge of Long-Acting Reversible Contraception in an Adolescent and Young Adult Population
Forland Quadry	Dispelling the Myths: The Truth About Sex Health
Ferland, Quadry Kramer, Olmeda	Creation of the Quality Improvement Limb of a Medical Emergency Team
Krainer, Oillieua	Understanding The Role of The Nurse Practitioner
Ostiguy, Rogers	to Improve Hiring Practices
	Safety Standardization for Transesophageal Echocardiogram in the
Raj	Medical/ Pulmonary Intensive Care Unit
Б. 1	Inclusion of Competency Based Sexual and Gender Minority Health Related
Ford	Content in Graduate Nursing Curricula
2024	
Quinn,	Hands-Only Cardiopulmonary Resuscitation Education for Families of Patients at Risk
Mangiacotti	of Out-of-Hospital Cardiac Arrest
Diedrich	Preventing Hospital Related Delirium through Thorough Nursing Education
Darcy	Perceptions and Utilization of Remote Video Monitoring by Nurses at Medical Center
Chamberlain,	Enhancing Critical Care Pharmacology Education for the AGACNP Students
Bennett	through Interactive Learning Modules
Connolly, Sabas	Post-operative Patient Education in the Thoracic Surgery Patient
Carlson	Prevention of Pressure Injuries in Acutely and Critically Ill Patients
Sarpong,	Improving New Graduate Nurse Orientation at a local Central MA Hospital:
Patterson	A Quality Improvement Initiative
Cerri	Medisafe Mobile Application
Harris	Evaluating Efficacy of Emergency Nurses' Association Education on
25 25	Emergency Severity Index Determination
Mattson, Brotske	The Fourth "P" for Acute Care Nurse Practitioner Students: Procedural Skills Day
DiPinto	Self-directed learning modules: A continuing education initiative for healthcare providers regarding CAR-T cell immunotherapy
Snydeman	Increasing Education of VTE Prophylaxis at UMMH – Evaluation of Nurse-Patient Communication
Waldman	Quiet at Night for Hospitalized Post-Surgical Patients
Hill	Cultural Competency: A Review of an Advanced Practice Nursing Curriculum
Runyan	Kid's Comfort Promise: Improving childhood needle procedure experiences for community health center pediatric patients
Niroula	Advancing Pediatric Vaccine Administration Processes at a Student Run Free Clinic: Quality
	Improvement Through Evidence-Based Practice Implementation
Mousa, Sidhu	Promoting Male Condom Use at a Central Massachusetts State University
De La Rosa,	Trauma-Informed Care Trainings for all Patient-Facing Staff at EMKCHC
Thomas	
Hunt	Long Acting Reversible Contraception (LARC) Education to Nurses in a Community Health Center
Dillon	Evaluating Provider Knowledge about Intrauterine Devices (IUDs) in the Primary Care Setting
Dasilva, Quill	Increasing Hospice Utilization for Frail Elders at End of Life
Sylvia, Ellis	Exploring E-Cigarettes: An Educational Module for Young Adults on the Realities of E-cigarette Use
Burns	Mental Health Education in the Bateyes of the Dominican Republic
Milone, Vittum	Evaluating quality metrics for a new community-based palliative care program for patients with COPD
Murumba, Odillia	( , , <u>C</u>
	Social Determinants of Health and Interventions in Patients with Type 2 Diabetes Mellitus (T2DM) at
Control : DOM	A Nurse-Practitioner Owned Clinic
Cosimini, DiMare	Comfort Measures Only: Improving Documentation Through Nursing Education
Karamourtopoulos, Mantyla-Murphy	Assessment of Organizational Health Literacy at the Greater Lawrence Family Health Center
Mantyla-Mulphy	

Second Companies   Primary Care Led Benzodiazepine Tapers in an Integrated Care Model Clinic Neumann   Treating Alcohol Use Disorder in Primary Care	Gale, Naik	Assessing Adolescent Mental Health Disparities to Develop a Community Mental Health Resource
Neumann
