Admission to the DNP in Nursing program is based on an overall appraisal of the applicant's ability to undertake doctoral study and of their potential contributions to advanced nursing practice. An admission interview is required. Applications to the DNP program will be considered when a complete application is submitted via Nursing CAS:

Go to the GSN website: <https://umassmed.edu/gsn/academics/doctorate-of-nursing-practice/admission-criteria/>.

Non matriculated students may take up to four courses before coming into the post MS DNP program with permission by the DNP Program Director. Contact Jean.Boucher@umassmed.edu.
