

THE JOY OF PRECEPTING

A Personal Reflection Card

Take a moment to reflect on your experience as a preceptor. Keep this card somewhere visible as a reminder of why your work—and the relationships you build—matter.

THE STUDENT MOMENT I AM MOST PROUD OF

What moment with a student stands out as one you are most proud of?

A MOMENT THAT MADE ME A BETTER CLINICIAN

Think of a time when teaching a student helped you see something differently or made you a better clinician. What happened?

SOMETHING I LEARNED FROM A STUDENT

What is something a student has taught you that surprised, challenged, or inspired you?

THE PRECEPTOR WHO INSPIRED ME

Who was a preceptor who influenced you, and what did they teach you about the kind of preceptor you want to be?

THE LEGACY I WANT TO LEAVE

What do you hope students will remember about you and their experience with you?

PROTECTING MY JOY OF PRECEPTING

What is one thing I will do to protect and sustain my joy of precepting going forward?

MY REMINDER TO MYSELF

"The impact of a preceptor extends far beyond what is taught. It lives on in the nurses we help shape."
