ONLINE RN to BSN PROGRAM

Are you a working registered nurse with an associate degree, diploma, or certification? Are you ready to add the professional skills required to meet the changing face of health-care? Then Anna Maria College's online RN to BSN degree program was designed for you.

RESPECTED.

Our RN-to-BSN program features an excellent practitioner based faculty that is dedicated to your success.

- Accredited by the Accreditation Commission for Education in Nursing, Inc. (ACEN)
- One of only six nursing schools in Massachusetts to be named as a College of Distinction
- 100% employment rate of responding RN-to-BSN graduates

FLEXIBLE AND CONVENIENT.

The RN-to-BSN program allows you to study when and where you want while striking a successful balance between home, work and education.

- Fully online program
- Eight-week course sessions in a cohort model
- Take two courses per term and earn your BSN in as few as 12 months

AFFORDABLE.

Anna Maria College's Bachelor's degree in Nursing totals 120 credits; however, as an RN-to-BSN student you can realize a HUGE savings toward making it among the most cost effective offerings in the New England region.

- Transfer up to 90 credits from your previous nursing and college coursework
- \$310 per credit

Earn your BSN in as Few as 12 Months!

RESPECTED • FLEXIBLE • AFFORDABLE

97%

Pass rate for nursing
students taking the
NCLEX exam

A report from the Institute of Medicine has recommended that the nursing profession increase the number of registered nurses (RNs) with a bachelor's degree in nursing (BSN) to 80% by the year 2020.

Anna Maria College's ONLINE RN to BSN PROGRAM
