

WORCESTER REGIONAL FOOD HUB

ABOUT US

The Worcester Regional Food Hub is a proud partner of the Worcester Regional Chamber of Commerce and made possible by the generous support of The Health Foundation of Central Massachusetts. The Food Hub's mission is to increase local food access and consumption as well as recruit, retain, and incubate local food entrepreneurs, collectively building healthy, sustainable, and just communities.

The Kitchen

The Worcester Regional Food Hub Kitchen provides a variety of services for startup and existing food entrepreneurs, including hourly kitchen rentals, business planning, food safety training, and more. The Kitchen is housed in the Greendale Peoples Church at 25 Francis Street in Worcester.

Marketing & Distribution

The Food Hub works to get food into the hands of the people that need it the most, by forming relationships with local farmers and distributing their food to schools, universities, health care facilities, markets, and restaurants.
