Introduction and Overview

The Human Resource team has created this user guide to help you understand and begin using UMMS’ new talent management system iCIMS. In this guide are step by step instructions on how to access, navigate and use the capabilities of the system to facilitate the recruitment process.

Highlights of the iCIMS system include:

For Managers:
- Access anytime, anywhere with Internet connectivity
- The ability to copy an existing job requisition
- Improved communication on status of requisitions
- The interview scheduler function can set up multiple interviews

For Applicants:
- Friendlier application process
- Timelier communication regarding status of application
- Internal applicants have more streamlined experience

For UMMS:
- Recruitment lifecycle is streamlined
- The recruitment process is all captured in iCIMS reducing paper duplication.
- iCIMS is compliant with OFCCP regulations.

As always we enjoy working with you and welcome any questions you have. The recruitment team is available to help and answer any questions you have using the system.
Glossary:

Applicant: An individual who submits an expression of interest in employment and possesses the basic qualifications for the position.

Candidate: An applicant who is being considered for the position.

Coordinator: Contact person within HR.

ICIMS: The iCIMS Talent Platform is a talent management system. The platform makes it easier to manage and streamline all recruitment, hiring and employee management processes.

Hiring Manager: A system user from a department that can create and manages job requisitions.

Requisition Creator: A system user from a department that can create and manage job requisitions in support of a hiring manager.

OFCCP: Office of Federal Contract Compliance Programs. OFCCP is responsible for ensuring that employers doing business with the federal government comply with the laws and regulations requiring nondiscrimination.

Portal: External and internal links where jobs are posted.

Status: The current position of an applicant or candidate in the recruitment process for a particular job requisition.

Talent Specialist: New title for a recruiter or employment specialist.

Create a new Job Requisition

Step 1: Select the New Job tab at the top of the screen.

Tip: All required fields have a * and any field that is grey cannot be edited.

Step 2: In the Template Field, type the Job Code or Job Title, then press Enter.

Step 3: Click the drop down arrow to display all of the jobs that match your search criteria.

Step 4: Scroll to locate the job and then select it.
Step 5: Review the job template that has prefilled.

Step 6: Complete the following fields:

- **Working Title**: Pre-populated. Hiring manager can enter the name of the working title if it is different than the Job Title. This title will appear on all postings, internal and external.
- **Position Number**: Enter only if your department is using position control.
- **Position Type**: Select from drop down
- **Hire Type**: Select from drop down
- **Union Code**: Pre-populated but can be changed
- **Funding Source 1**: Select from drop down
- **Funding Source 2**: Select if applicable
- **Funding Source 3**: Select if applicable
- **# of Openings**: Pre-populated with 1. UMCH has an exception for per diem requisitions.
Step 7: Complete the Assignment Section.

**Hiring Manager** will default to current user name but another person can be designated.

**Tip:** iCIMS allows two users to be assigned to a job requisition. The requisition creator and user assigned in the hiring manager field will have access. There is also a view hiring manager field which will give "view" access only to the person name in this field.

Step 8: Select the **Talent Specialist**.

Step 9: Select the **Coordinator**.

Step 10: Select the **Department**.

Click on the **Show List Picker** icon to select the SBU (CMW, Mass Biological Labs, School) then select the appropriate Department.
Step 11: Click Save.

Step 12: Location field.

All Commonwealth Medicine locations have a "CWM" suffix. For CWM users, search for "CWM" in the location field to display valid CWM locations. For all other departments, search by location name (be careful not to select a location with a suffix of CWM).

Click on the drop down arrow and select **Type Name**. Type your search as noted above. Click the Search Icon and then the drop down arrow and make your selection.

Step 13: Compensation and Posting & Sourcing

Compensation over 100K require the President's Office Approval. Post Type must be selected.

Step 14: Complete the **Additional Data** information

- Select the appropriate shift.
- Enter the appropriate weekly hours.
- Job Group cannot be changed.
- Answer position eligible for VISA sponsorship.
Step 15: Requisition Justification

Justification for the requisition must be entered here.

Step 16: Enter Interview Team names.  

**Required Information for OFCCP**

Click **New** to add employees who will be part of the interview team.

Enter the **Interviewer Name** and **Interviewer Title** then click **OK**.

Repeat steps as necessary to add all members of the interview team.
Step 17: Review the list of interviewers

- Click **Edit** to update interviewer information
- Click **X** to delete an interviewer

Step 18: Foreign Project Registration.

Click the **drop down arrow** and answer **Yes** or **No** to questions regarding hiring and residence outside of the US.

*Note*: If you answer **Yes** to either question, you must complete the *Foreign Project Registration* form located in the *Manager’s Toolbox*.

Step 19: Click Next.

Step 20: Review the **Job Description** information. Your talent specialist can help you with any updates or changes.
Tip: Use the Previous icon to make any changes to the req.

The following DEEO statement is required on all job descriptions.

As an equal opportunity and affirmative action employer, UMMS recognizes the power of a diverse community and encourages applications from individuals with varied experiences, perspectives and backgrounds.

Additional Data: List any extra information needed on the position.

Step 21: Click Finish.

Step 11: Click on License/References to view this information.

Step 12: Click on Resume to view this information.
Step 13: Click on iForms to view the application
Taking Action on Applicants

Tip: When you are taking action on applicants, you can select more than one at a time. For example, if you wanted to send an email to two candidates to set up interviews, you would check the Select box for each and then click the Take Action icon. An email would go to both applicants but they would see only their name.

Step 1: Click on the Select box for the applicant and click on the Take Action icon.

Step 2: Choose an action from the drop down menu and click Save.

Schedule Interviews

Note: all interviews need to be added to iCIMS to be in compliance with OFCCP.

Step 1: Click on the red interview icon (next to envelope) to record interview

Step 2: Email window will open. If you are scheduling interviews through Icims; Click on Invite Attendees, draft your email to the applicant including a subject. Send email when completed. You also have the option of adding interviewers to this email by cc’ing them. Emails from iCIMS are compatible with Outlook.

If not using Icims to schedule interviews, don't click "invite attendees" but do document the interview information and save.
**Step 3:** The status will change on the applicant to "interview scheduled". Repeat for other applicants and select the appropriate status.
Requesting Offer and Closing out Candidates

**Required Information for OFCCP.**
