W-2 Year End Tax Reminders

As the year end approaches, it is time to start thinking about tax preparation. Please take action on the items below to help you prepare for tax season.

Message from UMMS Immigration Services
If you benefit from a tax treaty and are a non-resident alien for tax purposes, you will also need to login to your Glacier Online Tax account to update your local address. The IRS Tax Calculator does not apply to non-resident aliens.

Step 1: Review and Update your Personal Information in HR Direct

It is important to review your personal information on record in the HR Direct System to confirm your mailing address is updated and accurate.

To review/update your personal information and mailing address, log on to HR Direct, and click on the NavBar located on the top right of the page. From the NavBar menu, click on "Navigator". Click on "Self-Service" and then "Personal Information". Then, click the "Personal Details" to validate that your mailing address is accurate. If corrections are needed, please make the edits and save the corrected information.

Step 2: Go Paperless with your W-2 Statement

UMMS employees may elect to receive their W-2 statements online through HR Direct Self Service in an IRS approved PDF format. This allows you to print and send the online form with your tax return.

To consent to receive your W-2/W-2c electronically and go paperless, log on to HR Direct, and click on the NavBar located on the top right of the page. From the NavBar menu, click on "Navigator". Click on "Self-Service" and then "Payroll and Compensation". Then, click the "W2/W-2c Consent" link. Read the disclosure information on the Form and if you want to receive your W-2/W-2c electronically, check the "Consent" box and hit "Submit".

Step 3: IRS Tax Withholding Calculator

Due to the Tax Cuts and Jobs Act, the Internal Revenue Service (IRS) released a revised federal Form W-4 for tax year 2020. You may access the 'New 2020 Form W-4' (login required) from the UMass Office of the President website. The Form's Employee Withholding Certificate is significantly different from the previous year and the University recommends you perform a "paycheck checkup".

To conduct the checkup and to see if you need to make adjustments to your current withholding, access the IRS Tax Withholding Estimator. To effectively use the estimator, it is helpful to have a copy of your most recent pay stub and tax return.
Reminder: Long-Term Care (LTC) Enrollment - Ends October 23, 2020

The UMass Office of the President has a special offer for actively at-work, UMMS eligible employees, to apply for long-term care coverage from Mutual of Omaha with reduced underwriting (limited health questions). **Enrollment ends October 23, 2020.** Applications during future enrollment periods will require proof of good health through full medical underwriting.
