4. At the bottom of the form, you have the option to Approve or Reprocess Chg. Note, the Action Reason should always be Funding Change.

5. Click Approve to move the form to the next workflow step.

6. A popup message will appear to confirm that you approve. Click Yes.

7. The Form Status section shows confirmation that the form has been approved. The Process Visualizer shows that the form has moved to the next workflow step.

Note that Funding Changes require a Finance Department approver for both the FROM department and TO departments.
Reprocess a Funding Change ePAF

1. If the ePAF will not be approved, enter a note in the **Comments** field and then click the **Reprocess Chg** button. This will send the ePAF form back to the originator for changes and once re-submitted, the form will be routed through all approval steps.

2. Once you click the Reprocess Chg button a second verification will popup to verify. Click **Yes**.
3. The Form Status will indicate that the form has been RECYCLED. The Process Visualizer section displays the next workflow approver, in this case it will show the form was sent back to the initiator at the first step.
