Review and Approve a Funding Change ePAF

1. Log into HR Direct and navigate to the ePAF Home Page.
   a. Access the NavBar by selecting the Compass and choose the Navigator > Department Self Service and then the GT Action Center.

2. To view the form click on the link Form: Last, First Name in the Forms Needing Action section located on the right side of the page.

3. Review the form for accuracy before approving. Note the Compensation Data section includes the current and proposed funding data. The Begin Date is highlighted above the new rows. Also, the Changed box is selected next to the new GL Combination Codes.

4. At the bottom of the form, you have the option to Approve or Reprocess Chg. (Note, the Action Reason should always be Funding Change.)

5. Click Approve to move the form to the next workflow step.

6. A popup message will appear to confirm that you approve. Click Yes.

7. The Form Status section shows confirmation that the form has been approved. The Process Visualizer indicates that the form has moved to the next workflow step.
Another way to approve an ePAF

1. Log into HR Direct and navigate to the ePAF Home Page.
   a. Access the NavBar by selecting the Compass and choose the Navigator > Department Self Service > ePAF home page > Evaluate a ePAF

2. Search Eform ID in the ID Field

3. Once at the Evaluate Job Change form, scroll to the bottom and you will see the approve button.

Reprocess a Funding Change ePAF

1. If the ePAF cannot be approved, enter a note in the Comments field and then click the Reprocess Chg button.
This will send the ePAF form back to the initiator for changes and once re-submitted, the form will be re-routed through all approval steps.

2. Once you click the **Reprocess Chg** button a second verification will popup to verify. Click **Yes**.

3. The **Form Status** will indicate that the form has been **RECYCLED**. The **Process Visualizer** section displays the next workflow approver, in this case it will show the form was sent back to the initiator at the first step.
