---

---

---

By the end of this workshop you will

- Improve equity-based communication and cultural humility as measured by a checklist
- Identify factors that may contribute to your own implicit bias
- Report how implicit bias can negatively impact teamwork and communication
- Describe ways to mitigate the impact of bias to support team security and empowerment

---

---

- How did today feel for you?
- What did we do today that was surprising?
- What is one thing that you will take away?
- What do you wish to continue to work on?
