

*E*Value Quick Start*

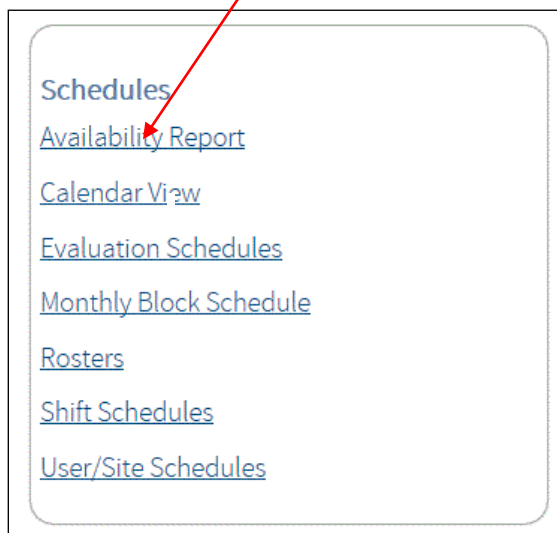

Viewing Availability

You will be able to view availability via the Availability Report. This report is dynamic so the information it contains is up-to-the-minute.

1. After logging into E*Value, click on **Schedules** then click on **Reports**.

2. Click on **Availability Report** from the Schedules menu.

3. Select **AS 14-15** from the Curriculum drop down list then Select appropriate filter settings. Click Search.

Select a specific
Site, Timeframe or
Course or leave to
 default "All"

Availability Scheduling

Curriculum: AS 14-15
