Faculty Report View

As a Faculty member you have the ability to run reports based on students in your clerkship.

1. After you have successfully logged into the UMass Medical Encounter Documentation System (UMEDS) Click on the **Encounter Tab** in the top menu.

2. From the left navigation menu, click **View Aggregated Report**.

3. Click on the **Clerkship**.

4. **Select a student** in which to generate a report.

**Note:** A report can be generated for “All Students” or by an individual student name.
5. Upon selection of either “All Students” or an individual student, a report will be generated. To print the report, select the "printer friendly version" button.

Note: When the target is met for a specific skill, it will display in green and those not met will be displayed in red.
