Student Report View

As a student enrolled in UMEDS, you have the ability to run reports based on your clerkships.

1. After you have successfully logged into the UMass Medical Encounter Documentation System (UMEDS) Click on the **Encounter Tab** in the top menu.

2. From the left navigation menu, **click View Aggregated Report.**

3. **Click on the Clerkship.**
4. Upon selection of the clerkship, a report will be generated. To print the report, select the "printer friendly version" button.

Note: When you have met the target for a specific skill, it will display in green and those not met will be displayed in red.
