Adaptive Release Settings

*Note: Some of the settings in **Test Options** are self-explanatory or may have a description of settings. Additional information is provided for some options that may not be apparent.*

Display After and **Display Until**: Default is unchecked. This setting limits the availability of a test to a certain span of time. If left unchecked, it will always show under Tests and Assignments unless the test is hidden by setting **Make the Link Available** to No.

1. Date

Setting a Date criterion for this item will restrict the dates and times of the visibility of this item.

Choose Date

Display After  

Enter dates as mm/dd/yyyy. Time may be entered in any increment.

Display Until  

Enter dates as mm/dd/yyyy. Time may be entered in any increment.

Username or **Course Groups** can be used to specify those who should have access to the Test or Assignment. If left clear, all students will have access. In the example below, *student wmpeach and Block 1A Group* have access. To give Group access, Groups must be built and student assigned in **Users and Groups** in Course Management.

2. Membership

This content item is visible to all users until a Membership criterion is created. Users must be specified in the Username list or must be in a selected Group.

Username

*Enter one or more Username values or click **Browse** to Search. Separate multiple Username values with commas.*
