What does the NIH Look for in Tenure-track Investigators?

Roland A. Owens, Ph.D.

**Assistant Director,
Office of Intramural
Research
NIH**

Dr. Roland Owens is Assistant Director for the Office of Intramural Research at the National Institutes of Health. One of his major responsibilities is recruitment and mentoring of tenure-track investigators at NIH. Please join Dr. Owens for a discussion of job opportunities and expectations for tenure-track research investigators at the NIH.

Monday, July 18, 2011

2:00-3:00 p.m.

Faculty Conference Room

Refreshments will be served
