Cancer Education Programs

UMass Memorial
Colon and Rectal Cancer Symposium

The How, Why and What Do I Do Now? of Colon Cancer

Monday, March 16, 2015 • 4:30 – 8 pm

Presented by the UMass Memorial Health Care Cancer Center of Excellence
UMass Memorial Medical Center – University Campus
Faculty Conference Room
55 Lake Avenue North, Worcester, MA

Each year there are 150,000 new cases of colorectal cancer diagnosed in the United States. Some 80% to 90% are preventable. Come learn how you can prevent colon cancer and what your options are to treat it.

Light dinner provided.
