

UMMS Administration and Faculty

University of Massachusetts Trustees

Henry M. Thomas, III, JD, of Springfield, Chair
Ruben J. King-Shaw Jr., of Carlisle, Vice Chair
Richard P. Campbell, JD, of Cohasset
Lawrence M. Carpmann of Marshfield
Edward W. Collins Jr., of Springfield
John A. DiBiaggio of Snowmass Village, Colorado
Joshua Encarnacion of Springfield, Student Trustee
Maria D. Furman of Wellesley
Phillip J. Geoffroy of Chelmsford, Student Trustee
Zoila M. Gomez, JD, of Lawrence
Jennifer Healy of Bellingham, Student Trustee
Philip W. Johnston of Marshfield

James J. Karam of Tiverton, RI
Alyce J. Lee of Milton
Alexis Marvel of East Taunton, Student Trustee
Jeffrey B. Mullan, JD, of Milton
Kerri Osterhaus-Houle, MD, of Hudson
R. Norman Peters, JD, of Paxton
Brian Quattrochi of Worcester, Student Trustee
S. Paul Reville, Secretary of Education, Commonwealth of Massachusetts
Victor Woolridge of Springfield
Margaret D. Xifaras, JD, of Marion
Victor Woolridge of Springfield

University Administration

Robert L. Caret, PhD
 (University of New Hampshire), President

James R. Julian Jr., JD
 (New England School of Law), Executive Vice President and Chief Operating Officer

Marcellette G. Williams, PhD
 (Michigan State), Senior Vice President for Academic and Student Affairs and International Relations

Thomas J. Chmura, MS (Rensselaer Polytechnic Institute), Vice President for Economic Development

Christine Wilda, Senior Vice President for Administration, Finance and Technology and Treasurer

Deirdre Heatwole, JD
 (New York Law School), General Counsel

Robert P. Connolly, Vice President for Strategic Communications and University Spokesman

Worcester Campus Administration

Michael F. Collins, MD
 (Tufts University), Chancellor

Terence R. Flotte, MD
 (Louisiana State University), The Celia and Isaac Haidak Professor in Medicine, Executive Deputy Chancellor and Provost and Dean of the School of Medicine

Joyce Murphy, MPA
 (Harvard School of Public Health), Executive Vice Chancellor, Commonwealth Medicine

Robert E. Jenal, BS
 (University of Massachusetts Amherst), Vice Chancellor for Administration and Finance

Mark Klempner, MD
 (Cornell University), Executive Vice Chancellor of MassBiologics

Edward J. Keohane, BA
 (Boston College), Vice Chancellor for Communications

Charles J. Pagnam, MBA
 (Nichols College), Vice Chancellor for Development

James Leary, JD
 (Georgetown University), Vice Chancellor for Community and Government Relations

John Baker, MA
 (Purdue University), Associate Vice Chancellor for Facilities Management

Deborah L. Plummer, PhD
 (Kent State University), Associate Vice Chancellor for Diversity and Equal Opportunity

James Healy, JD
 (Suffolk University), Associate Vice Chancellor for Management

Mark L. Shelton, MFA
 (University of Pittsburgh), Associate Vice Chancellor for University Relations

Nancy Vasil, BS
 (Bentley College), Associate Vice Chancellor for Administration and Finance

Paulette Goeden, MBA (Florida International University), Assistant Vice Chancellor for Administration

James P. McNamara, PhD
 (University of Connecticut), Executive Director, Office of Technology Management

Gregory Wolf, BA
 (Cornell University), Chief Information Officer

Deborah Harmon Hines, PhD
 (University of Tennessee), Vice Provost for School Services

Luanne E. Thorndyke, MD
 (University of Nebraska), Vice Provost for Faculty Affairs

Katherine Ruiz de Luzuriaga, MD
 (Tufts University), Associate Provost for Global Health

Thoru Pederson, PhD
 (Syracuse University), Associate Vice Provost for Research

Robert Milner, PhD
 (The Rockefeller University), Associate Vice Provost for Professional Development

Judith K. Ockene, PhD
 (Boston College), Associate Vice Provost for Faculty Affairs

Mary Zanetti, EdD (University of Massachusetts Amherst), Senior Director for Institutional Research, Evaluation and Assessment

Brendan Chisholm, BA (Connecticut College), Senior Director and Chief of Staff, Chancellor's Office

Elaine R. Martin, DA
 (Simmons College), Director, Library Services

School of Medicine Administration

Terence R. Flotte, MD
 (Louisiana State University), The Celia and Isaac Haidak Professor in Medicine, Executive Deputy Chancellor and Provost and Dean of the School of Medicine

Michele P. Pugnaire, MD
 (McGill University), Senior Associate Dean for Educational Affairs

Deborah M. DeMarco, MD
 (New York University), Senior Associate Dean for Clinical Affairs and Associate Dean for Graduate Medical Education

Jeroan Allison, MD
 (University of Alabama), Associate Vice Provost for Health Disparities

Octavio Diaz, MD
 (University of Illinois), Associate Dean for Medical Education, Saint Vincent Hospital

Michael D. Kneeland, MD, MPH
 (Tufts University; Harvard School of Public Health), Associate Dean for Allied Health and Interprofessional Education and Interim Associate Dean for Continuing Medical Education

William G. Muller, MD
 (University of Vermont), Associate Dean for Medical Education, Milford Regional Medical Center

Mariann Manno, MD
 (New York University), Associate Dean for Admissions

Gyongyi Szabo, MD, PhD (University Medical School, Debrecen, Hungary; Hungarian Academy of Sciences), Associate Dean of Clinical and Translational Research, Graduate School of Biomedical Sciences

Lisa Beittel, MBA
 (Clark University), Assistant Dean for Administration and Chief of Staff, Dean's, Provost and Executive Deputy Chancellor's Office

Michael C. Ennis, MD
 (University of Rochester), Assistant Dean for Student Advising

Thomas Houston, MD, MPH
 (Bowman Gray School of Medicine), Assistant Dean for Continuing Medical Education, Medical Education Research

Anne Larkin, MD
 (Columbia University) Assistant Dean for Graduate Medical Education

Melissa Fischer, MD
(New York University), Associate
Dean for Undergraduate
Medical Education

Committees and Councils

Admissions Committee

Mariann Manno, MD, Chair,
Associate Dean for Admissions

Jeroan Allison, MD, MS,
Quantitative Health Sciences

Antonio Aponte Feliciano, MD,
Anesthesiology

Michael Brown, MD, Orthopedics

Oguz Cataltepe, MD, Surgery

Silvia Corvera, MD,
Molecular Medicine

Bruce Cutler, MD, Surgery

Pegeen Eslami, MD, Pediatrics

Foley, Peter, MD, Anesthesiology

Maria Garcia, MD, Medicine

**Thomas Halpin, MD, Obstetrics
& Gynecology**

Deborah Harmon Hines, PhD,
Vice Provost for School Services

Ashraf Khan, MD, Pathology

Jason Kim, PhD,
Molecular Medicine

**Kendall Knight, PhD, Biochemistry
& Molecular Pharmacology**

Ted Kremer, MD, Pediatrics

**Peter McConarty, MD, Family
Medicine & Community Health**

Majaz Moonis, MD, Neurology

**Marc Restuccia, MD, Emergency
Medicine**

**Alexandra Schultes, MD, Family
Medicine & Community Health**

Dennis Tighe, MD, Medicine

Thomas Walsh, MD, Medicine

Wahid Wassef, MD, MPH, Medicine

Biomedical Computing Committee

Wenjun Li, PhD, Chair, Medicine

**Jeffrey Bailey, MD, PhD
Medicine**

**Ellen Kittler, PhD
Molecular Medicine**

**Omanand Koul, PhD
Graduate School of Nursing**

**Francesca Massi, PhD
Biochemistry & Molecular
Pharmacology**

**Constance Nichols, MD
Emergency Medicine**

**Rajani Sadasivam, PhD
Quantitative Health Sciences**

**Evgeny Rogaev, PhD, Alternate,
Psychiatry**

**Judith Savageau, MPH, Alternate,
Family Medicine & Community
Health**

**Rongua Zhuge, PhD, Alternate,
Microbiology & Physiological
Systems**

Student Representatives

**Alfred Simki
Graduate School of Biomedical
Sciences**

**Nick Hathaway
School of Medicine**

Ex-Officio

**Terence Flotte, MD
Dean, School of Medicine**

**Anthony Carruthers, PhD
Dean, Graduate School of
Biomedical Sciences**

**Paulette Seymour-Route, PhD
Dean, Graduate School of Nursing**

**Mary Piorun
Library Services**

**Jeff Lett
Information Services**

**Charles Desourdy
Information Services**

Information Services**

Council on Equal Opportunity and Diversity

**Philip Dilorio, PhD, Co-Chair,
Molecular Medicine**

**Valerie Wedge, LICSW, Co-Chair,
Employee Assistance Program**

**Gustavo Angaramo, MD,
Anesthesiology**

**Jeroan Allison, MD, MS,
Quantitative Health Sciences**

Vishesh Chhibber, MD, Medicine

Marsha Ellison, PhD, Psychiatry

**Warren Ferguson, MD, Family
Medicine & Community Health**

**Heather-Lyn Haley, PhD, Family
Medicine & Community Health**

Catherine James, MD, Pediatrics

Chandra Joshi, MD, Anesthesiology

**Jason Kim, PhD, Molecular
Medicine**

**Sun Kim, PhD, RN, APN-BC,
Psychiatry**

**Jose Lemos, PhD, Microbiology &
Physiological Systems**

Pranoti Mandrekar, PhD, Medicine

**Abraham Ndiwane, EdD, Graduate
School of Nursing**

Ben Nwosu, MD, Pediatrics

Lori Pbert, PhD, Medicine

**Michele Pugnaire, MD, Family
Medicine & Community Health**

**Muhammad Ramzan, MD,
Neurology**

**Humberto Reynoso-Vallejo, PhD,
Family Medicine & Community
Health**

Jaime Rivera, PhD, Cell Biology

Evgeny Rogaev, PhD, Psychiatry

**Joyce Rosenfeld, MD, Emergency
Medicine**

Heena Santry, MD, Surgery

Yvonne Shelton, MD, Orthopedics

Nawras Shukair, MD, Psychiatry

**Tatyana Shteinlukht, MD, PhD,
Psychiatry**

**Joshua Singer, PhD, Microbiology
& Physiological Systems**

**Rosealie Torres Stone, PhD,
Psychiatry**

Naheed Usmani, MD, Pediatrics

Mark Vining, MD, Pediatrics

**Robert Woodland, PhD,
Microbiology & Physiological
Systems**

**Edith Cullen, Contracts,
Credentialing and Support Services**

Karin Fitch, Human Resources

**Paulette Goeden, Central
Administration**

**Mary Handley, Commonwealth
Medicine**

**Tom Hopkins, Employee Assistance
Program**

**Patricia Keith, Microbiology &
Physiology System**

**Robert Layne, Worcester Pipeline
Collaborative**

**Shelly Yarnie, MPH, Office of
Community Programs**

Student

Anna McMahan, SOM 2012

Ex-Officio

**Deborah Harmon Hines, PhD,
Vice Provost for School Services**

**Judith Ockene, PhD, Associate Vice
Provost for Gender & Equity**

**Luanne Thorndyke, MD, FACP,
Vice Provost for Faculty Affairs**

Committee on Committees

**Luanne Thorndyke, MD, FACP, Chair,
Vice Provost for Faculty Affairs**

**Jennifer Daly, MD, Faculty Council
Representative**

**Heather Lyn Haley, PhD, Faculty
Council Representative**

**Ann Larkin, MD, Executive Council
Representative**

**Arthur Mercurio, PhD, Executive
Council Representative**

**Julia Johnson, MD, Executive
Council Representative**

**Jill Terrien, PhD, RN, ANP,
Faculty Council Representative**

Students

Christopher Mackay

Sean Smirnov

Ex-Officio

**Anthony Carruthers, PhD,
Dean, Graduate School of
Biomedical Sciences**

**Terence R. Flotte, MD,
Dean, School of Medicine**

**Paulette Seymour-Route, PhD,
Dean, Graduate School of Nursing**

Educational Policy Committee

**Jeroan Allison, MD, Quantitative
Health Sciences**

Rick Pieters, MD, Radiation Oncology

Anne Larkin, MD, Surgery

Faculty-at-Large

Tiffany Moore-Simas, MD

David Keller, MD

Students

Thomas Kingsley, Class of 2012

Gillian Griffith, Class of 2014

Affiliates

Jane Lochrie, MD,
(Saint Vincent Hospital)

Martin Broder, MD, (BMC)

Bill Tosches, MD, (MRMC)

Michael Ennis, MD, (UMMHC)

Alumni Council

Eric Alper, MD

Administration

Michael Baker, MA, Registrar

Melissa Fischer, MD, MEd,
Associate Dean, Undergraduate
Medical Education

**Terence Flotte, MD, Dean, Provost
and Executive Deputy Chancellor**

Deborah Harmon-Hines, PhD,
Vice Provost for School Services

**David Hatem, MD, Co-Director,
Learning Communities**

**Michael Kneeland, Associate
Dean for Allied Health and Inter-
professional Education Programs,
Interim Associate Dean for
Continuing Medical Education**

**Sarah McGee, MD, OEA/EOTYA/
Simulation**

Judith Ockene, PhD, MEd,
Faculty Administration

**Holly Powderly, Interim CIO
of Products and Services**

**Michele Pugnaire, MD, Senior
Associate Dean, Educational Affairs**

**Lyn Riza, MS, Interim Associate
CIO for Academic Computing**

**Mai-Lan Rogoff, MD, Associate
Dean, Student Affairs**

Luanne E. Thorndyke, MD,
Vice Provost for Faculty Affairs

Scott Wellman, MD,
Associate Director, Center
for Academic Achievement

Executive Council

George Asdourian, MD,
Ophthalmology (Interim)

David Ayers, MD, Orthopedics

Robert Brown, DPhil, MD,
Neurology

Oguz Cataltepe, MD, Ophthalmology

Dean, Graduate School of Nursing

Luanne Thorndyke, MD, FACP,
Associate Vice Provost
for Faculty Affairs

School of Medicine Faculty

Charles Abbott, MD, clinical
assistant professor of pathology;
MD, University of Sheffield Medical
School, 1997

Sassan Abdollahzadeh, PhD,
assistant professor of family
medicine & community health;
BA, University of Massachusetts
Amherst, 1983; MS, University
of Kansas, 1986; PhD, Clark
University, 1992

Hesham Aboshady, MD, assistant
professor of medicine; MPH,
University of Oklahoma, 2002;
MD, Cairo University School of
Medicine, 1996

Annie Abraham, MD, assistant
professor of medicine; MBBS,
Christian Medical College, 1971

George Abraham, MD, MPH, clinical
associate professor of medicine;
MPH, Hopkins Academy, 2002;
MBBS, Christian Medical College,
1988

Janet C. Abrahamian, MD,
instructor of family medicine &
community health; PharmB, School
of Pharmacy, University of London,
1970; MD, University of Leeds, 1979

Konstantin Abramov, MD, assistant
professor of medicine; MD,
St. George's University, 2002

Usha Rajagopalan Jairaj Acharya,
PhD, assistant professor of
molecular medicine; BS, University
of Madras, 1985; MS, 1987; PhD,
Indian Institute of Science, 1992

Wendy Ackley, MSW, instructor
of obstetrics & gynecology

Philip Adamo, MD, assistant
professor of medicine; BS, Fordham
University, 1978; MPH, University of
Wisconsin, 1997; MD, University of
Delaware, 1982

Robert John Adamo, MD, assistant
professor of radiology; BA, Williams
College, 2001; MD, State University
of New York Downstate, 2006

Abigail Adams, MD, clinical
associate professor of medicine;
BS, University Massachusetts
Boston, 1975; MD, University
of Massachusetts Medical
School, 1980

Sara T. Adams, MA, instructor
of family medicine & community
health; BS, St. Johns University,
1980; MA, Anna Maria College,
1988

Steven A. Adelman, MD, clinical
associate professor of psychiatry;
BA, Harvard University, 1974; MD,
University Pennsylvania, 1981

Seema Adhami, MD, assistant
professor of pediatrics; MBBS,
Aligarh Muslim University, Ali, 1983

Ronald N. Adler, MD, assistant
professor of family medicine
& community health; BS, Tufts
University, 1982; MD, University
of Massachusetts Medical School,
1989

Josna Adusumilli, MD,
assistant professor of neurology

Susan A. Afonso, MD, clinical
associate professor of radiology;
BS, Tufts University 1981; MD,
University of Massachusetts
Medical School, 1985

Sarika Agarwal, PhD, assistant
professor of medicine; PhD,
Michigan Tech University, 1995

Achal Aggarwal, MD, affiliate of
pediatrics; BS, Massachusetts
Institute of Technology, 1987;
MD, University of Massachusetts
Medical School, 1991

Sarika Aggarwal, MD, assistant
professor of medicine; MBBS, Grant
Medical College, 1987

Payam Aghassi, MD, assistant
professor of medicine; MD, Tehran
University Medical School, 1996

Demotenes Agiomavritis, MD,
instructor of medicine; BA,
Merrimack College, 1975;
MD, University of Athens
Medical School, 1980

Paulo Ney Aguiar Martins, MD,
assistant professor of surgery

William Ahearn, PhD, assistant
professor of psychiatry; BS,
University of Miami, 1988; MA,
Temple University, 1990; PhD, 1991

Mary S. Ahn, MD, assistant
professor of psychiatry; BA, Johns
Hopkins University, 1994; MD,
University of Illinois at Chicago,
1998

Min S. Ahn, MD, affiliate of
otolaryngology; BA, Harvard
University, 1989; MD, George
Washington University School of
Medicine, 1994

Simon Ahtaridis, MD, MPH,
instructor of medicine; BA,
University Pennsylvania, 1996; MPH,
Johns Hopkins University, 2002;
MD, Temple University, 2003

Jeremy T. Aidlen, MD, FACS,
assistant professor of surgery and
pediatrics; BS, University of Illinois
Urbana, 1995; MD, New Jersey
College of Medicine, 1999

Francesco Anthony Aiello, MD,
assistant professor of surgery;
BS, Rochester Institute of
Technology, 2000; MD, University
of Massachusetts Medical School,
2005

Rene Aillon, MD, assistant
professor of anesthesiology

Ali Akalin, MD, PhD, assistant
professor of pathology; MD,
Ankara University, 1992

Schahram Akbarian, MD, professor
of psychiatry; MD, Freie Kunst-
Studienstatte Otte, 1989

Mohammed W. Akhter, MD,
assistant professor of medicine;
MD, University of the Punjab,
Lahore, 2009

Carlton M. Akins, MD, associate
professor of orthopedics & physical
rehabilitation and pediatrics; AB,
Harvard University, 1962; MD,
Harvard Medical School, 1966

Mustafa Akyurek, MD, associate
professor of surgery; MD, Hacettepe
University, 1990

Anthony J. Alario, MD, professor
of pediatrics; BA, Boston
University, 1972; MD, University of
Massachusetts Medical School,
1979

Karim Alavi, MD, assistant
professor of surgery; MD, George
Washington School of Medicine,
1995

Christina N. Alavian, MD, assistant
professor of medicine; BA, College
of the Holy Cross, 1999; MD,
University of Vermont, 2005

Alan J. Albert, MD, assistant
professor of obstetrics &
gynecology; BA, State University
of New York Binghamton, 1973;
MD, University Autonomia De
Guadalajara, 1977

David A. Albert, MD, assistant
professor of medicine; BA, George
Washington University, 1990;
MD, University of Massachusetts
Medical School, 1996

Kyneret Albert, MD, assistant
professor of medicine; BA, Brandeis
University, 1987; MD, University of
Massachusetts Medical School,
1997

Herlen J. Alencar, MD, assistant professor of radiology; MD, University of Pernambuco, 1998

Mary K. Alexander, EdD, professor emeritus of family medicine & community health; BS, University Vermont, 1971; MS, University Massachusetts Amherst, 1974; EdD, 1985

Rani Alexander, MD, instructor of family medicine & community health; MD, Boston University School of Medicine, 2000

Howard Alfred, MD, clinical associate professor of medicine; BA, Trinity College, Hartford, 1970; MD, State University of New York Downstate, 1974

Shaun T. Alfreds, BS, instructor of family medicine & community health; BS, University Massachusetts Boston, 2000; MBA, University of Maine Orono, 2003

Mohammad Alhabbal, MD, assistant professor of family medicine & community health; MD, University of Damascus Medical School, 1984

Maria Del Carmen Al-Homsi, MD, instructor of medicine; MD, El Colegio de Mexico, 1982

Akbar Ali, PhD, research associate professor of biochemistry & molecular pharmacology; PhD, Humboldt University Berlin, 2001

Tasneem Ali, MD, assistant professor of medicine; MBBS, Pt Jawaharlal Nehru Memorial Medical College, 1995

Mark Alkema, PhD, assistant professor of neurobiology; BS, University of Amsterdam, 1985; MS, University of Amsterdam, 1990; PhD, 1996

Sam Alkhoury, DMD, instructor of family medicine & community health; DMD, Boston University, 2001

Jeroan J. Allison, MD, MS, professor of quantitative health sciences and medicine; BS, Samford University, 1985; MS, Harvard University School of Public Health, 1997; MD, Alabama State University, 1989

Laura Cristina Alonso, MD, associate professor of medicine; BA, Harvard College, 1993; MD, University Pennsylvania, 1998

Caroline J. Alper, MD, assistant professor of medicine; BS, University of Massachusetts Boston, 1987; MD, University of Massachusetts Medical School, 1993

Eric J. Alper, MD, professor of medicine and quantitative health sciences; BS, Brown University, 1989; MD, University of Massachusetts Medical School, 1993

Wayne Jay Altman, MD, assistant professor of family medicine & community health; BA, Brandeis University, 1990; MD, University of Massachusetts Medical School, 1994

M. Rabie Al-Turkmani, PhD, assistant professor of pathology; PharmB, University of Damascus, 1998; MS, Northeastern University, 2004; PhD, 2007

Syed MA Alvi, MD, MBA, assistant professor of medicine; MBA, Johns Hopkins University, 2005; MBBS, Jawaharlal Nehru Medical College, 1996

Edward L. Amaral, MD, assistant professor of surgery; BS, Boston College, 1957; MD, Georgetown University, 1961

Victor R. Ambros, PhD, the Silverman Chair in Natural Sciences, professor of molecular medicine; BS, Massachusetts Institute of Technology, 1975; PhD, 1979

Ali A. Amini, MD, instructor of medicine; MD, Shiraz University, 1975

David Ammerman, MD, instructor of family medicine & community health; BA, Ohio Wesleyan University, 1976; MD, Case Western Reserve University, 1980

Karen Sue Ammerman, MD, affiliate of obstetrics & gynecology

Nadia Amrani, PhD, research assistant professor of microbiology & physiological systems

Srilakshmi Anamandala, MD, instructor of family medicine & community health; MD, Kilpauk Medical College, 1998

Curuchi P. Anand, MD, assistant professor of medicine; MD, Calcutta University, 1985

Genevieve G. Anand, MD, MPH, assistant professor of family medicine & community health; MPH, University of Massachusetts Amherst, 2002; MBBS, Seth G.S. Medical College, 1989

Manish Anand, MD, assistant professor of medicine; MD, University of Delhi, 2004

Raj Kumar Anand, MD, associate professor of medicine; MD, University of Lucknow, 1962

Peter P. Anas, MD, affiliate of orthopedics & physical rehabilitation; BS, Tufts University, 1971; MS, 1971; MD, University of Massachusetts Medical School, 1975

Milena D. Anatchkova, PhD, assistant professor of quantitative health sciences; BS, Sofia University St. Kliment, 1996; MA, 1998; PhD, University of Rhode Island, 2004

Frederick Anderson, PhD, research professor of surgery and medicine and quantitative health sciences; BA, Tufts University, 1971; MS, Worcester Polytechnic Institute, 1975; PhD, 1984

James Berger Anderson, PhD, assistant professor of medicine; BA, University of Wisconsin Eau Claire, 2002; MA, Western Michigan University, 2006; PhD, 2010

Roger S. Anderson, PhD, research assistant professor of medicine and pathology; BS, University of Wisconsin, 1974; PhD, Cornell University, 1978

Sarah E. Anderson, PhD, instructor of family medicine & community health; MS, Tufts University, 2002; PhD

Teresa E. Anderson, PhD, instructor of family medicine & community health; BS, University of Connecticut, 1972; MSW, 1994; PhD, Brandeis University, 1998

Susan E. Andrade, DSC, research associate professor of medicine; BS, University of Rhode Island; DSc, Harvard University, 1994

Athena Andreadis, PhD, associate professor of cell & developmental biology; BA, Harvard University, 1977; PhD, Massachusetts Institute of Technology, 1984

Mark Andrews, MPA, instructor of pediatrics; BA, University of Massachusetts Lowell, 1979; MPA, Suffolk University, 1984

Julia D. Andrieni, MD, the Joy McCann Professor for Women in Medicine, associate professor of medicine; BA, Vassar College, 1983; MD, Stony Brook School of Medicine, 1996

John Franken Aney, MD, assistant professor of psychiatry; BA, Dartmouth College, 1983; MD, University of Massachusetts Medical School, 1988

Stuart Anfang, MD, clinical associate professor of psychiatry; BA, Harvard University, 1986; MD, Harvard Medical School, 1991

Gustavo G. Angaramo, MD, assistant professor of anesthesiology; MD, Buenos Aires Medical School, 1988

Maria L. Angeles, MD, lecturer of family medicine & community health; BS, University of the Philippines, 1979; MD, University of the East Ramon-Magsaysay, 1983

Amanda Angelescu, MD, assistant professor of pediatrics; BS, University of the East-Caloooca, 1987; MD, 1992

Joseph A. Antaki, MD, clinical associate professor of medicine; BS, Florida College, 1983; MD, University of Miami, 1987

Frances M. Anthes, MSW, instructor of family medicine & community health; BA, Assumption College, 1973; MSW, University of Connecticut, 1986

Stephanie Anthony, JD, MPH, instructor of family medicine & community health; BA, Boston College, MPH, Yale University, 1997; JD, St. Johns University, 1994

Danuta J. Antkowiak, MD, instructor of family medicine & community health; MD, Medical University of Poznan, 1981

Ursula E. Anwer, MD, clinical associate professor of neurology; BS, Justus Liebig University Giess, 1970; MS, Kansas State University Manhattan, 1973; MD, Technical University of Munich, 1979

Myriam Aouadi, PhD, associate professor of molecular medicine; PhD, University of Social Sciences, 2005

Nicholas Apostoleris, PhD, clinical associate professor of family medicine & community health; BA, Swarthmore College, 1987; MA, Wesleyan University, 1994; PhD, Clark University, 1999

Kenneth L. Appelbaum, MD, *clinical professor of psychiatry*; BA, Goddard College, 1972; MD, University of Washington, 1981

Paul L. Arcand, MD, *clinical assistant professor of surgery*; BS, Providence College, 1987; MD, Tufts University School of Medicine, 1991

Rasim Arikan, MD, PhD, *assistant professor of psychiatry*; MD, Hacettepe University, 1986

Carrie C. Armsby, MD, *assistant professor of pediatrics*; BA, Barnard College Columbia University, 1993; MD, University of Pennsylvania, 1999

Elizabeth A. Armstrong, DO, *instructor of medicine*; BA, Swarthmore College, 1996; DMSC, University of Massachusetts Medical School, 2002

Neil Aronin, MD, *professor of medicine and cell & developmental biology*; BA, Duke University, 1970; MD, University of Pennsylvania, 1974

Jesse N. Aronowitz, MD, *professor of radiation oncology*; BS, State University of New York Stony Brook, 1973; MD, Hahnemann Medical College,

Patricia K. Aronson, MD, *assistant professor of obstetrics & gynecology*; BA, Brown University, 1980; MD, Eastern Virginia Medical School, 1983

Elias J. Arous, MD, *professor of surgery*; MD, Aleppo Medical School, 1975

Harry M. Arters, DO, *assistant professor of emergency medicine*; BA, Assumption College, 1990; DO, Kirksville College of Osteopathic Medicine, 1995

Seth M. Arum, MD, *assistant professor of medicine*; BS, State University of New York Binghamton, 1995; MD, Sacklor School of Medicine, 2000

George K. Asdourian, MD, *chair and professor of ophthalmology*; BS, American University of Beirut, 1966; MD, 1970

Irfan Asghar, MD, *assistant professor of medicine*; MBBS, Allama Iqbal Medical College, 1999

Arlene S. Ash, PhD, *professor of quantitative health sciences*; BA, Harvard University, 1967; MS, Washington University, 1972; PhD, University of Illinois Chicago, 1977

Gary H. Asher, MD, *affiliate of family medicine & community health*; BS, Randolph Macon College, 1967; MD, Medical College of Virginia, 1971

Farhan Aslam, MD, *assistant professor of medicine*; MD, Nishtar Medical College, 2001

Luna Asrar, MD, *assistant professor of family medicine & community health*

John L. Athas, MD, *instructor of medicine*; BA, Boston University, 1973; MD, University of Guadalajara, 1979

Katherine J. Atkinson, MD, *instructor of family medicine & community health*; BSN, California State University Los Angeles, 1986; MD, University of Massachusetts Medical School, 1996

Phyllis Atwell, MD, *instructor of psychiatry*

Paula J. Aucoin, MD, *assistant professor of medicine*; BA, Catholic University America, 1973; MD, Georgetown University, 1977

Carolyn Laura Augart, MD, *assistant professor of family medicine & community health*; MD, University of Massachusetts Medical School, 1999

Onesky Aupont, MD, MPH, PhD, *assistant professor of pediatrics*; MPH, Boston University School of Public Health, 1995; PhD, Brandeis University, 2000

Elizabeth T. Austin, PsyD, *assistant professor of psychiatry*; BA, Mount Holyoke College, 1985; PsyD, University of Denver, 1999

Mark A. Aversa, MD, *instructor of obstetrics & gynecology*; MD, New York Medical College, 1982

David Avila, DO, *instructor of pediatrics*; BS, Villanova University, 1972; DO, College of Osteopathic Medicine, 1976

David W. Ayer, PhD, *assistant professor of psychiatry*; PhD, Western Michigan University, 2007

David Ayers, MD, *the Arthur M. Pappas, MD, Chair in Orthopedics, chair and professor of orthopedics & physical rehabilitation*; BS, Tufts University, 1978; MD, University of Rochester School of Medicine and Dentistry, 1982

Zahra Ayub, MD, *affiliate of neurology*; MBBS, Fatima Jinnah Medical College, 1987

Philip Ayzazian, MD, *clinical associate professor of urology and surgery*; BS, Tufts University, 1982; MS, 1989; MD, University of Massachusetts Medical School, 1988

Robert A. Babineau Jr., MD, *assistant professor of family medicine & community health*; BA, Notre Dame University, 1969; MD, Tufts University School of Medicine, 1973

Kavita Manyam Babu, MD, *assistant professor of emergency medicine*; BS, Brown University, 1996; MD, 2000

Steven J. Baccei, MD, *assistant professor of radiology*; MD, New York Medical College

Ingolf M. Bach, PhD, *associate professor of molecular medicine and cancer biology*; BS, Fachhochschule Konstanz-Hochsc, 1984; MA, Fachhochschule Konstanz-Hochsc, 1989; PhD, University Denis Diderot, 1993

Karen Back, MD, *instructor of pediatrics*; BS, College of William & Mary, Virginia, 1964; MD, Emory University School of Medicine, 1969

John H. Backman, MD, *assistant professor of psychiatry and pediatrics*; BS, Franklin Marshall College, 1957; MD, Harvard Medical School, 1961

Papa K. Badoe, MD, *assistant professor of medicine*; MD, University of Science & Technology, 1991

Rana Badr, MD, *assistant professor of anesthesiology*; MD, Tabriz University, 1993

Eric H. Baehrecke, PhD, *professor of cancer biology*; BS, University of Massachusetts Amherst, 1986; MS, Texas A&M University College Station, 1988; PhD, University of Wisconsin Madison, 1992

Parmender Bagga, MD, *assistant professor of medicine*; BA, Colgate University, 1989; MD, St. George's University, 1995

Sonia Bagga, MD, *assistant professor of medicine*; MBBS, Punjab University, 1996

Pamela Marie Baggeroer, MD, *assistant professor of medicine*; BA, Cornell University, 1987; MD, University of Massachusetts Medical School, 1991

Peter H. Bagley, MD, *clinical associate professor of medicine*; BA, Columbia University Columbia College, 1975; MD, George Washington University, 1980

Jeffrey A. Bailey, MD, PhD, *assistant professor of medicine*; BA, St. Olaf College, 1989; MD, Case Western Reserve, 2002; PhD, 2005

Katherine Bailey, APRN, BC, *instructor of surgery*; BSN, Fitchburg State College, 1979; MSN, University of Massachusetts Lowell, 1997

Brad J. Baker, MD, *affiliate of ophthalmology*

Fred Baker, MD, *instructor of family medicine & community health*; BA, Boston University, 1985; MD, Howard University, 1991

Richard E. Baker, PhD, *associate professor of microbiology & physiological systems*; BS, College of William & Mary, Virginia, 1975; PhD, Pennsylvania State University, 1980

Michael M. Bakerman, MD, *assistant professor of medicine*; BS, University of Massachusetts Amherst, 1976; MD, Albert Einstein College of Medicine, 1980

Shashi Bala, PhD, *instructor of medicine*; BS, Himachal Pradesh University, 1997; MS, Guru Nanak Dev University, 1999; PhD, University of Delhi, 2003

Manuel E. Baldeon, MD, PhD, *associate professor of medicine*; MS, University of Illinois, 1994; MD, Universidad Central del Ecuador, 1989; PhD, University of Illinois, 1998

Robert A. Baldor, MD, *professor of family medicine & community health*; BS, University of Vermont, 1977; MD, 1983

Jerry P. Balikian, MD, *professor of radiology*; BA, American University of Beirut, 1951; MD, 1955

Harrison G. Ball, MD, *professor emeritus of obstetrics & gynecology and radiation oncology*; BS, St. Josephs University, 1967; MD, Tufts University, 1972

Mitchell Hal Bamberger, MD, *clinical associate professor of urology*; BA, Emory University, 1978; MBA, Plymouth State College, 1999; MD, Albany Medical College, 1982

Gisela I. Banauch, MD, assistant professor of medicine; MS, Albert Einstein College of Medicine, 2002; MD, Justus Liebig University, 1992

Mary Consolata Banda, MD, FACP, FHM, instructor of medicine; BA, St. Josephs University, 1984; MD, Penn State College of Medicine, 1989

Linda Bandini, PhD, associate professor of pediatrics; BS, University of Massachusetts Amherst, 1975; MS, Massachusetts Institute of Technology, 1976; PhD, 1987

Brian J. Banker, DO, MPH, instructor of medicine; BS, Boston College, 1999; MPH, Tulane University, 2005; DO, 2005

Donald T. Baril, MD, assistant professor of surgery

Erin E. Barlow, MD, assistant professor of obstetrics & gynecology and pediatrics; BS, College of the Holy Cross, 2000; MD, University of Massachusetts Medical School, 2005

Graham F. Barnard, MD, PhD, associate professor of medicine and biochemistry & molecular pharmacology; BS, Southampton University, 1972; PhD, 1976; MD, Stanford University, 1985

Kurt G. Barringhaus, MD, assistant professor of medicine; BA, Washington University School of Medicine, 1990; MD, St. Louis University Medical School, 1995

Curtis T. Barry, MD, assistant professor of medicine; BS, Cornell University, 1999; MD, Boston University, 2003

Mark D. Barsamian, DO, assistant professor of ophthalmology; BS, University of Michigan, 1988; DO, Midwestern University Chicago College of Osteopathic Medicine, 2003

Stuart H. Bartle, MD, senior affiliate of psychiatry; AB, Harvard College, 1950; MD, New York University, 1954

Bruce A. Barton, PhD, research professor of quantitative health sciences; BA, Dickinson College, 1970; MA, Pennsylvania State University, 1971; PhD, University Pittsburgh, 1982

Giacomo P. Basadonna, MD, PhD, professor of surgery; MD, University of Milan, 1982

Anjali Basil, MD, assistant professor of medicine; MBBS, Indira Gandhi Medical College, India, 1993

Richard M. Basile, MD, assistant professor of surgery; BS, Tufts University, 1973; MD, State University of New York Buffalo, 1977

Robert D. Basow, MD, instructor of pediatrics; MD, Baylor College of Medicine, 1989

Robert Bass, PhD, clinical associate professor of psychiatry; BA, University of North Carolina Chapel Hill, 1967; MA, Brown University, 1970; PhD, Brown University, 1973

Scot T. Bateman, MD, clinical associate professor of pediatrics; BA, Dartmouth College, 1989; MA, Boston University, 2006; MD, Dartmouth College, 1994

Venu G. Bathini, MD, assistant professor of medicine; MBBS, Kaktiya Medical College, India, 1994

Durga B. Bathini, MD, instructor of medicine; MD, Kaktiya Medical College, India, 1994

Ajay K. Batra, MD, assistant professor of medicine; MD, Medical College of Pennsylvania, 1996

Jeffrey D. Baxter, MD, assistant professor of family medicine & community health; BA, University of Rochester, 1991; MD, Washington University School of Medicine, 1996

Prudence Baxter, MD, affiliate of psychiatry; BA, Harvard University, 1975; MD, Case Western Reserve University, 1980

Kern Jean Bayard, MD, assistant professor of medicine; BS, Tufts University, 1978; MD, University of Massachusetts Medical School, 1988

Stephen A. Bean, MD, assistant professor of pediatrics and obstetrics & gynecology; BA, Hamilton College, 1984; MS, Georgetown University, 1986; MD, 1990

David M. Bear, MD, senior affiliate of psychiatry; BA, Harvard College, 1965; MD, Harvard Medical School, 1971

Lea M. Beaulieu, PhD, instructor of medicine; BS, Roanoke College, 2001; PhD, University of North Carolina Chapel Hill, 2007

Paula Beaver, RNC, MS, instructor of pediatrics; BS, Assumption College, 1990; MS, Northeastern University, 1995

David M. Bebinger, MD, assistant professor of medicine; BA, University of Texas Austin, 1990; MD, University of Texas Health Sciences Center Houston, 2002

Christopher I. Bechara, MD, instructor of family medicine & community health; BS, University of Illinois Urbana, 1993; MS, University of Chicago, 1994; MD, Rush Medical College, 1998

Sarah Wolk Bechta, MD, assistant professor of pediatrics; BS, Brown University, 1988; MD, 1992

Robert Beckmann, MD, affiliate of pediatrics; BS, State University of New York, 1987; MD, 1992

Andrew W. Beckwith, MD, clinical assistant professor of obstetrics & gynecology; BA, University of Pennsylvania, 1992; MD, Thomas Jefferson Medical College, 2001

Francis J. Bednarek, MD, professor of pediatrics and obstetrics & gynecology; BS, Kings College, 1966; MD, Loyola University, 1970

Richard C. Bedrosian, PhD, affiliate of psychiatry; BA, Brown University, 1971; MA, Assumption College, 1973; PhD, Miami University Oxford, 1977

Angela L. Beeler, MD, clinical associate professor of pediatrics; BS, Massachusetts Institute of Technology, 1992; MD, University of Utah School of Medicine, 1997

Samuel M. Behar, MD, PhD, professor of microbiology & physiological systems; BS, University of California Berkeley, 1983; MD, Albert Einstein College of Medicine, 1990

Negar Beheshti, MD, assistant professor of psychiatry and pediatrics; BA, University Minnesota Minneapolis, 1994; MD, 2001

Clifford John Behmer, MD, assistant professor of medicine; BS, MIT, 1978; MS, 1981; MD, University of Massachusetts Medical School, 1985

Norman E. Beisaw, MD, professor of orthopedics & physical rehabilitation; BA, Bowdoin College, 1958; MD, New York University, 1962

Lisa Beittel, MBA, instructor of psychiatry; MBA, Clark University, 1993

Petra H. Belady, MD, assistant professor of obstetrics & gynecology; BS, Cornell University, 1987; MD, University of Texas Medical School at Houston, 1991

Leah Belazarian, MD, assistant professor of medicine and pediatrics; BS, Boston College, 1999; MD, University of Massachusetts Medical School, 2003

Elias Vasilios Belezos, MD, instructor of medicine; BA, Brandeis University, 1988; MD, University of Massachusetts Medical School, 1992

Alan J. Bell, MD, assistant professor of neurology

Isabelita Bella, MD, clinical associate professor of neurology; BA, Bryn Mawr College, 1985; MD, University of Pittsburgh, 1989

Paula B. Bellin, MD, clinical assistant professor of urology and obstetrics & gynecology; BA, University of Rochester, 1984; MS, Boston University, 1986; MD, Boston University Medical School, 1994

Karl Dean Bellve, PhD, research assistant professor of molecular medicine; BS, University of Massachusetts Amherst, 1990; PhD, University of Maryland Baltimore County, 1996

Jennifer A. Benanti, PhD, assistant professor of molecular medicine; BS, University of California San Diego, 1996; PhD, University of Washington, 2003

Claire Y. Benard, PhD, assistant professor of neurobiology; BS, McGill University, 1996; PhD, 2003

Sheldon Benjamin, MD, professor of psychiatry and neurology; BS, University of Cincinnati, 1976; MD, 1980

Robert R. Benner, MD, clinical assistant professor of obstetrics & gynecology

Nancy E. Bennet, MD, clinical associate professor of medicine; BA, Radcliffe College, 1972; MD, Harvard Medical School, 1979

Robert S. Bennett, MD, clinical assistant professor of urology; BA, Dartmouth College

Joseph R. Benotti, MD, *associate professor of medicine; BA, College of the Holy Cross, 1970; MD, Harvard University, 1974*

Bryant E. Benson, MD, *assistant professor of pediatrics; BS, Rhodes College, 1997; MD, Tennessee Medical College, 2001*

Stuart H. Bentkover, MD, *affiliate of surgery; BA, Princeton University; MD, Mount Sinai School of Medicine, 1974*

Matthew Benz, MD, *instructor of pediatrics; BA, Middlebury College, 1986; MS, Massachusetts Institute of Technology, 1993; MD, Tufts University School of Medicine, 1999*

Leslie J. Berg, PhD, *professor of pathology; BA, Harvard University, 1980; PhD, University of California Berkeley, 1986*

Michael M. Bergman, MD, *assistant professor of medicine; BS, University of Massachusetts Amherst, 1978; MD, Tufts University School of Medicine, 1982*

Andreas Bergmann, PhD, *professor of cancer biology; PhD, Max-Planck-Institut für Entwicklungsbiologie, 1996*

Nancy K. Berley, MD, *instructor of family medicine & community health; MD, Albert Einstein College of Medicine, 2002*

Richard M. Berlin, MD, *senior affiliate of psychiatry; BA, Northwestern University, 1972; MD, 1976*

Paul Eliot Berman, MD, *assistant professor of medicine; BA, University of Michigan Ann Arbor, 1959; MD, Syracuse University, 1963*

Mathieu Bermingham, MD, *assistant professor of psychiatry; MD, Boston University School of Medicine, 1998*

Jeffrey D. Bernhard, MD, *professor emeritus of medicine; BA, Harvard University, 1973; MD, Harvard Medical School, 1978*

Peter Howard Bernhard, MD, FACS, *assistant professor of urology; BA, Columbia University, 1982; MD, Michigan State University, 1986*

Nancy Duval Berube, MD, *assistant professor of family medicine & community health; BS, Worcester Polytechnic Institute, 1981; MD, University of Massachusetts Medical School, 1985*

Robert E. Bessette, MD, *clinical associate professor of medicine; BS, College of the Holy Cross, 1961; MD, Georgetown University, 1965*

Craig L. Best, MD, *clinical associate professor of obstetrics & gynecology; BS, Pacific Union College, 1982; MPH, Loma Linda University, 1987; MD, University of Loma Linda School of Medicine, 1987*

Sanchita Bhatnagar, PhD, *instructor of molecular medicine; PhD, University Notre Dame, 2006*

Kanishka Bhattacharya, MD, *assistant professor of medicine; MBBS, University of Calcutta, 1983*

Balaji Bhyravbhatla, PhD, *assistant professor of biochemistry & molecular pharmacology; BS, Delhi University, 1986; MS, Delhi University, 1988; PhD, Brandeis University, 1997*

Bonnie J. Bidingier, MD, *assistant professor of medicine; BA, Cornell University, 1994; MD, Cornell University School of Medicine, 1998*

Franklin F. Bido, MD, *instructor of family medicine & community health*

Kathleen M. Biebel, PhD, *research assistant professor of psychiatry; BA, Earlham College, 1990; MS, Northeastern University, 1995; PhD, Brandeis University, 2002*

Vincent M. Biggs, MD, *affiliate of pediatrics; BS, University of Massachusetts Amherst, 1985; MD, University of Massachusetts Medical School, 1990*

Kristen L. Billiar, PhD, *assistant professor of surgery; BS, Cornell University, 1991; MS, University of Pennsylvania, 1992; PhD, 1998*

Osman S. Bilsel, PhD, *research associate professor of biochemistry & molecular pharmacology; BA, University of Wisconsin Stevens Point, 1986; PhD, Washington University in St. Louis, 1991*

Charles A. Birbara, MD, *associate professor of medicine; AB, Harvard College, 1958; MD, McGill University, 1962*

Gordon T. Bird, MD, *assistant professor of medicine; BS, Union College, NY, 1968; MD, Albany Medical College, 1972*

Steven B. Bird, MD, *associate professor of emergency medicine; BS, Yale University, 1991; MD, Northwestern University, 1995*

Alan P. Birnbaum, PhD, *affiliate of psychiatry; BA, Southern Illinois University, 1967*

Mark C. Bisanzo, MD, *assistant professor of emergency medicine and pediatrics; BA, Middlebury College, 1998; MD, Harvard Medical School, 2002*

Richard L. Bishop, MD, *professor emeritus of medicine; BS, Tufts University, 1962; MD, Tufts University School of Medicine, 1966*

Robert M. Black, MD, *clinical professor of medicine; BS, Pittsburg State University, 1969; MD, Washington University School of Medicine, 1975*

Neil R. Blacklow, MD, *professor emeritus of medicine; BA, Harvard University, 1959; MD, Columbia Physicians Surgeons, 1963*

Noel A. Blagg, MD, *assistant professor of medicine; BA, Oberlin College, 1968; MD, Boston University Medical School, 1974*

Jeffery D. Blake, MD, *instructor of family medicine & community health; BS, University of Waterloo, 1981; MD, University of Western Ontario, 1984*

Diane R. Blake-Johnson, MD, *associate professor of pediatrics; BA, Smith College, 1986; MD, Johns Hopkins University School of Medicine, 1990*

Gary P. Blanchard, MD, *assistant professor of medicine; BS, Tufts University, 1998; MD, Tufts University School of Medicine, 2004*

June M. Blanco, MD, *assistant professor of medicine; BS, University of Massachusetts Amherst, 1990; MD, University of Massachusetts Medical School, 1995*

Lisa M. Blazejewski, MS, *instructor of pediatrics; BA, University of Delaware, 1995; MS, University of Minnesota, 1999*

David Blehar, MD, *associate professor of emergency medicine; BA, Brandeis University, 1998; MD, University of Massachusetts Medical School, 2002*

Cristina Blejan, MD, *instructor of family medicine & community health*

Mihaela C. Blendea, MD, PhD, *assistant professor of medicine; PhD, Iuliu Hatieganu University Romania, 1999; MD, 1991*

Paul J. Block, MD, *assistant professor of medicine and family medicine & community health; BA, Brandeis University, 1973; MD, Boston University, 1977*

Alexander Blount, EdD, *clinical professor of family medicine & community health and psychiatry; BA, Wesleyan University, 1967; EdD, University of Massachusetts Amherst, 1976*

Robert D. Blute Jr., MD, *assistant professor of urology; BA, Boston College*

Lisa M. Bocelli, DO, *assistant professor of medicine; BS, Emmanuel College, 1994; DO, Nova Southeastern University, 2005*

Andrea M. Bodine, MD, *clinical assistant professor of obstetrics & gynecology; BS, Hobart/William Smith College, 1984; MD, University of Rochester Medical School, 1988*

Stephanie M. Bodor, MD, *assistant professor of pediatrics; BS, Fairfield University, 1994; MD, Tufts University School of Medicine, 1998*

Alexei A. Bogdanov, PhD, *professor of radiology and cell & developmental biology; BS, Moscow State University, 1981; MS, 1983; PhD, Moscow Medical Academy, 1989*

John R. Bogdasarian, MD, *affiliate of otolaryngology; BA, Harvard University, 1966; MD, Columbia University Columbia College, 1970*

Agatha Anna Boland, MD, *assistant professor of anesthesiology; MD, Medical University of Warsaw, 1982*

Philip Bolduc, MD, *assistant professor of family medicine & community health; BS, Brown University, 1991; MD, University of Massachusetts Medical School, 2000*

Mamatha Bollineni, MBBS, *assistant professor of medicine; MBBS, Guntur Medical College, 1998*

Daniel N. Bolon, PhD, *associate professor of biochemistry & molecular pharmacology; BS, Duke University, 1997; PhD, California Institute of Technology, 2002*

Alexandra Bonardi, MHA, *clinical assistant professor of family medicine & community health; BS, McGill University, 1991; MS, Columbia University, 1994*

Bruce A. Bornstein, MD, *clinical associate professor of radiation oncology; BS, Massachusetts Institute of Technology, 1979; MBA, 1999; MD, Tufts University School of Medicine, 1983*

Rita B. Bortell, PhD, *associate professor of molecular medicine; BS, University of Florida, 1975; MS, 1981; PhD, 1987*

Daryl A. Bosco, PhD, *assistant professor of neurology and biochemistry & molecular pharmacology; PhD, Brandeis University, 2003*

Gideon Bosker, MD, *affiliate of emergency medicine; BA, University of Pennsylvania, 1972; MD, Washington University School of Medicine, 1976*

Herbert O. Bote, MD, *clinical assistant professor of orthopedics & physical rehabilitation; BS, Loyola University, 1987; MD, 1991*

Naomi Botkin, MD, *associate professor of medicine; BA, Harvard University, 1991; MD, Yale University, 1998*

Serge Botsaris, MD, *assistant professor of psychiatry; BS, Tufts University, 1988; MD, Tufts University School of Medicine, 1992*

Joseph Bouchard, MD, *assistant professor of medicine; BA, Boston University, 1999; MD, University of Massachusetts Medical School, 2003*

Edwin D. Boudreaux, PhD, *professor of emergency medicine and quantitative health sciences; PhD, Louisiana State University Baton Rouge, 1997*

Erin L. Boudreaux, PhD, *associate professor of psychiatry; PhD, Louisiana College, 2003*

Talal J. Bou-Harb, MD, *assistant professor of medicine; MD, Saint Joseph College, 1991*

Kimberly D. Boullard, MS, *affiliate of pediatrics; BS, Western Michigan University, 1979; MS, Sargent College of Allied Health, 1984*

Carol A. Bova, PhD, RN, ANP, *associate professor of Graduate School of Nursing and medicine; BS, Salem State College, 1979; MS, University of Massachusetts Medical School, 1988; PhD, Boston College, 1998*

Edward Boyer, MD, PhD, *professor of emergency medicine; BA, Vanderbilt University, 1983; MA, Columbia University, 1984; PhD, 1988*

Adel Bozorgzadeh, MD, *professor of surgery and pediatrics; BA, University of Massachusetts Boston, 1987; MD, George Washington School of Medicine, 1991*

William M. Bradbury, MD, *assistant professor of medicine; BS, Sacred Heart University, 1978; MBA, University of Connecticut; MD, 1985*

Kathleen Braden, MD, *clinical professor of pediatrics; BA, Columbia University, 1971; MD, Albert Einstein College of Medicine, 1978*

Leslie S. Bradford, MD, *assistant professor of obstetrics & gynecology; BA, Harvard University, 2002; MD, University of Vermont, 2006*

Kevin Bradley, MEd, *affiliate of psychiatry; BA, Springfield College, MA, 1973; MEd, 1976*

Paul J. Bradley, MD, *instructor of medicine*

Marcella W. Bradway, MD, FACS, FASCRS, *assistant professor of surgery; MD, University of Massachusetts Medical School, 1994*

Jennifer Austin Bram, MD, *assistant professor of pediatrics; BA, University of Virginia, 2000; MD, University of Massachusetts Medical School, 2005*

Abraham Louis Brass, MD, PhD, *assistant professor of microbiology & physiological systems; PhD, University of Chicago, 1998*

Curtis J. Brasseur, DO, *assistant professor of radiology*

Richard A. Bream, MD, *assistant professor of pediatrics; BA, University of Minnesota Minneapolis, 1971; MD, 1976*

Michael A. Brehm, PhD, *assistant professor of molecular medicine and pathology; BS, Philadelphia College of Pharmacy Science, 1993; PhD, Pennsylvania State University, 1999*

Mark J. Brenner, MD, *instructor of radiation oncology; BA, Duke University, MD, Tufts University School of Medicine, 1981*

Daniel L. Breslin, MD, *assistant professor of psychiatry*

Norman M. Bress, MD, *associate professor of medicine; BS, Tufts University, 1963; MD, University of Vermont, 1967*

Doreen Brettler, MD, *professor of medicine; BA, Mount Holyoke College, 1967; MD, Stanford University, 1973*

Becky A. Briesacher, PhD, *associate professor of medicine and quantitative health sciences; BA, University of California Berkeley, 1986; MA, Williams College, 1988; PhD, University of Maryland Baltimore County, 2001*

Tara B. Brigham, MD, *assistant professor of emergency medicine; BS, Boston College, 1997; MD, Georgetown University School of Medicine, 2001*

Justin K. Briones, MD, *clinical instructor of emergency medicine; BS, Loyola College, 2000; MD, University of Massachusetts Medical School, 2007*

John P. Broach, MD, *assistant professor of emergency medicine; BS, Northwestern University, 2002; MPH, 2006; MD, 2006*

James B. Broadhurst, MD, *assistant professor of family medicine & community health; BA, Williams College, 1974; MHA, Virginia Commonwealth University, 1978; MD, Medical College of Virginia, 1982*

Martin I. Broder, MD, *professor of medicine; BA, Wayne State University, 1957; MD, Case Western Reserve University, 1961*

Michael H. Brodsky, PhD, *assistant professor of molecular medicine; BA, University of California, 1987; PhD, Massachusetts Institute of Technology, 1996*

Gilbert Brovar, MD, *instructor of medicine; MD, State University of New York Brooklyn, 1983*

Alan P. Brown, MD, *clinical professor of psychiatry; BA, Harvard University, 1978; MD, Yale University, 1982*

Douglas S. Brown, JD, *instructor of family medicine & community health; BA, Boston University, 1985; JD, 1988*

Michael A. Brown, MD, *assistant professor of orthopedics & physical rehabilitation and pediatrics; BS, Massachusetts Institute of Technology, 1991; MD, Georgetown University, 1995*

Robert H. Brown, DPhil, MD, *the Leo P. and Theresa M. LaChance Chair in Medical Research, chair and professor of neurology; BA, Amherst College, 1969; DPhil, University of Oxford, 1973; MD, Harvard Medical School, 1975*

Trista A. Brown, MD, *assistant professor of orthopedics & physical rehabilitation; BS, University of Massachusetts Amherst, 1993; MD, University of Massachusetts Medical School, 2000*

Allen F. Browne, MD, FACS, FAAP, *assistant professor of surgery; BA, Brown University, 1967; MD, George Washington School of Medicine, 1971*

Clifford A. Browning, MD, *assistant professor of medicine; BA, College of the Holy Cross, 1971; MD, Jefferson Medical College, 1975*

Richard A. Browning, MD, *assistant professor of anesthesiology; SCB, Brown University, 1975; MD, 1978*

Scott L. Brownstein, MD, *assistant professor of medicine; BS, Syracuse University, 1983; MD, Georgetown University, 1984*

Laney A. Bruner-Canhoto, PhD, MSW, MPH, *assistant professor of family medicine & community health; BA, New College University South Florida, 1991; MPH, University of South Carolina Columbia, 1995; PhD, University of Massachusetts Boston, 2004*

D. Eric Brush, MD, *clinical associate professor of emergency medicine; BA, Miami University Hamilton, 1994; MD, Dartmouth College, 1999*

Leo Buchanan, PhD, *associate professor of pediatrics; BA, Howard University, 1964; MS, University of Wisconsin Madison, 1971; PhD, 1977*

Harvey M. Budner, MD, *affiliate of psychiatry; BS, University of Wisconsin, 1954; MD, 1957*

Vivian Budnik, PhD, *professor of neurobiology; BS, University of Chile, 1983; PhD, Brandeis University, 1988*

Kelton Miller Burbank Jr., MD, *instructor of family medicine & community health; BA, Williams College, 1983; MD, University of Massachusetts Medical School, 1991*

Terrie M. Burda, PsyD, lecturer of psychiatry; BA, Syracuse University, 1974; PsyD, Massachusetts School of Psychology, 1991

Michael D. Burday, MD, instructor of medicine; BA, Rutgers University, 1972; MD, Georgetown University, 1976

Michael Burdulis, MD, instructor of family medicine & community health; BA, Tufts University, 1992; MD, University of Massachusetts Medical School, 1998

Sharon Burdulis, MD, instructor of pediatrics; MD, University of Massachusetts Medical School, 1995

Mary C. Burke, MD, clinical associate professor of emergency medicine; BA, Williams College, 1979; MHA, Clark University, 1995; MD, Boston University, 1983

Philip R. Burke, MD, assistant professor of psychiatry; BS, Tufts University, 1993; MPH, University Massachusetts Amherst, 2007; MD, University of Massachusetts Medical School, 2001

Jeffrey B. Burl, MD, assistant professor of medicine; BA, Assumption College, 1969; MS, University of Southern Connecticut, 1971; MD, University of Brussels, 1977

John Forrest Burnham Jr., MD, assistant professor of medicine; BA, Colby College, 1969; MD, University of the North East, 1979

Jarrett Burns, DO, assistant professor of emergency medicine; BS, Boston College, 2001

Maureen M. Burns, MD, assistant professor of medicine; BA, College of the Holy Cross, 1988; MD, University of Massachusetts Medical School, 1993

Sumner H. Burstein, PhD, professor emeritus of biochemistry & molecular pharmacology; BS, Massachusetts Institute of Technology, 1953; MS, Brandeis University, 1955; PhD, Wayne State University, 1959

Brian D. Busconi, MD, associate professor of orthopedics & physical rehabilitation; AB, Harvard University, 1985; MD, Tufts University School of Medicine, 1989

Harry Bushe, MS, instructor of radiation oncology; BS, University of Massachusetts Lowell, 1986; MS, 1992

Michael Christopher Butler, MD, assistant professor of emergency medicine; BS, Tufts University, 1989; MD, University of Texas Austin, 1996

Nancy Byatt, DO, assistant professor of psychiatry and obstetrics & gynecology; BA, Lehigh University, 1998; MBA, New York Institute of Technology, 2003; DO, New York College of Osteopathic Medicine, 2003

Turner Edward Bynum, MD, affiliate of medicine; BA, University of Oklahoma, 1961; MD, University of Central Oklahoma, 1964

Daniel R. Caffrey, PhD, assistant professor of medicine; BS, NUI Maynooth, Ireland, 1997; PhD, Trinity College Ireland, 2001

Marie E. Caggiano, MD, MPH, assistant professor of family medicine & community health; BS, Boston University, 1999; MPH, University of Massachusetts School of Public Health, 2007; MD, Boston University Medical School, 2004

Mitchell A. Cahan, MD, associate professor of surgery; MD, Johns Hopkins University, 1996

Thomas H. Cahn, MD, instructor of medicine and family medicine & community health; BS, Washington Lee University, 1972; MD, University of Virginia, 1977

Joanna M. Cain, MD, professor of obstetrics & gynecology; BS, University of Washington, 1973; MD, Creighton University, 1977

Rebecca P. Caine, MD, assistant professor of medicine; BA, Cornell University, 1992; MD, University of Pennsylvania, 1998

Valerie M. Cairns, PhD, research assistant professor of microbiology & physiological systems

Brandon L. Cairo, DMD, instructor of family medicine & community health; BS, St. Michaels College, 1993; MD, Boston University Medical School, 1997

Richard M. Calderon, OD, clinical instructor of emergency medicine; BS, University of New Mexico, 1971

Joanne L. Calista, LICSW, instructor of family medicine & community health; BA, Harvard College, 1984; MS, Columbia University, 1991

Edward R. Calkins, MD, assistant professor of orthopedics & physical rehabilitation; BS, University of California Los Angeles, 1976; MD, University of Southern California, 1980

Theresa Callahan, MD, clinical assistant professor of pediatrics; BS, Mount Holyoke College, 1987; MD, University of Massachusetts Medical School, 1991

Sheila C. Callahan-Butler, MD, affiliate of pediatrics; BA, Anna Maria College, 1970; MA, 1978; MD, University of Massachusetts Medical School, 1982

Jaime M. Calvo-Calle, PhD, instructor of pathology; BS, Universidad de Los Andes, 1984; PhD, Sackler School of Graduate Biology, 2004

Sharon M. Campion, MD, affiliate of pediatrics; BA, Wellesley College, 1982; MD, University of Vermont, 1988

Antonio Campos-Neto, MD, PhD, professor of medicine; PhD, Federal University of Rio de Janeiro, 1973; MD, Medical School of Triangulo Mineiro, Brazil, 1968

Ninfa M. Candela, MD, assistant professor of pediatrics; MD, St. Georges University School of Medicine, 2003

Lucy M. Candib, MD, professor of family medicine & community health; BA, Radcliffe College, 1968; MD, Harvard Medical School, 1972

Philip J. M. Candilis, MD, associate professor of psychiatry; BS, George Washington University, 1988; MD, Eastern Virginia Medical School, 1992

Neil F. Cannon, MD, affiliate of family medicine & community health; BS, Fairfield University, 1968; MD, University of Maryland Baltimore County, 1972

Lisa T. Canter, MD, assistant professor of medicine; BA, University of Pennsylvania, 1984; MD, Tufts University School of Medicine, 1988

Sharon B. Cantor, PhD, associate professor of cancer biology; BS, Michigan State University, 1990; PhD, Sackler School of Graduate Biology, New York University, 1997

Hong Cao, PhD, research assistant professor of biochemistry & molecular pharmacology; BS, Tsinghua University, 1984; MS, 1987; PhD, Hiroshima University, 1996

Daniela Capriles-Diaz, MD, assistant professor of medicine

Annmarie Caracansi, MD, assistant professor of psychiatry; BA, Vassar College, 1987; MD, State of New York Health Sciences, 1993

Robert J. Carey Jr., PhD, assistant professor of psychiatry; BA, Harvard University, 1977; MA, Ohio University Athens, 1982; PhD, 1985

Jennifer Lee Carey, MD, instructor of emergency medicine; BA, Mount Holyoke College, 2001; MD, New York Medical College, 2008

Brigid M. Carlson, MD, assistant professor of medicine; BA, Georgetown University, 2002; MD, University of Massachusetts Medical School, 2006

David Carlson, MD, assistant professor of medicine and pediatrics; BA, College of the Holy Cross, 1996; MD, University of Massachusetts Medical School, 2003

Daniel Carlucci, MD, assistant professor of medicine; BA, Cornell University, 1983; MD, University of Massachusetts Medical School, 1987

James F. Carmody, PhD, associate professor of medicine; MA, University of Iowa, 1971; PhD, 1971

Stephen M. Carpenter, MD, instructor of microbiology & physiological systems and medicine; BS, Brandeis University, 2002; MD, University of Massachusetts Medical School, 2007

Anthony Carruthers, PhD, professor of biochemistry & molecular pharmacology and microbiology & physiological systems; BS, University of Manchester, 1977; PhD, University of London, 1980

JoAnn Carson, MD, assistant professor of pediatrics; BS, Yale University, 1977; MPH, University Connecticut, 2001; MD, Columbia of Physicians Surgeons, 1981

Lisa E. Carson, RNC-PNP, affiliate of pediatrics; BSN, Fairfield University, 1987; MSN, Northeastern University, 1990

Brett M. Carswell, MD, *clinical assistant professor of urology; MD, University of Massachusetts Medical School, 2000*

Deborah A. Carter, MEd, LICSW, *instructor of psychiatry; BA, University of Massachusetts Boston, 1982; MEd, 1985*

Daniel J. Carter, MD, *assistant professor of pathology; BA, Brown University, 1978; MD, Medical College of Wisconsin, 1984*

Helen M. Carter, MD, *affiliate of medicine; BA, Bryn Mawr College, 1984; MD, Temple University, 1989*

Stephanie T. Carter-Henry, MD, *assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 2003; MS, 2004; MD, University of Massachusetts Medical School, 2008*

Maria A. Casal, MD, *assistant professor of medicine; BS, Stonehill College, 1983; MD, University of Massachusetts Medical School, 1987*

Paul Casaz, PhD, *instructor of medicine; BS, University of Wisconsin Madison, 1985; PhD, Harvard University, 1993*

Jean M. Casello, MD, *instructor of medicine; BS, Adelphi University, 1977; MS, Case Western Reserve University, MD, Wright State University, 1988*

Suzanne B. Cashman, DSc, *professor of family medicine & community health and quantitative health sciences; BA, Tufts University, 1969; MS, Cornell University, 1974; DSc, Harvard University, 1980*

Plutarco Castellanos, MD, *assistant professor of medicine; MD, University Autonoma De Honduras, 1997*

Matilde Castiel, MD, *clinical associate professor of medicine and family medicine & community health; BS, California State University, 1977; MD, University of California at San Francisco, 1982*

Lucio H. Castilla, PhD, *associate professor of molecular medicine and biochemistry & molecular pharmacology and cancer biology; MS, University of Buenos Aires, 1988; PhD, University of Michigan Ann Arbor, 1995*

John M. Castle, MD, *clinical associate professor of surgery; BS, University of Wisconsin Stevens Point, 1985; MD, 1989*

Margarita C. Castro-Zarraga, MD, *assistant professor of family medicine & community health; BS, 2000; MD, University of the Philippines, 2005*

Fernando Catalina, MD, PhD, *clinical assistant professor of pediatrics; BA, St. Anselm College, 1989; MD, University of Texas Southwestern Medical Center, 1997*

Oguz I. Cataltepe, MD, *professor of neurosurgery and pediatrics and radiation oncology; MD, Hacettepe University, 1982*

Keith A. Cauley, MD, PhD, *assistant professor of radiology; PhD, Michigan State University, 1989*

Eduardo Jesus Caussade-Rodriguez, MD, *assistant professor of psychiatry; BA, University of Puerto Rico, 2003*

Charles E. Cavagnaroll, MD, *instructor of medicine; BS, Cornell University, 1978; MD, 1982*

Linda M. Cavallero, PhD, *clinical professor of psychiatry; BA, Hunter College, 1969; MA, Columbia University, 1970; PhD, University of Wisconsin, 1979*

Giulio I. Cavalli, MD, *assistant professor of otolaryngology*

Robert J. Cavanaugh, MD, *instructor of medicine; BA, American International College, 1968; MBA, Anna Maria College, 1997; MD, Creighton University, 1972*

David R. Cave, MD, PhD, *professor of medicine; PhD, University of London, 1976; MBBS, 1970*

Jeffrey P. Cella, MD, *clinical assistant professor of orthopedics & physical rehabilitation; BS, Tufts University, 1978; MD, University of Pennsylvania, 1982*

Craig J. Ceol, PhD, *assistant professor of molecular medicine and cancer biology; BS, Yale University, 1993; MS, 1993; PhD, Massachusetts Institute of Technology, 2003*

Sharon Cermack, MD, *professor of family medicine & community health; BS, Ohio State University, 1969; MS, Boston University, 1971; MD, 1981*

Christopher A. Cerniglia, DO, MEng, *assistant professor of radiology; BS, Cornell University, 1995; MEng, Worcester Polytechnic Institute, 1997; DO, Arizona College of Osteopathic Medicine, 2001*

Jan Cerny, MD, PhD, *assistant professor of medicine; PhD, Charles University, Prague, 2009; MD, 1999*

Marc Cerrone, MD, *assistant professor of pediatrics; BS, University of Notre Dame, 1992; MD, State University of New York Brooklyn, 1996*

Anne C. Chaffee, MD, *affiliate of pediatrics; BA, Wellesley College, 1977; MD, Tufts University, 1981*

Atreyi Chakrabarti, MD, *assistant professor of family medicine & community health; MBBS, Netaji Subhas Institute of Technology, 1996*

Francis Ka Ming Chan, PhD, *associate professor of pathology; BA, University of California, 1991; PhD, 1996*

Nancy Hsiu Sheng Chan, MD, *assistant professor of psychiatry*

Vivek Chander, MD, *assistant professor of emergency medicine; BS, University of Massachusetts, 1991; MD, University of Massachusetts Medical School, 1995*

Allen Chang, MD, *assistant professor of medicine; BS, Brown University, 2001; MD, University of Massachusetts Medical School, 2009*

Felix Chang, MD, *assistant professor of family medicine & community health; BA, San Jose La Salle College, 1977; MD, Universidad de Guayaquil, 1986*

Ravishankar B. Channappa, MD, *assistant professor of emergency medicine; BS, Bangalore University, 1994; MD, Kempegowda Institute of Medical Science, 1988*

Shawn C. Charest, MD, *instructor of medicine; BS, Bates College, 1993; MD, University of Vermont, 1998*

Lauren R. Charlot, PhD, *assistant professor of psychiatry; BA, Suffolk University, 1980; LICSW, Simmons College, 1982*

Gerald J. Chase, MD, *instructor of medicine; BA, Brown University, 1971; MD, Mount Sinai School of Medicine, 1978*

Philip Noyes Chase, PhD, *professor of psychiatry*

Arabinda Chatterjee, MD, *assistant professor of family medicine & community health; MD, University of Calcutta Medical College, 1976*

Nita Chatterjee, MD, *instructor of family medicine & community health; MD, Srinagar (India), 1975*

Frank Chau, MD, *instructor of medicine; BA, Harvard University, 1993; MD, New York University, 1997*

Saqib Chaudhary, MD, *assistant professor of medicine; MBBS, Allama Iqbal Medical College, Pakistany, 2003*

Shaila V. Chauhan, MD, *assistant professor of obstetrics & gynecology; MD, University of Bombay, 1965*

Anil K. Chawla, PhD, *research assistant professor of molecular medicine; MS, Panjab University, 1980; PhD, City University of New York, 1988*

Sarah H. Cheeseman, MD, *professor of medicine and microbiology & physiological systems and pediatrics; BA, Mount Holyoke College, 1969; MD, University of Wisconsin, 1973*

Andrew P. Chen, MD, *assistant professor of radiology; BA, University Delaware, 2000; MD, Jefferson Medical College, 2004*

Byron Yoeh-Yee Chen, MD, *assistant professor of radiology; BS, Tufts University, 2001; MD, Tufts University School of Medicine, 2006*

Jason J. Chen, PhD, *associate professor of medicine; BS, Shandong University, 1982; MA, Columbia University, 1985; PhD, 1988*

Kai Chen, MD, PhD, *assistant professor of medicine; MD, Wenzhou Medical College, 1984*

Weijun Chen, PhD, *research assistant professor of biochemistry & molecular pharmacology; BS, Anhui University, 1986; MS, 1989; PhD, University of Science and Technology, 1999*

Sai Sirisha Cherala, MD, MPH, *assistant professor of family medicine & community health; MPH, University of Alabama Birmingham, 2004; MBBS, University of Health Sciences, 1999*

Patricia D. Chernosky, MD, instructor of obstetrics & gynecology; MD, Albany Medical College, 1995

Robert J. Cherry, MD, assistant professor of urology

Bryan L. Cheshire, MD, clinical associate professor of emergency medicine; BS, University South Alabama, 1978; MS, 1987; MD, 1991

Peter S. Cheslock, PhD, instructor of medicine; BS, Boston University, 2000; PhD, Tufts University, 2008

Vishesh G. Chhibber, MD, assistant professor of medicine and pathology; BA, Rutgers University, 1998; MD, Ross University School of Medicine, 2002

Tze Chao Chiam, PhD, instructor of quantitative health sciences; BS, Purdue University West Lafayette, 2001; MS, 2004; PhD, 2010

Karl Stanley Chiang, PhD, assistant professor of psychiatry and pediatrics; BA, Colgate University, 1990; MA, University Denver, 2005; PhD, 2009

Andrea C. Chiamonte, MD, affiliate of otolaryngology; BA, Miami University of Ohio, 1990; MPH, New York Medical College, 1994; MD, 1994

Sonia N. Chimienti, MD, clinical associate professor of medicine; BA/BS, Stanford University, 1990; MD, University of California, San Francisco, 1995

Benjamin Chin, DO, instructor of emergency medicine; BA, Boston University, 1998; MPH, Nova Southeastern University, 2003; DO, 2003

Michael Chin, MD, assistant professor of family medicine & community health

Michael S. Y. Chin, MD, instructor of radiation oncology; BA, University of Virginia Medical School, 2002; MD, Tufts University School of Medicine, 2009

David Chiriboga, MD, MPH, assistant professor of medicine; MPH, University of Massachusetts Amherst, 1993; MD, Facultad de Ciencias Medicas, Escuela de Medicina, 1988

Harshad V. Chitre, MD, affiliate of medicine; MBBS, Bombay University, 1975

Nandini Chitre, MD, instructor of medicine; MD, MS University, 1979

Nidhi Chojar, MD, assistant professor of medicine; MD, Punjabi University, 1993

Kathy L. Chrismer, MD, affiliate of pediatrics; BA, Smith College, 1978; MD, University of Rochester Medical School, 1982

Vasilios Chrisotomidis, MD, assistant professor of family medicine & community health; BA, College of the Holy Cross, 1996; DO, University of New England, 2000

Michael Christakis, MD, assistant professor of medicine; BA, University of Miami, 1980; MD, Aristotle University of Thessa, 1987

Paul Pasquale Christopher, MD, instructor of psychiatry; MD, University of Massachusetts Medical School, 2005

Felicia Chu, MD, assistant professor of neurology

Ruth Yu Chu, MD, affiliate of pediatrics; BS, Indiana University, 1982; MA, 1984; MD, Indiana University School of Medicine, 1987

Alan B. Chuman, MPH, assistant professor of family medicine & community health; BA, State University of New York Binghamton, 1973; MA, University of Pittsburgh, 1975

Hyun Kee Chung, MD, assistant professor of anesthesiology

Sang K. Chung, MD, instructor of pediatrics; MD, Seoul National University, 1966

Richard J. Church, MD, assistant professor of emergency medicine; BA, St. Olaf College, 1999; MD, Tufts University School of Medicine, 2004

Arthur A. Church, MD, clinical associate professor of medicine; AB, Boston University, 1964; MD, George Washington University, 1968

Angela Ciamarra, MD, instructor of pediatrics; BA, Harvard University, 1992; MD, University of Massachusetts Medical School, 1997

Maria G. Cicchetti, MD, clinical associate professor of radiation oncology; BA, Harvard University, 1986; MD, University of Massachusetts Medical School, 1991

Cezar I. Cimpanu, MD, assistant professor of psychiatry; MD, Cluj-Napoca Institute of Medicine, 1986

Robert A. Ciottone, PhD, affiliate of pediatrics and psychiatry; BA, Seton Hall University, 1963; MA, Catholic University of America, 1965; PhD, 1967

Bettyann Cirillo, MD, affiliate of obstetrics & gynecology; MD, New York University School of Medicine, 1982

Michael A. Cirillo, PhD, assistant professor of psychiatry; PhD, University of Texas Austin, 1997

Linda Ciu, MD, instructor of pediatrics; MD, University of Tirana, 1986

Paul R. Clapham, PhD, professor of molecular medicine and microbiology & physiological systems; BS, University of London, 1974; PhD, 1990

Brian M. Clark, MD, clinical associate professor of obstetrics & gynecology; BA, Colby College, 1985; MD, University of Vermont, 1994

Christy Clark, PhD, affiliate of psychiatry; BA, Tufts University, 1991

Linda G. Clark, MD, assistant professor of family medicine & community health; BA, Brandeis University, 1988; MD, Eastern Virginia Medical School, 1995

Robin E. Clark, PhD, associate professor of family medicine & community health and quantitative health sciences; BA, Appalachian State University, 1974; MA, University of Connecticut, 1979; PhD, Brandeis University, 1991

Marjorie A. Clay, PhD, professor of medicine and family medicine & community health and psychiatry; BA, University of Oklahoma, 1969; MA, Northwestern University, 1971; PhD, State University of New York Buffalo, 1981

Kathleen M. Cleary, MD, instructor of pediatrics; BS, St. Mary's College, 1980; MD, University of Massachusetts Medical School, 1984

G. Dean Cleghorn, EdD, associate professor of family medicine & community health; BA, Lee University, 1973; MS, University Tennessee Knoxville, 1977; EdD, 1978

Harvey G. Clermont, MD, assistant professor of surgery; BS, College of the Holy Cross, 1961; MD, Harvard University, 1965

David M. Clive, MD, professor of medicine; BA, New York University, 1970; MD, Case Western Reserve University, 1976

Marydawn Co, MD, assistant professor of medicine; BA, Bryn Mawr College, 1989; MD, Medical College of Pennsylvania, 1994

Elizabeth A. Coates, MD, instructor of family medicine & community health; BS, University of Michigan Ann Arbor, 1981; MD, University of Massachusetts Medical School, 1986

Lindsey E. Cobbett, MD, assistant professor of family medicine & community health; BA, Barnard College Columbia University, 2002; MD, Jefferson Medical College, 2008

Andrew J. Cocchiarella, MD, assistant professor of anesthesiology; BA, Bates College, 1995; MD, University of Massachusetts Medical School, 2005

David Micah Cochran, MD, assistant professor of psychiatry

Maureen Cochran, RN, PhD, instructor of pediatrics; BS, Columbia University; MS, Boston College; PhD, Northeastern, 1995

Scott M. Cochrane, MD, assistant professor of pediatrics; BS, University of California Davis, 1974; MA, Stanford University, 1976; MD, University of North Carolina Chapel Hill, 1990

Joseph M. Cocozzella, MD, assistant professor of psychiatry; MD, George Washington School of Medicine, 2004

Jonathan Ryan Coffman, MPH, CHES, CTTS-M, instructor of psychiatry; MPH, Tulane University School of Medicine, 2006

Jacalyn Coghill-Strom, MD, MPH, assistant professor of family medicine & community health; BA, Middlebury College, 1971; MPH, University of Massachusetts Amherst, 1988; MD, University of Michigan Medical School, 1977

Kathryn L. Cohan, MD, instructor of medicine; BA, Georgetown University, 1979; MD, University of Massachusetts Medical School, 1983

Daniel M. Cohen, MD, assistant professor of medicine; BA, Vassar College, 1990; MD, Tufts University, 1996

Joseph H. Cohen III, MD, assistant professor of medicine; AB, Dartmouth College, 1979; MD, Medical College of Pennsylvania, 1984

Lori R. Cohen, PhD, affiliate of psychiatry; PhD, California School of Psychology, 1987

Marcia B. Cohen, MD, assistant professor of pathology; BS, Wayne State University, 1968; MS, 1970; MD, 1974

Mark L. Cohen, MD, instructor of pediatrics; BS, Massachusetts Institute of Technology, 1974; MD, Columbia University Columbia College, 1978

Peter W. Cohen, MD, lecturer of psychiatry; BA, Harvard University, 1977; MD, Albany Medical College, 1984

Philip A. Cohen, MD, assistant professor of surgery; MD, Boston University Medical School, 2001

Michael S. Cohn, MD, assistant professor of surgery; BA, University of Pennsylvania, 1969; MD, State University of New York Downstate, 1973

Mark Collins, MD, affiliate of obstetrics & gynecology; MD, University of California Los Angeles School of Medicine, 1996

Matthew J. Collins, MD, assistant professor of family medicine & community health

Michael F. Collins, MD, FACP, professor of quantitative health sciences and medicine; BA, College of the Holy Cross, 1977; MD, Tufts University School of Medicine, 1981

Ursula P. Collinson, MD, assistant professor of medicine; MD, Albert Ludwigs University, Freiburg, Germany, 1991

Jennifer Colvin, MD, assistant professor of medicine; BA, Northwestern University, 2003; MD, Loyola University Chicago, 2008

Anne Marie Comeau, PhD, professor of pediatrics; BA, College of the Holy Cross, 1978; PhD, Brandeis University, 1985

Daniel Comiskey, MD, affiliate of psychiatry; BA, Williams College, 1988; MD, University of Connecticut, 1996

Sherrill A. Conna, MD, senior affiliate of psychiatry; BA, Duke University, 1955; MD, 1962

Alexa J. Connell, PhD, assistant professor of family medicine & community health; BA, Clark University, 1999; MA, Duke University, 2008; PhD, 2009

Patrick J. Connolly, MD, clinical professor of orthopedics & physical rehabilitation; BA, Montclair State University, 1977; MD, Northwestern University, 1984

Samuel T. Connolly, MD, assistant professor of emergency medicine; BA, University of Virginia, 1990; MD, University of Massachusetts Medical School, 1996

Thomas Andrew Consolati, MD, assistant professor of medicine; BA, Colgate University, 1988; MD, University of Massachusetts Medical School, 1993

Darryl Conte, PhD, research assistant professor of molecular medicine; BS, Rensselaer Polytechnic Institute, 1992; PhD, State University of New York Albany, 2000

John M. Cooke, PhD, associate professor of cell & developmental biology; BA, Providence College, 1966; PhD, University of Massachusetts Amherst, 1976

Bronwyn Cooper, MD, clinical associate professor of anesthesiology; AB, Harvard University, 1986; MD, Albany Medical College, 1991

Kyle Ann Cooper, MD, assistant professor of medicine; BS, New Mexico State University, 1981; MD, University of New Mexico, 1987

Marcus P. Cooper, MD, assistant professor of medicine; BS, Belmont University, 1990; MD, Johns Hopkins University School of Medicine, 1999

Teri L. Cooper, MD, assistant professor of pathology; BS, University of Louisville, 1977; MD, 1981

Stuart A. Copans, MD, affiliate of psychiatry; AB, Harvard College, 1964; MD, Stanford University, 1969

William F. Corbett, MD, clinical associate professor of medicine; BA, Boston University, 1978; MD, University of Massachusetts Medical School, 1983

Katharine Cornell Barnard, MD, assistant professor of family medicine & community health; BA, Brown University, 1995; MD, University of Massachusetts Medical School, 2000

Macario C. Corpuz, MD, assistant professor of family medicine & community health; BS, Far Eastern University, 1983; MBA, Quinnipiac College, 2013; MD, Far Eastern University, 1988

Jose Correa, MD, instructor of pediatrics; MD, National University of San Mar, 1977

Silvia Corvera, MD, professor of molecular medicine and cell & developmental biology; BS, Colegio Madrid, 1975

Ediz F. Cosar, MD, clinical associate professor of pathology; MD, Cukurova University School of Medicine, 1988

Elifce O. Cosar, MD, clinical associate professor of anesthesiology; MD, Cukurova University School of Medicine, 1990

Mary E. Costanza, MD, professor emeritus of medicine; BA, Radcliffe College, 1958; MA, University of California Berkeley, 1962; MD, University of Rochester Medical School, 1968

Douglas A. Cotanche, PhD, associate professor of cell & developmental biology

Eric P. Cotter, MD, instructor of medicine; BS, University of Massachusetts Amherst, 1974; MD, University of Massachusetts Medical School, 1978

Jacquelyn M. Cotter, MD, assistant professor of pediatrics; BS, Villanova University, 2003; MD, New Jersey College of Medicine, 2007

Dennis Coughlin, MD, assistant professor of radiology; MD, University of Massachusetts Medical School, 2001

Timothy C. Counihan, MD, associate professor of surgery; BS, University of Massachusetts Boston, 1986; MD, University of Massachusetts Medical School, 1990

Russell W. Cournoyer Jr., DPM, affiliate of orthopedics & physical rehabilitation; BS, Massachusetts College of Pharmacy and Health, 1979; DPM, Pennsylvania College of Podiatric Medicine, 1984

James Courtney, DO, assistant professor of emergency medicine; BS, St. Michael's College, 1993; DO, New England School of Osteopathic Medicine, 2003

Michael A. Coyne, MD, clinical assistant professor of emergency medicine; BA, College of the Holy Cross, 1980; MD, University of Massachusetts Medical School, 1984

Linda Cozzens, MD, instructor of pediatrics; BA, College of the Holy Cross, 1986; MD, University of Connecticut, 1990

Linda Cragin, MS, instructor of family medicine & community health; BA, Tufts University, 1980; MS, Harvard University School of Public Health, 1983

Roger W. Craig, PhD, professor of cell & developmental biology; BS, University of Sydney, 1970; PhD, University of London, 1975

Kathleen A. Craven, RN, MPH, assistant professor of family medicine & community health; BS, Emmanuel College; MPH, Boston University

Sybil L. Crawford, PhD, professor of medicine; BS, Carnegie Mellon University, 1983; MS, 1985; PhD, 1988

Albert A. Crimaldi, MD, clinical associate professor of medicine; BS, Providence College, 1970; PhD, University Pittsburgh, 1976

William J. Crooks IV, MD, assistant professor of medicine; BS, University of Notre Dame, 1975; MS, 1978; MD, Tufts University School of Medicine, 1982

Clyde S. Crumpacker II, MD, professor of medicine; BA, Cornell University, 1961; MD, Harvard Medical School, 1965

Ingrid Cruse, MD, assistant professor of pediatrics; BA, University of Rochester, 1986; MD, State University of New York Buffalo, 1991

Ronald B. Cruz, MD, instructor of medicine; BS, University of the Philippines, 1993; MD, 1998

George A. Csank, MD, assistant professor of surgery; MD, Pecs University Medical School, 1983

Henri Cuenoud, MD, associate professor of medicine; BS, Calvin College, 1971; MD, University of Geneva, 1977

Hongyi Cui, MD, assistant professor of surgery; MD, Beijing Medical University, 1990

Gregory A. Culley, MD, assistant professor of family medicine & community health; BA, Lafayette College, 1960; MD, Yale University, 1965

Paula M. Cullinane, MD, MPH, clinical associate professor of medicine; BS, Stonehill College, 1980; MPH, Boston University, 1993; MD, Boston University, 1988

Gina Teresa Cunto-Amesty, MD, assistant professor of pathology

Eugene L. Curletti, MD, assistant professor of surgery; BS, Tufts University, 1969; MS, 1971; MD, University Vermont, 1975

Frederick J. Curley, MD, associate professor of medicine; BA, Harvard College, 1976; MD, University of Massachusetts Medical School, 1980

Joseph Currier, MD, clinical assistant professor of emergency medicine; BA, Harvard University, 1989; MD, Albany Medical College, 1994

Kristen Elisabeth Currie, MD, assistant professor of medicine; BS, Brown University, 1992; MD, University of Massachusetts Medical School, 1997

Carol Curtin, MSW, research assistant professor of family medicine & community health; BA, Trinity College, Hartford, 1980; MSW, Boston University, 1982

Bruce S. Cutler, MD, professor emeritus of surgery; BA, Princeton University, 1962; MD, Harvard University, 1966

Sarah L. Cutrona, MD, MPH, assistant professor of medicine; BA, Yale University, 1997; MPH, Harvard University School of Public Health, 2007; MD, Columbia College of Physicians and Surgeons, 2001

James Paul Cyr, RN, MS, MBA, instructor of medicine; BN, Health Science Center, 1986; MS, University of Massachusetts Medical School, 1989

Michael P. Czech, PhD, the Isadore and Fannie Foxman Chair in Medical Research, chair and professor of molecular medicine and biochemistry & molecular pharmacology; BA, Brown University, 1967; MA, Duke University, 1969; PhD, Brown University, 1972

Donald Czerniach, MD, assistant professor of surgery; BA, Lehigh University, 1990

Reynold J. Dahl, MD, assistant professor of family medicine & community health; BA, Augustana College II, 1973

Idris Dahodwala, MD, affiliate of pediatrics; MBBS, Jawaharlal Nehru Medical College, 1986

Joseph F. Daigneault, MD, instructor of family medicine & community health; BA, Williams College, 1982; MD, University of Massachusetts Medical School, 1990

Peter J. Dain, MD, assistant professor of medicine; BS, Brown University, 1981; MS, University of Rochester Medical School, 1984; MD, University of Massachusetts Medical School, 1991

Michelle Dalal, MD, assistant professor of pediatrics; BS, Cornell University, 1996; MD, State University of New York Stony Brook, 2000

Jennifer Daley, MD, professor of medicine and quantitative health sciences; BA, Brown University, 1972; MD, Tufts University School of Medicine, 1976

Jennifer S. Daly, MD, professor of medicine and microbiology & physiological systems; BA, Sarah Lawrence College, 1973; MD, Columbia Physicians Surgeons, 1978

Michael J. Daley, MD, assistant professor of pediatrics; BA, College of the Holy Cross, 1975; MD, Georgetown University, 1979

Jill S. Damon-Minow, PsyD, clinical assistant professor of neurology; PsyD, California School of Professional Psychology, 2007

Andrea Martinucci Damour, MD, instructor of family medicine & community health; MD, Georgetown University, 1990

Ghaleb H. Daouk, MD, instructor of pediatrics; BS, Syracuse University, 1979; MS, Massachusetts Institute of Technology, 1991; MD, American University of Beirut, 1984

Chad E. Darling, MD, associate professor of emergency medicine; BS, University of Pittsburgh, 1993; MD, Dartmouth College, 1997

Adam C. Darnobid, MD, instructor of emergency medicine; BS, State University of New York Stony Brook, 2005; MD, State University of New York Upstate Medical University, 2009

John Darrah, MD, assistant professor of medicine; BS, St. Josephs University, 1962; MD, University of Pennsylvania, 1966

Melinda Darrigo, PhD, NP, assistant professor of surgery; BS, Salem State College, 1991; MS, University of Massachusetts, 2003; PhD, 2009

Ravi Dashnamoorthy, PhD, assistant professor of medicine; BS, University of Madras, 1991; MS, Pondicherry University, 1994; PhD, Mahatma Gandhi University

Raul E. Davaro, MD, clinical associate professor of medicine; MD, University of Buenos Aires, 1984

Peter C. Davidow, MD, instructor of obstetrics & gynecology

Maryann Davis, PhD, research associate professor of psychiatry; BS, University of Massachusetts Amherst, 1981; MA, Emory University, 1985; PhD, 1990

Nicolina Cordaro Davis, MD, assistant professor of pediatrics and medicine; BA, Colgate University, 1987; MD, Albany Medical College, 1991

Roger J. Davis, PhD, the H. Arthur Smith Chair in Cancer Research, Howard Hughes Medical Investigator, professor of molecular medicine and biochemistry & molecular pharmacology; BA, Queens College, 1979; MPhil, 1980; PhD, 1983

Sherrill Davis, MD, instructor of pediatrics; BA, University of Missouri Kansas City, 1983; MD, 1984

Steven M. Davis, MD, clinical associate professor of medicine; BA, University of Vermont, 1976; MD, 1980

Venkat Davuluri, MD, assistant professor of medicine; MBBS, Gunter Medical College, 1999

John A. Day Jr., MD, assistant professor of medicine; AB, Harvard College, 1973; MD, Cornell University School of Medicine, 1981

Yogeshwar Dayal, MD, clinical professor of pathology; MD, All India Institute of Medical Sciences, 1967

Maria Pilar Elisa T. Dayaw, MD, FAAN, instructor of neurology; MD, University of the Philippines, 1993

Matthew Colin Dayno, MD, instructor of emergency medicine; BA, The Colorado College, 2002

Nicola Anthony Deangelis, MD, assistant professor of orthopedics & physical rehabilitation; AB, Harvard University, 1993; MD, University of Massachusetts Medical School, 1998

Carolynn Michelle DeBenedictis, MD, assistant professor of radiology; BA, College of the Holy Cross, 2002; MD, Georgetown University School of Medicine, 2006

George E. Deering III, MD, instructor of emergency medicine; BS, University of Massachusetts Amherst, 1973; MD, University of Massachusetts Medical School, 1977

Anthony E. DeFelice, DO, clinical assistant professor of orthopedics & physical rehabilitation; BS, Yale University, 1985; DO, College of Osteopathic Medicine, 1998

Melvyn H. Defrin, MD, affiliate of ophthalmology; BE, City University of New York, 1966

David Bruce Degrand, MD, PhD, instructor of medicine; BA, Berklee College of Music, 1975; MD, University of Massachusetts Medical School, 1990

Ellen M. Deibert, MD, assistant professor of neurology; BS, Trenton State College, 1985; MD, Temple University, 1993

Job Dekker, PhD, professor of biochemistry & molecular pharmacology; MS, Utrecht University, 1993; PhD, 1997

Maria B. Del Rosario, MD, assistant professor of medicine; BS, Dickinson College, 1982; MD, Pennsylvania State University College of Medicine, 1988

Kevin F. Delacey, MD, instructor of medicine; BA, College of the Holy Cross, 1977; MD, University of Massachusetts Medical School, 1981

Dina Deldon-Saltin, DO, instructor of obstetrics & gynecology

Michael J. Deleo Jr., MD, assistant professor of medicine; AB, Harvard College, 1976; MD, University of Massachusetts Medical School, 1980

Konstantinos E. Deligiannidis, MD, PhD, assistant professor of family medicine & community health; BA, Harvard University, 1997; MPH, Boston University School of Public Health, 2000; MD, University of Massachusetts Medical School, 2004

Kristina M. Deligiannidis, MD, assistant professor of psychiatry and obstetrics & gynecology; BS, University of Massachusetts Amherst, 1997; MD, University of Massachusetts Medical School, 2004

Jonathan Delman, MPH, JD, PhD, research assistant professor of psychiatry; BA, Tufts University, 1981; MPH, Boston University School of Public Health, 1990; JD, University Pennsylvania, 1984

Ellen H. Delpapa, MD, clinical associate professor of obstetrics & gynecology; BS, College of St. Elizabeth, 1980; MD, New Jersey College of Medicine, 1984

Andrew J. DeMaggio, MD, clinical assistant professor of orthopedics & physical rehabilitation; MD, Wayne State University School of Medicine, 1997

Anthony M. DeMarco, MD, assistant professor of medicine; BA, Harvard University, 1966; MD, University of Rochester School of Medicine, 1970

Deborah M. DeMarco, MD, professor of medicine; BS, Long Island University Brooklyn, 1976; MA, University of California, 1979; MD, New York University, 1983

William J. DeMarco, DO, clinical associate professor of medicine; AB, College of the Holy Cross, 1980; DO, University of New England, 1984

Jaimee A. DeMone, MD, assistant professor of obstetrics & gynecology; BA, Clark University, 1999; MD, University of Massachusetts Medical School, 2004

Brian J. Dempsey, MD, instructor of pediatrics; BA, University of Massachusetts Boston, 1977; MD, University of Massachusetts Medical School, 1982

April C. Deng, MD, PhD, associate professor of pathology; MS, Henan Medical University, 1986; MD, 1983

Nina Deng, EdD, assistant professor of quantitative health sciences; BA, Shanghai International University, 2003; MA, 2006; EdD, University of Massachusetts Amherst, 2011

Brian M. Denietolis, PsyD, assistant professor of psychiatry; BA, Gordon College, 2005; MS, Antioch University of New England, 2008; PsyD, 2010

Don P. Deprez, MD, affiliate of obstetrics & gynecology; BS, Cornell University, 1970; MD, Tufts University School of Medicine, 1977

Michael L. Dern, MD, instructor of family medicine & community health; BA, Boston University, 1973

Mark Dershwitz, MD, PhD, professor of anesthesiology and biochemistry & molecular pharmacology; BA, Oakland University, 1974; MD, Northwestern University, 1982

Charu S. Desai, MD, clinical associate professor of radiology; BS, Saravajanik College of Science, 1968; MBBS, Government Medical College Miraj, 1972

Manisha S. Desai, MD, clinical associate professor of anesthesiology; MBBS, Baroda Medical College, 1982

Nitigna Desai, MD, assistant professor of psychiatry; MD, Government Medical College Miraj, 1984

Ronald C. Desrosiers, MD, PhD, professor of microbiology & physiological systems; BA, Boston University, 1970; MA, Harvard University; MD, Friedrich Alexander University of Erlangen-Nürnberg

Brian K. Dessureau, PhD, clinical assistant professor of neurology and pediatrics; BA, Colgate University, 1993; MA, Clark University, 1996; PhD, 2001

Robert L. Deters, MD, clinical assistant professor of orthopedics & physical rehabilitation; MD, Wright State University Dayton, 1987

Nancy W. Detora, MD, affiliate of pediatrics; BS, Michigan State University, 1974; MD, 1977

Curtis Deutsch, PhD, associate professor of psychiatry; BS, Georgia Institute of Technology, 1973; PhD, University of Texas Austin, 1983

Malabika Dey, MD, clinical instructor of family medicine & community health; MBBS, Nilratan Sircar Medical College, 1993

Joyoni Dey, PhD, assistant professor of radiology; PhD, Carnegie Mellon University, 1999

Brooke Di, DO, affiliate of pediatrics; BS, Florida, 1997; DO, Nova Southeastern College of Osteopathic Medicine, 2002

Octavio J. Diaz, MD, MPH, assistant professor of emergency medicine; BS, University of Massachusetts Amherst, 1981; MPH, Boston University, 2003; MD, University of Illinois Chicago, 1987

Gail Louise Dickinson, MD, instructor of medicine; AB, Cornell University, 1972; MD, University of Massachusetts Medical School, 1987

Eric W. Dickson, MD, professor of emergency medicine; BA, Merrimack College, 1991; MD, University of Massachusetts Medical School, 1995

Robert B. Diener, MD, affiliate of psychiatry; BS, Albright College, 1985; MD, Tufts University, 1989

Joseph R. DiFranza, MD, professor of family medicine & community health and psychiatry; BS, University of Massachusetts Amherst, 1976; MD, University of Massachusetts Medical School, 1981

Mary DiGangi, PA-C, MS, instructor of family medicine & community health; MS, Westfield State College, 2003

Leonard G. DiGiovanni Jr., DO, assistant professor of obstetrics & gynecology; DO, Kirksville College of Osteopathic Medicine, 1985

Gregory J. DiGirolamo, PhD, associate professor of psychiatry

Philip J. dilorio, PhD, research assistant professor of molecular medicine; BA, Merrimack College, 1987; PhD, University of Connecticut, 1995

Sharon P. Dilley, MD, instructor of medicine; BA, University of North Carolina Chapel Hill, 1980; MD, Harvard Medical School, 1985

Lori DiLorenzo, MD, instructor of family medicine & community health; BS, Cornell University, 1994; MD, University of Pennsylvania, 1998

Dennis M. Dimitri, MD, clinical associate professor of family medicine & community health; BA, Clark University, 1975; MD, George Washington University, 1979

Linda Ding, PhD, clinical assistant professor of radiation oncology; BS, Nankai University, 1990; MS, University of Massachusetts Lowell, 1996; PhD, 2003

Robert Dingman, EdD, affiliate of psychiatry; BA, Minnesota State University, 1979; MS, San Diego, 1985; EdD, Boston University, 1992

Christian P. Dipaola, MD, assistant professor of orthopedics & physical rehabilitation; BA, Cornell University, 1998; MD, Cornell University School of Medicine, 2003

Michael R. DiSiena, DO, assistant professor of surgery and pathology

Mark S. DiStefano, MD, clinical instructor of surgery; BA, St. Anselm College, 1974; MD, Georgetown University School of Medicine, 1979

Cheryl T. DiVito, DO, assistant professor of family medicine & community health; DO, New England College of Osteopathic Medicine, 2002

Paul R. Dobner, PhD, associate professor of microbiology & physiological systems; BA, State University of New York, 1975; MA, Columbia University, 1976; PhD, 1979

James G. Dobson, PhD, professor emeritus of microbiology & physiological systems and medicine; BS, Central College, 1965; MA, Wesleyan University, 1967; PhD, West Virginia University Institute of Technology, 1971

Leonard A. Doerfler, PhD, associate professor of psychiatry; BS, University of Pittsburgh, 1976; MA, University of Missouri Columbia, 1979; PhD, 1982

Joan Marie Dolan, RN, FNP, instructor of family medicine & community health; RN, University of Massachusetts Medical School, 2001

Leslie J. Domalik, MD, assistant professor of medicine; BS, University of Pittsburgh, 1981; MD, 1986

Frank J. Domino, MD, professor of family medicine & community health; BA, Drew University, 1982; MD, University of Texas Austin, 1988

Janice Ann Dominov, PhD, assistant professor of neurology; BS, University of Rhode Island, 1980; PhD, Case Western Reserve University, 1986

Christine Donahue, MD, assistant professor of medicine; BA, Williams College, 1989; MD, University of Massachusetts Medical School, 1995

Daniel Donahue, MD, assistant professor of medicine; BA, College of the Holy Cross, 1983; MD, Boston University Medical School, 1988

Steven P. Donhowe, MD, assistant professor of neurology; BA, Carleton College, 1972; MD, University of Iowa, 1979

Elizabeth W. Donlon, MD, assistant professor of psychiatry; BA, University of Georgia, 1985; MD, Brown University, 1994

Mary Sheila Donnelly, MD, affiliate of medicine; BS, Marquette University, 1970; MD, Case Western Reserve University, 1974

Daniel W. Donohue, MD, assistant professor of medicine; BA, College of the Holy Cross, 1983; MD, Boston University, 1988

Susan Donohue, MD, assistant professor of medicine; BA, Mount Holyoke College, 1984; MD, Boston University, 1988

Jennifer Donovan, PharmD, associate professor of medicine; PharmD, Massachusetts College of Pharmacy, 2001

Leah E. Doret, MD, instructor of family medicine & community health; MD, University of Massachusetts Medical School, 2003

Jon David Dorfman, MD, assistant professor of surgery; BA, University of Pennsylvania, 1999; MD, Johns Hopkins University School of Medicine, 2003

Gina Elizabeth D'Ottavio, MD, assistant professor of family medicine & community health; BA, Boston University, 1985; MD, University of Massachusetts Medical School, 1992

Anna Doubeni, MD, assistant professor of family medicine & community health; BS, Gordon College, 1990; MPH, University of Massachusetts, 2006; MD, Temple University, 1995

Laura Dove, MD, affiliate of psychiatry

Stephen J. Doxsey, PhD, professor of molecular medicine and biochemistry & molecular pharmacology and cell & developmental biology; BS, University of Connecticut, 1977; PhD, Yale University, 1987

Daniel M. Doyle, MD, assistant professor of medicine; AB, College of the Holy Cross, 1973; MD, University of Massachusetts Medical School, 1978

David A. Drachman, MD, professor of neurology; BA, Columbia University Columbia College, 1952; MD, New York University, 1956

Ursula Drager, MD, professor of psychiatry; MD, University of Tübingen, 1968

Elena Dragoi, MD, affiliate of pediatrics

Nancy A. Dragoon, MD, assistant professor of surgery and medicine; BS, Union College, 1984; MD, State University of New York Stony Brook, 1984

Brian Dressel, MD, MPH, instructor of family medicine & community health; MPH, Boston University School of Public Health, 2006; MD, Boston University, 2006

Connie R. Drexler, MD, assistant professor of medicine; BA, Atlantic Union College, 1978; MA, Boston University, 1982; MD, Loma Linda University, 1983

David L. Drexler, MD, PhD, assistant professor of anesthesiology; BS, Atlantic Union College, 1979; PhD, Loma Linda University, 1986

David F. Driscoll, PhD, associate professor of medicine; BS, Massachusetts College of Pharmacy, 1979; MS, 1982; PhD, 1994

Edward Driscoll, MD, assistant professor of medicine; BA, University of Pennsylvania, 1966; MD, University of Maryland, 1976

Patricia Droney, MPH, instructor of family medicine & community health; BA, Virginia Polytechnic Institute, 1979; MPH, University of Massachusetts, 1990

Cheng Du, PhD, research assistant professor of urology; PhD, University of Nebraska Lincoln, 1996

Catherine E. Dube, EdD, research assistant professor of quantitative health sciences; MEd, Boston University, 1981; EdD, 1987

William V. Dube, PhD, associate professor of psychiatry and pediatrics; BM, Boston Conservatory, 1972; MA, Northeastern University, 1985; PhD, 1987

Catherine E. DuBeau, MD, professor of medicine and family medicine & community health and obstetrics & gynecology; BA, Bryn Mawr College, 1980; MD, University of Connecticut School of Medicine, 1985

Eleanor M. Duduch, MD, clinical associate professor of anesthesiology; BS, Stonehill College, 1979; MD, University of Massachusetts Medical School, 1984

Maria Jose Duenas Decamp, PhD, instructor of molecular medicine; BS, Complutense University of Madrid, 1997; PhD, University Carlos III, Madrid, 2004

Paul F. Dufault, MD, instructor of medicine; BS, College of the Holy Cross, 1978; MD, Tufts University School of Medicine, 1982

Jocelyn C. Duffy, MD, instructor of family medicine & community health; MD, State University of Liege, 1986

John A. Duggan, MD, professor emeritus of pediatrics; BA, Boston College, 1944; MD, Harvard Medical School, 1947

David Duhme, MD, instructor of medicine; BA, Harvard University, 1966; MD, 1970

Sathish K. Dundamadappa, MD, assistant professor of radiology; MD, India University, 2002

Maria C. Dunn, MD, assistant professor of medicine; BA, Boston University, 1988; MD, University of Vermont, 2007

Paul S. Dunn, MD, instructor of obstetrics & gynecology; BA, Harvard University, 1977; MD, University of Massachusetts Medical School, 1982

Raymond M. Dunn, MD, professor of surgery and cell & developmental biology; BS, Worcester Polytechnic Institute, 1978; MD, Albany Medical College, 1982

Thomas Dunzendorfer, MD, assistant professor of medicine; MD, Johann Wolfgang Goethe University, 1987

Carolyn Suzanne Dupuis, MD, assistant professor of radiology; BA, New York University, 2000; MD, State University of New York Downstate, 2005

Carlos Duran, MD, instructor of pediatrics; BS, Massachusetts Institute of Technology, 1994; MD, State University of New York Stony Brook, 1999

William A. Durbin, MD, professor of pediatrics and medicine; BA, Dartmouth College, 1968; MD, Columbia University, 1972

Edlira Duro, MD, instructor of family medicine & community health; MD, University of Tirana, 1991

Richard W. Dutton, PhD, professor of pathology; BA, University of Cambridge, 1952; MA, 1954; PhD, University of London, 1955

Jack M. Dutzar, MD, instructor of family medicine & community health; BA, Whitworth College, 1971; MD, University of Colorado Denver, 1974

Yael Dvir, MD, assistant professor of psychiatry; MD, Hadassah Hebrew University, 2004

David L. Dykhuizen, MD, assistant professor of surgery; BA, University of Vermont, 1970; MD, Ohio State University, 1975

Patricia Anne Dykstra, MD, affiliate of pediatrics; AB, Smith College, 1979; MD, Emory University, 1983

Kylee C. Eagles, DO, instructor of family medicine & community health; DO, Nova Southeastern University, 2009

Morris Earle Jr., MD, assistant professor of pediatrics; BS, University of Vermont, 1979; MPH, Harvard University, 1991; MD, University of Vermont, 1983

Stephen T. Earls, MD, clinical associate professor of family medicine & community health; BA, George Washington University, 1970; MD, 1973

Roger B. Eaton, PhD, associate professor of pediatrics; PhD, State University of New York Buffalo, 1981

Kimberly W. Ebb, MD, instructor of family medicine & community health; MD, Emory University, 1994

Ronald Ebb, MD, instructor of family medicine & community health; BS, University of Massachusetts Amherst, 1989; MA, Boston University Medical School, 1993; MD, 1999

N. Lynn Eckhart, MD, MPH, professor of family medicine & community health and pediatrics; BA, Denison University, 1964; MSN, New York Medical College, 1966; MD, State University, 1970

Eloise Edgings-Pryce, MD, assistant professor of family medicine & community health; MBBS, University of West Indies, 1980

Kathryn L. Edmiston, MD, associate professor of medicine; BA, University of Chicago, 1978; MD, 1982

Richard M. Eisenberg, MD, affiliate of ophthalmology; BA, University of Pennsylvania, 1976; MD, Medical College of Pennsylvania, 1980

Jordan H. Eisenstock, MD, assistant professor of neurology and psychiatry; BS, Georgetown University, 1998; MD, University of Massachusetts Medical School, 2002

Kimberly Eisenstock, MD, assistant professor of medicine; BA, Rhode Island College, 1995; MD, University of Massachusetts Medical School, 2002

Deborah Ekstrom, MA, MPP, instructor of psychiatry; BA, Whittier College, 1975; MA, 1977; MPP, Harvard University, 1979

Deborah K. Ekstrom, MD, clinical assistant professor of surgery

Heather L. Elias, MD, assistant professor of medicine; BS, Tufts University, 1999; MD, University of Vermont, 2004

Ashraf Elkerm, MD, assistant professor of medicine; MD, Alexandria University, 1986

Marsha L. Ellison, PhD, research assistant professor of psychiatry; BA, City University of New York, 1976; MSW, Hunter College, 1979; PhD, Boston University, 1996

Richard T. Ellison III, MD, professor of medicine and microbiology & physiological systems; BA, University of Virginia, 1973; MD, Hahemann Medical College, 1977

Gray A. Ellrodt, MD, professor of medicine; BA, Princeton University, 1970; MD, New York Medical College, 1975

Charles P. Emerson Jr., PhD, assistant professor of cell & developmental biology; BA, Princeton University, 1965; PhD, University of California San Diego, 1970

Charles H. Emerson, MD, professor emeritus of medicine; BS, Randolph-Macon College, 1963; MD, University of Virginia, 1967

Patrick Emery-Le, PhD, associate professor of neurobiology; BS, University of Geneva, 1990; MS, 1992; PhD, 1996

Timothy A. Emhoff, MD, clinical associate professor of surgery; BS, United States Air Force Academy, 1972; MD, George Washington School of Medicine, 1976

Thomas M. English, PhD, instructor of quantitative health sciences; BA, University of Alabama Tuscaloosa, 1996; MS, University of Alabama Huntsville, 2000; PhD, University of Alabama Birmingham, 2008

Cynthia A. Ennis, DO, assistant professor of medicine; BA, Boston College, 1995; DO, University of New England College of Osteopathic Medicine, 2002

Francis A. Ennis, MD, professor of medicine; BA, Boston College, 1960; MD, Tufts University School of Medicine, 1964

Michael Ennis, MD, associate professor of family medicine & community health; BA, Williams College, 1979; MD, University of Rochester Medical School, 1983

Mara Meyer Epstein, ScD, assistant professor of medicine; BS, Emory University, 2005; SM, Harvard School Public Health, 2007; ScD, 2010

Elizabeth A. Erban, MD, assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 1990; MD, University of Massachusetts Medical School, 1994

Stephen B. Erban, MD, clinical associate professor of medicine; BA, Brown University, 1980; MPH, University of Massachusetts, 1993; MD, University of Pennsylvania, 1984

Lars Erickson, MD, MPH, associate professor of pediatrics; BS, Brown University, 1979; MPH, Harvard University School of Public Health, 1998; MD, Duke University, 1984

Daniel H. Ervin, DO, instructor of family medicine & community health; BS, Oral Roberts University, 1984; DO, Ohio State University College of Medicine, 1990

Paul Esielionis, MD, assistant professor of family medicine & community health; BS, University of Massachusetts Dartmouth, 1977; MD, University of Massachusetts Medical School, 1984

Emad H. Eskander, MD, affiliate of psychiatry; MD, Alexandria University, 1984

Pegeen Eslami, MD, assistant professor of pediatrics; BA, New England Conservatory of Music, 1984; MD, Harvard Medical School, 1991

Anthony L. Esposito, MD, professor of medicine; BA, Bowdoin College, 1970; MD, Tufts University School of Medicine, 1974

Paul H. Etkind, PhD, affiliate of family medicine & community health; BA, Clark University, 1974; MPH, Yale University; PhD, 1998

Walter H. Ettinger Jr., MD, MBA, professor of medicine; AB, Ohio Wesleyan University, 1974; MBA, Wake Forest University, 1997; MD, Johns Hopkins University School of Medicine, 1978

Thomas J. Evans, MD, assistant professor of emergency medicine; BS, Grove City College, 2001; MD, University of Rochester Medical School, 2006

Judith B. Evans, MD, affiliate of pediatrics; BS, St. Bonaventure University, 1977; MD, New York Medical College, 1982

Andrew M. Evens, DO, associate professor of medicine; BS, St. Josephs College, 1991; DO, Chicago College of Osteopathic Medicine, 1996

Alexandra Evindar, MD, assistant professor of pediatrics; BS, University of Massachusetts Boston, 1999; MS, 1999; MD, Albany Medical College, 2008

George Eypper, MD, clinical associate professor of medicine; BS, Yale University, 1967; MD, University of Vermont, 1976

Brenda Eze, MD, instructor of medicine; BS, University of Wisconsin, 1977; MD, 1981

Michael A. Fabrizio, MD, instructor of pediatrics; BA, Amherst College, 1968; MD, Royal College of Surgeons, 1974

Michael C. Fahey, MD, assistant professor of pediatrics; BA, Dartmouth College, 1997; MD, Columbia Physicians Surgeons, 2002

David Grandison Fairchild, MD, MPH, professor of medicine; BA, Haverford College, 1981; MPH, Harvard University School of Public Health, 1995; MD, Pennsylvania State University College of Medicine, 1986

Pang-Yen Fan, MD, clinical associate professor of medicine; BA, Boston University, 1981; MD, 1985

Xiaoduo Fan, MD, MPH, associate professor of psychiatry; MS, University of Illinois Chicago, 1997; MD, Peking Union Medical College, 1991

James E. Fanale, MD, associate professor of medicine; BS, Pennsylvania State University, 1973; MD, Chicago Medical School, 1976

Robert D. Fanelli, MD, associate professor of surgery; BS, University of Richmond, 1982

Hua Fang, PhD, assistant professor of quantitative health sciences; BA, Sichuan International Studies, 1998; MA, Ohio State University Newark, 2006; PhD, Ohio State University College of Medicine, 2006

Paul Fanning, PhD, assistant professor of orthopedics & physical rehabilitation and cell & developmental biology; BS, Merrimack College, 1986; PhD, Harvard Medical School, 2000

Faheem M. Farooq, MD, instructor of medicine; MBBS, Alexandria University, 1967

John Farricy, MD, instructor of obstetrics & gynecology; BS, Boston College, 1969; MD, Georgetown University, 1973

Carmen Patricia Fater, MD, instructor of family medicine & community health; BS, University of Miami, 1983; MD, Temple University, 1987

Madeleine R. Fay, MD, instructor of medicine; BS, Cornell University, 1966; MA, Clark University, 1974; MD, University of Massachusetts Medical School, 1978

Thomas G. Fazio, PhD, assistant professor of molecular medicine; PhD, University of Washington School of Medicine, 2004

Frank Peter Fechner, MD, affiliate of otolaryngology; MD, Albert Ludwigs University School of Medicine, 1996

Martha Ann Fehr, MD, assistant professor of neurology; BA, Westminster College, 1978; MS, Colorado State University, 1982; MD, University of Colorado Denver, 1986

Barry N. Feldman, PhD, assistant professor of psychiatry; BA, University of Massachusetts Amherst, 1994; MSN, Boston College, 1997; PhD, 2001

Penny Meryl Feldman, MD, assistant professor of pediatrics; BS, Cornell University, 1990; MD, Albert Einstein College of Medicine, 1994

Marianne E. Felice, MD, professor of pediatrics and obstetrics & gynecology; BA, Carlow College, 1966; MD, Penn State College of Medicine, 1972

Robert K. Ferguson, MD, assistant professor of medicine; BA, Georgetown University, MD, 1980

Warren J. Ferguson, MD, professor of family medicine & community health; BS, University of Massachusetts Amherst, 1977; MD, Boston University, 1981

Robert P. Ferm, MD, clinical associate professor of emergency medicine; BA, Amherst College, 1977; MD, Yale University, 1981

Emily R. Ferrara, MA, assistant professor of family medicine & community health; BS, Boston University, 1980; MA, Lesley College, 2001

William G. Ferrarone, PhD, instructor of family medicine & community health; BA College of the Holy Cross, 1978; MS, Simmons College, 1983; PhD, California School of Medicine, 1989

Karen Ferroni, MD, instructor of obstetrics & gynecology; MD, University of Southern California, 1978

Joseph T. Ferrucci, MD, professor of radiology; BA, Harvard University, 1959; MD, Tufts University School of Medicine, 1963

John A. Ferullo, MD, assistant professor of medicine; AB, Harvard College, 1972; MD, University of Vermont, 1976

Deborah Field, MD, assistant professor of psychiatry; MD, University of Massachusetts Medical School, 1993

Terry S. Field, DSc, associate professor of medicine; BA, Tufts University, 1967; MS, Instructional Systems Technology, 1971; DSc, Boston University, 1993

Bruce S. Fieldman, DMD, instructor of pediatrics; BA, Boston University, 1970; DMD, Tufts University School of Medicine, 1974

David R. Fields, MD, assistant professor of medicine; BA, University of Virginia, 1980; MD, Medical College of Virginia, 1980

Allen W. Filiberti, MD, clinical associate professor of medicine; BS, State University of New York Stony Brook, 1972; MD, Mount Sinai School of Medicine, 1978

Robert W. Finberg, MD, the Richard M. Haidack Professor of Medicine, chair and professor of medicine and microbiology & physiological systems; AB, University of Chicago, 1971; MA, Harvard University, 1996; MD, Albert Einstein College of Medicine, 1974

David R. Finck, MD, assistant professor of medicine; BA, Columbia University, 1970; MD, Tufts University School of Medicine, 1974

Susan Paul Fine, MD, assistant professor of medicine and pediatrics; BS, Duke University, 2001; MD, University of Massachusetts Medical School, 2005

Dmitry Finkelberg, MD, assistant professor of medicine; MD, Novosibirsk Medical Institute, 1989

Leonard Martin Finn, MD, assistant professor of family medicine & community health; BA, Tufts University, 1970; MD, University of Massachusetts Medical School, 1974

Susan C. Fiorillo, DMD, assistant professor of surgery; BA, Bryn Mawr College, 1976; DMD, University of Pennsylvania, 1980

Melissa Anne Fischer, MD, associate professor of medicine; BA, Columbia University, 1988; MA, Stanford University, 2001; MD, New York University, 1996

Abraham Fischer, MD, instructor of obstetrics & gynecology; MD, University of Massachusetts Medical School, 1986

Andrew H. Fischer, MD, professor of pathology and cell & developmental biology; BS, Cornell University, 1979; MD, Brown University, 1984

David J. Fish, MD, assistant professor of pediatrics and medicine; BS, Providence College, 2002; MD, University of Massachusetts Medical School, 2006

Gilbert A. Fishbein, MD, assistant professor of anesthesiology; BA, Boston University, 1978; MD, 1982

Leslie Fishbein, MD, assistant professor of psychiatry; BA, University of Pennsylvania, 1983; MD, 1988

Daniel B. Fisher, MD, PhD, affiliate of psychiatry; BA, Princeton University, 1965; PhD, University of Wisconsin, 1968

Daniel Z. Fisher, MD, PhD, associate professor of medicine and cell & developmental biology; BA, Swarthmore College, 1982; PhD, Rockefeller University, 1987

Kimberly A. Fisher, MD, assistant professor of medicine; MD, University of Pennsylvania, 1999

Lloyd D. Fisher, MD, assistant professor of pediatrics; BS, University of Vermont, 1998; MD, University of Massachusetts Medical School, 2003

Stuart Fisher, PhD, assistant professor of psychiatry; BA, Yale University, 1970; PhD, University of Illinois Urbana, 1978

William H. Fisher, PhD, professor of psychiatry; BA, Clark University, 1969; MA, Northeastern University, 1975; PhD, 1980

Peter E. Fishman, MD, assistant professor of emergency medicine; BA, Emory University, 1997; MD, University of Pennsylvania, 2005

Leora Fishman, MD, lecturer of family medicine & community health; BA, Barnard College Columbia University, 1974; MD, State University of New York Stony Brook, 1978

Robert M. Fishman, DO, affiliate of medicine; BA, State University of New York Binghamton, 1976; DO, State University of New York, 1981

Denis J. Fitzgerald, MD, affiliate of ophthalmology; BA, Brown University, 1962; MHA, University of Colorado, 1989; MD, New Jersey College of Medicine, 1967

Gordon A. FitzGerald, PhD, research assistant professor of surgery; BA, Princeton University, 1972; MS, Northeastern University, 1974; PhD, University of Massachusetts Amherst, 1994

Katherine A. Fitzgerald, PhD, professor of medicine; BS, University College Cork, 1995; PhD, University of Dublin, Trinity, 1998

Thomas J. FitzGerald, MD, chair and professor of radiation oncology; BS, University of San Francisco, 1975; MD, University of Massachusetts Medical School, 1980

Christine M. Fitzgibbons, MD, assistant professor of medicine; BS, Brown University, 1996; MD, Boston University Medical School, 2002

Timothy P. Fitzgibbons, MD, instructor of medicine; BS, Boston College, 1996; MD, Loyola University, 2002

Gerard J. Fitzpatrick, MD, instructor of family medicine & community health; MD, Autonomous University of Guadalajara, 1980

Joan Flanagan, PhD, affiliate of medicine; BS, University of Massachusetts Amherst, 1991; PhD, University of Massachusetts Medical School, 2001

Raymond B. Flannery Jr., PhD, assistant professor of psychiatry; BA, College of the Holy Cross, 1964; MA, Boston College, 1967; PhD, University of Windsor, 1970

J. P. Flatt, PhD, professor emeritus of biochemistry & molecular pharmacology; BS, University of Lausanne, 1952; MS, 1956; PhD, 1959

Kathryn Scarlett Fleming-Ives, MD, assistant professor of psychiatry; MD, University of Massachusetts Medical School, 2005

Richard Fleming, PhD, associate professor of psychiatry; BS, University of New Hampshire Manchester, 1975; MEd, University of Massachusetts Amherst, 1983; PhD, University of Massachusetts Amherst, 1990

Richard Ribon Fletcher, PhD, assistant professor of psychiatry

Mario F. Flores-Cardillo, MD, assistant professor of medicine; MD, San Carlos de Guatemala University, 1992

Harvey M. Florman, PhD, professor of cell & developmental biology; BA, Rutgers University, 1972; PhD, University of Pennsylvania, 1982

Terence R. Flotte, MD, the Celia and Isaac Haidak Professor of Medical Education, professor of pediatrics and microbiology & physiological systems; BS, University of New Orleans, 1982; MD, Louisiana State University Medical Center, 1986

Kevin C. Floyd, MD, assistant professor of medicine; BS, John Carroll University, 1996; MS, Case Western Reserve University, 1999; MD, Ohio State University Columbus, 2003

Mary K. Flynn, MD, assistant professor of family medicine & community health; BA, Williams College, 2004; MD, University of Massachusetts Medical School, 2009

Michael K. Flynn, MD, MHS, associate professor of obstetrics & gynecology; BA, Brown University, 1988; MD, Duke University School of Medicine, 1993

Kevin E. Fogarty, MS, research assistant professor of molecular medicine and microbiology & physiological systems; BS, Worcester Polytechnic Institute, 1975; MS, 1978

Ann M. Foley, MEd, affiliate of psychiatry; BA, St. Joseph College, 1976; MEd, Harvard University Continuing Education, 1980

Kristin L. Foley, DO, assistant professor of family medicine & community health and medicine; BS, Bates College, 1993; DO, University of Osteopathic Medicine, 2001

Michael T. Foley, MD, assistant professor of medicine; BA, University of Massachusetts Amherst, 1972; MD, University of Massachusetts Medical School, 1976

Peter J. Foley, MD, clinical associate professor of anesthesiology and pediatrics; BA, University of New Hampshire Manchester, 1980; MS, Ball State University, 1982; PhD, Purdue University, 1986

William Foley, DO, instructor of family medicine & community health; DO, New England College of Osteopathic Medicine, 2001

Edward D. Folland, MD, professor emeritus of medicine; BA, Yale University, 1966; MD, Harvard Medical School, 1970

Jay G. Fong, MD, assistant professor of pediatrics; BS, Fairfield, 1994; MD, Ross University School of Medicine, 1999

Jeffrey J. Fong, PharmD, assistant professor of surgery; PharmD, State University of New York, 2003

Paula A. Fontaine, DPM, instructor of family medicine & community health; BA, Connecticut College, 1987; DPM, Barry University, 1995

Nancy M. Fontneau, MD, clinical associate professor of neurology; BA, Bowdoin College, 1975; MS, Tufts University, 1978; MD, University of Massachusetts Medical School, 1984

Deborah A. Ford, MD, instructor of medicine; BA, Wellesley College; MD, University of Massachusetts Medical School, 1983

Heather Campbell Forkey, MD, assistant professor of pediatrics; BS, Cornell University, 1989; MD, State University of New York Buffalo, 1993

Richard M. Forster, MD, clinical associate professor of medicine; BA, Colby College, 1981; MD, University of Massachusetts Medical School, 1988

Tiffany M. Forti, MD, clinical instructor of obstetrics & gynecology; MD, Albany Medical College, 2008

William Fortier, DMin, affiliate of psychiatry; BA, University of New Hampshire, 1983; MEd, University of Massachusetts Boston, 1990; DMin, Andover Newton Theological School, 1994

Lisa R. Fortuna, MD, assistant professor of psychiatry; MPH, Hunter College, 2001

Mary Ellen G. Foti, MD, assistant professor of psychiatry; BS, Tufts University, 1977; MD, University of Massachusetts Medical School, 1983

Andrea S. Foulkes, DSc, assistant professor of molecular medicine; BA, Brown University, 1994; DSc, Harvard School of Public Health, 2000

Phillip O. Fournier, MD, clinical associate professor of family medicine & community health; BA, Clark University, 1981; MD, Tufts University School of Medicine, 1986

Armando E. Fraire, MD, professor of pathology; BS, Colegio Civil, 1957; MD, Unl Faculty of Medicine, 1964

Deborah Elaine Francis, MD, instructor of pediatrics; BA, Wellesley College, 1991; MD, University of Massachusetts Medical School, 1996

Michael M. Francis, PhD, assistant professor of neurobiology; BA, University of Virginia, 1992; PhD, University of Florida, 1998

Patricia D. Franklin, MD, MBA, MPH, professor of orthopedics & physical rehabilitation and family medicine & community health and quantitative health sciences; AB, College of the Holy Cross, 1979; MBA, University of Rochester, 1986; MD, University of Rochester Medical School, 1983

Robert J. Fraser, MD, instructor of medicine; AB, Colgate University, 1974; MD, University of Massachusetts Medical School, 1978

Jean A. Frazier, MD, the Robert M. and Shirley S. Siff Chair in Autism, professor of psychiatry and pediatrics; BA, Wellesley College, 1982; MD, Dartmouth College, 1987

Jane E. Freedman, MD, professor of medicine; BA, Yale University, 1984; MD, Tufts University, 1989

Kenneth Freedman, MD, clinical associate professor of psychiatry; BS, Massachusetts Institute of Technology, 1983; MS, Stanford University, 1984; MD, Tel Aviv University, 1989

Marc R. Freeman, PhD, associate professor of neurobiology; BS, Eastern Connecticut State University, 1993; MPhil, Yale University, 1995; PhD, 1999

Christine Freemer, MD, instructor of pediatrics; BA, College of the Holy Cross, 1989; MD, Johns Hopkins University, 1993

Andrew L. Frelinger, PhD, research associate professor of pediatrics; BS, San Diego State University, 1975; PhD, Case Western Reserve University, 1984

Aaron Louis Frenz, MD, assistant professor of psychiatry; BS, Brown University, 1996; MD, Albert Einstein College of Medicine, 2001

Ellis M. Fribush, MD, assistant professor of medicine; AB, Hamilton College, 1955; MD, Albany Medical College, 1959

Randall Friedline, PhD, instructor of molecular medicine; PhD, University of North Carolina Chapel Hill, 2001

Gary M. Fudem, MD, clinical professor of surgery; BA, Stanford University, 1978; MD, Case Western Reserve University, 1982

Cynthia Nichole Fuhrmann-Kelch, PhD, assistant professor of biochemistry & molecular pharmacology; BS, University of California Davis, 1997; PhD, University of California San Francisco, 2005

Geri S. Fuhrmann, PsyD, clinical professor of psychiatry and pediatrics; BA, Tufts University, 1977; PsyD, University of Denver, 1984

Ingrid Fuller, MD, instructor of family medicine & community health; MD, University of Glasgow, 1987

Nancy Fuller, MEd, affiliate of psychiatry; BS, Suffolk University; MEd, Wheelock College, 1975

Carl E. Fulwiler, MD, PhD, associate professor of psychiatry; BA, Hofstra University, 1978; MD, Washington University School of Medicine, 1983

Paul S. Furcinitti, PhD, assistant professor of molecular medicine; BS, Worcester Polytechnic Institute, 1971; MS, University of New Hampshire Durham, 1974; PhD, 1975

Marie A. Fusaro-Davis, PhD, assistant professor of psychiatry; BA, Clark University, 1978; MA, Assumption College, 1980; PhD, Clark University, 1991

Kensuke Futai, PhD, assistant professor of psychiatry; PhD, University of Tokyo, 2001

William H. Gaasch, MD, professor of medicine; BS, University of Michigan, 1959; MD, University of Michigan Medical School, 1963

Elaine M. Gabovitch, MPA, instructor of family medicine & community health; BA, Regis College, 1981; MPA, Suffolk University, 2008

Richard R. Gacek, MD, professor of otolaryngology and radiation oncology; BS, University of Notre Dame, 1952; MD, State University of New York Buffalo, 1956

Glen David Gaebe, MD, assistant professor of orthopedics & physical rehabilitation; BS, Worcester Polytechnic Institute, 1995; MS, 1998; MD, University of Massachusetts Medical School, 2003

Susan B. Gagliardi, PhD, professor of cell & developmental biology and neurology; BA, Radcliffe College, 1965; PhD, Harvard Medical School, 1971

William M. Gaines, MD, instructor of medicine; BS, University of Michigan; MD, Cornell University Medical College, 1983

Marzena Galdzicka, PhD, clinical assistant professor of pathology and pediatrics and psychiatry; BS, Institute of Chemistry and Food, 1979; MS, George Mason University, 1998; PhD, 2002

Michael Galica, MD, assistant professor of medicine; BA, Dartmouth College, 1973; MD, University of Vermont, 1977

Uri Galili, PhD, professor of surgery; MS, Hebrew University of Jerusalem, 1973; PhD, 1977

Donna M. Gallagher, MSN, MA, instructor of family medicine & community health; BS, Emmanuel College, 1978; MSN, Simmons College, 1983

John Gallagher, MD, instructor of pediatrics; BS, St. Johns University, 1989; MD, Albert Einstein College of Medicine, 1997

Julia M. Gallagher, MD, assistant professor of medicine; BA, Amherst College, 1986; MD, University of Massachusetts Medical School, 1995

Mark Robert Gallagher, MD, instructor of emergency medicine; BA, University of Florida, 2003; MD, Florida State University, 2009

Gayle M. Galletta, MD, clinical associate professor of emergency medicine; BS, Georgetown University, 1991; MS, 1992; MD, 1997

Gregory J. Gallivan, MD, clinical assistant professor of surgery; BS, Tufts University, 1958; MD, Tufts University School of Medicine, 1962

Heather L. Gallo, MD, assistant professor of medicine; BS, Massachusetts Institute of Technology, 1986; MD, University of Massachusetts Medical School, 1991

Jeffrey P. Gallo, MD, affiliate of ophthalmology; BA, University of Rochester, 1986; MD, University of Massachusetts Medical School, 1991

Christian R. Galvez-Padilla, MD, assistant professor of surgery; BS, University 'Francisco Marroqui, 1995; MD, 1999

Mary Elizabeth Gamache, RN, CNM, NP, clinical instructor of obstetrics & gynecology; BSN, Salve Regina University, 1993; MS, Boston College, 1993

Wendy L. Gammon, MEd, assistant professor of medicine; BEd, Wagner College, 1971; MEd, Kean College, 1975

Anupama Gandhe, MD, assistant professor of medicine; MD, Osmania Medical College, 2001

Rupali Gandhi, MD, JD, instructor of pediatrics; BS, Stanford University, 1997; MD, Yale Medical School, 2000

David Gansler, PhD, associate professor of psychiatry; PhD, State University of New York, 1988

Fen-Biao Gao, PhD, professor of neurology; PhD, Duke University, 1995

Guangping Gao, PhD, the Penelope Booth Rockwell Chair in Biomedical Research, professor of microbiology & physiological systems; MS, Florida International University, 1990; MBBS, West China University of Medicine, 1982

Laura M. Garber, MA, PA-C, clinical instructor of family medicine & community health; BA, Boston University, 1985; MA, Yale University, 1993

Manuel Garber, PhD, associate professor of molecular medicine; BS, University 'Simon Bolivar', 1993; PhD, Brandeis University, 1999

Erik J. Garcia, MD, assistant professor of family medicine & community health; BA, Wesleyan University, 1985; MD, Hahnemann College, 1991

Maria Garcia, MD, associate professor of medicine and family medicine & community health; BA, Rutgers University, 1984; MD, Medical College of Pennsylvania, 1994

Paul D. Gardner, PhD, associate professor of psychiatry; BS, University of California, 1979; PhD, University of Pittsburgh, 1984

Neeta Garg, MD, clinical associate professor of neurology; MBBS, Sawai Man Singh Medical College, 1987

David S. Garlick, DVM, instructor of cancer biology; BA, Brandeis University, 1980; DVM, Tufts University Veterinary School, 1985

Anne E. Garrison, MD, assistant professor of obstetrics & gynecology; BS, University of Massachusetts Amherst, 2002; MD, University of Massachusetts Medical School, 2007

William T. Garrison, PhD, professor of pediatrics; BA, State University of New York, 1972; MA, Cornell University, 1977; PhD, 1978

Ronnesia Behne Gaskins, PhD, MSPH, assistant professor of medicine; BS, Arizona State University, 1996; MA, San Diego State University, 2002; PhD, University Alabama Birmingham, 2006

Romolo J. Gaspari, MD, associate professor of emergency medicine; BS, George Washington University, 1991; MS, 1993; MD, Tufts University, 1997

Thomas Gassert, MD, assistant professor of medicine; BA, University of San Francisco, 1977; MS, University of London, 1986; MD, NJ Medical School, 1992

Elise Gates, MD, instructor of surgery; BA, Hamilton College, NY, 2002; MD, Drexel University, 2007

Frank M. Gatti, MD, assistant professor of psychiatry; BA, Columbia College, 1959; MS, Harvard University, 1980; MD, Northwestern University, 1963

Robert J. Gauthier Jr., DMD, instructor of family medicine & community health; DMD, University of Pittsburgh, 2003

Marc A. Gautreau, MD, clinical associate professor of emergency medicine; BA, University of Massachusetts Amherst, 1986; MBA, Clark University, 2004; MD, University of Chicago, 1995

Cristina A. Gavala, MD, assistant professor of medicine; MD, Carol Davila University of Medicine, 1997

Alicia Gavalya, MD, affiliate of psychiatry; MD, Universidad Autonoma de Mexico, 1961

Ricardo T. Gazzinelli, DSc, DVM, professor of medicine; DSc, Federal University of Minas Gerais, DVM, 1985

Olga Gealikman, PhD, instructor of molecular medicine; PhD, Technion-Israel Institute of Technology, 2002

Wade J. Gebara, MD, assistant professor of radiation oncology; BS, Georgia Institute of Technology, 1989; MD, Medical College of Georgia, 1993

Robert Gedachian, MD, affiliate of pediatrics; BA, Columbia University Columbia College, 1962; MD, University of Virginia Medical School, 1966

Lorrie Gehlbach, PhD, assistant professor of family medicine & community health; BA, Dickinson College, 1990; MA, Southern Illinois University, 1995; PhD, 2000

Stephanie Gehlbach, MD, adjunct professor of family medicine & community health; AB, Harvard College, 1964; MPH, University of North Carolina, 1974; MD, Case Western Reserve University, 1968

David E. Geist, MD, assistant professor of medicine; BA, Harvard University, 1994; MD, Yale University, 2003

Jeffrey L. Geller, MD, MPH, professor of psychiatry; BA, Williams College, 1970; MPH, Harvard University School of Public Health, 1978; MD, University of Pennsylvania, 1973

Jeffrey S. Geller, MD, assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 1992; MD, Tufts University School of Medicine, 1996

Peter J. Gentile, PA-C, instructor of surgery; BA, Northeastern University, 1983; MPAS, 1993

John George, DPM, affiliate of orthopedics & physical rehabilitation; DPM, Ohio College Podiatric Medicine, 1964

Susan V. George, MD, assistant professor of medicine; MBBS, National University of Singapore, 1989

Frederick Georgian, MD, instructor of medicine; BS, Tufts University, 1974; MD, Boston University Medical School, 1981

Christophe Jean Gerard, PhD, lecturer of psychiatry; PhD, University Paris, 1995

Iraklis G. Gerogiannis, MD, FACS, assistant professor of surgery; MD, Medical School of University of Athens, 1989

Rachel M. Gerstein, PhD, associate professor of microbiology & physiological systems; BA, Smith College, 1984; PhD, Brandeis University, 1990

John W. Gettens, PhD, assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 1980; MS, Cornell University, 1985; PhD, Brandeis University, 2009

Mazen Ghani, MD, assistant professor of radiology; BS, University of Toronto, 1993; MD, Ross University, 1997

Mitra Ghasemi, MD, assistant professor of medicine; MD, Tehran University Medical School, 1996

Eustathia Lela Giannaris, PhD, instructor of cell & developmental biology; PhD, Boston University Medical School, 2010

Patricia J. Giardina, CNM, instructor of obstetrics & gynecology; BA, Massachusetts College of Liberal Arts, 2011

Laura L. Gibson, MD, assistant professor of medicine and pediatrics; BA, Yale University, 1987; MD, University of Massachusetts Medical School, 1994

Mark R. Gibson, MD, assistant professor of neurology; MD, Mayo Medical School, 2000

Peter B. Gibson, MD, assistant professor of medicine; BA, Brown University, 1987; MD, University of Cincinnati, 1994

Timothy E. Gibson, MD, assistant professor of pediatrics; BA, Tufts University, 1994; MD, University of Massachusetts Medical School, 1999

Francisco S. Gil, MD, instructor of medicine; MD, Universidad de la Republica, 1969

James A. Gilbert Jr., MD, instructor of medicine; BA, University Vermont, 1972; MD, 1976

David B. Gilchrist, MD, assistant professor of family medicine & community health; BS, Gordon College, 2002; MD, University of Massachusetts Medical School, 2006

David H. Gill, MD, affiliate of psychiatry; BA, Harvard University, 1969; MD, Case Western Reserve University, 1973

Jeremy F. Gill, MD, instructor of neurology; MD, University of Massachusetts Medical School, 2005

James Reid Gilmore, PhD, professor of biochemistry & molecular pharmacology; BS, University New Mexico Albuquerque, 1973; MS, University Illinois Urbana, 1976; PhD, 1980

Edward I. Ginns, MD, PhD, professor of psychiatry and neurology and pathology; BS, Rensselaer Polytechnic Institute, 1967; PhD, 1971

John J. Giordano, DMD, instructor of family medicine & community health; BA, Assumption College, 1992; DMD, Tufts University School of Dental Medicine, 1996

Allessandro A. Girolamo, MD, assistant professor of medicine; BA, Boston College, 1992; MD, Thomas Jefferson University, 1997

Robert Gise, MD, affiliate of ophthalmology; BA, Brown University, 1971; MD, Boston University, 1975

Arthur A. Giuliano, MD, assistant professor of pediatrics; MD, New York, 1973

Christopher P. Giuliano, MD, clinical assistant professor of pediatrics; BA, Vassar College, 1996; MD, University of Massachusetts Medical School, 2000

Gerald C. Gladstone, MD, instructor of medicine; BA, Harvard University, 1972; MD, Tufts University School of Medicine, 1976

Samuel Gladstone, MD, instructor of family medicine & community health; MD, Dartmouth College, 1977

Jay Glaser, MD, instructor of family medicine & community health; BA, Dartmouth College, 1969; MBA, Maharishi University of Mgmt, 1985; MD, University of Colorado Denver, 1973

Wayne B. Glazier, MD, clinical assistant professor of urology and obstetrics & gynecology

James Gleason, MS, instructor of pediatrics; BS, Boston University, 1976; MS, 1982

Gerald S. Gleich, MD, assistant professor of family medicine & community health and medicine; BA, Boston University, 1975; MD, University of Massachusetts Medical School, 1984

Richard Glew, MD, professor of medicine and microbiology & physiological systems; BA, Harvard University, 1965; MD, Johns Hopkins University School of Medicine, 1969

Stephen J. Glick, PhD, professor of radiology; BS, University of Vermont, 1982; MS, Worcester Polytechnic Institute, 1988; PhD, 1991

Neil S. Glickman, PhD, assistant professor of psychiatry; BA, Cornell University, 1978; MA, Gallaudet University, 1983; PhD, University of Massachusetts Amherst, 1993

Melanie Gnazzo, MD, assistant professor of family medicine & community health; BS, University of Pennsylvania, 2001; MD, University of Connecticut School of Medicine, 2009

Kathryn J. Go, PhD, assistant professor of obstetrics & gynecology; BA, University of Pennsylvania, 1975; PhD, 1982

Richard Paul Goddeau Jr., DO, assistant professor of neurology; BA, Harvard University, 1998; DO, University of New England College of Osteopathic Medicine, 2004

Sunita Godiwala, MD, affiliate of family medicine & community health; BS, Ramnarain Ruia College; MBBS, Grant Medical College, 1981

Michael A. Godkin, PhD, professor of family medicine & community health and medicine; MS, Ohio State University Columbus, 1972; PhD, Clark University, 1977

Eric Goedecke, DO, assistant professor of emergency medicine; BS, Tufts University, 1991; DO, New England College of Osteopathic Medicine, 2003

Hira Lal Goel, PhD, research assistant professor of cancer biology and radiation oncology; PhD, National Institute of Mental Health, 2002

David J. Goff, MD, assistant professor of radiation oncology; BA, Dartmouth College, 1993; MD, Georgetown University School of Medicine, 1997

Kathy Opal Goff, MD, instructor of family medicine & community health; MD, University of Massachusetts Medical School, 1996

Jon D. Goguen, PhD, associate professor of microbiology & physiological systems; BS, Fitchburg State College, 1974; MS, University of Massachusetts Amherst, 1977; PhD, University of Massachusetts Amherst, 1980

Amy Goldberg, MD, instructor of pediatrics; BA, University of Vermont, 1990; MD, Boston University School of Medicine, 1997

Dori Goldberg, MD, assistant professor of medicine; BS, Brandeis University, 1998; MD, University of Massachusetts Medical School, 2003

Robert J. Goldberg, PhD, professor of quantitative health sciences and medicine; BS, University of Massachusetts Amherst, 1972; MS, Tufts University, 1973; PhD, Johns Hopkins University, 1978

Ronald E. Goldfinger, MD, assistant professor of medicine; BA, State University of New York Binghamton, 1968; MD, State University of New York Downstate, 1972

Jeremy Golding, MD, clinical professor of family medicine & community health; BA, Washington University School, 1983; MD, Case Western Reserve University, 1987

Douglas T. Golenbock, MD, professor of medicine and microbiology & physiological systems; BS, Michigan State University, 1975; MD, University of Michigan Medical School, 1980

Philimon Gona, PhD, associate professor of quantitative health sciences; MPH, Boston University, 1991; PhD, 1999

Amy B. Gonroff, MD, affiliate of pediatrics; BA, Dartmouth College, 1982; MS, Georgetown University, 1983; MD, 1987

Scott Gonzalez, MD, assistant professor of psychiatry; BS, Brown University, 1985; MD, University of Massachusetts Medical School, 1990

Maria Gonzalez Perez, PhD, research instructor of molecular medicine; PhD, University of Madrid Antonio, 2004

Gerardo Gonzalez-Haddad, MD, associate professor of psychiatry; MD, Colegio Mayor de Nuestra Senor, 1984

H. Maurice Goodman, PhD, professor emeritus of microbiology & physiological systems; BA, Brandeis University, 1956; MA, Harvard University, 1957; PhD, 1960

Sabitha R. Gopalswamy, MD, instructor of medicine; MD, Madurai University, 1989

Joel M. Gore, MD, the Edward Budnitz, MD, Professor of Cardiovascular Medicine, professor of medicine and quantitative health sciences; BA, Brandeis University, 1971; MS, Boston University, 1974; MD, University of Calgary, 1977

Thomas P. Goss, MD, professor of orthopedics & physical rehabilitation; AB, Dartmouth College, 1968; MD, Harvard Medical School, 1971

Philip D. Gottlieb, MD, assistant professor of psychiatry; BA, Rutgers University, 1968; MD, New York Medical College, 1972

Heinrich Gottlinger, MD, PhD, professor of molecular medicine and biochemistry & molecular pharmacology; MD, Ludwig-Maximilians-University, 1983

Janine Gould, DO, instructor of emergency medicine; BA, College of the Holy Cross, 1985; DO, University of New England, 1990

Matthew J. Gounis, PhD, associate professor of radiology; PhD, University of Miami, 2003

Nivedita Gour, MD, assistant professor of medicine; MBBS, Jawaharlal Institute, 1997

Renu S. Goyal, MD, assistant professor of medicine; MD, Karnataka, 1991

Sanjeev B. Goyal, MD, assistant professor of medicine; MBBS, University of Bombay, 1990

Piotr Grabias, MD, assistant professor of medicine; BS, Warclaw Slerpinski Lyceum, 1984; MD, Medical University of Gdansk, 1990

George Grady, MD, professor of pediatrics; BS, University of Kentucky Lexington, 1955; MD, Vanderbilt University, 1959

Geoffrey M. Graeber, MD, professor of surgery; MD, New York University, 1971

Benjamin Grajales, MD, affiliate of surgery; BS, Adelphi University, 1981; MD, Harvard Medical School, 1987

Ellen M. Gravallese, MD, professor of medicine and cell & developmental biology; AB, Harvard College, 1977; MD, Columbia Physicians Surgeons, 1981

Susan J. Gray, PhD, research assistant professor of molecular medicine

Jonathan Grayzel, MD, PhD, assistant professor of emergency medicine; BA, Wesleyan University, 1985; MA, University of Chicago, 1988; MD, Harvard Medical School, 1995

Karen W. Green, MD, professor of obstetrics & gynecology; BA, University of Wisconsin Stevens Point, 1968; MD, University of North Carolina Charlotte, 1972

Michael R. Green, MD, PhD, the Lambi and Sarah Adams Chair in Genetic Research, Howard Hughes Medical Investigator, professor of molecular medicine and biochemistry & molecular pharmacology and surgery; BS, University of Wisconsin, 1974; MD, Washington University, 1981

Sharone Green, MD, associate professor of medicine; BA, Queens College, 1983; MD, Eastern Virginia Medical School, 1986

Darius K. Greenbacher, MD, FACEP, instructor of family medicine & community health; MD, University of Minnesota Minneapolis, 2000

Bruce A. Greenberg, MD, MBA, assistant professor of medicine; BA, University of Michigan, 1993; MBA, Tufts University, MD, Tufts University School of Medicine, 1999

Joshua M. Greenberg, MD, assistant professor of medicine; BA, University of Pennsylvania, 1973; MD, Hahnemann Medical College, 1977

Richard A. Greene, MD, instructor of medicine; BS, University of Rhode Island, 1975; MD, Albany College Pharmacy, 1979

Ronald T. Greene, DO, assistant professor of psychiatry; BS, University of Maryland Baltimore County, 1979; DO, West Virginia University School of Medicine, 1986

Thomas C. Greenough, MD, assistant professor of medicine and pediatrics; BA, Amherst College, 1981; MD, Rochester Institute of Technology, 1987

Lawrence I. Greenwald, MD, assistant professor of medicine; BA, Bucknell University, 1983; MD, State University of New York Health Sciences Center Syracuse, 1989

Kent S. Greenwood, MD, instructor of family medicine & community health; MD, Tufts University School of Medicine, 1986

Charles A. Greffrath, DMD, instructor of family medicine & community health; DMD, Tufts University School of Medicine, 1977

Dale L. Greiner, PhD, professor of molecular medicine; BS, University of Iowa, 1974; PhD, 1978

Katharine A. Griffey, MD, assistant professor of medicine; BS, Boston College, 1978; MS, Boston University, 1980; MD, Georgetown University School of Medicine, 1987

Peter Grigg, PhD, professor emeritus of microbiology & physiological systems; BS, Rensselaer Polytechnic Institute, 1961; MS, Syracuse University, 1965; PhD, State University of New York Upstate Medical University, 1969

Pamela L. Grimaldi, DO, assistant professor of family medicine & community health; BA, Quinnipiac College, 1993; DO, New England College of Osteopathic Medicine, 1998

Jill Grimes, MD, instructor of family medicine & community health; MD, Baylor College of Medicine, 1991

Thomas Grisso, PhD, professor of psychiatry; BA, Ashland College, 1964; MA, University of Arizona, 1966; PhD, 1969

Thomas A. Groblewski, DO, assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 1980; DO, New England College of Osteopathic Medicine, 1995

Ruth B. Grossman, PhD, CCC-SLP, assistant professor of psychiatry; BS, Boston University, 1992; MS, 1993; PhD, 2001

Neil J. Grossman, MD, clinical professor of pediatrics; AB, Boston University, 1973; MD, 1976

George Groussis, MD, instructor of medicine; BA, Brandeis University, 1985; MS, New York Medical College, MD, Chicago Medical School, 1993

Douglas L. Groves, MD, assistant professor of medicine; BS, University of Maine Augusta, 1983; MD, McGill University, 1992

Albert J. Grudzinskas, JD, clinical associate professor of psychiatry; BS, Northeastern University, 1974; JD, Syracuse University, 1977

David Grunwald, PhD, assistant professor of biochemistry & molecular pharmacology; PhD, Ludwig-Maximilians-University, 2006

David M. Grygier, MD, assistant professor of orthopedics & physical rehabilitation; BM, Miami University of Ohio, 1977; MM, 1980; MD, State University of New York, 1990

Fei Gu, MD, PhD, assistant professor of medicine; PHD, Purdue University, 1995; MD, Beijing Medical University, 1990

Weifeng Gu, MD, PhD, research assistant professor of molecular medicine; MD, Beijing Medical University, 1997

Kenneth F. Guarnieri, MD, instructor of medicine; BA, Brown University, 1982; MD, Tulane University School of Medicine, 1986

Robert C. Guerette Jr., MD, affiliate of psychiatry; BA, St. Anselm College, 1970; MD, Boston University Medical School, 1975

David A. Guertin, PhD, assistant professor of molecular medicine and cancer biology; PhD, University of Massachusetts Medical School, 2002

Thomas J. Guggina, MD, assistant professor of pediatrics; BA, University of Massachusetts Boston, 1994; MD, University of Massachusetts Medical School, 1999

Roy Guharoy, PharmD, FCP, FCCP, FASH, clinical professor of medicine; MBA, Claremont College, 1992; PharmD, University of Minnesota, 1982

Daniel Guilbert, MD, assistant professor of medicine; BA, Boston University, 1972; MD, University of Vermont, 1976

Adilson L. Guilherme, PhD, research assistant professor of molecular medicine; BS, University of Rio de Janeiro, 1989; PhD, 1994

Subhash C. Gulati, MD, assistant professor of surgery; BA, Devi Ahilya Vishwavidyalaya, 1966; MS, Postgraduate Institute of Medical Education, 1974; MBBS, Punjabi University, 1970

Sunita Gulati, DSc, research associate professor of medicine; MD, University of Rangoon, 1972

Mary M. Gulla, MD, assistant professor of medicine; MBBS, Gunter Medical College, India, 1984

Neena R. Gupta, MD, assistant professor of pediatrics; MD, Utkal University, 1987

Raj Rani Gupta, MD, instructor of medicine; BS, Rajasthan University, 1977; MD, 1981

Satish P. Gupta, MD, affiliate of medicine; MD, Punjab University, 1959

Deborah Ann Gurewich, PhD, assistant professor of family medicine & community health; BA, Boston University, 1983; MA, George Washington University, 1991; PhD, Brandeis University, 2002

Deborah Gurski, MD, instructor of pediatrics; BS, University of Massachusetts Amherst, 1984; MD, University of Massachusetts Medical School, 1992

Jerry H. Gurwitz, MD, the Dr. John Meyers Professor of Primary Care Medicine, professor of medicine and family medicine & community health and quantitative health sciences; BA, Dartmouth College, 1978; MD, University of Massachusetts Medical School, 1983

John P. Gusha, DMD, instructor of family medicine & community health; BA, Worcester Polytechnic Institute, 1980; DMD, Boston University, 1984

Lisa S. Gussak, MD, clinical associate professor of family medicine & community health and medicine; BS, Tufts University, 1987; MD, University of Connecticut, 1994

Laura S. Guy, PhD, assistant professor of psychiatry; MA, Sam Houston State University, 2002; PhD, Simon Fraser University, 2008

Finda Lee Guyton, MD, assistant professor of obstetrics & gynecology; BA, Boston University, 1993; MD, Albert Einstein College of Medicine, 1999

Richard Allen Haas, MD, assistant professor of medicine; BS, Massachusetts Institute of Technology, 1973; MD, University of California, 1977

Farajallah Habib, MD, clinical associate professor of anesthesiology and pediatrics; MD, Alexandria School of Medicine, 1972

John D. Hackett, MD, instructor of family medicine & community health; MD, Boston University, 1993

Abraham W. Haddad, DMD, clinical assistant professor of surgery; BA, Boston University, 1963; DMD, Tufts University School of Medicine, 1967

Shirin Haddady, MD, assistant professor of medicine and neurology; MD, Tehran University Medical School, 1992

Peter S. Hahn, MD, assistant professor of medicine; AB, Harvard College, 1994; MD, Cornell University School of Medicine, 1998

Mohammad F. Hajjiri, MD, assistant professor of medicine; MD, Jordan University of Science, 2004

Heather-Lyn Haley, PhD, assistant professor of family medicine & community health and medicine; BA, Worcester State College, 1988; MA, University of Massachusetts Amherst, 2001; PhD, 2003

Paul F. Halfmann, MPH, instructor of family medicine & community health; MPH, University of Massachusetts Amherst, 2011

Christopher Louis Hall, PhD, assistant professor of cell & developmental biology; PhD, University of Texas Health Sciences Center, 2001

Lisa L. Hall-Anderson, PhD, research assistant professor of cell & developmental biology; BA, Colorado College, 1988; PhD, University of California Davis, 1996

Brenda Hallenbeck, MD, instructor of obstetrics & gynecology; BA, State University of New York College Buffalo, 1978; MD, New York Medical College, 1983

Thomas F. Halpin, MD, professor of obstetrics & gynecology; BS, Boston College, 1959; MD, Harvard Medical School, 1963

Charles D. Hamad, PhD, associate professor of pediatrics; BA, Quinnipiac College, 1972; MA, Long Island University Brooklyn, 1974; PhD, University of Kansas, 1977

Tatiana A. Hamawi, MD, instructor of medicine and pediatrics; BS, University of Massachusetts Amherst, MD, Mount Sinai School of Medicine, 1994

Aysha Hameed, MD, lecturer of family medicine & community health; MBBS, Kakatiya Medical College, 1978

Hesham M.A. Hammouda, MD, assistant professor of medicine; MD, Cairo University College of Medicine, 1981

Gang Han, PhD, assistant professor of biochemistry & molecular pharmacology; BS, Nanjing University, 1999; MS, 2002; PhD, University of Massachusetts Amherst, 2007

Cindy Handler, MD, instructor of family medicine & community health; BA, Brandeis University, 1990; MD, University of Massachusetts Medical School, 1994

Donald Hale Hangen, MD, instructor of orthopedics & physical rehabilitation; BA, Williams College, 1982; MD, Stanford University, 1987

Gregory Hanley, PhD, associate professor of psychiatry; BA, University of Rochester Medical, 1991; MS, University of Florida, 1999; PhD, 2001

Joseph C. Hannan, MD, assistant professor of medicine; BS, Pace University New York City, 1984; MD, State University of New York Stony Brook, 1988

Katy-Ann E. Hannigan, DO, assistant professor of pediatrics; BA, University of Rochester, 1992; DO, Des Moines University of Osteopathic Medicine, 1998

Ainun Haq, MD, assistant professor of medicine; MBBS, Chittagong Medical College, Bangladesh, 1997

John P. Haran, MD, assistant professor of emergency medicine; BS, Rensselaer Polytechnic Institute, 1999; MD, University of Massachusetts Medical School, 2007

Judith A. Haran, MD, assistant professor of psychiatry; MD, University of Massachusetts Medical School, 1982

Nancy Harger, RN, MS, LIS, instructor of nursing and pediatrics; BSN, University of Michigan Ann Arbor, 1969; MLS, Simmons College, 1991

J. Lee Hargraves, PhD, research associate professor of family medicine & community health; MA, University of Montana, 1985; PhD, Boston College, 1994

Allison Hargreaves, MD, assistant professor of family medicine & community health; MD, University of Massachusetts Medical School, 2006

Muddana Haribabu, MD, affiliate of pediatrics; MBBS, Rangaraya Medical College, 1971

Robert C. Harizi, MD, assistant professor of medicine; BA, Boston University, 1977; MD, 1981

David M. Harlan, MD, the William and Doris Krupp Professor of Medicine, professor of medicine and pediatrics; BS, University Michigan Ann Arbor, 1977; MD, Duke University, 1980

Amy L. Harrington, MD, assistant professor of psychiatry; BA, Swarthmore College, 1999; MD, Drexel University, 2005

John E. Harrington, MD, assistant professor of family medicine & community health; BA, College of the Holy Cross, 1972; MD, Case Western Reserve University, 1976

Lisa Harrington-Carter, MD, MPH, assistant professor of family medicine & community health; BA, University of North Carolina Chapel Hill, 1993; MPH, 1998; MD, 1999

Alan N. Harris, MD, instructor of pediatrics; BA, Stanford University, 1972; MPH, University of California Los Angeles, 1980; MD, Mount Sinai School of Medicine, 1976

Bradley E. Harris, MD, instructor of medicine; BS, University of California Berkeley, 1986; MD, Tufts University School of Medicine, 1993

John E. Harris, MD, PhD, assistant professor of medicine; BS, Gordon College, 1997; MD, University of Massachusetts Medical School, 2005

Kathryn L. Harris, RN, ACNP-BC, instructor of pediatrics; BSN, University of Massachusetts Lowell, 1998; MSN, University of Massachusetts Worcester, 2008

Tammy C. Harris, MD, affiliate of family medicine & community health

Leslie R. Harrold, MD, MPH, associate professor of orthopedics & physical rehabilitation and medicine; BA, Mount Holyoke College, 1988; MPH, University of Massachusetts Amherst, 1999; MD, University of Massachusetts Medical School, 1992

Catriona McDonald Harrop, MD, assistant professor of medicine; BA, Smith College, 1992; MD, University of Connecticut School of Medicine, 1998

Harry Hartford, MD, assistant professor of medicine; BS, McGill University, 1970; MD, 1974

Christian Hartman, PharmD, assistant professor of medicine; BS, Massachusetts College of Pharmacy, 2000; PharmD, University of Kansas, 2004

Jennifer Hartman, MD, instructor of family medicine & community health; BA, Knox College, 1992; MD, Thomas Jefferson University, 2000

Stephanie W. Hartwell, PhD, professor of psychiatry; BA, Bucknell University, 1990; MA, Yale University, 1992; PhD, 1995

Rohini Harvey, MD, assistant professor of pediatrics; BA, Amherst College, 1998; MD, University of Rochester Medical School, 2003

Charlotte Harward Miller, DO, instructor of medicine; BS, Emory University, 1979; DO, University of Baltimore, 1995

Wirasat Hasnain, MD, assistant professor of medicine; MBBS, Dow Medical College, Pakistan, 1998

Lisa Hassler, MD, assistant professor of pediatrics; BS, Northeastern University, 1986; MD, Penn State College of Medicine, 1997

Steven C. Hatch, MD, assistant professor of medicine; BA, Brandeis University, 1991; MA, Case Western Reserve, MD, University of Cincinnati, 2002

David S. Hatem, MD, clinical associate professor of medicine; BS, Boston College, 1981; MD, Tufts University School of Medicine, 1985

Bruce Hauptman, MD, affiliate of psychiatry; BS, Union College, 1959; MD, New York Medical College, 1963

David N. Havlin, MD, instructor of family medicine & community health; MD, Ohio State University College of Medicine, 1980

Marguerite A. Hawley, MD, assistant professor of medicine; BA, Wellesley College, 1982; MD, Emory University, 1988

Mary Hawthorne, MD, clinical associate professor of medicine; BA, College of the Holy Cross, 1977; MD, University of Massachusetts Medical School, 1981

Beverly Hay, MD, assistant professor of pediatrics; BA, University California Santa Barbara, 1986; MD, Jefferson Medical College, 1996

Catherine A. Hay, PhD, assistant professor of medicine and pathology; PharmB, The School of Pharmacy, 1983; PhD, 1987

Ronald F. Hayden, MD, assistant professor of emergency medicine; BA, Williams College, 1980; MBA, University of Illinois, 1990; MD, University of Cincinnati, 1985

Rashelle B. Hayes, PhD, assistant professor of medicine; BS, Duke University, 2001; MS, Virginia Commonwealth University, 2004; PhD, 2007

Kamlyn R. Haynes, MD, assistant professor of psychiatry; BA, Boston University, 1989; MD, 1997

Lawrence Hayward, MD, PhD, professor of neurology and biochemistry & molecular pharmacology and cell & developmental biology; BS, Washington University School of Medicine, 1982; PhD, Baylor College of Medicine, 1987

Rajneesh S. Hazarika, MD, MS, assistant professor of family medicine & community health; MS, Harvard School of Public Health, 2002; MBBS, Gauhati Medical College, 2000

Deborah Hazen, MD, instructor of medicine; BA, Barnard College, 1972; JD, Harvard Law School, 1975; MD, University of Massachusetts Medical School, 1995

Feng He, PhD, research assistant professor of microbiology & physiological systems; BS, Beijing Agricultural College, 1985; MS, National Institute of Agronomy, 1988; PhD, 1991

Shunian He, MD, assistant professor of medicine; MA, Bryn Mawr College, 1992; MD, Shanghai Second Medical University, 1987

Christian G. Heinis, MD, assistant professor of emergency medicine; BS, University of Massachusetts Lowell, 1995; MA, Chicago Medical School, 1996; MD, University of Chicago, 2000

Jose M. Heisecke, MD, clinical assistant professor of surgery; MD, National University of Asuncion, 1992

Debra W. Heitmann, MD, clinical associate professor of emergency medicine; BA, New York University, 1985; MS, University of Pennsylvania, 1989; MD, 1994

Gregg M. Helland, DO, assistant professor of emergency medicine; BS, Arizona State University Tempe, 2004; DO, Boston University, 2008

Gregory M. Hendricks, PhD, research associate professor of cell & developmental biology; BS, Arizona State University Tempe, 1976; MS, 1983; PhD, University of Vermont, 2000

Timothy Henion, PhD, research assistant professor of cell & developmental biology; BS, State University of New York, 1986; MS, Roswell Park Memorial Institute, 1999; PhD, Medical College of Pennsylvania, 1996

David Henner, DO, assistant professor of medicine; BA, State University of New York Buffalo, 1998; DO, State University of New York, 1998

Robert B. Hennessy, MD, clinical associate professor of anesthesiology; BS, Tufts University, 1976; MD, University of Massachusetts Medical School, 1980

Nils Henninger, MD, assistant professor of neurology and psychiatry; MD, Johannes Gutenberg University, 2001

Elizabeth W. Henrikson, PhD, affiliate of psychiatry and neurology; BA, Barnard College Columbia University, 1974; MEd, Teachers College, Columbia University, 1976; PhD, University of Massachusetts Amherst, 1988

Alexis D. Henry, ScD, associate professor of psychiatry; BS, Tufts University, 1980; MS, Boston University, 1983; ScD, 1994

Mary M. Herlihy, MD, assistant professor of obstetrics & gynecology; BA, Harvard-Radcliffe, 1982; MD, University of Massachusetts Medical School, 1994

Christina R. Hermos, MD, MS, assistant professor of pediatrics; BA, Columbia University, 1997; MD, University of Massachusetts Medical School, 2003

Pablo Hernandez, MD, assistant professor of family medicine & community health; MD, University Central de Venezuela, 1996

Christina H. Hernon, MD, assistant professor of emergency medicine; BS, University of Massachusetts of Massachusetts Amherst, 1994; MD, University of Massachusetts Medical School, 2002

Bonnie H. Herr, MD, clinical assistant professor of obstetrics & gynecology; MD, Duke University, 1976

Ines Maria Hertz, MD, instructor of pediatrics; BS, Saint Mary's College of Meycauayan, 1971; MD, Tulane University School of Medicine, 1975

Thodor T. Herwig, MD, *instructor of family medicine & community health; MD, University of Cincinnati, 1987*

Karen A. Heveron, MD, *clinical assistant professor of pediatrics; BA, College of the Holy Cross, 1990; MD, University of Massachusetts Medical School, 1995*

Madelyn Jane Hicks, MD, *associate professor of psychiatry; BA, University of Louisville, 1982; MA, University of Oxford, 1990; MD, University of Louisville School of Medicine, 1989*

Leroi S. Hicks, MD, MPH, *associate professor of medicine and family medicine & community health and quantitative health sciences; BS, Howard University, 1991; MPH, Harvard University School of Public Health, 2001; MD, Indiana University School of Medicine, 1995*

Anne Whalen Higgins, PhD, *assistant professor of pathology and pediatrics; BS, George Washington University, 1986; PhD, Case Western Reserve University, 2000*

Arnold J. Hill, MD, *affiliate of psychiatry; BS, McGill University, 1962; MS, 1965; MD, Dalhousie University, 1971*

Jay S. Himmelstein, MD, MPH, *professor of family medicine & community health and medicine and quantitative health sciences; BA, Johns Hopkins University, 1974; MPH, Harvard University School of Public Health, 1980; MD, University of Maryland Baltimore County, 1978*

Deborah Harmon Hines, PhD, *professor of cell & developmental biology; BS, Lemoyne-Owen College, 1970; PhD, University of Tennessee Martin, 1977*

Mona Zaidi Hinrichsen, MD, *assistant professor of medicine; BS, Trinity University, 1998; MD, Texas A&M University College Station, 2006*

Greg Hinson, MD, *instructor of family medicine & community health; BS, Wheaton College, 1998; MD, Medical College of Virginia, 1994*

Michael P. Hirsh, MD, *professor of surgery and pediatrics; BA, Columbia College, 1975; MD, Harvard Medical School, 1979*

Brandi L. Hoag, DO, *assistant professor of medicine; BS, St. Michael's College, 1999; DO, University of New England College of Osteopathic Medicine, 2004*

David C. Hoaglin, PhD, *professor of quantitative health sciences; PhD, Princeton University, 1971*

Harry L. Hoar III, MD, *assistant professor of pediatrics; BS, Rensselaer Polytechnic Institute, 1999; MD, University of Connecticut School of Medicine, 2003*

Marie H. Hobart, MD, *clinical associate professor of psychiatry; BA, Albion College, 1979; MD, Yale University, 1985*

Steven M. Hodge, MA, *instructor of psychiatry; BA, University of Wisconsin Stevens Point, 1991; MA, Brandeis University, 1996*

David Hoffman, MD, *assistant professor of psychiatry; BA, Amherst College, 1977; MFA, Brandeis University, 1979; MD, Boston University, 1984*

Patrick P. Hogan, MD, *instructor of obstetrics & gynecology; MBBS, University College Dublin, 1972*

Timothy Patrick Hogan, PhD, *assistant professor of quantitative health sciences; BS, University of Pittsburgh, 2000; MS, University of Illinois Urbana, 2002; PhD, 2007*

Matthew L. Hoimes, MD, *assistant professor of radiology; MD, Tufts University School of Medicine, 2005*

Kenneth Holbert, PhD, *assistant professor of psychiatry; BA, Boston University, 1973; MA, University California Berkeley, 1979; PhD, 1983*

Heidi Holland, MEd, *instructor of family medicine & community health; MEd, University of Massachusetts Boston, 1991*

Neri Holzer, MD, *affiliate of otolaryngology; BA, New York University, 1970; MD, State University of New York Downstate, 1974*

Thomas W. Honeyman, PhD, *associate professor of microbiology & physiological systems; BA, Colgate University, 1967; PhD, Harvard Medical School, 1973*

Robert Honig, MD, *instructor of medicine; BA, University of Michigan Ann Arbor, 1972; MD, State University of New York Downstate, 1976*

Frederick H. Hooven, PhD, *research assistant professor of surgery; BA, Connecticut College, 1982; MS, Brandeis University, 1985; PhD, University of Massachusetts Amherst, 2005*

Jeffrey B. Hopkins, MD, *assistant professor of emergency medicine; MD, University of Massachusetts Medical School, 2000*

Timothy B. Hopkins, MD, *clinical associate professor of urology; BA, University of South Dakota Vermillion, 1967; MD, Harvard Medical School, 1970*

William F. Horgan, DO, *affiliate of pediatrics; AB, College of the Holy Cross, 1978; DO, University of New England College of Osteopathic Medicine, 1983*

Thomas L. Horn, MD, *clinical associate professor of psychiatry; BA, Cornell University, 1968; MD, Yale University, 1972*

Richard J. Horner, MD, *clinical associate professor of medicine; BA, Dartmouth College, 1966; BMS, Dartmouth Medical College, 1967; MD, Harvard Medical School, 1969*

Abby Melinda Hornstein, MD, *clinical associate professor of pathology; BA, Temple University, 1986; MD, University of Pennsylvania, 1990*

Edmund H. Hornstein, DO, *assistant professor of medicine; BA, University of Vermont, 1981; DO, New England College of Osteopathic Medicine, 1987*

John T. Hosey, MD, *assistant professor of medicine; BA, Hofstra University, 1978; MD, Creighton University, 1985*

Alireza Hosseinneshad, MD, *assistant professor of medicine; MD, Shiraz University of Medical Sciences, Iran, 1998*

Samuel Y. Hou, MD, PhD, *assistant professor of radiology; PhD, University of Illinois Urbana, 2003*

Kim D. Houde, MD, MS, *assistant professor of family medicine & community health; BA, Mount Holyoke College, 1979; MS, Yale University, 1981; MD, University of Massachusetts Medical School, 1988*

Jeanmarie Houghton, MD, PhD, *associate professor of medicine and cancer biology; BA, Rutgers University, 1985; PHD, New Jersey Medical School; MD, 1989*

Thomas K. Houston, MD, *professor of quantitative health sciences; BS, Wake Forest University, 1991; MPH, Johns Hopkins University, 1995; MD, Bowman Gray School of Medicine, 1999*

Elizabeth Woodcome Howard, MD, *assistant professor of medicine; BA, Brown University, 1981; MD, Uniformed Services University, 1985*

Joseph F. Howard, MD, *instructor of pediatrics; BS, Duke University, 1982; MD, 1986*

Philip J. Howard Jr., MD, *assistant professor of urology*

James P. Hoye, MD, *instructor of family medicine & community health; MD, University of Massachusetts Medical School, 1987*

Chung-Cheng Hsieh, DSc, *professor of cancer biology; BS, National Taiwan University, 1976; MPH, 1978; DS, Harvard University, 1985*

Hwa Hsin Hsieh, MD, *assistant professor of orthopedics & physical rehabilitation; MD, National Kaohsiung Normal University, 1967*

Ho-Wen Hsu, MD, *assistant professor of pediatrics; AB, Princeton, 1979; MSc, Harvard University, 1990; MD, Columbia Physicians Surgeons, 1984*

Haibin Huang, PhD, *instructor of medicine; BS, Fudan University Shanghai, 1995; MS, 1998; PhD, Ohio State University Columbus, 2006*

Margaret M. Hudlin, MD, *assistant professor of surgery; BS, Simmons College, 1979; MD, Harvard Medical School, 1992*

Emma Hughes, MD, *instructor of pediatrics; BA, Brown University, 1991; MD, University of Connecticut, 1996*

James P. Hughes, MD, *assistant professor of otolaryngology; BS, University of Michigan, 1967; MBA, Clark University, 1992; MD, Wayne State University School of Medicine, 1971*

Sarah H. Hughes, MD, *assistant professor of obstetrics & gynecology; BA, Vassar College, 1996; MD, University of Connecticut School of Medicine, 2000*

Barry M. Hugo, MD, *assistant professor of pediatrics; BS, University of Pennsylvania, 1996; MD, University of Massachusetts Medical School, 2000*

Angela Hunt, MD, instructor of pediatrics; BA, Harvard University, 1983; MD, Medical College of Virginia, 1987

Margaret S. Hunt, MD, assistant professor of pediatrics; BA, Brown University, 1980; MD, University of Iowa, 1987

Todd W. Hunter, MD, assistant professor of obstetrics & gynecology; AB, Colby College, 1968; MD, Boston University Medical School, 1973

Michael E. Huppert, MPH, instructor of family medicine & community health and pediatrics; BA, St. John's University, 1969; MPH, University of Michigan Ann Arbor, 1971

James C. Hurowitz, MD, assistant professor of medicine; BA, Dartmouth College, 1975; MS, Harvard School of Public Health, 1987; MD, Mount Sinai School of Medicine, 1984

Debra Hurwitz, MBA, BSN, RN, instructor of family medicine & community health; BS, University of Massachusetts Dartmouth, 1978; MBA, University of Rhode Island, 1983

Israel S. Hurwitz, MD, instructor of orthopedics & physical rehabilitation; BA, Cornell University, 1952; MD, Tufts University School of Medicine, 1956

Joel A. Hurwitz, MD, instructor of medicine; BA, University of Pennsylvania, 1972; MD, Université de Bordeaux, France, 1980

Eric S. Huseby, PhD, assistant professor of pathology; BS, University of Washington, 1992; PhD, 2000

Sarwat Hussain, MD, professor of radiology; MBBS, King Edward Medical College, 1970

Lloyd Hutchinson, MD, assistant professor of pathology; BS, University of Guelph, 1987; PhD, McMaster University, 1996

Camy Thu M. T. Huynh, DO, assistant professor of medicine; BA, Radcliffe College, 1997; DO, New England College of Osteopathic Medicine, 2003

Benjamin J. Hyatt, MD, assistant professor of medicine; BA, Boston University, 2000; MD, Boston University Medical School, 2004

Rocco A. Iannucci, MD, assistant professor of psychiatry; MD, Yale University

Farhan Ibrahimi, MD, assistant professor of medicine; MBBS, Dow Medical College, 1994

Satoko Igarashi, MD, assistant professor of pediatrics; BA, Rice University, 1998; MD, Tennessee Medical College, 2002

Eric S. Iida, MD, assistant professor of medicine; BA, Swarthmore College, 1987; MD, Medical College of Pennsylvania, 1995

Gayatri Devi Ika, MD, assistant professor of medicine; MBBS, University of Bombay, 1992

Mitsuo Ikebe, PhD, professor of microbiology & physiological systems; BS, Tokyo Institute of Technology, 1975; MS, 1977; PhD, Osaka University, 1982

Diego S. Illanes, MD, instructor of obstetrics & gynecology; MD, Catholic University of Cordoba, 1999

Anthony N. Imbalzano, PhD, professor of cell & developmental biology; BA, University of Pennsylvania, 1986; PhD, Harvard University, 1991

Premnanda Pai Indic, PhD, research assistant professor of neurology; BEE, University of Calicut, 1992; MEE, 1995; PhD, Cochin University of Science, 2001

Mary Innis, MSN, instructor of psychiatry; BS, Tufts University, 1977; MSN, Yale University, 1984

Carolina Ionete, MD, PhD, clinical associate professor of neurology; MD, Carol Davila University of Medicine and Pharmacy, 1989

Yicktung T. Ip, PhD, professor of molecular medicine and biochemistry & molecular pharmacology and cell & developmental biology; BS, National Defence University, 1984; PhD, University of Iowa, 1989

Toni Michelle Irsfeld, MA, instructor of psychiatry; BA, Assumption College, 1988; MA, Anna Maria College, 2005

J. Anthony Irsfeld, PhD, assistant professor of psychiatry; BS, Santa Clara University, 1985; PhD, St. John's University Jamaica, 1994

Richard Stephen Irwin, MD, professor of medicine; BS, Tufts University, 1964; MD, Tufts University School of Medicine, 1968

Cuneyt Iscan, MD, assistant professor of psychiatry; BA, Gazi University, 1996; MD, Ankara University School of Medicine, 1990

Sureyya Iscan, PhD, lecturer of psychiatry; PhD, The Fielding Institute, 2010

John J. Iwuc, MD, assistant professor of psychiatry; BS, Providence College, 1977; MD, University of Massachusetts Medical School, 1981

Sridhar Iyer, MD, affiliate of obstetrics & gynecology; MD, Grant Medical College, 1975

Suhasini R. Iyer, MD, instructor of medicine; MBBS, University of Bombay, 1982

Anthony Haig Jackson, MD, clinical associate professor of psychiatry; BA, Harvard University, 1967; MD, Johns Hopkins University School of Medicine, 1971

Allan S. Jacobson, PhD, the Gerald L. Haidak, MD, and Zelda S. Haidak Professor of Cell Biology, chair and professor of microbiology & physiological systems; PhD, Brandeis University, 1971

Caren Jacobson, MD, assistant professor of family medicine & community health; BS, Boston University, 1975; MD, Case Western Reserve University, 1990

Sara Jacobson, MD, instructor of pediatrics; BS, Emory University, 1996; MD, Boston University, 2000

Elise A. Jacques, MD, associate professor of medicine; BA, Anna Maria College, 1969; MD, Medical College of Pennsylvania, 1973

Eugene C. Jagella, MD, instructor of medicine; BA, University of Pennsylvania, 1981; MD, Medical College of Pennsylvania, 1986

Chandrika D. Jain, MD, instructor of medicine; MD, Bangalore Medical College, 1979

Dilip M. Jain, MD, instructor of family medicine & community health; MD, MR Medical College, 1983

Catherine A. James, MD, assistant professor of pediatrics; BA, Cornell University, 1991; MD, Penn State College of Medicine, 1997

Gregg Januszewski, PsyD, assistant professor of psychiatry; BA, Worcester State University, 1988; MA, Assumption College, 1991; MA, PsyD, University of Hartford, 1993

Joshua Jarbeau, MD, assistant professor of emergency medicine; BS, Pepperdine University, 1993; MD, Texas Tech University, 1999

Courtney I. Jarvis, PharmD, assistant professor of family medicine & community health; BS, Albany College of Pharmacy, 1999; PharmD, 2000

Saud A. Javed, MD, assistant professor of medicine; MBBS, Allama Iqbal Medical College Pakistan, 1999

Pushpa Jayaraman, PhD, research assistant professor of microbiology & physiological systems; MS, Biria Institute of Technology and Sciences, 1999; PhD, University of Washington, 2006

Mary Jeffers-Terry, MSN, instructor of psychiatry and pediatrics; BSN, Marian College Fond Du Lac, 1976; MSN, University of Massachusetts Amherst, 1996

Frank Jehle, MD, MPH, assistant professor of pediatrics; BA, Wayne State University, 1962; MPH, Harvard University, 1971; MD, Wayne State University School of Medicine, 1965

Nathaniel Josef Jellinek, MD, assistant professor of medicine; BA, Brown University, 1995; MD, University of Massachusetts Medical School, 2000

Karen K. Jeng, MD, MBA, instructor of obstetrics & gynecology; MD, Baylor College of Medicine, 1997

Amanda Jenkins, PhD, associate professor of pathology; BS, Leeds University, 1983; MS, Strathclyde University, 1984; PhD, University of Maryland, 1995

Duane D. Jenness, PhD, associate professor of microbiology & physiological systems; BS, Oregon State University, 1974; PhD, University of California Berkeley, 1980

Cynthia Dhanam Jeremiah, MD, assistant professor of family medicine & community health; MD, Medical College of Silesia, 2005

Jun Jiang, PhD, instructor of cell & developmental biology; MD, China Medical University, 1990

Zhong Jiang, MD, professor of pathology; MS, Beijing Medical University, 1987; MD, Beijing College of Traditional Chinese Medicine, 1982

- Krista S. Johansen, MD**, assistant professor of cell & developmental biology and pathology; BA, Wesleyan University, 1995; MD, University of Massachusetts Medical School, 2003
- Erica E. Johnson, MD**, assistant professor of medicine; BA, Wellesley College, 1967; MD, University of Massachusetts Medical School, 1975
- Julia V. Johnson, MD**, professor of obstetrics & gynecology; BS, University of California, 1976; MS, Emory University, 1977; MD, Medical Center Central Georgia, 1984
- Rebecca L. Johnson, MD**, clinical professor of pathology; BS, Illinois State University, 1975; MD, Southern Illinois University, 1978
- Robert P. Johnson, MD**, associate professor of microbiology & physiological systems; BS, Duke University, 1980; MD, Harvard Medical School, 1984
- Michael Jolie, MD**, assistant professor of medicine; BS, Trinity College, 1993; MD, University of Massachusetts Medical School, 1997
- Julie A. Jonassen, PhD**, professor of microbiology & physiological systems; BS, University of Michigan Ann Arbor, 1974; PhD, 1980
- Brent M. Jones, PhD**, research associate professor of psychiatry; PhD, University of Otago, 1992
- Catherine Elizabeth Jones, MD**, assistant professor of emergency medicine
- Marci D. Jones, MD**, associate professor of orthopedics & physical rehabilitation; BA, Johns Hopkins University, 1989; MD, University of Vermont College of Medicine, 1994
- Peter Lawrence Jones, PhD**, associate professor of cell & developmental biology; BA, Miami University Oxford, 1991; PhD, Emory University, 1997
- Stephen N. Jones, PhD**, professor of cell & developmental biology and cancer biology; BA, West Virginia University Institute of Technology, 1982; PhD, Vanderbilt University School of Medicine, 1988
- Aviva Joseph, PhD**, assistant professor of molecular medicine; BS, Hebrew University of Jerusalem, 1999; MS, 2002; PhD, 2005
- Anne F. Josephs, MD**, assistant professor of pediatrics; BA, University of Massachusetts Amherst, 1990; MD, University of Massachusetts Medical School, 1996
- Leon G. Josephs, MD**, clinical assistant professor of surgery; BS, Boston College, 1980; MD, Boston University Medical School, 1984
- Chandra S. Joshi, MD**, assistant professor of anesthesiology; MBBS, Christian Medical College, 1980
- Dae Young Jung, PhD**, instructor of molecular medicine; BS, Sangmyung South Korea, 1989; PhD, 2001
- Melissa K. Jungnickel, PhD**, research assistant professor of cell & developmental biology; PhD, University of Newcastle, 1999
- Eugene Jura, MD**, assistant professor of pediatrics; MD, University of Heidelberg, 1982
- Agata Jurczyk, PhD**, instructor of molecular medicine
- Jon Kabat-Zinn, PhD**, professor emeritus of medicine; BS, Haverford College, 1960; PhD, Massachusetts Institute of Technology, 1971
- Krzysztof Kacprzak, MD**, instructor of medicine; MD, Wroclaw, Poland, 1983
- Mona S. Kaddis, MD**, assistant professor of medicine; MD, Ein Shams University School of Medicine, 1969
- Julian L. Kadish, MD**, assistant professor of emergency medicine; BA, New York University, 1969; DPhil, New York University, 1976
- Sidney Kadish, MD**, clinical professor of radiation oncology; BA, Columbia University, 1963; MD, University of Chicago, 1967
- Petra Kajla, MD**, assistant professor of medicine; MD, Heinrich-Heine University Germany, 1992
- Nikolaos Kakouros, MD**, assistant professor of medicine; BS, University of London, 1997; PhD, University of Athens, 2010; MBBS, University of London, 2000
- David W. Kalman, PhD**, associate professor of psychiatry; MSW, Boston University, 1982; PhD, Simmons College, 1994
- Asavari University Kamerkar, DO**, instructor of pediatrics; BA, Brandeis, 2003; DO, College of Osteopathic Medicine, 2008
- Syed H. Kamil, MD**, clinical associate professor of otolaryngology; MD, Khyber Medical, 1985
- Abir O. Kanaan, PharmD**, assistant professor of medicine; PharmD, Massachusetts College of Pharmacy and Health, 2004
- Padmasini Kandadai, MD**, instructor of obstetrics & gynecology; MD, State University of New York Upstate Medical University, 2004
- Dina H. Kandil, MD**, assistant professor of pathology; MD, Ain Shams University, 1998
- David A. Kane, MD**, assistant professor of pediatrics; BS, Boston College, 1998; MD, University of Massachusetts Medical School, 2003
- Jaimie Kane, MD**, instructor of pediatrics; ScB, Brown University, 1999; MD, University of Massachusetts Medical School, 2006
- Joonsoo Kang, PhD**, associate professor of pathology; BS, University of Toronto, 1986; PhD, 1993
- Lucille Kanjer-Larson, MD**, instructor of pediatrics; BA, University of San Diego, 1989; MD, Creighton University, 1993
- David Jonathan Kanter, MD**, assistant professor of obstetrics & gynecology; BA, Grinnell College, 1993; MD, Rush University, 2004
- Herbert M. Kantor, MD**, clinical assistant professor of obstetrics & gynecology; BA, Middlebury College, 1979; MD, East Tennessee State University, 1984
- Mark S. Kaplan, MD**, clinical associate professor of orthopedics & physical rehabilitation; BS, Massachusetts Institute of Technology, 1982; MD, New York Medical College, 1990
- Michael S. Kaplan, MD**, affiliate of family medicine & community health; BA, Columbia University, 1973; MD, University of Rochester Medical School, 1977
- Margo L. Kaplan Gill, MD**, assistant professor of family medicine & community health; MD, University of Massachusetts Medical School, 2005
- Diane P. Karalekas, MD**, assistant professor of ophthalmology; BS, Massachusetts Institute of Technology, 1983; MD, Cornell University School of Medicine, 1989
- Adib R. Karam, MD**, assistant professor of radiology; MD, Lebanese American University, 2001
- Rebecca S. Kardon, MA, RNCS**, affiliate of psychiatry; BS, Anna Maria College, 1977; MA, 1979
- Andrew Karellas, PhD**, professor of radiology; BS, Worcester State College, 1979; PhD, California State University Los Angeles, 1983
- Bruce G. Karlin, MD**, assistant professor of medicine; BA, Harvard University, 1969; MD, University of Massachusetts Medical School, 1976
- Daria M. Karos, MD**, instructor of family medicine & community health; BS, Mount Holyoke College, 1982; MD, University of Medicine and Dentistry of New Jersey, 1986
- Stefan G. Karos, MD**, instructor of family medicine & community health; MD, University of Medicine and Dentistry New Jersey, 1986
- Eydie I. Kasendorf, PhD**, assistant professor of family medicine & community health; BA, University of Massachusetts Boston, 1978; MA, Clark University, 1982; PhD, 1992
- Rebecca N. Kasenge, DO, MPH**, assistant professor of medicine; BA, College of the Holy Cross, 1995; MPH, Drexel University, 1998; DO, University of New England College of Osteopathic Medicine, 2006
- Vijay K. Kasturi, MD**, assistant professor of medicine; BS, University Illinois Chicago, 1988; MD, Rush Medical College, 1992
- Abdo C. Kataya, MD**, assistant professor of medicine; MD, St. George's University School of Medicine, 2007
- Sagar V. Kathuria, PhD**, instructor of biochemistry & molecular pharmacology; PhD, University of Massachusetts Medical School, 2010
- Marshall Katzen, MD**, clinical assistant professor of orthopedics & physical rehabilitation; AB, Cornell University, 1968; MD, Tufts University School of Medicine, 1972
- Paul D. Kaufman, PhD**, professor of molecular medicine; BA, University of California, 1985; PhD, Massachusetts Institute of Technology, 1992
- Sudesh Kaul, MD**, assistant professor of medicine; MD, Government Medical College Miraj, 1991

Devinder Kaur, PhD, assistant professor of medicine; BS, Institute of Medical Education, 1992; MS, 1995; PhD, 2000

Shubjeet Kaur, MD, professor of anesthesiology; BS, University of Delhi, 1978; MBBS, Mualana Azad Medical College, 1983

Yao Tek Kaw, MD, clinical associate professor of pathology; BS, University of the East-Manila, 1979; MD, University of the East Ramon-Magsaysay, 1983

Jonathan Kay, MD, professor of medicine; BA, Harvard University, 1979; MD, University of California San Francisco, 1983

Edward L. Kazarian, MD, clinical associate professor of ophthalmology and pediatrics; BA, Adelphi University, 1969; MD, Saint Louis University, 1973

John F. Keaney, MD, professor of medicine; BA, Harvard University, 1983; MD, Yale University, 1987

John R. Kearns, MD, clinical assistant professor of surgery; BS, Fordham University, 1968; MD, Albany Medical College, 1972

Sanjay Kedia, MD, assistant professor of radiology

Tracy Kedian, MD, assistant professor of family medicine & community health; BS, McGill University, 1992; MD, University of Massachusetts Medical School, 1996

Gary R. Keilson, MD, assistant professor of neurology; BS, University of Massachusetts, 1974; MS, Harvard University School of Public Health, 1976; MD, University of Virginia, 1987

Carolyn Marie Keiper, MD, instructor of pediatrics; BA, University of Notre Dame, 1996; MD, University of Massachusetts Medical School, 2008

Brian Anthony Kelch, PhD, assistant professor of biochemistry & molecular pharmacology; BS, Pennsylvania State University, 1999; PhD, University of California San Francisco, 2007

David M. Keller, MD, clinical professor of pediatrics and family medicine & community health; BA, Princeton University, 1979; MD, Harvard Medical School, 1983

Helena Kelliher, MD, instructor of pediatrics; BS, Jackson College, 1975; MD, University of Massachusetts Medical School, 1980

Michelle A. Kelliher, PhD, professor of cancer biology; BA, Smith College, 1981; MS, Yale University, 1985; PhD, Tufts University School of Medicine, 1991

Brendan P. Kelly, MD, assistant professor of pediatrics; BA, Swarthmore College, 1989; MD, State University of New York Stony Brook, 1994

John E. Kelly, MD, affiliate of medicine; BS, Tulane University, 1972; MD, Tulane University School of Medicine, 1976

John J. Kelly, MD, associate professor of surgery; BA, College of the Holy Cross, 1988; MD, University of Massachusetts Medical School, 1992

Megan Kelly, PhD, assistant professor of psychiatry; PhD, State University of New York, 2005

W. David Kelly, DMD, affiliate of surgery; BS, Boston College, 1969; DMD, Tufts University School of Dental Medicine, 1973

Christopher Kennedy, MD, assistant professor of psychiatry and family medicine & community health; BA, College of the Holy Cross, 1985; MD, University of Massachusetts Medical School, 1989

David N. Kennedy, PhD, professor of psychiatry; PhD, Massachusetts Institute of Technology, 1988

Janice Kennedy, MD, instructor of pediatrics; BS, Boston College, 1982; MD, University of Massachusetts Medical School, 1989

Katharyn Kennedy, MD, clinical associate professor of emergency medicine; MBCHB, University College Dublin, 1986; MD, 1986

Norman J. Kennedy, PhD, research assistant professor of molecular medicine; BA, Dartmouth College, 1990; PhD, University of Vermont, 1999

Kevin P. Kent, MD, assistant professor of emergency medicine; BA, College of the Holy Cross, 1995; MD, University of Massachusetts Medical School, 2004

Sally C. Kent, PhD, assistant professor of medicine; BS, Union College, 1983; PhD, Loyola University, 1991

Mary Ellen Keough, MPH, instructor of family medicine & community health; BA, American University, 1970; MPH, Boston University School of Public Health, 1980

Meredith Kern, MD, affiliate of obstetrics & gynecology; MD, George Washington University School of Medicine and Health Sciences, 1987

Henrietta Kernan, DO, instructor of psychiatry; DO, University of New England, 2003

Glenn R. Kershaw, MD, clinical professor of medicine; BA, Gettysburg College, 1968; MD, Medical College of Wisconsin, 1974

Steven Kessler, MD, affiliate of psychiatry; BS, Columbia University Columbia College, 1984; MD, University of Rochester, 1988

Inna Ketsler, MD, instructor of family medicine & community health; MD, University of Texas, 1987

Christopher P. Keuker, MD, assistant professor of pediatrics; BS, University of Rochester, 1987; MD, State University of New York Health Sciences Center Syracuse, 1991

Ashraf Khan, MD, professor of pathology; BS, Aligarh Muslim University, Ali, 1974; MBBS, 1980

Iftikhar Ahmad Khan, MD, FRCSI, assistant professor of family medicine & community health; MD, Allama Iqbal Medical College, 1993

Umar A. Khan, MD, assistant professor of medicine; MBBS, Allama Iqbal Medical College, 1996

Saleem A. Khanani, MD, assistant professor of medicine; MBBS, Dow Medical College, 1985

Hemant Khanna, PhD, assistant professor of ophthalmology; PhD, University of Delhi, 2001

Issam Khayata, MD, assistant professor of anesthesiology and surgery; MD, Aleppo University, 1992

Ramzi Khazen, MD, instructor of family medicine & community health; MD, St. Joseph University Beirut, 2001

Joan Kheder, MD, assistant professor of medicine; MD, Aleppo University, 2008

Ajay Kher, MD, assistant professor of medicine; MBBS, All India Institute of Medical Sciences, 2002

Imad Khreim, MD, affiliate of psychiatry

Anastasia Khvorova, PhD, professor of molecular medicine

Catarina I. Kiefe, MD, PhD, the Gretchen Stone Cook Chair in Biomedical Sciences, chair and professor of quantitative health sciences and medicine; PhD, Stony Brook School of Medicine, 1973; MD, University of California, San Francisco, 1983

Charles R. Kiefer, PhD, associate professor of pathology; BS, University of Cincinnati, 1969; PhD, Medical College of Georgia, 1981

Michael S. Kiernan, MD, assistant professor of medicine; BS, University of Notre Dame, 1999; MD, University of Connecticut, 2004

Daniel L. Kilpatrick, PhD, associate professor of microbiology & physiological systems and cell & developmental biology; BA, University of San Diego, 1974; PhD, Duke University, 1980

Candace Kim, MD, assistant professor of family medicine & community health; MD, American University of the Caribbean, 2002

Clara S. Kim, MD, affiliate of psychiatry; BA, Brown University, 2002; MD, Brown Medical School, 2007

Daniel Y. Kim, MD, associate professor of otolaryngology and radiation oncology; BA, Boston University, 1976; MD, Robert Wood Johnson Medical School, 1980

Doris Kim, MD, assistant professor of pediatrics; BA, Brown University, 1989; MD, University of Vermont, 1993

Jason K. Kim, PhD, professor of molecular medicine and medicine; BS, University of California Irvine, 1991; PhD, University of Southern California, 1996

Maria C. Kim, MD, instructor of medicine; BA, Boston University, 1984; MD, Boston University School of Medicine, 1993

Nam Heui Kim, MD, assistant professor of surgery; BS, University of California, 1985; MS, 1989; MD, Yeshiva University Los Angeles, 1993

Sun S. Kim, PhD, RN, APN-BC, assistant professor of psychiatry; BS, Seoul National University, 1984; MS, Rutgers University, 1995; PhD, 2002

Young H. Kim, MD, PhD, associate professor of radiology; BS, Hanyang University Seoul, 1982; MD, 1986

Paulette Kimball-Wren, MD, instructor of pediatrics; BS, Tufts University, 1988; MS, 1992; MD, University of Massachusetts Medical School, 2002

Stacey C. Kimmelman, PsyD, assistant professor of psychiatry; PsyD, Yeshiva University, 2002

Jean King, PhD, professor of psychiatry; MS, City University of New York, 1982; PhD, New York University, 1988

Julie M. King, RN, NP, clinical instructor of obstetrics & gynecology; BS, Boston College, 2000; RN, University of Massachusetts Medical School, 2005

Michael A. King, PhD, professor of radiology; BA, State University of New York Oswego, 1969; MS, State University of New York Albany, 1972; PhD, University Rochester, 1978

Oliver Davis King, PhD, assistant professor of cell & developmental biology; BA, University of Hawaii Manoa, 1992; MS, University of California Berkeley, 1999; PhD, 2001

Joseph G. Kirkpatrick Jr., MD, assistant professor of medicine; BS, University of Massachusetts Amherst, 1971; MD, Penn State College of Medicine, 1975

Daniel J. Kirsch, MD, clinical associate professor of psychiatry; BA, Boston University, 1975; MD, 1979

Ellen Kittler, PhD, research assistant professor of molecular medicine; BA, University of Arkansas Little Rock, 1978; PhD, University of Virginia, 1989

Jason Matthew Kittler, MD, PhD, JD, assistant professor of medicine; BS, Rensselaer Polytechnic Institute, 1980; JD, Western New England College, 1980

Ronald W. Klare, MD, instructor of medicine; BA, Columbia College, 1971; MD, New York University, 1975

David A. Klein, MD, assistant professor of obstetrics & gynecology; BA, State University of New York Binghamton, 1989; MD, Tufts University School of Medicine, 1993

Mark Steven Joel Klempner, MD, professor of medicine; MD, Cornell University School of Medicine, 1973

Dagmar Klinger, MD, assistant professor of medicine; MD, Charles University Prague, 1993

Alexander Kloman, MD, assistant professor of neurology; BA, Dartmouth College, 1980; MD, 1986

Neil J. Kluger, MD, assistant professor of medicine; BA, State University of New York Cortland, 1978; MD, State University of New York Buffalo, 1983

Robert A. Klugman, MD, associate professor of medicine and quantitative health sciences; BS, University of Wisconsin, 1973; MD, University of Massachusetts Medical School, 1977

Michael D. Kneeland, MD, MPH, clinical professor of family medicine & community health and medicine; MPH, Harvard University School of Public Health, 1988; MD, Tufts University School of Medicine, 1980

Kendall L. Knight, PhD, professor of biochemistry & molecular pharmacology; BA, Clark University, 1975; PhD, University of California, 1981

William R. Kobertz, PhD, associate professor of biochemistry & molecular pharmacology; BS, University of California, 1991; PhD, Massachusetts Institute of Technology, 1998

Steven B. Koevary, PhD, associate professor of cell & developmental biology; BS, Queens College, 1977; PhD, Mount Sinai School of Medicine, 1981

Teresa M. Kohlenberg, MD, assistant professor of psychiatry

Monika E. Kolodziej, PhD, assistant professor of psychiatry; BS, Concordia University, 1990; MS, Syracuse University, 1993; PhD, 1999

Satoshi Komatsu, PhD, research assistant professor of microbiology & physiological systems; BS, Tokyo University of Agriculture, 1992; MS, 1994; PhD, Hiroshima University, 1997

Kitsa Kondylis-Deblois, MD, assistant professor of obstetrics & gynecology; BA, Vassar College, 1986; MD, Boston University Medical School, 1994

Praveen Koneru, MD, assistant professor of medicine; MBBS, Gunter Medical College, 1997

Richard F. Konz, BS, research assistant professor of medicine; BS, University of Maine Orono, 1984

Scott E. Kopec, MD, assistant professor of medicine; BA, Boston University, 1985; MD, Rush Medical College, 1989

Elizabeth Kopin, MD, instructor of obstetrics & gynecology; MD, University of North Carolina Chapel Hill, 1983

Eric S. Korenman, MD, assistant professor of radiology

Sharmilee B. Korets, MD, assistant professor of obstetrics & gynecology; BA, Brown University, 2002; MD, Albert Einstein College of Medicine, 2006

Mohan K. Korgaonkar, MD, affiliate of surgery; BS, Wilson College, 1963; MBBS, Armed Forces Medical College, 1969

Mona M. Korgaonkar, MD, clinical associate professor of radiology; BS, Ferguson College; MBBS, Armed Forces Medical College, 1968

Hardy Kornfeld, MD, professor of medicine; BA, Bennington College, 1974; MD, Boston University, 1978

Andrei A. Korostelev, PhD, assistant professor of biochemistry & molecular pharmacology; BS, Moscow State University, 1997; MS, 1997; PhD, Florida State University, 2003

Robert Kossack, MD, assistant professor of pediatrics; BA, Wesleyan University, 1972; MD, University of Virginia, 1980

Anita Louise Kostecki, MD, assistant professor of family medicine & community health; BA, Brown University, 1987; MD, University of Massachusetts Medical School, 1992

Kevin A. Kotkowski, MD, instructor of emergency medicine; BA, College of William and Mary, 2005; MD, Tufts University School of Medicine, 2009

Girish J. Kotwal, PhD, professor of medicine; BS, Bombay University, 1976; MS, 1978; PhD, McMaster University, 1985

Omanand Koul, PhD, associate professor of Graduate School of Nursing and biochemistry & molecular pharmacology; BS, University of Jammu, 1966; MS, Banaras Hindu University, 1968; PhD, 1974

Gabriella Kovi, MD, assistant professor of anesthesiology; MD, Pecs University Medical School, 1983

Timothy F. Kowalik, PhD, associate professor of microbiology & physiological systems; BS, Belmont Abbey College, 1982; MS, Utah State University, 1986; PhD, 1989

Susan Kraft, MD, affiliate of obstetrics & gynecology; BS, University of Illinois Urbana, 1974; MD, University of Illinois Chicago, 1978

Susan G. Krantz, MD, instructor of medicine; BS, State University of New York Albany, 1983; MS, Johns Hopkins University School of Medicine, 1987; MD, Hahnemann Medical College, 1991

Mark T. Kraus, MD, assistant professor of orthopedics & physical rehabilitation; BA, Stanford University, 1993; MD, Case Western Reserve University, 1999

Jamie Krauss, PhD, affiliate of psychiatry; MA, University of Hartford, 1977; PhD, Boston College, 1986

Donna M. Krauth, MD, instructor of medicine; BA, College of the Holy Cross, 1978; MD, Dartmouth College, 1981

Ted M. Kremer, MD, clinical associate professor of pediatrics; BS, University of Iowa, 1990; MD, 1998

Stephen J. Krinzman, MD, clinical associate professor of medicine; BA, Wesleyan University, 1986; MD, University of Miami, 1990

Sandra V. Kristiansen, MD, affiliate of medicine; MD, Autonomous University of Guadalajara, 1978

Jessica D. Krochmal, MD, *clinical assistant professor of pathology; BA, University of Iowa, 1997; MD, 2002*

Kenneth H. Kronlund Jr., MD, *assistant professor of medicine; BS, Tufts University, 1977; MD, University of Massachusetts Medical School, 1981*

Louis Kuchnir, MD, PhD, *instructor of medicine; BS, Massachusetts Institute of Technology, 1987; PhD, Harvard University, 1993*

Gordan Nicholas Kuhar, MD, *assistant professor of anesthesiology; BA, Boston University, 1987; MD, Albany Medical College, 1987*

Jaya B. Kumar, MD, *assistant professor of neurology*

Jayanthi Kumar, MD, *assistant professor of medicine; MBBS, Stanley Medical College India, 1993*

Vinay Kumar, MD, *assistant professor of medicine; MBBS, University of Lucknow, 1979*

Shubhra Kumar-Bradley, MD, *assistant professor of medicine; BA, State University of New York Binghamton, 1994; MD, State University of New York, 1998*

Tara Neubert Kumaraswami, MD, *assistant professor of obstetrics & gynecology; BS, University of Massachusetts Amherst, 2002; MD, University of Massachusetts Medical School, 2006*

I-Lin Kuo, MS, *instructor of radiation oncology; MS, University of Michigan Ann Arbor, 2005*

Jason M. Kurland, MD, *assistant professor of medicine; BA, Boston University, 2002; MD, Boston University Medical School, 2006*

Evelyn A. Kurt-Jones, PhD, *professor of medicine; BS, Tufts University, 1974; PhD, University of Connecticut, 1983*

Joseph Kuruvilla, MD, *assistant professor of medicine; MBBS, Armed Forces Medical College, 1981*

Kimberlee Kusiak, MD, *assistant professor of psychiatry and pediatrics; BA, Amherst College, 1982; MD, University of Massachusetts Medical School, 1988*

Daniel S. Kusick, MD, *assistant professor of medicine; BS, Union College, 1978; MD, Tufts University School of Medicine, 1985*

Roseanne Cecile Labarre, MD, *assistant professor of medicine; BS, Fairfield University, 1984; MS, University of Connecticut, 1984; MD, Johns Hopkins University, 1988*

Charles D. Labonte, BA, *instructor of family medicine & community health; BA, Clark University, 1988*

Jennifer W. LaBonte, MD, *instructor of family medicine & community health; BS, University of Massachusetts Amherst, 2003; MD, University of Massachusetts Medical School, 2007*

Thomas Lacava, MD, *instructor of pediatrics; BS, University of New Hampshire, 1966; MD, Saint Louis University, 1972*

Jennifer LaFemina, MD, *assistant professor of surgery; BS, University California Irvine, 1999; MD, University of California Los Angeles, 2003*

Genevieve A. Laforet, MD, PhD, *assistant professor of psychiatry; BA, Harvard University, 1980; PhD, Rockefeller University, 1990*

Frances J. Lagana, DPM, *clinical assistant professor of orthopedics & physical rehabilitation; BA, Allegheny College, 1982; DPM, Ohio College of Podiatric Medicine, 1987*

Philip J. Lahey Jr., MD, *assistant professor of orthopedics & physical rehabilitation; BS, College of the Holy Cross, 1969; MD, Tufts University School of Medicine, 1973*

Srividhya Lakshmanan, MD, *assistant professor of medicine; MBBS, Tamilnadu Dr MGR Medical University India, 2004*

Nidhi K. Lal, MD, MPH, *clinical instructor of family medicine & community health; MPH, Boston University School of Public Health, 2000; MBBS, Mahatma Gandhi Medical School, 1992*

Brian Laliberte, MD, *assistant professor of medicine; BS, Rensselaer Polytechnic Institute, 1984; MD, New York Medical College, 1990*

Janice F. Lalikos, MD, *professor of surgery and pediatrics; BA, Case Western Reserve University, 1984; MA, Johns Hopkins University, 1989; MD, 1988*

Laura A. Lambert, MD, *assistant professor of surgery; BA, Bowdoin College, 1988; MD, Harvard Medical School, 1996*

David Lambright, PhD, *professor of molecular medicine and biochemistry & molecular pharmacology; BS, University of Massachusetts Lowell, 1984; PhD, Stanford University, 1992*

Steven Lamontagne, MD, *assistant professor of medicine; BS, Massachusetts Institute of Technology, 2001; MD, University of Massachusetts Medical School, 2005*

Thomas Land, PhD, *instructor of medicine; BA, University of Wyoming, 1974; MA, 1976; PhD, Johns Hopkins University, 1978*

John Landers, PhD, *associate professor of neurology; PhD, University of Pennsylvania, 1995*

Stephen Kenneth Lane, MD, *instructor of family medicine & community health; BS, University of Massachusetts Amherst, 1994; MD, University of Massachusetts Medical School, 1998*

Mary E. Lane, PhD, *associate professor of neurobiology; BA, Colgate University, 1988; PhD, 1994*

Sarah C. Langenfeld, MD, *assistant professor of psychiatry; MD, University of Massachusetts Medical School, 2004*

Anna Langman, MD, *instructor of family medicine & community health; MD, Ben-Gurion University of the Nege, 1998*

Kate L. Lapane, PhD, *professor of quantitative health sciences; BA, Boston University, 1987; MS, University of Rhode Island, 1991; PhD, Brown University, 1995*

Nancy R. Lapelle, PhD, *assistant professor of medicine; BA, University of Pennsylvania, 1966; MA, Cornell University, 1968; PhD, The Fielding Institute, 1997*

Anthony S. Lapinsky, MD, *assistant professor of orthopedics & physical rehabilitation and pediatrics; BS, Cornell University, 1983; MD, Syracuse University, 1987*

David S. Lapointe, PhD, *research associate professor of cell & developmental biology; BA, University of Pennsylvania, 1970; PhD, University of Florida, 1979*

Anne Larkin, MD, *associate professor of surgery; BM, University of Missouri Kansas City, 1987; MD, Columbia Physicians Surgeons, 1992*

Kimberly A. Larson, PhD, JD, *assistant professor of psychiatry; BA, Johns Hopkins University, 1999; MS, Drexel University, 2004; JD, Villanova University, 2006*

Allison E. LaRusso, MD, *assistant professor of emergency medicine; BA, St. Anselm College, 1988; MD, University of Massachusetts Medical School, 1999*

Daniel Lasser, MD, MPH, *chair and professor of family medicine & community health; BA, State University of New York Buffalo, 1970; MPH, Harvard University School of Public Health, 1987; MD, State University of New York Buffalo, 1974*

Roxanne Latimer, MD, *assistant professor of family medicine & community health; BA, Pepperdine University, 1993; MD, Boston University School of Medicine, 2001*

Eicke Latz, MD, *assistant professor of medicine; MD, Free University of Berlin School of Medicine, 1998*

Jennifer Lauretti, PhD, *assistant professor of psychiatry; BS, Central Connecticut State University, 1992; MA, Seton Hall University, 1995; PhD, 2003*

William G. Lavelle, MD, *professor emeritus of otolaryngology; BS, Marquette University, 1963; MD, University of San Francisco, 1967*

Jeanne B. Lawrence, PhD, *chair and professor of cell & developmental biology and pediatrics; BA, Stephens College, 1973; MS, Rutgers University, 1975; PhD, Brown University, 1982*

Nathan Lawson, PhD, *associate professor of molecular medicine; BS, University of Rhode Island, 1994; PhD, Yale University, 1999*

Ann G. Lawthers, DSc, *assistant professor of family medicine & community health; BA, Wellesley College, 1974; MS, Harvard University School of Public Health, 1979; DSc, 1986*

Aaron Lazare, MD, *professor of psychiatry; AB, Oberlin College, 1957; MD, Case Western Reserve University, 1961*

Brett A. Leav, MD, assistant professor of medicine; BA, Tufts University, 1987; MD, University of Massachusetts Medical School, 1993

Laszlo-Vasi Leb, MD, clinical professor of medicine; MD, Medical School Tîrgu Mures, 1957

Janice LeBel, PhD, affiliate of psychiatry; BA, Salem State College, 1983; MEd, 1984; PhD, 1980

Robert A. Lebow, MD, affiliate of medicine; BA, State University of New York Buffalo, 1966; MD, State University of New York Downstate, 1977

Walter J. Leclair, MD, clinical professor of orthopedics & physical rehabilitation; AB, Boston University, 1975; MD, University of Massachusetts Medical School, 1979

Andrew B. Lederman, MD, assistant professor of surgery; BS, Yale University, 1990; MD, University of Virginia, 1997

James J. Ledwith, MD, assistant professor of family medicine & community health; MD, University of Virginia Medical School, 1983

Jeffrey H. Lee, MD, instructor of medicine and pediatrics; BA, Brown University, 1991; MD, University of Rochester, 1996

Jinhee Lee, PhD, assistant professor of medicine; BS, Seoul National University, 1991; MS, 1993; DVM, University of Minnesota Twin City, 2003

Kathryn Y. Lee, MD, assistant professor of family medicine & community health; BA, Harvard University, 1994; MD, Boston University, 1999

Mary M. Lee, MD, chair and professor of pediatrics and cell & developmental biology; BA, Harvard University, 1979; MD, State University of New York College Buffalo, 1983

Marilyn P. Leeds, MPH, instructor of family medicine & community health; BA, Brandeis University, 1975; MPH, University Michigan Ann Arbor, 1976

Patricia Lehmann, MD, assistant professor of medicine; BA, University of Dublin, Trinity, 1974; MBBS, 1978

Jan Frederick Leitao-Pina, MD, instructor of medicine; BS, Dartmouth, 1988; MD, University of Massachusetts Medical School, 1992

Andrew B. Leiter, MD, PhD, professor of medicine; BA, University of Pennsylvania, 1971; MD, Case Western Reserve University, 1978

Celeste Lemay, MPH, RN, instructor of medicine; BS, University of Massachusetts Amherst, 1999; RN, New England Deaconess School of Nursing, 1981

Melissa K. Leming, MD, instructor of emergency medicine; BS, University of Southern Florida, 2003; MD, 2008

Stephenie C. Lemon, PhD, associate professor of medicine; BS, University of Massachusetts Amherst, 1995; MS, 1999; PhD, Brown University, 2002

Jose R. Lemos, PhD, professor of microbiology & physiological systems and biochemistry & molecular pharmacology; BA, Occidental College, 1970; PhD, Wesleyan University, 1979

Mark D. Leney, PhD, assistant professor of medicine; BS, University of Edinburgh, 1992; PhD, University of Cambridge, 1997

Jack L. Leonard, PhD, professor of microbiology & physiological systems and anesthesiology; BA, California University of Pennsylvania, 1971; PhD, University of California Berkeley, 1976

Jeffrey A. Leppo, MD, professor of radiology and medicine; BA, University of Wisconsin Stevens Point, 1969; MD, State University of New York Downstate, 1973

Lawrence Lerman, DO, FACOP, FAAP, instructor of pediatrics; BS, Michigan State University, 1969; DO, 1975

Richard S. Lerner, MD, assistant professor of medicine; BA, Columbia College, 1985; MD, Tufts University School of Medicine, 1989

Martin Lesser, DO, clinical assistant professor of family medicine & community health; DO, College of Osteopathic Medicine, 1988

Ivy S. Lessin, MD, assistant professor of psychiatry

Marc S. Lessin, MD, clinical assistant professor of surgery; MD, University of Nevada Reno, 1988

Steven I. Lessin, PhD, affiliate of psychiatry; BS, University of Pittsburgh, 1973; MS, 1976; PhD, 1980

John Leszyk, PhD, research associate professor of biochemistry & molecular pharmacology; BS, State University of New York, 1984; PhD, Clarkson University, 1987

Susan M. Lett, MD, MPH, assistant professor of family medicine & community health; BSN, St. Anselm College, 1973; MPH, Harvard University School of Public Health, 1987; MD, Virginia Commonwealth University, 1980

Teli Leung, MD, assistant professor of medicine; BA, MA, Boston University, 1998; MD, University of Massachusetts Medical School, 2005

Julie V. Levengood, MD, assistant professor of medicine; BA, Wittenberg University, 1994; MD, Wright State University Dayton, 1999

John M. Levey, MD, clinical associate professor of medicine; BA, Princeton University, 1983; MD, University of Texas Austin, 1987

Leonard L. Levin, MS, instructor of family medicine & community health; BS, Boston University, 1980; MS, Simmons College, 1996

Nikki A. Levin, MD, PhD, associate professor of medicine; BA, Harvard University, 1987; PhD, Massachusetts Institute of Technology, 1993

Jeffrey D. Levine, MD, affiliate of ophthalmology; BA, Princeton University, 1970; MD, Catholic University of Louvain, 1977

Stephen J. Levine, MD, instructor of family medicine & community health; BA, Cornell University, 1968; MD, State University of New York Buffalo, 1972

Stuart M. Levitz, MD, professor of medicine and microbiology & physiological systems; BA, New York University, 1975; MD, 1979

David H. Levoy, MD, clinical instructor of psychiatry; BS, Rensselaer Polytechnic Institute, 1979; MD, Albany Medical College, 1983

Richard Levraut, MD, instructor of family medicine & community health; BA, University of Massachusetts Dartmouth, 1970; MS, 1974; DO, Philadelphia College of Osteopathic Medicine, 1980

William K. Levy, MD, assistant professor of medicine; BS, Harvard University, 1972; MD, Yale University, 1976

Roderick W. Lewin, DMD, assistant professor of emergency medicine and family medicine & community health; BA, Tufts University School of Dental Medicine, 1953; DMD, Boston University Medical School, 1957

George E. Lewinnek, MD, clinical assistant professor of orthopedics & physical rehabilitation; BA, Carleton College, 1963; MD, Harvard Medical School, 1967

Brian Lewis, PhD, associate professor of molecular medicine; BS, University of California Los Angeles, 1991; PhD, Johns Hopkins University, 1997

Lisa A. Lewis, PhD, assistant professor of medicine; BS, Clemson University, 1989; MA, State University of New York Buffalo, 1993; PhD, 1996

Han Chen Li, PhD, instructor of medicine; MS, Fourth Military Medical University, 1990; MD, 1987

Hong-Sheng Li, PhD, associate professor of neurobiology; BS, Wuhan University, 1991; PhD, Shanghai Brain Research Institute, 1996

Hui J. Li, PhD, instructor of medicine; BS, University of Science of Technology, 1988; PhD, Baylor College of Medicine, 1994

Lynn Li, MD, clinical associate professor of medicine; BA, Brandeis University, 1971; MD, Harvard Medical School, 1975

Shaoguang Li, PhD, professor of medicine; MD, China Medical University, 1983

Shipin Li, MD, instructor of family medicine & community health; BA, Harvard University, 1982; MD, University of Massachusetts Medical School, 1987

Wenjun Li, PhD, associate professor of medicine and quantitative health sciences; BS, Fudan University Shanghai, 1986; MS, Chinese Academy of Sciences, 1990; PhD, University of Massachusetts Amherst, 2003

Yan Li, MD, assistant professor of medicine; MD, Beijing Medical University, 1986

You Fu Li, MD, instructor of pediatrics; BA, Zunyi Medical College, 1982; MPH, University of Massachusetts, 2004; MD, Hunan Medical University, 1988

Ernest P. Liacopoulos, DDS, lecturer of family medicine & community health; BA, Clark University, 1984; DDS, Georgetown University, 1989

Bill Q. Lian, MD, PhD, assistant professor of medicine; MD, Norman Bethune University of Medical Sciences, 1993

Jane B. Lian, PhD, professor of orthopedics & physical rehabilitation; BS, Fordham University, 1965; MS, University of Rochester, 1967; PhD, Boston University, 1972

Haisun Liao, MD, PhD, assistant professor of medicine; MD, Jiangxi Medical College, 1986

Richard R. Liberthson, MD, associate professor of medicine; BS, Cornell University, 1963; MD, Chicago Medical School, 1968

Daniel Libraty, MD, associate professor of medicine; BS, California State University Los Angeles, 1985; MD, University of San Diego, 1989

Robert Licho, MD, associate professor of radiology; BA, New York University, 1980; MD, Albany Medical College, 1985

Elizabeth Lidstone-Jayanath, MD, instructor of pediatrics; MD, University of Massachusetts Medical School, 1995

Charles W. Lidz, PhD, research professor of psychiatry; BA, Yale University, 1967; PhD, Harvard University, 1974

Benjamin L. Lieberman, MD, instructor of family medicine & community health; BA, Tufts University, 1994; MD, Tel Aviv University, 1998

Marc A. Lieberman, MD, assistant professor of pediatrics and emergency medicine; BA, Johns Hopkins University, 2001; MPH, Brown University, 2012; MD, University of Massachusetts Medical School, 2005

James E. Liebmann, MD, assistant professor of medicine; BS, Massachusetts Institute of Technology, 1979; MD, University of California San Francisco, 1983

Egil Lien, PhD, associate professor of medicine and microbiology & physiological systems; MS, Norwegian Institute of Technology, 1992; PhD, Norwegian University of Science and Technology, 1998

Lawrence Lifshitz, PhD, associate professor of molecular medicine and microbiology & physiological systems; BA, Harvard University, 1980; MS, University North Carolina Charlotte, 1983; PhD, 1987

Craig M. Lilly, MD, professor of medicine and anesthesiology and surgery; BS, University of Oregon, 1980; MD, Oregon Health Sciences University, 1984

Rochelle Lima-Babigian, MD, assistant professor of emergency medicine; BS, Boston University, 2002; MD, New York University, 2007

Wen Chieh Lin, PhD, assistant professor of family medicine & community health; PhD, Minnesota State University, 2000

Daniel Lindberg, MD, instructor of pediatrics; AB, Harvard College, 1997; MD, Prinzker School of Medicine, 2001

Peter C. Lindblad, MD, assistant professor of medicine; BA, Middlebury College, 1974; MS, University of Georgia Athens, 1976; MD, University of Massachusetts Medical School, 1983

Christopher H. Linden, MD, professor of emergency medicine; BA, Amherst College, 1975; MD, University of Massachusetts Medical School, 1979

Mary S. Lindholm, MD, clinical associate professor of family medicine & community health; BA, University of Pennsylvania, 1985; MD, Medical College of Pennsylvania, 1989

Karen Lionello-Denolf, PhD, assistant professor of psychiatry; BA, Illinois Wesleyan University, 1995; MS, Purdue University West Lafayette, 1997; PhD, 2001

Joan E. Lister, MD, clinical assistant professor of obstetrics & gynecology; BA, Wellesley College, 1971; MD, Tufts University School of Medicine, 1977

Richard Listerud, MD, affiliate of psychiatry; BA, Harvard University, 1987; MD, University of Massachusetts Medical School, 1999

Gregory W. Little, MD, instructor of family medicine & community health; MD, University of Texas, 1994

Vladimir Litvak, PhD, assistant professor of microbiology & physiological systems; BS, Ben-Gurion University, 1997; MS, Weizmann Institute of Science, 2000; PhD, 2005

Demetrius Litwin, MD, the Harry M. Haidak Professor of Surgery, chair and professor of surgery; MBA, University of Tennessee Knoxville, 2002; MD, University of Saskatchewan, 1979

Guozheng Liu, PhD, research associate professor of radiology; BS, Hebei Teachers College, 1982; MS, Beijing Normal University, 1992; PhD, 1996

Liwang Liu, MD, research assistant professor of psychiatry; MS, Tongji Medical University Wuha, 1988; MD, 1983

Nancy Yi-Ning Liu, MD, clinical associate professor of medicine; BA, Oberlin College, 1977; MD, Case Western Reserve University, 1982

Wanzhao Liu, PhD, instructor of medicine; PhD, Kunming Institute of Zoology, 1999

Xinrong Liu, PhD, instructor of radiology; PhD, Peking University, 2003

Yuxin Liu, MD, PhD, assistant professor of pathology; MD, Beijing Medical University, 2000

Miguel Lizardo, MD, instructor of medicine; MD, Pontificia Universidad Catolica Madre y Maestra, 1998

Amy R. Lo, MD, assistant professor of medicine and pediatrics; BS, Trinity College, 2003; MD, University of Massachusetts Medical School, 2007

Hao S. Lo, MD, assistant professor of radiology; BS, Duke University, 2001; MD, 2005

Yuan-Chyuan Lo, PhD, clinical associate professor of radiation oncology; BS, National Tsinghua University, 1975; MS, 1977; PhD, Yale University, 1987

Jane A. Lochrie, MD, clinical professor of medicine; BSN, Boston College, 1972; MD, University of Massachusetts Medical School, 1983

J. Paul Lock, MD, clinical associate professor of medicine; BA, Assumption College, 1968; MD, St. Louis University Medical School, 1972

Larry Lockerman, DDS, instructor of surgery; BA, Yeshiva University New York, 1973

Gretchen Loebel, MD, clinical assistant professor of obstetrics & gynecology; MD, University of Connecticut, 1999

John A. Loiodice, MD, clinical assistant professor of otolaryngology; BS, Long Island University, 1970; MD, Wayne State University School of Medicine, 1976

Carlos Lois, MD, PhD, associate professor of neurobiology; MD, University of Valencia, 1991; PhD, The Rockefeller University, 1995

Madaiah Lokeshwari, MD, instructor of medicine; MBBS, Mysore University, 1994

Linda M. Long-Bellil, PhD, JD, MA, assistant professor of family medicine & community health; BA, Yale University, 1984; JD, Boston University School of Law, 1987; PhD, Brandeis University, 2007

Boris Lorberg, MD, assistant professor of psychiatry; MD, Stony Brook School of Medicine, 2003

Lori J. Lorenz, PhD, assistant professor of molecular medicine; BS, Purdue University West Lafayette, 1981; PhD, Brandeis University, 1990

Lisa Ann Loring, MD, assistant professor of radiology; BS, McGill University, 1982; MD, University of Massachusetts Medical School, 1991

Erik Greg Lough, MD, instructor of surgery; BA, University of Texas Austin, 2003; MD, West Virginia University School of Medicine, 2007

Carla A. Lourenco, PsyD, clinical assistant professor of psychiatry; PsyD, University of Hartford, 2007

Monica Escobar Lowell, BA, affiliate of family medicine & community health; BA, Brown University, 1977

Michael J. Lowney, MD, instructor of family medicine & community health; MD, New England College of Osteopathic Medicine, 1982

Shan Lu, MD, PhD, professor of medicine and biochemistry & molecular pharmacology; MHA, Clark University, 1991; MD, Nanjing Medical College, 1982

Jeremy Luban, MD, the David J. Freeland Professor of AIDS Research, professor of molecular medicine and biochemistry & molecular pharmacology; MD, Columbia University, 1987

Rebecca Lubelczyk, MD, clinical associate professor of family medicine & community health; BA, Vassar College, 1992; MD, University of Massachusetts Medical School, 1996

Robert Luby, MD, assistant professor of family medicine & community health; BA, Dartmouth College, 1985; MD, Columbia University, 1989

Maura Lucas, MD, instructor of pediatrics; BA, Colby College, 1996; MD, Tufts University School of Medicine, 2002

Tanya Lucas, MD, assistant professor of anesthesiology; MD, Northwestern University, 1993

Roger S. Luckmann, MD, MPH, associate professor of family medicine & community health; BA, Yale University, 1971; MPH, University of California, 1986; MD, Boston University, 1976

Jessica L. Ludy, PsyD, assistant professor of psychiatry and pediatrics; BA, College Wooster, 1999; PhD, University of Virginia, 2003

Jeffrey C. Lukas, MD, assistant professor of pediatrics; BS, Massachusetts Institute of Technology, 1982; MD, University of Connecticut, 1986

Elizabeth J. Luna, PhD, professor of cell & developmental biology; BA, Southern Illinois University Carbondale, 1972; PhD, Stanford University, 1977

Rebecca Lundquist, MD, assistant professor of psychiatry; BA, Miami University Oxford, 1989; MD, Wright State University Dayton, 1994

Anne Lutz, MD, assistant professor of psychiatry; BSN, Northwestern University, 1987; MD, University of Illinois Chicago, 1994

Susan Y. Ly, MD, instructor of emergency medicine; BS, Cornell University, 2004; MD, University of Massachusetts Medical School, 2008

Stephen R. Lyle, MD, PhD, associate professor of cancer biology and pathology; BA, University of Chicago, 1988; PhD, 1993

David P. Lyons, MD, assistant professor of medicine; BA, Columbia College, 1979; MD, Cornell University School of Medicine, 1983

Michael John Lyons, MD, assistant professor of pediatrics; BA, College of the Holy Cross, 1991; MD, University of Massachusetts Medical School, 1995

Volodymyr Lyubchik, MD, assistant professor of medicine; MS, University of Massachusetts Medical School, 1998; MD, Kiev Medical University, 1987

Yunsheng Ma, MD, PhD, MPH, associate professor of medicine; MPH, University of Massachusetts Amherst, 1996; PhD, 2002

Patricia F. Maalouli, MD, FAAP, affiliate of pediatrics; MD, St. Joseph University Beirut, 2001

Duncan C. MacCourt, MD, assistant professor of psychiatry

Christine O. MacGinnis, DO, assistant professor of medicine; BS, Boston University, 1991; DO, University of New England College of Osteopathic Medicine, 1996

Harry A. MacKay, PhD, professor of psychiatry; PhD, Queen's University, 1965

Sue Ann Macmaster, MD, assistant professor of radiology; BS, Dalhousie University, 1975; MD, Memorial University of Newfoundland, 1979

Merle Macneil, MD, instructor of medicine; BS, St. Francis Xavier University, 1964; MD, Ottawa University School of Medicine, 1968

Alison C. Madden, MD, assistant professor of obstetrics & gynecology; BA, Barnard College/Columbia University, 1991; MD, Cornell University School of Medicine, 1999

John Mark Madison, MD, professor of medicine and microbiology & physiological systems; BA, Carleton College, 1975; MD, Harvard Medical School, 1979

Lawrence C. Madoff, MD, professor of medicine; BS, Yale University, 1978; MD, Tufts University School of Medicine, 1982

Emmanuel Maduakor, MD, assistant professor of medicine; BS, University of Massachusetts Boston, 1988; MA, Brandeis University; MD, George Washington University, 1996

Sallie P. Mady, MD, instructor of pediatrics; BA, Bucknell University, 1980; MD, New York Medical College, 1987

Yukiko Maeda, PhD, instructor of medicine; BS, Ritsumeikan University, 1998; MS, Nara University, 2000; PhD, Tokyo Medical and Dental University, 2004

Rene Maehr, PhD, assistant professor of molecular medicine; PhD, University of Amsterdam, 2005

Raymond G. Magauran, MD, assistant professor of ophthalmology

B. Dale Magee, MD, associate professor of obstetrics & gynecology; MS, Dartmouth College, 1998; MD, State University of New York Syracuse, 1975

David P. Magit, MD, assistant professor of orthopedics & physical rehabilitation; BA, Northwestern University, 1995; MD, Tufts University School of Medicine, 2001

David Maguire, MD, instructor of medicine; BS, Georgetown University, 1970; MD, 1978

Kiame J. Mahaniah, MD, assistant professor of family medicine & community health; BA, Haverford College, 1993; MD, Jefferson Medical College, 1997

Alexander Mahendran, MD, instructor of medicine; MBBS, University of Celon, 1965

Kelby G. Maher, DO, affiliate of pediatrics; BA, Hamilton College, 1997; DO, Nova Southeastern University, 2005

Ellen M. Mahoney, MD, instructor of pediatrics; BA, Bates College, 1996; MD, University of Massachusetts Medical School, 2004

Kathryn Jayne Maier, MD, instructor of family medicine & community health; BS, University of Massachusetts Amherst, 2003; MD, New York Medical College, 2009

Jeffrey D. Mailhot, MD, assistant professor of medicine; BS, University of Massachusetts Amherst, 2002; MD, University of Massachusetts Medical School, 2006

Paul W. Mak, PhD, research assistant professor of cancer biology; BS, Northeastern University, 1978; PhD, Boston University, 1984

Tony Makdisi, MD, assistant professor of medicine; MD, University of Damascus Medical School, 1992

Dennis W. Maki, MD, instructor of medicine; AB, College of the Holy Cross, 1970; MD, University of Vermont, 1974

Talal Makkaoui, MD, assistant professor of anesthesiology; MD, Università degli Studi di Bologna, 1979

Suzana Makowski, MD, assistant professor of medicine; BA, Bowdoin College, 1990; MA, University of Southern California, 2003; MD, University of Rochester Medical School, 1998

Joseph Makris, MD, assistant professor of radiology and pediatrics; BS, Wentworth Institute of Technology, 1991; MD, University of Massachusetts Medical School, 1998

Hesham H. Malik, MD, assistant professor of radiology; BS, Cleveland State University, 2002; MD, Case Western Reserve University, 2006

Robert Malinowski, MD, assistant professor of anesthesiology; BS, Oakland University, 1980; MD, Wayne State University School of Medicine, 1984

Samir Malkani, MD, clinical associate professor of medicine; MBBS, All India Institute of Medical Sciences, 1987

Prakash Malkani, MD, assistant professor of radiology

Indrani Malkani, MD, instructor of pediatrics; MD, All India Institute of Medical Sciences, 1990

Leslie E. Malkiewicz, PhD, affiliate of psychiatry; BA, University of Notre Dame, 1974; MA, University Nebraska Lincoln, 1975; PhD, University Notre Dame, 1979

Kristin A. Mallett, MD, assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 2005; MD, University of Massachusetts Medical School, 2009

Ann E. Maloney, MD, assistant professor of psychiatry and pediatrics; BS, University of Minnesota, 1983; BSN, University of Wisconsin, 1987; MD, Vermont College of Medicine, 1999

Mary Elizabeth Maloney, MD, professor of medicine; BA, Connecticut College, 1973; MD, University of Vermont, 1977

Robert E. Maloney, MD, affiliate of medicine; BS, Niagara University, 1967; MS, 1969; MD, University of Louvain, 1978

Eileen E. Maltais, MD, assistant professor of anesthesiology; BA, Boston College, 1989; MD, Boston University Medical School, 2002

Bruce J. Man, MD, assistant professor of pediatrics; BS, Northeastern University, 1978; MD, University of Miami School of Medicine, 1984

Gertrude W. Manchester, MD, clinical associate professor of medicine; BS, Tufts University, 1973; MD, Yale University, 1978

Madhavi Manchikalapati, MD, assistant professor of medicine; MBBS, Guntur Medical College, 2004

Lee A. Mancini, MD, assistant professor of family medicine & community health; BA, Harvard University, 1995; MD, Jefferson Medical College, 2000

Dhansukhlal C. Mandalaywala, MBBS, Lecturer of family medicine & community health; MBBS, University of Rangoon, 1962

Divakar Mandapati, MD, clinical associate professor of surgery; MD, Armed Forces Medical College, 1983

Elisabet Mandon, PhD, research associate professor of biochemistry & molecular pharmacology; PhD, National University of La Plata, 1987

Pranoti Mandrekar, PhD, associate professor of medicine; BS, University of Bombay, 1984; MS, 1986; PhD, 1991

Virginia B. Mangolds, MS, instructor of emergency medicine; BS, Worcester State College, 1984; MS, University of Massachusetts Lowell, 2001

Sukhpal S. Mann, MD, assistant professor of medicine; BS, D.A.V. College, 1981; MBBS, Armed Forces Medical College, 1987

Gordon S. Manning, MD, assistant professor of medicine; BA, Boston University; MD, 1980

Jeffrey D. Manning, MD, instructor of family medicine & community health; MD, Penn State College of Medicine, 2006

Margaret M. Manning, PhD, instructor of psychiatry; BA, Boston College, 2001; MA, University of Massachusetts, 2005; PhD, 2008

Mark Manning, DO, assistant professor of obstetrics & gynecology; BS, University of Notre Dame, 1991; DO, University of New England College of Osteopathic Medicine, 2003

Thomas D. Manning, MA, instructor of psychiatry; BA, Assumption College, 1969; MA, 1971

Mariann M. Manno, MD, professor of pediatrics and emergency medicine; BS, Fordham University, 1977; MD, New York University, 1981

Mary Elise Manuell, MD, assistant professor of emergency medicine; BA, New York University, 1989; MD, 1993

Junhao Mao, PhD, assistant professor of cancer biology; PhD, University of Rochester, 2002

Carlos C. Maramag Jr., MD, assistant professor of anesthesiology; BA, Cornell University, 1995; MD, Tufts University, 2001

Louise Maranda, PhD, assistant professor of quantitative health sciences and pediatrics; MVZ, Veterinary School, University National Autonoma de Mexico, 1986; PhD, University of California Davis, 2003

Oliver C. Marasigan, MD, assistant professor of medicine; BS, De La Salle University, 1996; MD, 2000

Laurie J. Marin, DO, assistant professor of medicine; BA, Washington University, 1999; DO, Nova Southeastern University, 2003

Martin G. Marinus, PhD, professor of biochemistry & molecular pharmacology; BS, University of Otago, 1965; PhD, 1968

Victoria Mark, MD, assistant professor of medicine; BS, Illinois Institute of Technology, 2002; MD, Rush Medical College, 2008

Andre B. Markarian, MD, assistant professor of emergency medicine; BS, Cornell University, 1991; MD, Mount Sinai School of Medicine, 1996

Ljiljana Markovic, MD, assistant professor of psychiatry; MD, University of Belgrade, 1997

Richard V. Marseglia, MD, instructor of pediatrics; BA, College of the Holy Cross, 1991; MD, University of Massachusetts Medical School, 1995

Wendy K. Marsh, MD, MS, assistant professor of psychiatry; BA, Pomona College, 1994; MS, University of Massachusetts, 2010; MD, Wayne State University School of Medicine, 2000

Christopher Marshall, MD, assistant professor of medicine; BS, Boston College, 2000; MD, University of Massachusetts Medical School, 2004

Paul C. Marshall, MD, associate professor of pediatrics and neurology; BS, Boston College, 1966; MD, Jefferson Medical College, 1970

William Marshall, MD, associate professor of medicine; BA, Harvard University, 1982; MD, Columbia University, 1986

Hayley Marshall-Drohan, DO, clinical assistant professor of obstetrics & gynecology; DO, New York College of Osteopathic Medicine, 1994

Gregory Martens, PhD, instructor of medicine; BS, University of California Davis, 1994; MS, Baylor University, 1997; PhD, 2002

Elaine Martin, DA, associate professor of family medicine & community health; BA, Boston University, 1975; MA, University of Chicago, 1976; DA, Simmons College, 2005

Gilles E. Martin, PhD, assistant professor of psychiatry; BA, University of Pennsylvania, 1987; MS, 1988; PhD, 1991

Kevin B. Martin, MD, assistant professor of medicine; MD, University of Rochester Medical School, 2000

Madelena M. Martin, MD, assistant professor of pediatrics; BA, California University of Pennsylvania, 1995; MD, University of North Carolina Charlotte, 2000

Maurice Martin, MD, affiliate of family medicine & community health; BA, Swarthmore College, 1971; MD, New York University, 1976

Stephen A. Martin, MD, assistant professor of family medicine & community health; BA, Harvard University Continuing Education, 1991; MEd, Harvard Medical School, 1996; MD, 2002

Suzanne Martin, MD, assistant professor of medicine; BA, Duke University, 1999; MD, Pritzker School of Medicine, 2004

Edith H. Mas, MS, MSW, RN, instructor of family medicine & community health; BA, Radcliffe College, 1964; MSW, Columbia University, 1969

Jeanne D. Mase, MD, instructor of family medicine & community health; MD, University of Massachusetts Medical School, 1990

Daniel R. Massarelli, MD, instructor of medicine; BS, Georgetown University, 1981; MD, 1985

Francesca Massi, PhD, assistant professor of biochemistry & molecular pharmacology; PhD, Boston University, 2001

Theofilos P. Matheos, MD, assistant professor of anesthesiology; MD, University of Massachusetts Medical School, 2005

Anuja Mathew, PhD, assistant professor of medicine; BS, Women's Christian College, 1989; MS, Christian Medical College, 1991; PhD, University of Massachusetts Medical School, 1999

Bonnie L. Mathews, MD, assistant professor of pediatrics; BS, University of Alabama Birmingham, 1996; MD, 2001

Anupam Mathur, MD, instructor of medicine; MD, Medical College Amritsar, 1982

Zdenka Matijasevic, PhD, assistant professor of cell & developmental biology; BS, University of Zagreb, 1971; MS, 1979; PhD, 1982

Alexander Matolcsy, MD, clinical assistant professor of emergency medicine; BS, Georgetown University, 1966; MD, University of Vienna, 1975

Krista Matsen, MD, instructor of pediatrics; MD, University of Connecticut, 1999

David M. Matson, DMD, assistant professor of family medicine & community health; BA, Assumption College, 1978; DMD, Tufts University School of Medicine, 1981

Charles Robert Matthews, PhD, the Arthur F. and Helen P. Koskinas Professor of Biochemistry, chair and professor of biochemistry & molecular pharmacology; BS, University of Minnesota Minneapolis, 1968; MS, Stanford University, 1969; PhD, 1974

Eric J. Matthews, DO, assistant professor of medicine; BS, Brandeis University, 2003; DO, University of New England College of Osteopathic Medicine, 2007

Julia A. Matthews-Bellinger, MD, PhD, clinical associate professor of psychiatry; BA, Cornell University, 1970; PhD, 1980

Kristin Mattocks, PhD, MPH, assistant professor of quantitative health sciences and psychiatry; MPH, Yale University, 1999; PhD, 2005

Raimis Matulionis, MD, assistant professor of anesthesiology and surgery; MD, Vilnius University, 1989

Patricia H. Maxson, MD, associate professor of psychiatry and family medicine & community health and pediatrics

Thomas Mayer, MD, assistant professor of medicine; MS, Giessen University Germany, 1985; PhD, 1988

Justin A. Maykel, MD, assistant professor of surgery; BS, Tufts University, 1993; MD, 1998

David A. Mazin, MD, assistant professor of orthopedics & physical rehabilitation; BS, Trinity College, 1999; MD, New York Medical College, 2003

Kathleen Mazor, EdD, professor of medicine; BA, University of Massachusetts Amherst, 1979; MS, Eastern Washington University, 1985; EdD, University of Massachusetts Amherst, 1993

Beth Kurtz Mazyck, MD, clinical associate professor of family medicine & community health; BS, University of Oregon, 1979; MD, George Washington University, 1984

Jeanne McBride, RN, MMHS, instructor of family medicine & community health

Frank J. McCabe, MD, assistant professor of ophthalmology and surgery; BA, Bowdoin College, 1990; MD, University of Massachusetts Medical School, 1995

John Baird McCahan, MD, assistant professor of medicine and pediatrics; BA, Cornell University, 1988; MD, University of Massachusetts Medical School, 1993

Vinetta Marie McCann, DNSc, RNCS, NP, assistant professor of nursing and surgery; BSN, University State of New York Regents College, 1991; MS, University of Massachusetts Medical School, 1997; DNSc, 2010

Robert F. McCarron, MD, clinical associate professor of emergency medicine; BA, Boston College, 1969; MD, University of Massachusetts Medical School, 1982

Kristen Kavulich McCarthy, DO, assistant professor of family medicine & community health; BS, Marist College, 2004; DO, Lake Erie College of Osteopathic Medicine, 2009

Matthew W. McCauley, DO, assistant professor of medicine; BS, Marquette University, 2002; DO, Arizona College of Osteopathic Medicine, 2007

Peter C. McConarty, MD, clinical associate professor of family medicine & community health; BA, Harvard University, 1969; MD, University of Rochester, 1973

Beth A. McCormick, PhD, professor of microbiology & physiological systems; PhD, University of Rhode Island, 1990

Michael J. McCormick, MD, assistant professor of medicine; BS, University of California Berkeley, 1984; MD, Vanderbilt University School of Medicine, 1989

Jeanne M. McCoy, MD, assistant professor of pediatrics; BS, Grand Valley State University, 2002; MD, Medical College of Ohio, 2006

Amanda McCoy, MD, instructor of pediatrics; BA, Assumption College, 2005; MD, West Virginia University School of Medicine, 2009

John R. McCullough, PhD, professor of biochemistry & molecular pharmacology; BA, Brooklyn College, 1970; PhD, State University of New York Downstate, 1980

Theodore P. McDade, MD, assistant professor of surgery; BS, Clarkson University, 1985; MS, Massachusetts Institute of Technology, 1989; MD, Jefferson Medical College, 1996

Christopher McDermott, MD, instructor of pediatrics; MD, Albany Medical College, 1997

Caroline McDonald, MS, BSN, instructor of pediatrics; BSN, Northeastern University, 2000; MS, 2000

Patrick Michael McEnaney, MD, assistant professor of surgery; AB, College of the Holy Cross, 1994; MD, University of Massachusetts Medical School, 1998

David L. McGarry, MD, assistant professor of psychiatry; MD, University of Massachusetts Medical School, 2005

Sarah McGee, MD, MPH, clinical associate professor of medicine; BS, Villanova University, 1979; MD, New York Medical College, 1983

Joseph C. McGill, LICSW, assistant professor of psychiatry; BS, Pennsylvania State University, 1973; MSW, University of Pennsylvania, 1979

Gerald T. McGillicuddy, MD, assistant professor of neurosurgery; MD, Tufts University School of Medicine, 1981

Caroline S. McGrath, RN, BSN, clinical instructor of psychiatry; BSN, Worcester State College, 1986

Brenda McHugh, MD, affiliate of pediatrics; BS, University of Massachusetts Amherst, 1980; MD, University of Massachusetts Medical School, 1985

Christine McHugh-Purington, MD, assistant professor of family medicine & community health; BS, Tufts University, 1976; MD, 1986

William McIlvane, PhD, professor of psychiatry; BA, New York University, 1974; MA, Northeastern University, 1978; PhD, 1986

Michael R. McInerney, MD, assistant professor of medicine; BS, Union College, 1978; MD, University of Massachusetts Medical School, 1982

Colleen E. McKay, MA, assistant professor of psychiatry; BA, Assumption College, 1988; MA, 1990

Jacquelyn Ruth McKean, MD, instructor of family medicine & community health; MD, University of Massachusetts Medical School, 1997

Karl K. McKinstry, PhD, instructor of pathology; BS, University of Saskatchewan, 1999; PhD, 2005

Francis J. McLaughlin, MD, affiliate of family medicine & community health; BA, Dublin City University, 1974; MD, 1974

Thomas J. McLaughlin, SciD, professor of pediatrics and psychiatry and quantitative health sciences; BS, Kings College, 1969; MA, State of New York Health Sciences, 1973; SciD, Harvard University, 1989

William J. McLaughlin, MD, assistant professor of obstetrics & gynecology; BA, University of Vermont, 1971; MS, Wayne State University School of Medicine, 1973; MD, 1977

David D. McManus, MD, assistant professor of medicine and quantitative health sciences; BS, Brown University, 1998; MD, University of Massachusetts Medical School, 2002

Diana Kershaw McManus, MD, instructor of pediatrics; BS, Tufts University, 1998; MD, University of Massachusetts Medical School, 2002

Erin M. McMaster, MD, assistant professor of pediatrics; BA, College of the Holy Cross, 1992; MD, University of Massachusetts Medical School, 1996

Siobhan M. McNally, MD, assistant professor of pediatrics; BS, Yale University, 1979; MPH, University of Massachusetts Amherst, 2000; MD, University of Massachusetts Medical School, 1984

Mariah McNamara, MD, MPH, assistant professor of emergency medicine; BA, University of Vermont, 1998; MPH, Harvard University, 2008; MD, University of Vermont, 2002

Judith McNicholas, MD, affiliate of obstetrics & gynecology

Patricia McQuilkin, MD, clinical associate professor of pediatrics; BS, University of Massachusetts Amherst, 1985; MD, University of Massachusetts Medical School, 1992

Mary A. Medeiros, MD, assistant professor of medicine; BA, Atlantic Union College, 1999; MD, Loma Linda University, 2004

Anila Z. Medina, MD, MPH, assistant professor of medicine; MPH, University of Massachusetts, 2005; MBBS, University of Karachi, 1994

Safdar Medina, MD, clinical assistant professor of pediatrics; BS, University of Toronto, 1991; MD, Indiana University School of Medicine, 1996

Eva Medvedova, MD, assistant professor of medicine; MD, Comenius University School of Medicine, Slovak Republic, 2002

Savant Mehta, MD, clinical associate professor of medicine; MBBS, All India Institute of Medical Sciences, 1984

Carlos Melero-Montes, DO, assistant professor of emergency medicine; BS, Gannon University, 1988; DO, Philadelphia College of Osteopathic Medicine, 1993

Haley E. Melikian, PhD, associate professor of psychiatry and biochemistry & molecular pharmacology; BS, University of Massachusetts Amherst, 1983; PhD, Emory University, 1995

Craig Mello, PhD, the Blais University Chair in Molecular Medicine, Howard Hughes Medical Investigator, distinguished professor of molecular medicine and cell & developmental biology; BS, Brown University, 1982; PhD, Harvard University, 1990

Aaron M. Mendel, MD, assistant professor of obstetrics & gynecology; BS, University Michigan Ann Arbor, 1981; MD, University Michigan Ann Arbor, 1985

Michelle L. Mendoza, MD, assistant professor of emergency medicine; BA, New York University, 2001; MD, 2005

Mercedes E. Menendez, MD, assistant professor of psychiatry; BS, Trinity University, 1983; MD, University Texas Southwestern Medicine Center, 1995

Jianmin Meng, MD, PhD, instructor of medicine; PhD, Boston University, 2006; MD, Peking University Health Science Center, 2000

Fred E. Mensch, MD, instructor of medicine; BA, University of Rochester, 1973; MD, Albany Medical College, 1977

Nicholas M. Mercadante, MD, assistant professor of medicine; AB, University of Pennsylvania, 1976; MD, St. Louis University School of Medicine, 1980

Arthur M. Mercurio, PhD, chair and professor of cancer biology; BS, Rutgers University, 1975; MA, Columbia University, 1976; PhD, 1978

Philip Merriam, MS, assistant professor of medicine; BS, Worcester State College, 1971; MS, Clark University, 1982

Virginia Merritt, MD, instructor of psychiatry; BA, Indiana University Bloomington, 1978; MBA, Regis University, 2004; MD, Indiana University School of Medicine, 1982

Louis M. Messina, MD, professor of surgery; BA, Fordham University, 1973; MD, State University of New York Downstate, 1978

Peter W. Metz, MD, clinical professor of psychiatry and pediatrics; BA, Harvard University, 1972; MD, Harvard Medical School, 1977

Jeffrey N. Metzmaker, MD, assistant professor of orthopedics & physical rehabilitation; BS, St. Louis University, 1970; MD, Baylor University, 1973

Julie E. Meyers, MD, assistant professor of pediatrics; BS, Tufts University, 1978; MD, Tufts University School of Medicine, 1983

Theo E. Meyer, MD, PhD, professor of medicine; PhD, Oxford University, 1991; MD, University of Pretoria, 1976

Basil M. Michaels, MD, clinical assistant professor of surgery; BA, Columbia College, 1983; MD, College of Physicians & Surgeons, 1987

Jennifer Michaels, MD, assistant professor of psychiatry; BA, University of Delaware, 1983; MD, New York University, 1987

Alan D. Michelson, MD, professor of pediatrics and medicine and pathology; MBBS, University of Adelaide, 1973

Eric O. Mick, ScD, associate professor of quantitative health sciences and psychiatry; BA, College of the Holy Cross, 1991; ScD, Harvard University School of Public Health, 1999

Lester Mietkiewicz, MD, instructor of medicine; BA, College of the Holy Cross, 1977; MD, University of Massachusetts Medical School, 1981

Toby Milgrome, MD, FAAP, instructor of pediatrics; BA, Wesleyan University, 1985; MD, University of Massachusetts Medical School, 1994

Stephen C. Miller, PhD, associate professor of biochemistry & molecular pharmacology; BS, University of Wisconsin Madison, 1991; PhD, University San Francisco, 1998

Andrew J. Miller, MD, clinical associate professor of medicine; BA, University of Vermont, 1973; MD, University of Massachusetts Medical School, 1979

Daniel Miller, MD, assistant professor of medicine; BA, Harvard University, 1962; MD, New York University, 1966

Donald H. Miller, MD, instructor of family medicine & community health; MD, State University of New York Downstate, 1981

Julianne Miller, MD, affiliate of psychiatry; BS, Trinity College, Hartford, 1977; MD, University of Connecticut, 1981

Lauren Christina Miller, PhD, assistant professor of psychiatry; PhD, University of Kentucky Lexington, 2009

Pamela E. Miller, MD, assistant professor of medicine; BA, Brown University, 1968; MD, University of Pittsburgh, 1972

Merleen A. Mills, LICSW, MSW, instructor of psychiatry; BA, Mount Holyoke College, 1978; MSW, Boston College, 1989

Morris M. Milman, MD, assistant professor of medicine; BA, State University of New York Binghamton, 1973; MD, Albany Medical College, 1980

Robert J. Milner, PhD, professor of neurology

Andrew M. Milsten, MD, associate professor of emergency medicine; BA, Bucknell University, 1990; MD, George Washington University School of Medicine, 1994

Peter J. Miotto, MD, assistant professor of surgery; BA, Yale University, 1985; MD, University California Irvine, 1989

Ruben Miozzo, MD, assistant professor of psychiatry

Patricia M. Miron, PhD, clinical associate professor of pathology and pediatrics; BS, Yale University, 1983; PhD, Massachusetts Institute of Technology, 1991

John Misasi, MD, instructor of pediatrics; BS, Boston University, 1996; MD, State University of New York Upstate Medical University, 2002

Ashwini Mishra, PhD, research assistant professor of molecular medicine; BS, Purvanchal University, 1990; PhD, University of Mumbai, 2000

Lisa A. Mistler, MD, assistant professor of psychiatry; BS, Massachusetts Institute of Technology, 1982; MS, 1989; MD, University of Vermont, 1996

Ann L. Mitchell, MD, clinical associate professor of neurology; BA, Radcliffe College, 1974; MD, Mount Sinai School of Medicine, 1978

Kathleen White Mitchell, MD, affiliate of pediatrics; BA, College of the Holy Cross, 2002; MD, University of Vermont, 2009

Kenneth P. Mitchell, MD, assistant professor of psychiatry; BS, Boston College, 1978; MD, Harvard Medical School, 1982

Marvin L. Mitchell, MD, professor of pediatrics; BS, Toledo, 1944; MD, Ohio State University, 1950

Michael J. Mitchell, MD, clinical associate professor of pathology; BS, Boston College, 1974; MD, Yale University School of Medicine, 1978

Teresa V. Mitchell, PhD, assistant professor of psychiatry; BA, University of North Carolina Charlotte, 1987; MA, New York University, 1991; PhD, Indiana University Bloomington, 1996

Monika Mitra, PhD, assistant professor of family medicine & community health; MA, Boston University, 1993; PhD, 1997

Mudita Mittal, MD, assistant professor of pediatrics; MBBS, Goa University, 2000

Kevin G. Mitts, MD, clinical assistant professor of orthopedics & physical rehabilitation; BA, Humbolt State University, 1985; MD, Uniformed Services University, 1989

Gary S. Moak, MD, clinical associate professor of psychiatry; BA, University of Pennsylvania, 1978; MD, University of Medicine and Dentistry of New Jersey, 1982

Munir Mobassaleh, MD, assistant professor of pediatrics; BSc, American University of Beirut, 1976; MD, 1981

John Modica, MD, assistant professor of medicine; BA, Villanova University, MD, St. George's University School of Medicine, 1983

Jennifer Jo Averill Moffitt, BA, CNM, RN, MSN, instructor of family medicine & community health; RN, University of California, 2003

Rebecca L. Moles, MD, assistant professor of pediatrics; BA, University of Rochester, 1996; MD, University of Rochester Medical School, 2000

Jane A. Molinari, MD, instructor of obstetrics & gynecology; BA, Bucknell University, 1986; MD, University of Connecticut, 1991

Valerie Molinaro-Gudas, RN, OD, CCHP, instructor of family medicine & community health; BS, New England College of Optometry, 1972; RN, Saint Mary's University, 1966; OD, New England College, 1974

Deborah C. Molrine, MD, MPH, associate professor of pediatrics; BS, Pennsylvania State University, 1980; MPH, Johns Hopkins University, 1986; MD, University of Pennsylvania, 1987

Brian Mongillo, MD, instructor of emergency medicine; BA, Yale University, 1982; MD, Tufts University School of Medicine, 1989

Janaki Moni, MD, clinical associate professor of radiation oncology; MBBS, Christian Medical College, 1984

Brian Monks, BS, MS, instructor of medicine; BS, University of Massachusetts Amherst, 1985; MS, 1988

Jahan Montague, MD, assistant professor of medicine; BA, Tufts University, 1991; MD, Albany Medical College, 1995

Richard D. Montilla, MD, assistant professor of surgery; MD, University of Santo Tomas, 1995

Anthony M. Montoya, MD, assistant professor of emergency medicine; BA, San Jose State University, 1993; MD, University of Pittsburgh, 2003

Jennifer Dunbar Moodie, MD, assistant professor of neurology; BS, University of Massachusetts Amherst, 1996; MD, Robert Wood Johnson Medical School, 2001

Majaz Moonis, MD, professor of neurology and psychiatry; MBBS, University College, 1981

Constance M. Moore, PhD, associate professor of psychiatry; BS, University College Dublin, 1987; MS, 1990; PhD, 1993

Harold R. Moore, MD, assistant professor of medicine; BA, Colorado State University, 1975; MD, University of Massachusetts Medical School, 1981

Melissa J. Moore, PhD, the Eleanor Eustis Farrington Chair in Cancer Research, Howard Hughes Medical Investigator, professor of biochemistry & molecular pharmacology; BS, College of William & Mary, 1984; PhD, Massachusetts Institute of Technology, 1989

Phoebe S. Moore, PhD, assistant professor of psychiatry; PhD, University of California, 2002

Robert R. Moore, MD, PhD, instructor of family medicine & community health; BS, Mount Allison University, 1981; MS, Massachusetts Institute of Technology, 1983; PhD, 1986

Tiffany A. Moore Simas, MD, associate professor of obstetrics & gynecology and pediatrics; BA, Clark University, 1996; MPH, Harvard University School of Public Health, 2006; MD, University of Massachusetts Medical School, 2000

Ann M. Moormann, PhD, MPH, associate professor of pediatrics and quantitative health sciences; BA, Minnesota State University, 1989; MPH, Michigan State University, 1995; PhD, 1999

Brian D. Moquin, MD, assistant professor of medicine; BA, College of the Holy Cross, 1996; MD, University of Massachusetts Medical School, 2001

Maria A. Morabito, PhD, assistant professor of cell & developmental biology; PhD, University of Rome 'La Sapienza, 1979

Nader A. Morad, PhD, clinical associate professor of pathology; MA, Boston University, 1982; PhD, 1985

Peter W. Moran, PhD, assistant professor of psychiatry; BS, Assumption College, 1974; MA, State University of New York Plattsburgh, 1978; PhD, Brigham Young University, 1982

Susan P. Moran, MD, instructor of medicine; BA, Emmanuel College, 1972; MD, State University of New York Downstate, 1977

John P. Mordes, MD, professor of medicine; BA, Harvard University, 1969; MD, Harvard Medical School, 1973

Ellen S. More, PhD, professor of psychiatry; BA, State University of New York New Paltz, 1968; MA, University of Rochester, 1970; PhD, 1980

Caroline Morel, PhD, instructor of molecular medicine; BS, University Jean Moulin Lyons, 1999; MS, University of Montpellier, 2000; PhD, 2004

Valerie Moreland, MD, instructor of family medicine & community health; BA, Point Loma, 1990; MD, Oklahoma, 1998

Richard Moriarty, MD, clinical professor of pediatrics; BA, Colby College, 1968; MD, University Vermont, 1972

Dean A. Morrel, DO, affiliate of family medicine & community health; BA, Drew University, 1982; DO, University of Osteopathic Medicine, 1986

Lisa M. Morris, MS, instructor of family medicine & community health; BA, Boston College, 1985; MS, Lesley College, 1995

Madeline B. Morris, MD, affiliate of pediatrics; BA, Boston University, 1972; MD, Boston University School of Medicine, 1973

Trudy G. Morrison, PhD, professor of microbiology & physiological systems; BA, Wellesley College, 1967; PhD, Tufts University School of Medicine, 1972

Leonard J. Morse, MD, clinical professor of medicine and family medicine & community health; BA, American Intercontinental University, 1951; PhD, University of Massachusetts Medical School

Michael Mortelliti, MD, assistant professor of medicine; BA, Vassar College, 1995; MD, University of Vermont, 1995

Errol Mortimer, MD, assistant professor of orthopedics & physical rehabilitation and pediatrics; BS, McGill University, 1982; MD, 1986

Richard P. Moser, MD, chair and professor of neurosurgery and pediatrics and radiation oncology; MD, Loyola University Chicago, 1974

Alan P. Moss, MD, assistant professor of ophthalmology; BA, University of Vermont, 1969; MD, 1973

Mathew J. Most, MD, assistant professor of orthopedics & physical rehabilitation; BA/BS, State University of New York Buffalo, 1998; MD, State University of New York Upstate Medical University, 2002

Babak Movahedi, MD, PhD, assistant professor of surgery; MD, Free University of Brussels, 1999

Sharon Mozian, MD, assistant professor of psychiatry; BS, Duke University, 1996; MD, University of Colorado Denver, 2001

Patrice M. Muchowski, SciD, affiliate of psychiatry; MA, Newton College of The Sacred Heart, 1973; SciD, Boston University, 1981

Himabindu Muddana, MD, affiliate of pediatrics; BS, Union College, 2002; MD, St. Georges University, 2007

Susanne Muehlschlegel, MD, MPH, assistant professor of neurology and anesthesiology and surgery; MPH, Harvard University School of Public Health, 2010; MD, Philipps-University of Marburg, 2002

Christian P. Mueller, MD, assistant professor of anesthesiology; MD, University of Rostock, 1993

Joyeeta Mitra Mukherjee, PhD, instructor of radiology

Marie T. Mullen, MD, clinical associate professor of emergency medicine; BA, Texas A&M International University, 1991; MD, University of Texas Austin, 1995

Christian Muller, PhD, assistant professor of pediatrics; BS, Florida Institute of Technology, 2000; PhD, University of Florida, 2006

William G. Muller, MD, clinical professor of medicine; BA, Harvard University, 1972; MD, University of Vermont, 1976

Daniel J. Mullin, PsyD, assistant professor of family medicine & community health

Thomas F. Mullins III, MD, clinical associate professor of neurology; BA, College of the Holy Cross, 1967; MD, Jefferson Medical College, 1971

John Francis Mulqueen, MD, affiliate of pediatrics; BS, Boston College, 1981; MD, University of Massachusetts Medical School, 1986

Denise L. Mumley, PhD, assistant professor of psychiatry; BA, James Madison University, 1985; MA, Emory University, 1995; PhD, 1996

Ramesh R. Mundra, MD, affiliate of pediatrics; MBBS, BJ Medical College, 1966

Wade A. Munroe, PsyD, instructor of family medicine & community health; PsyD, Massachusetts School of Psychology, 2009

Maryann Munson, PhD, associate professor of biochemistry & molecular pharmacology and cell & developmental biology; BA, Washington University, 1989; PhD, Yale University, 1996

Kamala Murali, MD, affiliate of pathology; MBBS, University of Bombay, 1970

Dennis Edward Murphy, MD, instructor of medicine; BS, Providence College, 1981; MD, University of Massachusetts Medical School, 1985

Elizabeth A. Murphy, MD, clinical associate professor of medicine; BA, College of the Holy Cross, 1988; MD, Boston University, 1995

Helene K. Murphy, MEd, LSW, instructor of family medicine & community health; BS, Bridgewater State College, 1979; MPH, Clark University

Joyce A. Murphy, MPA, instructor of family medicine & community health; BS, University of Massachusetts Boston, 1974; MPA, Harvard School of Government, 1987

Kenan C. Murphy, PhD, assistant professor of microbiology & physiological systems; BA, Catholic University America, 1976; PhD, University Maryland Baltimore County, 1983

Kevin R. Murphy, PhD, associate professor of psychiatry; BA, Boston College, 1979; MS, Florida State University, 1981; PhD, University of Connecticut, 1990

Peter J. Murphy, MD, assistant professor of pediatrics; BS, Stonehill College, 1976; MS, University of Louisville, 1979; MD, 1982

Putcha R. Murthy, MD, assistant professor of medicine; MBBS, Kakatiya Medical College, 1985

Mohammed Mushtaque, MD, assistant professor of anesthesiology; MBBS, Dow Medical College, 1975

Aviva Must, PhD, professor of family medicine & community health; BS, New York University, 1976; MS, Tufts University, 1987; PhD, 1992

Christopher L. Myers, MD, MPH, TM, affiliate of psychiatry; MPH, Tulane University School of Medicine, 2003; MD, 2003

Mary Kay Myers, MD, affiliate of obstetrics & gynecology

Farzaneh Nabizadeh, MD, clinical assistant professor of obstetrics & gynecology; MD, St. George's University School of Medicine, 2002

Nelly Nabokin, MD, assistant professor of psychiatry; MD, Kishinev Medical School, 1974

Elias Name, MD, instructor of medicine; MD, Universidad Central del Este, Dominican Republic, 1997

Shashidhara Nanjundaswamy, MD, assistant professor of neurology; MBBS, Bangalore Medical College, 1985

Jasjyot K. Nanra, MD, assistant professor of medicine; MBBS, Government Medical College Miraj, 1998

Mary L. Naples, RN, BSN, instructor of pediatrics; BSN, St. Joseph College, 2001

Zafar N. Naqvi, MD, assistant professor of psychiatry

Jaishree T. Narayanan, MD, PhD, clinical associate professor of neurology; MBBS, University of Madras, 1989

Marie Narducci, MD, instructor of obstetrics & gynecology; MD, University of Connecticut, 1991

George Nasinnyk, MD, instructor of medicine; BS, Northeastern University, 1966; MS, Rensselaer Polytechnic Institute, 1969; MD, University of Connecticut, 1976

Rajneesh Nath, MD, assistant professor of medicine and pathology; MD, Banaras Hindu University, 1987

Kavita Navani, MD, instructor of medicine; MBBS, B.J. Medical College, 1985

Zainab Nawab, MD, instructor of family medicine & community health; MD, University of Pune, 1996

Pradeep P. Nazarey, MD, assistant professor of surgery

Beverly L. Nazarian, MD, clinical associate professor of pediatrics; BA, Carleton College, 1989; MD, Minnesota State University, 1994

Brenda Anne Neary, MD, PhD, assistant professor of obstetrics & gynecology; BS, University of Massachusetts Lowell, 1980; PhD, Sackler School of Medicine, 1986; MD, University of Massachusetts Medical School, 1990

Mark John Neavyn, MD, instructor of emergency medicine; BA, Augustana College, 2000; MD, Jefferson Medical College, 2006

Lisa Neavyn, MD, assistant professor of ophthalmology

Bogdan Nedelescu, MD, affiliate of medicine; MD, Carol Davila University of Medicine, 1996

Eric J. Nelson, MD, assistant professor of medicine; BS, Eastern Nazarene College, 1991; MS, University of North Carolina Chapel Hill, 1993; MD, University of Massachusetts Medical School, 2001

Stephen Nelson, DO, assistant professor of medicine; BA, Roger Williams University, 1973; MS, University of Rhode Island, 1980; DO, University of New England, 1984

Kristen L. Neuharth, MD, assistant professor of medicine; BS, North Carolina State University, 1996; MD, University of North Carolina Chapel Hill, 2001

Peter E. Newburger, MD, the Ali and John Pierce Chair in Pediatric Hematology/Oncology, professor of pediatrics and cancer biology and microbiology & physiological systems; BA, Haverford College, 1970; MD, Harvard Medical School, 1974

Michael C. Newstein, MD, PhD, assistant professor of medicine; BS, Cornell University, 1984; MD, Brown University, 1992

Dan Sy Nguyen, MD, instructor of family medicine & community health; BS, University of Massachusetts Amherst, 1994; MD, University of Massachusetts Medical School, 1998

Constance G. Nichols, MD, clinical associate professor of emergency medicine; BS, King College, 1979; MD, Bowman Gray School of Medicine, 1983

Jeffrey Nichols, PhD, research assistant professor of biochemistry & molecular pharmacology; BS, Texas Tech University, 1988; PhD, Rice University

Joanne Nicholson, PhD, professor of psychiatry and family medicine & community health; BA, Syracuse University, 1973; MS, Pennsylvania State University, 1976; PhD, 1979

Jeffrey Alan Nickerson, PhD, associate professor of cell & developmental biology; BS, Michigan State University, 1976; PhD, 1985

Robert J. Nicolosi, PhD, research professor of medicine; BS, Saint Anselm College, 1964; MS, University of New Hampshire, 1967; PhD, 1971

Herbert E. Nieburgs, MD, senior affiliate of pathology

Vincent T. Nishino, MD, affiliate of pediatrics; BS, Stanford University, 1976; MD, University of Massachusetts Medical School, 1980

Keith C. Nobil, MD, affiliate of family medicine & community health; BA, University of California San Diego, 1976; MD, University of Southern California, 1980

Joyee Nobis, MD, affiliate of pediatrics; MBBS, Assam Medical College, 1966

Lisa Noble, MD, instructor of family medicine & community health; BA, Wesleyan University, 1987; MEd, University of Massachusetts Boston, 1990; MD, University of Massachusetts Medical School, 1997

Jean W. Noel Jr., MD, assistant professor of obstetrics & gynecology; MD, Institut Universitaires d'Etude, 1991

Keith E. Nokes, MD, MPH, assistant professor of family medicine & community health; BA, Bowdoin College, 1993; MPH, University of Connecticut, 1998; MD, 1998

Dominic J. Nompoggi, MD, PhD, associate professor of medicine and surgery; BA, Georgetown University, 1972; MS, 1974; PhD, 1977

Judith M. Nordberg, MLIS, instructor of family medicine & community health; BA, University of Massachusetts Amherst, 1971; MLIS, University of Rhode Island, 2007

Mary Kay Nordling, MD, assistant professor of family medicine & community health; BA, George Washington University, 1992; MD, George Washington School of Medicine, 1998

Karen E. Nordstrom, MS, instructor of psychiatry

Gary Noroian, MD, assistant professor of medicine; BS, Tufts University, 1992; MD, University of Massachusetts Medical School, 1996

Paul E. Noroian, MD, assistant professor of psychiatry; BA, Boston University, 1987; MD, University of Massachusetts Medical School, 1991

Kathleen O. Northrup, MD, assistant professor of emergency medicine; BS, Villanova University, 1995; MD, University of Massachusetts Medical School, 1999

Peter Novak, MD, associate professor of neurology

Catherine B. Nowak, MD, assistant professor of pediatrics; BA, Dartmouth College, 1985; MD, McGill University, 1989

David T. Noyes, MD, assistant professor of urology and surgery

Fadi Nukta, MD, assistant professor of surgery; MD, University of Damascus Medical School, 1998

Jason W. Numbers, MD, assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 2005; MD, Drexel University, 2009

Samuel Nurko, MD, assistant professor of pediatrics; MPH, Harvard, 2000; MD, Mexico, 1981

Neil J. Nusbaum, MD, professor of medicine; BA, Columbia University Columbia College, 1972; MA, 1972; MD, Johns Hopkins University, 1980

Syeda S. Nuzhat, MD, assistant professor of psychiatry; MBBS, Fatima Jinnah Medical College, 1995

Benjamin Nwosu, MD, associate professor of pediatrics; MD, University of Nigeria, 1995

John G. O'Brien, MBA, instructor of medicine; BA, Harvard University, 1972; MBA, Boston University, 1976

Mary C. O'Brien, MD, assistant professor of medicine; BA, College of the Holy Cross, 1987; MD, State University of New York, 1991

William H. O'Brien, MSW, instructor of psychiatry; BA, College of the Holy Cross, 1973; MSW, Boston College, 1978

Kelly Jean O'Callahan, MD, instructor of medicine; BS, Tufts University, 1989; MD, University of Massachusetts Medical School, 1993

Rachid M. Och, MD, senior affiliate of psychiatry; MD, Aleppo University, 1980

Gabriel Ochoa, DDS, instructor of family medicine & community health

Ira S. Ockene, MD, the David J. and Barbara D. Milliken Professor of Preventive Cardiology, professor of medicine; BS, City College of New York, 1962; MD, Albert Einstein College of Medicine, 1966

Judith K. Ockene, PhD, MEd, MA, the Barbara Helen Smith Chair in Preventive and Behavioral Medicine, professor of medicine and quantitative health sciences; BS, City College of New York, 1964; MA, 1968; PhD, Boston College, 1979

Ashling O'Connor, MD, assistant professor of surgery; MBBS, University College Dublin, 2002

Darlene O'Connor, PhD, associate professor of family medicine & community health; BA, Westfield State College, 1976; MA, Southern Illinois University, 1981; PhD, Brandeis University, 1987

J. Michael O'Connor, PhD, instructor of radiology; BS, United States Naval Academy, 1971; ME, University Virginia, 1978; PhD, University of Massachusetts Medical School, 2010

June O'Connor, MD, instructor of obstetrics & gynecology; BA, Boston University, 1982; MD, Royal College of Surgeons, 1988

William T. O'Connor, MD, assistant professor of medicine; BA, College of the Holy Cross, 1970; MD, Creighton University, 1974

Katharine K. O'Dell, RN, CNM, WHNP, PhD, associate professor of obstetrics & gynecology; BA, Graceland College, 1996; MS, Case Western Reserve University, 1997; PhD, Rochester Community College, 1975

Paul R. Odgren, PhD, research associate professor of cell & developmental biology; BS, University of Massachusetts Amherst, 1989; PhD, University of Massachusetts Medical School, 1995

Daniel O'Donnell, MD, assistant professor of family medicine & community health; BS, Siena College, 1977; MD, Georgetown University, 1981

Patrick J. O'Donnell, DO, assistant professor of pathology; BS, Pennsylvania State University, 2000; DO, Philadelphia College of Osteopathic Medicine

Deborah A. O'Driscoll, MD, affiliate of pediatrics; AB, Wellesley College, 1979; MD, Harvard Medical School, 1983

Robert Odrobina, MD, assistant professor of medicine; MD, Jagiellonian University Medical College Poland, 2000

Javier Gordon Ogembo, PhD, assistant professor of medicine; BS, Egerton University, 1999; MS, University of Zimbabwe, 2002; PhD, Nagoya University, 2008

Erin C. O'Hara, MD, assistant professor of medicine and pediatrics; BA, Assumption College, 2002; MD, University of Massachusetts Medical School, 2007

Nsidinanya Okike, MD, professor of surgery; MD, Eberhard-Karls University Tubi, 1969

Emmanuel O. U. Okoh, MD, assistant professor of pediatrics; MD, University of Nigeria, 1994

Barbara C. Olendzki, RD, MPH, assistant professor of medicine; BFA, Colorado State University, 1979; MPH, University of Massachusetts Amherst, 2000

Erika N. Oleson, DO, assistant professor of family medicine & community health and medicine; BA, Capital University, 2002; DO, Ohio University College of Osteopathic Medicine, 2006

Paulo J. Oliveira, MD, assistant professor of medicine; BA, Tufts University, 1992; MD, University of Massachusetts Medical School, 1997

Miguel Olmedo, RN, FNP-C, MSN, assistant professor of family medicine & community health; BSN, University of Massachusetts Boston, 1996; MS, 2000

Mary E. Olson, PhD, assistant professor of psychiatry; PhD, University of Massachusetts, 1999

Mary O'Malley, MD, PhD, assistant professor of psychiatry; BA, Oberlin College, 1985; PhD, Rockefeller University, 1992

Lynn O'Neal, MS, instructor of family medicine & community health; BA, Lowell State College, 1973; MS, University of Massachusetts, 1982

Mary J. O'Neill, MD, assistant professor of pediatrics and emergency medicine; BS, Stonehill College, 1986; MD, University of Massachusetts Medical School, 1994

Nneka Onwubueke, MD, assistant professor of medicine; MBBS, University of Lagos, 1990

Paul H. Oppenheimer, MD, instructor of medicine; BS, University of Pennsylvania, 1983; MD, Temple University, 1988

Debbie L. Ordogh, MD, assistant professor of family medicine & community health; BEd, York University, 2002; MD, St. Georges University School of Medicine, 2007

John O'Reilly, MD, assistant professor of pediatrics; BA, Hamilton College, 1980; MD, Albany Medical College, 1984

Sean P. O'Reilly, MD, assistant professor of medicine; BS, University of Miami, 1996; MD, University of Massachusetts Medical School, 2000

Richard N. Orino, MD, assistant professor of medicine; BA, Brown University, 1980; MD, Brown University Medical School, 1983

Alan Orquiola, MD, assistant professor of anesthesiology; BA, College of the Holy Cross, 1993

Sonia Ortiz-Miranda, PhD, research assistant professor of microbiology & physiological systems; BS, University of Puerto Rico, 1983; MS, 1986; PhD, University of California, 1997

Terry F. Osborne, DO, instructor of family medicine & community health; BS, Virginia Polytechnic Institute & State University, 2002; DO, Philadelphia College of Osteopathic Medicine, 2007

Michael A. O'Shea, MD, assistant professor of surgery; MD, National University of Ireland, 1972

Kerri E. Osterhaus-Houle, MD, clinical instructor of obstetrics & gynecology; BA, Harvard University, 1995; MD, University of Massachusetts Medical School, 1999

Gary R. Ostroff, PhD, research professor of molecular medicine and pediatrics; BS, Delaware Valley College of Sciences and Agriculture, 1976; PhD, University of Delaware, 1982

Brian P. O'Sullivan, MD, professor of pediatrics; AB, Dartmouth College, 1975; MD, 1980

Nancy E. Otovic, MD, instructor of family medicine & community health

Christopher Lee Owens, MD, assistant professor of pathology; BS, Presbyterian College, 1997; MD, Medical Center Central Georgia, 2002

Jane S. Owens, PhD, assistant professor of medicine and quantitative health sciences; BA, University of Massachusetts Amherst, 1997; MS, Pennsylvania State University, 1999; PhD, 2001

Joseph H. Oyer, MD, affiliate of otolaryngology; BS, Michigan State University, 1971; MD, 1975

Julie F. Ozaydin, MD, assistant professor of family medicine & community health; BA, Hampshire College, 1985; MD, Tufts University School of Medicine, 1994

R. Kaan Ozbayrak, MD, assistant professor of psychiatry; MD, EGE University, 1987

Sadettin S. Ozturk, PhD, assistant professor of medicine; MS, Ankara University, 1983; PhD, University of Michigan Ann Arbor, 1990

Amrik S. Pabley, MD, assistant professor of ophthalmology

Nicholas Peter Pacella, MD, instructor of pediatrics; BS, Boston College, 1984; MD, University of Massachusetts Medical School, 1988

Luigi Pacifico, DO, clinical associate professor of medicine; BA, Brandeis University, 1983; DO, University of Health Sciences/Osteopathic Medicine, 1988

Ira K. Packer, PhD, clinical professor of psychiatry; BA, Columbia University, 1974; MA, University of Pennsylvania, 1976; PhD, 1979

Monika Lynn Page, MD, assistant professor of pediatrics; BA, College of the Holy Cross, 2001; MS, Georgetown University, 2004; MD, Georgetown University School of Medicine, 2008

Dorothy R. Page, MSN, FNP, instructor of pediatrics; BSN, Fitchburg State College, 1971; MSN, University of Lowell, 1984

Sherry L. Pagoto, PhD, associate professor of medicine; BA, Oakland University, 1995; MA, Western Michigan University, 1998; PhD, 2001

Peter G. Paige, MD, clinical associate professor of emergency medicine; BS, State of New York Health Sciences, 1985; MS, Carnegie Mellon University, 2011; MD, Syracuse University, 1989

Audrey J. Painchaud, MD, assistant professor of neurology; MD, University of Texas Health Sciences Center, 1994

Seema Paliwal, PhD, instructor of cancer biology; PhD, Delhi University, 1999

Richard A. Palken, MD, clinical associate professor of medicine; BS, Tufts University, 1980; MD, Tufts University School of Medicine, 1988

Dongning Pan, PhD, instructor of molecular medicine; BS, Dalian Medical College, 1999; MS, 2002; PhD, Shanghai Medical University, 2005

Naveen C. Pandaraboyina, MD, instructor of family medicine & community health; MD, Gandhi Medical College, 1991

Keshav D. Pandey, MD, assistant professor of medicine; MBBS, GR Medical College India, 1967

John N. Pandiscio, MD, instructor of medicine; BS, Brown Medical School, 1975; MD, Brown University, 1978

Dennis R. Pannullo, MD, assistant professor of medicine; BA, Kenyon College, 1974; MD, University of Nebraska School of Medicine, 1980

Ronald J. Pantano, MD, instructor of medicine; BA, Providence College, 1967; MD, University of Bologna, 1974

Debra M. Papa, MD, assistant professor of obstetrics & gynecology; BS, Siena College, 1979; MD, Georgetown University, 1983

Kadambavan Papavinasasundaram, PhD, instructor of microbiology & physiological systems; PhD, University of Sydney, 1990

Linda A. Pape, MD, professor of medicine and pathology; BA, State University of West Georgia, 1965; MD, Medical College of Pennsylvania, 1972

Arthur M. Pappas, MD, professor of orthopedics & physical rehabilitation and pediatrics; BA, Harvard University, 1953; MD, University of Rochester, 1957

Michael A. Papper, MD, assistant professor of medicine; BA, Brandeis University, 1995; MD, Mount Sinai School of Medicine, 2001

John A. Paraskos, MD, professor of medicine; BS, Tufts University, 1960; MD, Tufts University School of Medicine, 1964

Behzad Parhizgar, MD, clinical associate professor of medicine; BS, Shiraz University, 1970; MD, 1974

Reshma Parikh, MD, assistant professor of obstetrics & gynecology; MBBS, Grant Medical College, 1998

Bhalchandra G. Parulkar, MD, assistant professor of urology and obstetrics & gynecology;

Sahdev R. Passey, MD, affiliate of pediatrics; MBBS, Gandhi Medical College, 1972

Barrie Paster, MD, instructor of family medicine & community health; MD, University of Vermont, 1968

Abhay R. Patel, MD, assistant professor of orthopedics & physical rehabilitation; BA, Boston University, 1996; MD, Boston University Medical School, 2000

Choudhary B.S. Patel, MD, Lecturer of psychiatry; BS, University of Sagar, 1956; MBBS, University of Jabalpur, 1961

Jayendra K. Patel, MD, associate professor of psychiatry; MBBS, MS University, 1983

Ketaki A. Patel, MD, assistant professor of medicine; BS, Massachusetts Institute of Technology, 1995; MD, Tufts University School of Medicine, 2000

Kirti Patel, MD, affiliate of obstetrics & gynecology

Rupal K. Patel, PhD, *associate professor of psychiatry; MS, University of Toronto, 1997; PhD, 2000*

Binu Pathrose, MD, *instructor of family medicine & community health; MD, Mangalore University, 1992*

Theodore J. Patsos, MD, FACS, *clinical assistant professor of surgery; MD, Columbia University, 1981*

Danielle Patterson, MD, *assistant professor of obstetrics & gynecology; BA, The Ohio State University, 1999; MD, 2003*

Rashmi V. Patwardhan, MD, *clinical professor of medicine; MBBS, University of Bombay, 1973*

Nilima Patwardhan, MBBS, *professor of surgery; BS, Elphinstone College, 1961; MBBS, Seth G.S. Medical College, 1965*

Elahna Paul, MD, *instructor of pediatrics; BA, Yale University, 1985; MS, Albert Einstein College of Medicine, 1989; MD, PhD, 1994*

M. Richard Pavao, MD, *assistant professor of anesthesiology; BS, University of Massachusetts Amherst, 2001; MD, University of Massachusetts Medical School, 2005*

David Paydarfar, MD, *professor of neurology; BS, Duke University, 1980; MD, University of North Carolina Chapel Hill, 1985*

Gregory J. Pazour, PhD, *associate professor of molecular medicine; BS, South Dakota State University, 1986; PhD, University of Minnesota Twin City, 1991*

Lori Etzel Pbert, PhD, *professor of medicine; BA, University Connecticut, 1982; MA, West Virginia University Morgantown, 1985; PhD, 1988*

Andrea L. Pearson, MD, *assistant professor of medicine; BA, College of the Holy Cross, 2001; MD, Dartmouth College, 2008*

Liberto Pechet, MD, *professor emeritus of pathology and medicine; MD, Hebrew University of Jerusalem, 1952*

Klaus U. Pechhold, MD, *associate professor of medicine; MD, University of Heidelberg, 1998*

Nicole J. Pecquex, MD, *instructor of surgery; MD, Tufts University School of Medicine, 1998*

Thoru Pederson, PhD, *the Vitold Arnett Professor of Cell Biology, professor of biochemistry & molecular pharmacology; BA, Syracuse University, 1963; PhD, 1968*

Patricia H. Pepper, MD, *assistant professor of ophthalmology;*

Crescens Michael Pellecchia, DO, *assistant professor of medicine; BA, University of Pennsylvania, 1996; MS, St. John's University Jamaica, 1998; DO, New York College of Osteopathic Medicine, 2003*

James William Pellegrini, MD, *assistant professor of pediatrics and obstetrics & gynecology; BS, University of Massachusetts, 1982; MD, University of Massachusetts Medical School, 1986*

Anthony A. Pellegrino, MD, *assistant professor of medicine and psychiatry; BS, Massachusetts Institute of Technology, 1974; MS, 1974; MD, University of Massachusetts Medical School, 1981*

Lori R. Pelletier, PhD, *assistant professor of quantitative health sciences; BS, Worcester Polytechnic Institute, 1989; MBA, Western New England College, 2001; PhD, Worcester Polytechnic Institute, 2010*

Elyssa A. Pellish, MD, *assistant professor of emergency medicine; BA, Yale University, 1998; MD, University of Massachusetts Medical School, 2001*

Larry J. Pellish, MD, *assistant professor of medicine; BS, Union College, NY, 1968; MD, New York University, 1972*

Randall S. Pellish, MD, *assistant professor of medicine; BA, Union College, NY, 1997; MD, University of Massachusetts Medical School, 2001*

Lingtao Peng, PhD, *instructor of biochemistry & molecular pharmacology; PhD, Chinese Academy of Sciences, 2007*

Frederik A. Pennings, MD, *assistant professor of neurosurgery*

Richard D. Perera, MD, *assistant professor of medicine; BA, Princeton University, 1954; MD, New York Medical College, 1958*

Kristen Perras, MD, *instructor of pediatrics; BS, Boston College, 2000; MD, University of Massachusetts Medical School, 2004*

John R. Person, MD, *clinical associate professor of medicine; AB, Dartmouth College, 1969; MD, New York Medical College, 1973*

Sharina D. Person, PhD, *associate professor of quantitative health sciences; BS, University of Alabama Birmingham, 1995; MS, 1997; PhD, 1998*

Raymond Marco Pertusi, DO, *clinical associate professor of medicine; BA, New York University, 1979; DO, New York College of Osteopathic Medicine, 1983*

Richard A. Perugini, MD, *assistant professor of surgery; BS, Yale University, 1990; MD, University Connecticut, 1994*

Pascale Perusse, MD, *assistant professor of ophthalmology*

Paul Peters, PhD, *instructor of molecular medicine; BA, College of the Holy Cross, 1990; MS, Purdue University West Lafayette, 1993; PhD, 1996*

Craig L. Peterson, PhD, *professor of molecular medicine and biochemistry & molecular pharmacology; BS, Washington State University, 1983; PhD, University of California, 1988*

Danna B. Peterson, MD, MHA, *professor emeritus of anesthesiology and pediatrics; MHA, Clark University, 1999; MBBS, University of Edinburgh, 1967*

Karen L. Peterson, MD, *clinical associate professor of medicine; BA, Brown University, 1983; MD, Columbia Physicians Surgeons, 1987*

Stephen M. Pezzella, MD, *clinical associate professor of medicine; BA, College of the Holy Cross, 1969; MD, St. Louis University School of Medicine, 1973*

Jayant G. Phadke, MD, *clinical associate professor of neurology; MD, Mahatma Gandhi Medical College, 1977*

Mary M. Philbin, MEd, *instructor of medicine; BA, Harvard University, 1970; MEd, Harvard University Continuing Education, 1992*

Robert A. Phillips, MD, PhD, *professor of medicine; MD, Mount Sinai School of Medicine, 1980*

Catherine A. Phillips, MD, *clinical associate professor of neurology; BA, Oberlin College, 1979; MD, University of San Francisco, 1983*

Alan Peter Picarillo, MD, *assistant professor of pediatrics and obstetrics & gynecology; BA, College of the Holy Cross, 1993; MD, University of Massachusetts Medical School, 1998*

Michelle Pici, DO, *instructor of family medicine & community health; BS, Worcester State College, 1989; MBA, University of Tennessee Knoxville, 2011; DO, New York College of Osteopathic Medicine, 1996*

Samuel Pickens, MD, *associate professor of family medicine & community health; BA, Hope College, 1950; MD, Wayne State University School of Medicine, 1954*

Brian G. Pierce, PhD, *research assistant professor of biochemistry & molecular pharmacology; BS, Duke University, 2000; PhD, Boston University, 2007*

Richard S. Pieters, MD, *clinical associate professor of radiation oncology and pediatrics; BA, Princeton University, 1970; MEd, Boston University, 1974; MD, Brown University, 1982*

Valerie F. Pietry, MD, MS, *assistant professor of family medicine & community health; BA, Johns Hopkins University, 1983; MS, Massachusetts Institute of Technology, 1985; MD, Dartmouth College, 1989*

Ronald F. Pike, MD, *affiliate of family medicine & community health and psychiatry; BA, Assumption College, 1971; MD, University of Rome, 1976*

Julie G. Pilitsis, MD, PhD, *affiliate of neurosurgery; BS, Rensselaer Polytechnic Institute, 1996; MD, Albany Medical College, 1998*

Debra Pinals, MD, *associate professor of psychiatry; BA, University of Toledo, 1985; MD, Ohio State University Columbus, 1989*

Lawrence G. Pincus, MD, *instructor of pediatrics; BA, Johns Hopkins University, 1971; MD, New York Medical College, 1976*

Michael D. Pincus, DO, assistant professor of medicine; BA, Brandeis University, 1998; DO, New England College of Osteopathic Medicine, 2007

John Platt, MD, instructor of medicine; BA, University of Pennsylvania, 1973; MD, Duke University, 1977

Deborah L. Plummer, PhD, professor of psychiatry and quantitative health sciences

Francis J. Podbielski, MD, associate professor of surgery; BA, University of Chicago, 1984; MS, 1986; MD, Northwestern University, 1990

Sarah Foster Poissant, PhD, assistant professor of otolaryngology; BA, University of Vermont, 1992; MA, University of Connecticut, 1994; PhD, 1999

Thomas B. Pokoly, MD, assistant professor of obstetrics & gynecology; MD, University of Toronto, 1965

Ninan S. Polackal, MD, assistant professor of medicine; MBBS, St. John's Medical College, 1993

David L. Polan, MD, assistant professor of emergency medicine; BA, Cornell University, 1998; MD, Jefferson Medical College, 2004

Charles F. Polcari, MD, instructor of pediatrics; MD, Loyola University Chicago, 2004

Phyllis Pollack, MD, clinical associate professor of pediatrics and medicine and obstetrics & gynecology; BS, Michigan State University, 1972; MD, Harvard Medical School, 1977

Daniel A. Pollen, MD, professor of neurology; BA, Harvard University, 1956; MD, Harvard Medical School, 1960

Robert J. Pollitt, DO, instructor of medicine; BA, University of Rhode Island, 1995; DO, University of New England College of Osteopathic Medicine, 2007

Michael Polseno, DC, instructor of family medicine & community health; BA, Clark University, 1976; DC, Palmer College of Chiropractic, 1979

Dorota K. Poluha, MD, PhD, instructor of family medicine & community health

David Isaac Pomerantz, MD, assistant professor of anesthesiology; MD, University of Massachusetts Medical School, 1998

Grazyna Pomorska, MD, assistant professor of neurology; MD, Medical University of Gdansk, 1996

Joel H. Popkin, MD, clinical associate professor of medicine; BA, New York University, 1970; MD, State University of New York Downstate, 1974

Serguei A. Popov, MD, PhD, research assistant professor of molecular medicine; MD, State Medical University USSR, 1976

Barry R. Portnoy, DMD, instructor of family medicine & community health; BA, University of Massachusetts, 1969; DMD, Tufts University School of Dental Medicine, 1975

Stacy E. Potts, MD, associate professor of family medicine & community health; BS, University of Vermont, 1994; MEd, University of Cincinnati, 2011; MD, University of Vermont, 1998

Cynthia M. Poulos, MD, affiliate of surgery; BA, New York University, 1981; MD, State University of New York Stony Brook, 1985

Anne C. Powell, MD, assistant professor of pediatrics; BA, Bowdoin College, 2001; MD, University of Massachusetts Medical School, 2005

Diane Power, MD, affiliate of obstetrics & gynecology; MD, University of Massachusetts Medical School, 1984

Richard A. Prager, PhD, senior affiliate of psychiatry; BA, Columbia University Columbia College, 1963; MS, Teachers College, Columbia University, 1967; PhD, Columbia University Columbia College, 1970

Glenn Pransky, MD, associate professor of family medicine & community health and medicine; MPH, Harvard University School of Public Health, 1981; MD, Tufts University, 1984

Nancy E. Pratt, MD, assistant professor of psychiatry; BS, Jackson Community College, 1975; MD, Tufts University School of Medicine, 1980

Martha Praught, MD, assistant professor of psychiatry; MD, University of Eastern Philippines, 1983

Benjamin D. Prentiss, MD, assistant professor of medicine; BS, University of Massachusetts Lowell, 1999; MD, University of Massachusetts Medical School, 2004

Petrus H. Pretorius, PhD, associate professor of radiology; BS, University of Stellenbosch, 1980; MS, University of Orange Free State/ Uersiteit, 1989; PhD, 1994

Mark D. Price, MD, PhD, assistant professor of orthopedics & physical rehabilitation; BS, Northwestern University, 1994; PhD, Massachusetts Institute of Technology, 2001; MD, Harvard Medical School, 2003

Amy Prince, MD, assistant professor of psychiatry; BS, University of Massachusetts Amherst, 1987; MD, State University of New York Health Sciences Center Brooklyn, 1992

John V. Pruitt III, MD, affiliate of psychiatry; BA, University of North Carolina Chapel Hill, 1974; MD, 1978

Andrzej Przybyszewski, PhD, research assistant professor of neurology; MS, Warsaw University of Technology, 1973; PhD, Academy of Medicine, Warsaw, 1981

Joseph M. Pugglea, MD, assistant professor of orthopedics & physical rehabilitation; BA, University of Massachusetts Boston, 1984; MD, St. George's University School of Medicine, 1989

Michele P. Pugnaire, MD, professor of family medicine & community health; BS, McGill University, 1976; MD, 1980

John Pullerits, MD, clinical associate professor of anesthesiology and pediatrics; MD, University of Toronto, 1975

Sangeetha Punjabi, MD, assistant professor of medicine; MBBS, Madras Medical College, 1989

Claudio Punzo, PhD, assistant professor of ophthalmology; PhD, University of Basle, 2001

Ajit S. Puri, MD, assistant professor of radiology and neurosurgery; MD, Tamil Nadu Dr. M.G.R. Medical, 2004

Elise H. Pyun, MD, clinical associate professor of medicine; BA, Boston University, 1985; MD, Boston University Medical School, 1985

Abdul Qadir, MD, assistant professor of medicine; MBBS, University of Karachi, 1999

Fozia Qamar, MD, assistant professor of medicine; MD, Dow Medical College, 1998

Lan Qin, MD, PhD, clinical associate professor of neurology; PhD, Indiana University School of Medicine, 1995

Syed M. Quadri, MD, assistant professor of surgery; BS, Queen's University, 1995; MS, University of Toronto, 2003; MD, McMaster University

Robert Quinlan, MD, professor of surgery; BS, College of the Holy Cross, 1966; MD, Cornell University School of Medicine, 1970

Colin C. Quinn, MD, MSPT, assistant professor of neurology; BS, Boston University, 1999; MS, 2001; MD, University of Virginia Medical School, 1999

Mark E. Quirk, EdD, professor of family medicine & community health; BA, Bates College, 1974; MEd, Boston College, 1975; EdD, Clark University, 1982

Raffia Qutab, MD, clinical instructor of family medicine & community health; MD, Fatima Jinnah Medical College, 2005

Jeffrey J. Rade, MD, professor of medicine; BS, University of Notre Dame, 1984; MD, Case Western Reserve University, 1989

Samir Rafeq, MD, instructor of medicine; MD, University of Damascus Medical School, 2008

Glen D. Raffel, MD, PhD, assistant professor of medicine; AB, Bowdoin College, 1998; PhD, Tufts University School of Medicine; MD, 1998

Eileen Rafferty, MSN, instructor of family medicine & community health; BS, University of Michigan Ann Arbor, 1973; MSN, University of Pennsylvania, 1978

Irfan M. Rahim, MD, assistant professor of pediatrics; BA, California State University Fresno, 1990; MD, University Pittsburgh, 1994

Sanjay Ram, MD, associate professor of medicine; MD, Bombay University, 1991

Jyoti P. Ramakrishna, MD, clinical associate professor of pediatrics; MBBS, Lady Harding Medical College, 1983

Muthalagu Ramanathan, MD, assistant professor of medicine; MBBS, Dr. M.G.R. Medical University India, 1997

Eddison Ramsaran, MD, assistant professor of medicine; MD, Royal College of Surgeons, 1988

Muhammad Ramzan, MD, assistant professor of neurology; MD, Liaquat Medical College, 1989

Tariq M. Rana, PhD, professor of biochemistry & molecular pharmacology; BS, Islamia University, Bahawalpur, 1983; MS, Quaid-I-Azam University Islama, 1986; PhD, University of California Davis, 1990

Melinda Randall, MD, assistant professor of psychiatry; BA, St. John's College, 1994; MD, Columbia University Columbia College, 1999

Jeffrey Randazza, MD, assistant professor of emergency medicine; BS, Boston College, 1996; MPH, Boston University School of Public Health, 2000; MD, University of Vermont, 2006

Oliver J. Rando, MD, PhD, associate professor of biochemistry & molecular pharmacology; MD, Stanford University, 2002

Charanjit S. Rao, MD, affiliate of surgery; MBBS, Amritsar Medical College, 1971

Lokinendi V. Rao, PhD, clinical associate professor of pathology; BS, Osmania University, 1976; MS, PhD, Kurukshetra University, 1984

Sowmya R. Rao, PhD, associate professor of quantitative health sciences; BA, Madras Christian College, 1983; MA, State University of New York Buffalo, 1992; PhD, Boston University, 2001

Alwyn Rapose, MD, assistant professor of medicine; MBBS, Topiwala National Medical College, 1993

Melissa Rathmell, MD, assistant professor of family medicine & community health; BS, Massachusetts Institute of Technology, 1984; MD, University of Massachusetts Medical School, 1999

Aminuddin Rathore, MD, assistant professor of urology

Deepa L. Ratwani, DO, assistant professor of medicine; BS, Richard Stockton College of New Jersey, 2002; DO, New York College of Osteopathic Medicine, 2007

Dale E. Rauch, MD, assistant professor of psychiatry; BS, University of Massachusetts Boston, 1981; MD, University of Massachusetts Medical School, 1986

Paul S. Rava, MD, Instructor of radiation oncology; BA, Hamilton College, 1997; MD, State University of New York, 2008

Paula D. Ravin, MD, clinical associate professor of neurology; BA, Yale University, 1974; MD, Wayne State University School of Medicine, 1980

Sharon J. Rawlings, MD, assistant professor of medicine; BA, Brandeis University, 1993; MD, University of Massachusetts Medical School, 1997

John J. Reap, MD, instructor of pediatrics; BA, College of the Holy Cross, 1994; MD, University of Massachusetts Medical School, 2000

John S. Reece Hoyes, PhD, research assistant professor of molecular medicine; BS, James Cook Australia, 1996; PhD, 2001

George W. Reed, PhD, professor of medicine; BA, Washington College, 1975; PhD, University of Maryland Baltimore County, 1983

John I. Reed, MD, clinical associate professor of medicine; BA, Williams College, 1973; MD, University of Rochester, 1977

Yasser Rehman, MD, assistant professor of medicine; MBBS, Khyber Medical College, Pakistan, 1999

Jennifer A. Reidy, MD, assistant professor of family medicine & community health and medicine; BS, Villanova University, 1989; MS, Columbia University, 1990; MD, University of Vermont, 2000

Gabrielle M. Reine, MD, assistant professor of obstetrics & gynecology; BS, University of Massachusetts Amherst, 1992; MD, University of Massachusetts Medical School, 1996

Daniel Reinstein, PhD, affiliate of psychiatry; BA, University of Delaware, 1974; MA, University of Florida, 1978; PhD, State University of New York Binghamton, 1981

David R. Remis, MD, assistant professor of medicine and pediatrics; BA, Brandeis University, 1991; MA, Virginia State University, 1993; MD, University of Massachusetts Medical School, 2000

Tina Irene Render, MD, assistant professor of psychiatry; BS, Simmons College, 1983; MD, University of Massachusetts Medical School, 1987

Rodolfo E. Reni, MD, assistant professor of psychiatry

Aleksandr Repik, PhD, instructor of molecular medicine; PhD, Russian Academy of Sciences, 1994

Steven M. Reppert, MD, the Higgins Family Professor of Neuroscience, chair and professor of neurobiology; BS, University of Nebraska Omaha, 1973; MD, 1973

Marc C. Restuccia, MD, clinical associate professor of emergency medicine; BS, Boston College, 1980; MD, University of Massachusetts Medical School, 1984

Michael Reyes, MD, assistant professor of family medicine & community health; MD, Loyola University Chicago, 1998

Martin A. Reznick, MD, MBA, assistant professor of emergency medicine; BA, Cornell University, 1995; MBA, University of Michigan Ann Arbor, 2008; MD, Baylor College of Medicine, 1999

Nicholas R. Rhind, PhD, associate professor of biochemistry & molecular pharmacology and cell & developmental biology; BA, Brown University, 1989; PhD, University of California, 1995

Jonathan Rhodes, MD, associate professor of pediatrics; BA, Columbia University, 1978; MD, Harvard University, 1982

Sean H. Rhyee, MD, assistant professor of emergency medicine; BS, University of Michigan, 1996; MPH, 1998; MD, Rush University, 2002

Farhana R. Riaz, MD, assistant professor of radiology; BS, Rensselaer Polytechnic Institute, 1998; MD, Albany Medical College, 2000

Ann Michele Ricard, MD, FACP, instructor of medicine; MBBS, University of New South Wales, 1971

Peter A. Rice, MD, professor of medicine; BE, Yale University, 1964; MD, University of Pennsylvania, 1969

Willard G. Rice Jr., MD, affiliate of ophthalmology; BA, Amherst College, 1964; MD, Tufts University School of Medicine, 1968

Robin S. Richman, MD, assistant professor of obstetrics & gynecology; BS, Muhlenberg College, 1972; MD, Temple University, 1976

Robert I. Richmond, MD, assistant professor of anesthesiology and pediatrics; BA, St. Francis Xavier University, 2000; MD, St. George's University, 2007

Joel Richter, PhD, professor of molecular medicine; BA, Indiana University Bloomington, 1974; MS, Arizona State University Tempe, 1976; PhD, 1979

Katherine M. Riggert, DO, assistant professor of family medicine & community health; BA, University South Florida, 1992; MS, Springfield College, 1998; DO, New England College of Osteopathic Medicine, 2004

Jack K. Ringler, MD, clinical associate professor of medicine; AB, Dartmouth College, 1979; MD, Harvard Medical School, 1983

Catherine Riordan, MD, assistant professor of pediatrics; BS, Boston University, 1981; MD, Boston University School of Medicine, 1992

Peter N. Riskind, MD, PhD, clinical professor of neurology; MD, Southwestern Medical School, 1975

Ann R. Rittenhouse, PhD, associate professor of microbiology & physiological systems; BA, Mount Holyoke College, 1976; PhD, Boston University, 1984

Donna Rivera, MSW, instructor of family medicine & community health; BA, University of Puerto Rico, 1973; MSW, University of Connecticut, 1983

Jaime Rivera Perez, PhD, assistant professor of cell & developmental biology; BS, Autonomous University of Nuevo, 1990; PhD, University Texas Health Sciences Center Houston, 1997

Nicole Rivers, MPA, instructor of pediatrics; BS, Bridgewater, 1995; MPA, Suffolk University, 1998

Marilyn Riza, MS, instructor of family medicine & community health; BA, Beloit College, 1980; MS, Fitchburg State College, 1997

Anastasia Star L. Rizos, DO, assistant professor of psychiatry; BA, St. Anselm College, 1984; MS, Rivier College, 1986

Ruthann Rizzi, MD, assistant professor of psychiatry; BS, St. Joseph's College Brooklyn, 1985; MD, State of New York Health Sciences, 1990

Tina M. Robakiewicz, MD, assistant professor of medicine; AB, Brown University, 1985; MD, University of Pennsylvania, 1990

Kimberly A. Robinson, MD, assistant professor of medicine; BS, McGill University, 1992; MPH, Emory University, 1996; MD, George Washington University School of Medicine, 2000

Susan C. Robinson, MD, affiliate of pediatrics; BA, Dartmouth College, 1995; MD, Georgetown University, 1999

William P. Robinson, MD, assistant professor of surgery; BA, Davidson College, 1996; MD, Southern Illinois University, 2000

Kenneth L. Rock, MD, chair and professor of pathology; BA, Washington University School of Medicine, 1974; MD, University of Rochester, 1978

William E. Rockett, MD, assistant professor of surgery; BA, Harvard University, 1985; MD, Tufts University School of Medicine, 1990

Jan Claire Rockwood, MD, instructor of family medicine & community health; BA, Randolph-Macon Woman's College, 1974; MD, University of Massachusetts Medical School, 1982

Stephanie C. Rodrigues, PhD, assistant professor of psychiatry; PhD, Hofstra University, 2010

Karla M. Rodriguez Perez, MD, assistant professor of psychiatry; BS, University of Puerto Rico, 2002

Evgeny I. Rogae, PhD, professor of psychiatry; PhD, Academy of Medical Science, 1988

Mai-Lan A. Rogoff, MD, associate professor of psychiatry and pediatrics; BA, Barnard College Columbia University, 1967; MD, New York Medical College, 1971

Bailoo Rohatgi, MD, affiliate of obstetrics & gynecology; MD, Jawaharlal Nehru Medical College, 1995

Mauricio G. Romero-Gonzalez, MD, MPH, assistant professor of psychiatry; MPH, University of Connecticut, 2005; MD, Colegio Mayor de Nuestra Señora, 1984

Christine Rooney, MD, assistant professor of family medicine & community health; BA, College of the Holy Cross, 1989; MD, University of Massachusetts Medical School, 1995

Milagros Rosal, PhD, professor of medicine; BA, Catholic University Andres Bello, 1981; MS, Nova Southeastern University, 1986; PhD, 1992

Salvatore Rosanio, MD, PhD, FACC, FESC, professor of medicine; MD, University of Rome 'La Sapienza', 1987

Eileen Roscoe, PhD, assistant professor of psychiatry; BS, University of Florida, 1996; MS, 1999; PhD, 2001

Henry J. Rose, MD, assistant professor of medicine; BA, Hamilton College, 1977; MD, University of Rochester Medical School, 1981

Matthias S.F. Rose, MD, PhD, associate professor of quantitative health sciences; MD, Free University of Berlin, 1990; PhD, 2003

Allison B. Rosen, MD, MPH, ScD, associate professor of quantitative health sciences; BS, University Pennsylvania, 1992; ScD, Harvard School of Public Health, 2004; MD, Duke University School of Medicine, 1999

Amy K. Rosen, PhD, professor of quantitative health sciences; BA, Boston University, 1970; MS, 1973; PhD, University of Maryland, 1982

Bruce B. Rosen, MD, instructor of medicine; BS, University of Michigan Ann Arbor, 1980; MS, Tufts University, 1984; MD, University of Massachusetts Medical School, 1993

Max Paul Rosen, MD, MPH, chair and professor of radiology

Paul M. Rosen, PhD, affiliate of psychiatry; BA, University of Massachusetts, 1972; MA, University of Denver, 1974; PhD, 1977

Yael L. Rosen, MD, assistant professor of medicine; BS, Brandeis University, MD, Boston University School of Medicine, 2006

Christopher D. Rosenbaum, MD, assistant professor of emergency medicine; BA, College of the Holy Cross, 1999

Elana Rosenbaum, MS, MSW, instructor of medicine; BA, City College of New York, 1966; MS, Yeshiva University New York, 1968

Joyce S. Rosenfeld, MD, assistant professor of emergency medicine; BS, University Illinois Chicago, 1979; MS, DePaul University, 1982; MD, Mount Sinai School of Medicine, 1988

Thomas L. Rosenfeld, MD, instructor of medicine; BA, Queens College, 1974; MD, Medical College of Virginia, 1978

David A. Rosenfield, MD, associate professor of family medicine & community health; MD, 1970

Katherine Rosenfield, MD, instructor of family medicine & community health; MD, George Washington University School of Medicine, 1991

Lawrence S. Rosenthal, MD, PhD, associate professor of medicine; BS, Trinity College, Hartford, 1981; MA, Clark University, 1984; PhD, 1987

Richard A. Rosiello, MD, assistant professor of medicine; BA, College of the Holy Cross, 1978; MD, Dartmouth College, 1981

Alan G. Rosmarin, MD, the Gladys Smith Martin Chair in Oncology, professor of medicine; BA, Vassar College, 1977; MD, Robert Wood Johnson Medical School, 1981

Alonzo H. Ross, PhD, professor of biochemistry & molecular pharmacology and cancer biology; BA, Cornell University, 1972; PhD, Stanford University, 1977

Aldo A. Rossini, MD, professor emeritus of medicine and molecular medicine; BS, University of Dayton, 1963; MD, St. Louis University School of Medicine, 1968

Fred A. Rotenberg, MD, assistant professor of anesthesiology; AB, Washington University, 1973; MS, University of Rhode Island, 1976; MD, Brown University, 1981

Douglas M. Rothkopf, MD, professor of surgery; BA, Amherst College, 1976; MD, New York University, 1980

Deborah Rothman, MD, PhD, assistant professor of medicine and pediatrics; BA, Kirkland College, 1972; PhD, Cornell University, 1980; MD, SUNY, Downstate, 1988

Jonathan Stuart Rothman, MD, senior affiliate of psychiatry and medicine; BA, Northeastern University, 1970; MD, University of Massachusetts Medical School, 1974

Karen F. Rothman, MD, assistant professor of medicine and pediatrics; BA, Boston University, 1981; MD, 1981

Anthony Rothschild, MD, the Irving S. and Betty Brudnick Chair in Psychiatry, professor of psychiatry; BA, Princeton University, 1975; MD, University of Pennsylvania, 1979

Ann M. Rothstein, PhD, professor of medicine and microbiology & physiological systems; BA, Washington University, PhD, University of Pennsylvania, 1977

Dominick F. Roto, DO, affiliate of family medicine & community health; DO, University of New England, 1989

Jeanne Rousseau, DO, assistant professor of family medicine & community health; BA, Brandeis University, 1984; DO, University of New England, 1990

Pierre A. Rouzier, MD, assistant professor of family medicine & community health; BS, University California Davis, 1979; MD, University of Southern California, 1984

Daniel F. Rowe, MD, assistant professor of psychiatry

Abhijit Roychowdhury, MD, assistant professor of radiology; MD, Osmania Medical College, 1982

William E. Royer, PhD, professor of biochemistry & molecular pharmacology; BS, Pennsylvania State University Park, 1976; PhD, Johns Hopkins University, 1984

Ronald B. Rubin, MD, assistant professor of anesthesiology; BS, University of Massachusetts, 1984; MD, University of Massachusetts Medical School, 1988

Richard J. Rubin, MD, affiliate of family medicine & community health; BS, University of Iowa, 1970; MD, Rosalind Franklin University, The Chicago Medical School, 1974

Angela Joan Rubineau, MD, lecturer of family medicine & community health; BS, Massachusetts Institute of Technology, 1990; MPH, University of North Carolina Chapel Hill, 1998; MD, Yale University, 2000

Jessica Rae Rubinstein, MD, instructor of pediatrics; MD, University of Massachusetts Medical School, 1986

Anna G. Rudnicki, MD, assistant professor of medicine; BA, University of Illinois Chicago, 1994; MD, University of Massachusetts Medical School, 2002

Ellen M. Ruell, MPH, MEd, PA-C, instructor of family medicine & community health; BS, Johns Hopkins University, 1978; MEd, Harvard University, 1980

Paul Andrew Rufo, MD, instructor of pediatrics; BA, Harvard University, 1985; MMSc, Harvard Medical School, 2002; MD, University of Massachusetts Medical School, 1990

Barbara A. Rugo, MD, assistant professor of pediatrics; BA, Connecticut College, 1980; MD, Medical College of Pennsylvania, 1991

Katherine Ruiz De Luzuriaga, MD, professor of molecular medicine, pediatrics and medicine; BS, Massachusetts Institute of Technology, 1978; MS, 1980; MD, Tufts University School of Medicine, 1984

Christine N. Runyan, PhD, clinical associate professor of family medicine & community health; BA, University of Maryland Baltimore County, 1992; PhD, Virginia Polytechnic Institute, 1998

Mary Rusckowski, PhD, research associate professor of radiology; BA, Albertus Magnus College, 1975; PhD, Rutgers University, 1981

Arthur R. Russo, MD, affiliate of medicine; BA, College of the Holy Cross, 1976; MD, State University of New York Syracuse, 1980

Maria Russo-Appel, MD, assistant professor of psychiatry; BA, Mount Holyoke College, 1988; MD, Mount Sinai School of Medicine, 1992

Patricia Ruze, MD, lecturer of family medicine & community health; BA, Yale University, 1981; MD, Dartmouth College, 1990

Laurel A. Ruzicka, MD, assistant professor of family medicine & community health; BS, University of Massachusetts Amherst, 1988; MD, University of Massachusetts Medical School, 1995

Gail Ryan, MD, instructor of pediatrics; BS, Rutgers University, 1981; MD, Robert Wood Johnson Medical School, 1990

Mark E. Ryan, MD, affiliate of pediatrics; BS, University of Massachusetts Amherst, 1979; MD, University of Vermont, 1986

Sean P. Ryder, PhD, associate professor of biochemistry & molecular pharmacology; BS, University of New Hampshire Manchester, 1995; PhD, Yale University, 2001

Jennifer L. Rylander, MD, assistant professor of pediatrics and obstetrics & gynecology; BS, University of Vermont, 1988; MD, University of Connecticut School of Medicine, 1994

Matthew William Ryzewski, DO, instructor of pediatrics; BS, Fairfield University, 2003; DO, New York College of Osteopathic Medicine, 2009

Rola Saab, MD, assistant professor of family medicine & community health; MD, American University of Beirut, 2003

Alex N. Sabo, MD, clinical associate professor of psychiatry; BA, Harvard University, 1975; MD, University of Massachusetts Medical School, 1983

Shiva Saboori, MD, instructor of family medicine & community health; BS, Tufts University, 1984; MD, 1988

Allison H. Sacher, MD, clinical assistant professor of radiation oncology; BS, Cornell, 1989; MD, Mount Sinai School of Medicine, 1994

Howard J. Sachs, MD, clinical associate professor of medicine; BA, Clark University, 1981; MD, State University of New York Stony Brook, 1985

Martha Sacoto, MD, assistant professor of pediatrics; BS, City University of New York, 1986; MD, State University of New York Syracuse, 1989

Richard Amsden Sacra, MD, assistant professor of family medicine & community health

Rajani S. Sadasivam, PhD, assistant professor of quantitative health sciences; BS, University of Madras, 1999; MS, University of Alabama Birmingham, 2002; PhD, 2007

Prabhasadanah G. Sadhujan, MD, assistant professor of medicine; MBBS, Kakatiya Medical College, 1980

Parviz J. Sadighi, MD, professor of surgery; MD, Tehran University of Medical Sciences, 1962

Marjorie S. Safran, MD, clinical professor of medicine; BA, University of Rochester, 1970; MD, State University of New York Downstate, 1977

Charles G. Sagerstrom, PhD, professor of biochemistry & molecular pharmacology; BA, Macalester College, 1987; PhD, Stanford University, 1993

Linda D. Sagor, MD, MPH, clinical professor of pediatrics; BA, University of Pennsylvania, 1969; MPH, Michigan State University, 1971; MD, 1976

Stanley E. Sagov, MD, assistant professor of family medicine & community health; BA, New England Conservatory of Music, 1973; MD, University of Cape Town, 1967

Inderneel Sahai, MD, assistant professor of pediatrics; MD, Armed Forces Medical College, 1987

Elizabeth Saich, MD, instructor of family medicine & community health; BA, Harvard College, 1994; MD, University of Massachusetts Medical School, 2000

Fuad R. Said, MD, assistant professor of medicine; MD, Jordan University Medical School, 2003

Nancy G. Said, MD, instructor of medicine; MBCHP, Alexandria University, 1975

Sameh S. Said, MD, instructor of medicine; MBCHP, Alexandria University, 1969

Reza F. Saidi, MD, assistant professor of surgery; MD, Tehran University of Medical Sciences, 1997

Stacia Sailer, MD, clinical associate professor of medicine; BS, West Virginia Wesleyan College, 1984; MD, Jefferson Medical College, 1988

Jyot D. Saini, MD, assistant professor of obstetrics & gynecology; BA, Washington and Jefferson College, 1989; MD, University of Pittsburgh, 1993

Johnny S. Salameh, MD, assistant professor of neurology; BS, American University of Beirut, 1997; MD, 2002

Ann Salerno, MD, assistant professor of pediatrics; BA, University of Virginia, 1995; MS, University of Pennsylvania, 2009; MD, Columbia University, 1999

Elisabeth Salisbury, PhD, assistant professor of neurology; BA, Rollins College Winter Park, 1984; MA, State University of New York Stony Brook, 1990; PhD, 1993

Elena Salmoirago Blotcher, MD, PhD, assistant professor of medicine; MD, University of Milan, 1985

Karen Salomon Escoto, MD, assistant professor of medicine; MD, Universidad Nacional Pedro Henriquez Urena, 2001

Steven D. Salt, MD, assistant professor of anesthesiology; BS, Rensselaer Polytechnic Institute, 1976; MD, University of Massachusetts Medical School, 1981

Corey Saltin, MD, assistant professor of medicine; BS, University of Georgia, 1995; DO, University of New England College of Osteopathic Medicine, 2000

Ellen Salurand, MD, assistant professor of neurology; BS, University of Toronto, 1979; MBA, York University, 1983; MD, Albany Medical College, 1992

Claudiu M. Salvan, MD, assistant professor of medicine; MD, Cluj-Napoca Institute of Medicine, 2002

Ralph J. Sama, MD, assistant professor of medicine; BA, College of the Holy Cross, 1974; MD, University of Massachusetts Medical School, 1978

Joanne Maria Samant, MD, assistant professor of pediatrics; BA, Indiana University, 1981; MS, Adelphi University, 1983; MD, State University of New York, 1991

Ninad N. Samant, MD, clinical associate professor of medicine; BS, State University of New York Stony Brook, 1986; MD, State of New York Health Sciences, 1990

Julian Sanchez-Cruz, MD, assistant professor of medicine; MD, Universidad Nacional Pedro Henriquez Urena, 1990

Michael Sanderson, PhD, professor of microbiology & physiological systems; BS, University of Southampton, 1976; PhD, 1981

Swati S. Sane, MD, affiliate of pediatrics; MB/BS, Grant Medical College, 1997; MPH, Harvard University, 1999

Darshak M. Sanghavi, MD, associate professor of pediatrics; BA, Harvard University, 1992; MD, Johns Hopkins University School of Medicine, 1997

Rodrigo Santamarina, MD, assistant professor of surgery; BS, University of California 'Francisco Marroqui, 1991

Paul Angelo Santolucito, MD, assistant professor of medicine; BS, University of Massachusetts Amherst, 1997; MD, University of Massachusetts Medical School, 2004

Saki F. Santorelli, EdD, professor of medicine; BA, Western Kentucky University, 1970; MA, Lesley College, 1983; EdD, University of Massachusetts Amherst, 1992

Heena Pravin Santry, MD, assistant professor of surgery and quantitative health sciences

Afroz S. Saquib, MD, instructor of medicine; MBBS, Nagpur University, 1995

Jane Cummin Sargent, MD, clinical professor of neurology and surgery; MD, Hahnemann Medical College, 1974

Jennifer B. Sargent, DO, assistant professor of medicine; BA, University of Massachusetts Dartmouth, 1993; DO, University of New England, 2005

Monisha Sarin, MD, assistant professor of family medicine & community health; MBBS, Maulana Azad Medical College, 1985

Sunil Sarin, MD, instructor of family medicine & community health; MBBS, Maulana Azad Medical College, 1978

Sameer P. Sarkar, MD, assistant professor of psychiatry

Lydia J. Sarro, MD, FAAP, instructor of pediatrics; BS, Northwestern University, 1979; MD, Northwestern University Medical School, 1981

Christopher M. Sassetti, PhD, associate professor of microbiology & physiological systems; BS, Santa Clara University, 1990; PhD, University of San Francisco, 1999

Jeffrey Satnick, MD, assistant professor of family medicine & community health; BA, Indiana University, 1978; MD, Autonomous University of Guadalajara, 1982

Osamu Sato, PhD, instructor of microbiology & physiological systems; BS, Chiba University, 1990; MS, 1992; PhD, Juntendo University, 2001

Ann L. Sattler, MD, clinical professor of pediatrics; BA, Stanford University, 1968; MA, Harvard University, 1970; MD, University of Illinois Chicago, 1976

Todd B. Sauter, MA, CCC-A, instructor of otolaryngology and pediatrics; BS, University of Massachusetts, 1996; MA, 1998

Judith A. Savageau, MPH, research associate professor of family medicine & community health and pediatrics; BS, Northeastern University, 1977; MPH, Yale University, 1980

Barry G. Saver, MD, MPH, associate professor of family medicine & community health; BS, Yale University, 1976; MA, Harvard University, 1979; MD, Columbia Physicians Surgeons, 1983

Harbir S. Sawhney, MBBS, assistant professor of medicine; BS, G.N. Khalsa College, 1991; MB CHP, Seth G.S. Medical College, 1997

Tomi Sawyer, PhD, professor of cancer biology; PhD, University of Arizona, 1981

Mary E. Scannell, MD, instructor of obstetrics & gynecology; BS, Boston University, 1979; MD, University of Massachusetts Medical School, 1984

Neil Scannell, DO, assistant professor of medicine; BS, Worcester Polytechnic Institute, DO, University of New England College of Osteopathic Medicine, 2002

Oren P. Schaefer, MD, clinical associate professor of medicine; BS, Cornell University, 1980; MD, Dartmouth College, 1986

Andrew Irving Schamess, MD, assistant professor of medicine; BA, Sarah Lawrence College, 1986; MD, University of Massachusetts Medical School, 1991

Kimberly A. Schandel, PhD, assistant professor of microbiology & physiological systems; BS, Pennsylvania State University, 1983; PhD, Duke University, 1990

Andres Schanzer, MD, associate professor of surgery and quantitative health sciences; BS, Harvard University, 1996; MD, New York University, 2000

Mark J. Scharf, MD, clinical professor of medicine; BA, University of Chicago, 1978; MD, Emory University, 1982

Michael N. Schatz, MD, affiliate of obstetrics & gynecology; MA, Brandeis University, 1961; MD, New York University, 1965

Celia A. Schiffer, PhD, professor of biochemistry & molecular pharmacology; BA, University of Chicago, 1986; PhD, University of California San Francisco, 1992

Ira J. Schmelkin, MD, assistant professor of medicine; BS, City University of New York, 1982; MD, State University of New York Buffalo, 1984

Eric J. Schmidlin, MD, assistant professor of radiology; BS, Youngstown State University, 2001; MD, Northwestern Ohio University College of Medicine, 2006

Eric W. Schmidt, MD, clinical associate professor of emergency medicine; BS, Northeastern University, 1979; MD, University of Massachusetts Medical School, 1983

Madelyn R. Schmidt, PhD, research associate professor of microbiology & physiological systems; BS, Northeastern University, 1977; PhD, University of Massachusetts Medical School, 1991

Alice A. Schmuckal, MD, assistant professor of medicine; BA, Western State College of Colorado, 1977; MD, University of Colorado, 1986

Peter B. Schneider, MD, professor of medicine; AB, Harvard College, 1955; MD, Harvard Medical School, 1959

Maria Schoen, MD, instructor of pediatrics; MD, University of Vermont, 1990

Jennifer Lynn Schott, MD, instructor of pediatrics and family medicine & community health; BA, Wellesley College, 1995; MD, University of Massachusetts Medical School, 1999

Carol E. Schrader, PhD, research assistant professor of microbiology & physiological systems; BA, Wesleyan University, 1984; PhD, University of Pennsylvania, 1992

Mark L. Schrank, MD, assistant professor of medicine; BA, New York University, 1979; MD, State University of New York Downstate, 1983

Lorraine M. Schratz, MD, instructor of pediatrics; BS, Union College, 1986; MD, Albany Medical College, 1989

Norman Harmon Schulman, MD, clinical professor of surgery; BS, Tufts University, 1961; MD, Tufts University School of Medicine, 1965

Alexandra Schultes, MD, assistant professor of family medicine & community health; BA, Wellesley College, 1983; MD, University of Massachusetts Medical School, 1987

Anthony L. Schwagerl, MD, PhD, assistant professor of anesthesiology; BS, Fordham University, 1989; MA, Boston College, 1992; PhD, Boston University Medical School, 2002

Gerald Schwarting, PhD, professor of cell & developmental biology; BS, University of Connecticut, 1969

Carl Schwartz, MD, instructor of anesthesiology; BS, Case Western Reserve University, 1978; MD, St. George's University, 1982

Daniel M. Schwartz, MD, assistant professor of radiology; BS, Massachusetts Institute of Technology, 1993; MD, Washington School of Medicine, 1997

Frederic H. Schwartz, MD, assistant professor of medicine; BA, Trinity College, 1980; MD, Hahnemann College, 1984

Paul S. Schwartz, MD, assistant professor of medicine; BA, Antioch College, 1960; MD, Washington University, 1964

William J. Schwartz, MD, professor of neurology; BS, University of California Irvine, 1971; MD, University of California San Francisco, 1974

Thomas J. Scornavacca Jr., DO, instructor of family medicine & community health; DO, University of Osteopathic Medicine, 1996

Jeffrey Allan Scott, MD, assistant professor of medicine; BA, Boston College, 1985; MD, University of Massachusetts Medical School, 1989

Jordan E. Scott, MD, instructor of family medicine & community health; BA, Wesleyan University, 1996; MD, Boston University School of Medicine, 2000

Gail Scully, MD, assistant professor of medicine; BA, University of Massachusetts Amherst, 1980; MPH, University New Mexico Albuquerque, 2002; MD, Tufts University School of Medicine, 1985

Jerianne Seger, MD, assistant professor of medicine; BS, Michigan State University, 1973; MD, Wayne State University School of Medicine, 1977

Patrica A. Segerson, MBA, instructor of pediatrics; BA, Manhattanville College, 1974; MBA, Boston University, 1984

Machelle M. Seibel, MD, clinical professor of obstetrics & gynecology; BA, University of Texas, 1971; MD, 1975

Mary J. Seibel, MD, instructor of medicine; MD, Northwestern University Medical School, 1979

Christopher Seidler, MD, clinical associate professor of medicine; BA, Hampshire College, 1982; MD, Rutgers Medical School, 1986

Gregory Randolph Seiler, MD, instructor of family medicine & community health; BS, McGill University, 1983; MS, Northeastern University, 1986; MD, University of Massachusetts Medical School, 1994

William D. Selim, MD, clinical assistant professor of pediatrics; BS, Muhlenberg College, 1971; MD, Case Western Reserve University, 1975

Liisa K. Selin, MD, PhD, professor of pathology; MD, Dalhousie University, 1979

Peter J. Sell, MD, assistant professor of pediatrics; BA, College of the Holy Cross, 1995; DO, University of New England College of Osteopathic Medicine, 2003

James M. Seltzer, MD, clinical professor of pediatrics; BS, University of Pennsylvania, 1973; MD, 1977

Rita J. Semaan, MD, instructor of medicine; MD, Lebanese University Beirut, 2002

Miguel S. Sena Esteves, PhD, associate professor of neurology

Murali K. Senapathi, MD, assistant professor of medicine; MD, Gandhi Medical College, 2000

Sarah S. Seo, MD, assistant professor of otolaryngology

Victor Y. Serebrov, PhD, instructor of biochemistry & molecular pharmacology; MS, Moscow State University, 1996;

Richard Serna, PhD, associate professor of psychiatry; BA, University New Mexico Albuquerque, 1980; PhD, Utah State University, 1987

David V. Serreze, PhD, research associate professor of medicine; BS, University of Maine, 1979; MS, 1979; PhD, 1990

Cassandra V. Service, MD, clinical assistant professor of obstetrics & gynecology

Steven H. Sewall, MD, instructor of orthopedics & physical rehabilitation; MD, Cornell University School of Medicine, 1965

Patricia L. Seymour, MD, assistant professor of family medicine & community health; MS, University of Massachusetts Amherst, 2004; MD, University of Massachusetts Medical School, 2007

Ralph J. Seymour, MD, assistant professor of psychiatry; BA, University New Hampshire Durham, 1979; MA, Harvard University, 1991; MD, George Washington School of Medicine, 1993

Arthur C. Sgalia, MD, instructor of medicine; BS, Providence College, 1969; MD, State University of New York Buffalo, 1973

Scott A. Shaffer, PhD, research professor of biochemistry & molecular pharmacology; BS, Northern Arizona University, 1986; PhD, University of Washington, 1995

Sneha H. Shah, MD, assistant professor of emergency medicine; BA, Rutgers University, 2005; MD, University of Medicine and Dentistry New Jersey, 2008

Heidi G. Shah, MD, assistant professor of family medicine & community health; BS, Yale University, 1993; MD, University of Maryland, 1997

Neeta S. Shah, MD, assistant professor of medicine; MD, Topiwala National Medical College, 1981

Deval Shah-Canning, MD, instructor of pediatrics; MD, Albert Einstein College of Medicine, 1989

Albert Shahnarian, PhD, research assistant professor of anesthesiology; AE, Worcester Junior College, 1961; MS, Worcester Polytechnic Institute, 1973; PhD, 1983

Shaheen F. Shaikh, MD, assistant professor of anesthesiology; MD, Byramji Jeejeebhoy Medical College, 1990

Yousaf Ali Shaikh, MD, assistant professor of medicine; MD, Dow Medical College, 2000

Anne B. Shain, MD, instructor of medicine; BA, Cornell University, 1977; MD, State University of New York Buffalo, 1981

James M. Shanahan, JD, CPA, MPH, assistant professor of family medicine & community health; BS, Nichols College, 1991; MPH, Harvard University School of Public Health, 2002; JD, Suffolk University, 1998

Weiru Shao, MD, PhD, assistant professor of otolaryngology and pediatrics; BA, University of California Berkeley, 1994; MS, Harvard University, 2011; MD, University of Utah, 1998

Ellen L. Sharenow, PhD, assistant professor of psychiatry; BA, University of Florida, 1979; MA, Western Michigan University, 1985; PhD, 1993

Ishwara N. Sharma, MD, assistant professor of medicine; MBBS, Punjab University, 1967

Saurabh Sharma, MD, assistant professor of family medicine & community health; MD, University College, 2003

Sheena Sharma, MD, affiliate of medicine; BA, Wellesley College, 1993; MA, Boston University School of Medicine, 1996; MD, 2001

Vibha Sharma, MD, instructor of medicine

Jutamas Shaughnessy, MD, research assistant professor of medicine; MA, Boston University School of Medicine, 1996; MD, Chaing Mai University, 1992

Leslie M. Shaw, PhD, professor of cancer biology; BS, Trinity College, 1987; PhD, Harvard University, 1994

William S. Shaw, PhD, instructor of family medicine & community health; BS, Pennsylvania State University, 1983; PhD, San Diego State University, 1998

Susan Shawver-Matthews, MD, affiliate of pediatrics; BS, University of Maryland, 1972; MD, 1978

Inna V. Shcherbakova, PhD, instructor of biochemistry & molecular pharmacology; MS, Moscow State University, 1993; PhD, Russian Academy of Sciences, 2002

Maryann Shea, MD, assistant professor of medicine; BS, McGill University, 1984; MS, Boston University, 1989; MD, Boston University School of Medicine, 1994

William D. Shea, MD, assistant professor of orthopedics & physical rehabilitation; BS, St. Francis Xavier University, 1960; MD, Ottawa University School of Medicine, 1964

Pauline Sheehan, MD, clinical associate professor of pediatrics; MD, University of Chile School of Medicine, 1978

Zahra S. Sheikh, MD, assistant professor of medicine; BS, Bahauddin Zakariya University, 1993; MPH, New York Medical College, 2002; MD, Nishtar Medical College, 1995

Ayesha Sheikh, MBBS, assistant professor of medicine; MBBS, Aga Khan Medical University, 1995

Robert L. Shelton, MD, PhD, instructor of family medicine & community health; BA, University of Virginia, 1979; MD, 1985

Yvonne A. Shelton, MD, assistant professor of orthopedics & physical rehabilitation and pediatrics; BA, Princeton University, 1979; MD, George Washington School of Medicine, 1984

Lianjun Shen, MD, PhD, research assistant professor of pathology; MD, Second Military Medical University, 1985

James M. Shenko, MD, assistant professor of surgery; BA, Rutgers College, 1987; MD, Robert Wood Johnson Medical School, 1991

David S. Shepro, MD, assistant professor of medicine; BA, Boston University, 1980; MD, University of Massachusetts Medical School, 1984

Bruce J. Shickmanter, MD, assistant professor of medicine; MD, State University of New York Syracuse, 1974

Shahrazad Shidfar, MD, assistant professor of medicine; MD, Unl Faculty of Medicine, 1995

Sara G. Shields, MD, MS, clinical professor of family medicine & community health; AB, Radcliffe College, 1984; MS, Brown University, 1994; MD, University of California San Francisco, 1989

Jeffrey A. Shih, MD, assistant professor of medicine; BS, Louisiana State University, 1999; MD, Emory University, 2003

Susan E. Shih, MD, assistant professor of medicine; BA, Lehigh University, 1997; MD, University of Pittsburgh, 2003

Stephanie L. Shimada, PhD, assistant professor of quantitative health sciences; BA, Smith College, 1994; PhD, Harvard University, 2005

William James Shine, MD, clinical associate professor of medicine; BA, Boston University, 1980; MA, Hahnemann Medical College, 1983; MD, University of Massachusetts Medical School, 1987

Ryan G. Shipe, MD, assistant professor of medicine; BA, Bucknell University, 2002; MD, Jefferson Medical College, 2006

Deborah Shipman, MD, instructor of pediatrics; BS, Annandale-on-Hudson, 1975; MHA, Suffolk University, 2008; MD, University of Maryland Baltimore, 1979

Masaki Shirayama, PhD, research assistant professor of molecular medicine; PhD, University of Tokyo, 1995

Ilia Shlimak, MD, clinical associate professor of medicine; BA, Brandeis University, 1986; MD, University of Massachusetts Medical School, 1990

Theodore M. Shoemaker, MD, assistant professor of family medicine & community health; BA, New College, 1969; MS, University of Rochester, 1985; MD, 1985

John M. Sholl, MD, clinical instructor of emergency medicine; BA, Bucknell University, 1993

Michael J. Shreefter, MD, assistant professor of obstetrics & gynecology; BA, State University of New York Buffalo, 1972; MD, 1976

Tatyana Shteinlukht, MD, PhD, assistant professor of psychiatry; MD, Pediatric Medical School, 1985

John V. Shufflebarger, MD, clinical associate professor of surgery; BA, West Virginia State College, 1983; MD, West Virginia University School of Medicine, 1987

Nawras Shukair, MD, assistant professor of psychiatry

Manjul Shukla, MD, instructor of medicine; MD, Gandhi Medical College, 1974

Mark Shulman, MD, clinical associate professor of anesthesiology; BS, Union College, 1973; MD, State University of New York, 1977

Leonard Donald Shultz, PhD, research professor of medicine; BA, Northeastern University, 1967; PhD, University of Massachusetts Amherst, 1972

Richard Andrew Shuman, MD, affiliate of medicine; AB, Harvard University, 1986; MD, University of Massachusetts Medical School, 1990

Andrew M. Siber, MD, assistant professor of medicine; BA, Colorado College, 1997; MD, University of Massachusetts Medical School, 2003

Kathryn Ruth Sickorez, MD, assistant professor of psychiatry

Ahmad D. Siddiqui, MD, assistant professor of medicine; MBBS, Nishtar Medical College, 1993

Zafar I. Siddiqui, MD, assistant professor of anesthesiology; BS, Gorakhpur University, 1977; MBBS, King George Medical College, 1982

David G. Sidebottom, MD, instructor of pediatrics; AB, Duke University, 1976; MD, University of Massachusetts Medical School, 1980

Judith A. Siegel, MD, assistant professor of orthopedics & physical rehabilitation; BS, Marietta College, 1995; MS, Ohio University Athens, 1998; MD, Temple University, 2002

Shirley S. Siff, EdD, affiliate of psychiatry; BA, Goucher College, 1957; MA, Clark University, 1970; EdD, University of Massachusetts Amherst, 1983

Hugh J. Silk, MD, clinical associate professor of family medicine & community health; BA, Harvard University, 1991; MPH, 2011; MD, McMaster University, 1998

Laura K.C. Silk, MD, instructor of family medicine & community health; BA, Harvard University, 1995; MD, University of Massachusetts Medical School, 2000

Van R. Silka, MD, assistant professor of psychiatry; BA, University of Miami, 1977; MD, Medical College of Ohio, 1988

Jonathon Scott Sillman, MD, affiliate of otolaryngology

Matthew A. Silva, PharmD, assistant professor of family medicine & community health; PharmD, Northeastern University, 2001

Jerald Silverman, DVM, MPS, professor of pathology; BS, Cornell University, 1964; MPS, New School for Social Research, 1985; DVM, Cornell University, 1966

Neal S. Silverman, PhD, professor of medicine and microbiology & physiological systems; BA, University of California, 1989; PhD, Massachusetts Institute of Technology, 1996

Richard T. Silverman, MD, clinical associate professor of surgery; BA, Dartmouth College, 1981; MD, Hershey Medical College, 1985

Paul R. Silverstein, MD, assistant professor of urology; BA, New York University, 1969; MD, New York Medical College, 1974

Dianne L. Silvestri, MD, associate professor of medicine; BS, Butler University, 1970; MD, Indiana University School of Medicine, 1974

Kerinna E. Silvestri, BSN, MS, instructor of pediatrics; BSN, Boston College, 1999; MS, Northeastern University, 2004

Karl J. Simin, PhD, assistant professor of cancer biology; PhD, University of Utah School of Medicine, 2001

Henry E. Simkin, MD, instructor of family medicine & community health; BS, Williams College, 1977; MD, Boston University, 1983

Bruce J. Simon, MD, associate professor of surgery; MD, New York Medical College, 1979

Joshua Jay Singer, PhD, professor of microbiology & physiological systems and biochemistry & molecular pharmacology; BS, Massachusetts Institute of Technology, 1966; PhD, Harvard University, 1970

Ajeet J. Singh, MD, assistant professor of emergency medicine; BA, Drew University, 1981; MD, Tennessee State University, 1988

Anupam Singh, MD, assistant professor of medicine; MBBS, Jawaharlal Institute of Post-Grad Medical Education, 1997

Guramrit Singh, PhD, instructor of biochemistry & molecular pharmacology; BS, Guru Nanak Dev University, 1998; MS, Madurai Kamaraj University, 2000; PhD, University of Colorado Boulder, 2007

Jang B. Singh, MD, associate professor of medicine

Sudershan Singla, MD, clinical associate professor of anesthesiology; MBBS, Dayanand Medical College, 1983

Birendra Sinha, MD, clinical instructor of emergency medicine; MD, Prince of Wales Medical College, 1974

Shirin Sioshansi, MD, instructor of radiation oncology; BA, Dartmouth College, 2000; MD, Brown University, 2006

Habib A. Sioufi, MD, assistant professor of pathology; MS, University Francois Rabelais, 1980; MD, University of Damascus Medical School, 1978

Elizabeth Anne Siraco, MD, assistant professor of family medicine & community health; BA, Wellesley College, 1988; MD, University of Massachusetts Medical School, 1994

Steven Francis Siraco, MD, assistant professor of emergency medicine; BS, University of New Hampshire, 1986; MS, University of Massachusetts Amherst, 1988; MD, University of Massachusetts Medical School

Hartley M. Sirkis, MD, assistant professor of radiology; MD, Royal College of Surgeons, 2002

Pradeep Siwach, MD, instructor of pediatrics; MBBS/PGIMS, Rohtak, India, 1999

Nancy Tulathimutte Skehan, MD, assistant professor of medicine; BA, Johns Hopkins University, 2002; MD, University of Massachusetts Medical School, 2006

Mark C. Skiba, MD, PhD, assistant professor of medicine; BS, Western New England College, 1986; PhD, Clark University, 1990

Beata Skowronska, MD, assistant professor of medicine; MD, Silesian University, 1992

Nathanael A. Slater, DO, assistant professor of anesthesiology; BS, Gordon College, 1998; DO, University of New England, 2005

Janet A. Slota, MD, clinical assistant professor of pediatrics; BA, Smith College, 1987; MD, Medical College of Pennsylvania, 1996

Alexander Sloutsky, PhD, assistant professor of medicine; PhD, Moscow State University, 1979

Greenfield Sluder, PhD, professor of cell & developmental biology; BA, Middlebury College, 1968; PhD, University of Pennsylvania, 1976

Hayla K. Sluss, PhD, assistant professor of medicine; BA, Wheaton College, 1988; PhD, University of Massachusetts Medical School, 1998

Patrick Smallwood, MD, assistant professor of psychiatry; BA, Arkansas State University, 1986; MD, 1993

David A. Smelson, PsyD, professor of psychiatry; BPS, College for Human Services, 1988; MS, Upsala College, 1989; PsyD, Illinois School of Professional Psychology, 1995

Barry L. Smith, DO, instructor of medicine; BA, University Delaware, 1972; DO, Philadelphia College of Osteopathic Medicine

Corey L. Smith, PhD, instructor of molecular medicine; PhD, University of Massachusetts Medical School, 2009

Craig S. Smith, MD, PhD, assistant professor of medicine; AB, Dartmouth College, 1992; MD, PHD, Johns Hopkins University School of Medicine, 1998

Edward H. Smith, MD, professor and chair emeritus of radiology and surgery; BA, Columbia College, 1956; MD, State University of New York Downstate, 1960

Eric G. Smith, MD, assistant professor of psychiatry; BA, Johns Hopkins University, 1985; MA, University of California Berkeley, 1988; MD, Duke University, 2000

Heidi L. Smith, MD, PhD, assistant professor of medicine; MD, University of Connecticut, 2002

Kelly P. Smith, PhD, research associate professor of cell & developmental biology; BA, Hendrix College, 1981; MS, University of North Texas, 1984; PhD, University of Texas Health Sciences Center, 1991

Linda M. Smith, MD, instructor of family medicine & community health; BA, Boston University, 1984; MD, Boston University Medical School, 1990

Marianne L. Smith, MD, assistant professor of psychiatry; BS, Roanoke College, 1983; MD, Medical College of Virginia, 1988

Stephen J. Smith, MD, instructor of family medicine & community health; BA, Williams College, 1983; MD, University of Massachusetts Medical School, 1987

Terry M. Smith, MD, clinical assistant professor of psychiatry; MD, East Tennessee State University, 1997

Thomas W. Smith, MD, professor of pathology and neurology; BS, Ohio State University Columbus, 1968; MD, Cornell University, 1972

Victoria L. Smith, MD, assistant professor of anesthesiology

Audrey Beth Smolkin, MPP, instructor of pediatrics; BA, University of Pennsylvania, 1993; MPP, University of Chicago, 1997

Linda Smothers, MD, instructor of psychiatry

Mark S. Smyczynski, MD, assistant professor of radiology

Nicholas A. Smyrniotis, MD, professor of medicine; BS, Tufts University, 1981; MD, Albany Medical College, 1985

Jonathan E. Snider, MD, instructor of family medicine & community health; BA, Brandeis University, 1992; MD, Albert Einstein College of Medicine, 1996

David L. Snook, MD, instructor of medicine; BS, Albright College, 1980; MD, Pennsylvania State University School of Medicine, 1984

Roger L. Snow, MD, instructor of family medicine & community health; BA, University of Missouri Columbia, 1968; MPH, Harvard University School of Public Health, 1985; MD, University of North Carolina Chapel Hill, 1974

L. Michael Snyder, MD, professor of pathology and medicine; BA, Brown University, 1957; MD, Finch University Health Sciences, Chicago Medical School, 1962

Jerzy Sobota, MD, instructor of pathology; MD, Nicolaus Copernicus Medical School, 1982

Merav Socolovsky, MD, PhD, associate professor of cancer biology; MBBS, University College London, 1986

Evan A. Soderstrom, DO, assistant professor of medicine; BA, Carleton College, 1997; MD, Oregon Health and Science University, 2001

Naren B. Sodha, MD, assistant professor of neurology; MBBS, University of Bombay, 1970

Raymond G. Sohl, MD, assistant professor of anesthesiology; MD, University Autonoma De Guadalajara, 1998

Steven M. Solano, MD, instructor of obstetrics & gynecology; BA, College of the Holy Cross, 1998; MD, University of Massachusetts Medical School, 2005

Babs R. Soller, PhD, professor emeritus of anesthesiology and surgery; BS, Union College, 1975; MA, Princeton University, 1977; PhD, 1980

John M. Solomonides, MD, clinical associate professor of medicine and pediatrics; BS, Tufts University, 1990; MD, University of Massachusetts Medical School, 1994

Mohan Somasundaran, PhD, research associate professor of pediatrics; BS, University of Kerala, 1976; MS, 1978; PhD, University of Calcutta, 1983

Jie Song, PhD, associate professor of orthopedics & physical rehabilitation and cell & developmental biology; BS, Fudan University Shanghai, 1999; PhD, Michigan State University, 1999

Andres F. Sosa, MD, assistant professor of medicine; MD, Universidad Central de Venezuela, 2002

Marie Anne Sosa, MD, assistant professor of medicine; MD, Universidad Central de Venezuela, 2002

Jilliane Sotelo, MS, LCGC, instructor of pediatrics; BS, Arizona State University Tempe, 2008; MS, Boston University, 2010

Colby A. Souders, PhD, instructor of medicine; BA, Colby College, 2007; PhD, Texas A&M University College Station, 2012

Leslie A. Soyka, MD, associate professor of pediatrics; BA, University of California, 1987; MD, University of Connecticut, 1992

Ralph E. Spada, MD, assistant professor of medicine and family medicine & community health; BA, St. Louis University, 1978; MD, St. Louis University Medical School, 1982

Madeline L. Spadola, PsyD, affiliate of psychiatry; BA, Boston University, 1966; MEd, Bank Street College Liberty Partnership, 1976; PsyD, Massachusetts School of Psychology, 1995

Rebecca Spanagel, MD, assistant professor of medicine; BA, University of Wisconsin Stevens Point, 1984; MD, 1988

Spiro G. Spanakis, DO, assistant professor of anesthesiology and pediatrics; BA, College of the Holy Cross, 1996; DO, New England College of Osteopathic Medicine, 2002

Guenter L. Spanknebel, MD, associate professor of medicine; MD, Friedrich Alexander University, 1958

Charles A. Specht, PhD, research associate professor of medicine; BS, University Vermont, 1974; PhD, 1989

Frederick Spencer, MD, associate professor of medicine; BA, Dartmouth College, 1985; MD, McGill University, 1991

David H. Spodick, MD, professor of medicine; AB, Bard College, 1947; MD, New York Medical College, 1950

Edward D. Sprague, MD, *instructor of family medicine & community health; BS, Bates College, 1974; MD, University of Vermont, 1979*

Sarah S. Spratt, MD, *assistant professor of psychiatry; BA, Oberlin College, 1993; MD, Duke University, 1997*

Robert Srebnik, MD, *instructor of emergency medicine; BA, State University of New York, 1976; MD, University of Rome, 1992*

Anon Srikiatkhachorn, MD, *assistant professor of medicine; MD, Chiang Mai University, 1983*

Satish M. Srinivas, MD, *instructor of medicine; MBBS, Medical College, Mysore, India, 2000*

David St. Laurent, MD, *instructor of emergency medicine; BS, Providence College, 1980; MD, University of Massachusetts Medical School, 1985*

Dale G. St. Lawrence, MD, *affiliate of pediatrics; AB, Brown University, 1983; MD, University of Massachusetts Medical School, 1988*

Laurie A. Stalker, PhD, *affiliate of psychiatry; BA, State University of New York Fredonia, 1976; MS, State University of New York Oswego, 1982; PhD, Pennsylvania State University, 1987*

Beata Stancel-Grabias, MD, *assistant professor of medicine; MD, Medical University of Gdansk, 1993*

Clive Standley, PhD, *research associate professor of molecular medicine and microbiology & physiological systems; BS, Imperial College of Science, Technology and Medicine, 1983; PhD, 1986*

Heidi Stanish, PhD, *assistant professor of family medicine & community health; BA, Acadia University, 1992; MS, Dalhousie University, 1995; PhD, Oregon State University, 1999*

Alan J. Stark, MD, *assistant professor of radiation oncology; BS, Franklin and Marshall College, 1960; MD, New York University School of Medicine, 1964*

Oscar Starobin, MD, *professor of medicine; BA, Harvard University, 1950; MD, Harvard Medical School, 1954*

Jerome Starr, MD, *clinical associate professor of medicine; BS, University of Michigan Ann Arbor, 1963; MD, University of Michigan School of Medicine, 1966*

Susan Starr, MEd, *assistant professor of pediatrics; BA, Clark University, 1969; MEd, Worcester State College, 1971*

Stephen D. Starr, MD, *assistant professor of psychiatry; MD, Autonomous University of Guada, 1972*

Donna Marie Staton, MD, MPH, *affiliate of pediatrics; BA, Williams College, 1979; MPH, Harvard University, 2002; MD, University of Massachusetts Medical School, 1986*

Michael S. Stauder, MD, *assistant professor of medicine; BA, Rutgers University, 1997; MD, Loyola University Chicago, 2001*

Steven Staugaitis, PhD, *assistant professor of family medicine & community health; BA, St. John's University Jamaica, 1973; MA, 1975; PhD, Rio Salado Community College, 1979*

Janet Stavnezer, PhD, *professor of microbiology & physiological systems and cancer biology and pathology; BA, Swarthmore College, 1966; PhD, Johns Hopkins University, 1971*

Ronald Wayne Ste Marie Jr., MD, *assistant professor of medicine; BA, Boston University, 1999; MD, University of Massachusetts Medical School, 2005*

Judith A. Stebulis, MD, *assistant professor of medicine; BS, Pennsylvania State University, 1974; MA, Temple University, 1979; MD, University of Massachusetts Medical School, 1998*

Markian D. Stecyk, MD, *instructor of orthopedics & physical rehabilitation; BA, Boston University, 1978; MD, Tufts University, 1982*

Charles A. Steiger, MD, *assistant professor of urology; BA, Yale University, 1984; MD, University of Wisconsin, 1993*

Daniel M. Steigman, MD, *assistant professor of medicine; BA, Columbia University Columbia College, 1978; MD, Boston University, 1982*

Christine Clements Stein, PhD, MPH, *assistant professor of family medicine & community health; BS, Northeastern University, 1979; MPH, Boston University, 1982; PhD, Brandeis University, 1999*

Gregory Steinberg, MD, *instructor of emergency medicine; BS, Tufts University, 1985; MD, University of Massachusetts Medical School, 1997*

Judith L. Steinberg, MD, *clinical associate professor of medicine and family medicine & community health; BS, State University of New York, Albany, 1978; MPH, Harvard School Public Health, 2008; MD, University of Texas at Dallas Southwestern Medical School, 1982*

Marcia Kathryn E. Steiner, MD, *assistant professor of medicine; MBBS, St. Bartholomew's Royal London School of Medicine, 1997*

Ronald J. Steingard, MD, *professor of psychiatry and pediatrics; BA, University Pennsylvania, 1973; MD, Pennsylvania State University, 1977*

William Stempsey, MD, PhD, MDiv, *associate professor of psychiatry; BS, Boston College, 1974; MA, Loyola University Chicago, 1988; MD, State of New York Buffalo School of Medicine, 1978*

Joseph Stenger, MD, *associate professor of family medicine & community health; BA, Yale University, 1975; MD, University Connecticut, 1979*

Lawrence Stern, PhD, *professor of pathology and biochemistry & molecular pharmacology; BA, Cornell University, 1983; PhD, Massachusetts Institute of Technology, 1989*

Kenneth A. Stevens, MD, *instructor of medicine; BA, Carnegie Mellon University, 1973; MD, University Vermont, 1977*

John H. Stevenson, MD, *associate professor of family medicine & community health and orthopedics & physical rehabilitation; BA, University Vermont, 1993; MD, 1998*

John S. Stevenson, MD, *instructor of family medicine & community health; MD, Albany Medical College, 2001*

Barbara A. Stewart, MS, MD, FACP, *instructor of medicine; BA, State University of New York, 1965; MS, Boston University, 1977; MD, University of Massachusetts Medical School, 1981*

Sheila O. Stille, DMD, *assistant professor of family medicine & community health and surgery; BA, University of Wisconsin Stevens Point, 1986; DMD, University of Connecticut, 1992*

Kenneth J. Stillman, MD, *instructor of family medicine & community health; BA, Cornell University, 1971; MD, Tufts University, 1977*

Christy D. Stine, MD, PhD, *assistant professor of pediatrics; BA, California, 1989; PhD, FUHS Chicago, 1998; MD, Chicago Medical School, 2000*

John L. Stock, MD, *professor of medicine; BA, Cornell University, 1972; MD, Harvard Medical School, 1976*

Jeffrey S. Stoff, MD, *professor of medicine; BS, Hobart/William Smith College, 1964; MD, State University of New York College Buffalo, 1968*

Mark E. Stoker, MD, *assistant professor of surgery; BS, Nichols College, 1979; MD, Louisiana State University, 1983*

Leo L. Stolbach, MD, *senior affiliate of medicine; BA, Harvard University, 1954; MD, University of Rochester Medical School, 1958*

Andrea B. Stone, MD, *assistant professor of psychiatry; BA, Wesleyan University, 1980; MD, Yale University, 1986*

Andreja Strahonja, MD, *clinical assistant professor of neurology; MD, PhD, University of Zagreb, 1991*

Caterina Strambio De Castilla, PhD, *assistant professor of molecular medicine*

Juerg R. Straubhaar, PhD, *research assistant professor of molecular medicine; MS, University of Berne, 1980; PhD, Clemson University, 1991*

Lara I. Strittmatter, PhD, *instructor of cell & developmental biology*

William C. Strohsnitter, DSc, *assistant professor of cancer biology; BS, State University of New York Stony Brook, 1975; MS, University of Massachusetts Amherst, 1986; DSc, Boston University, 2003*

Tara M. Strutt, PhD, *instructor of pathology; BS, University of Saskatchewan; PhD, 2005*

Michelle R. Stumm, RN, BSN, NNP, *instructor of pediatrics; BSN, University of Massachusetts Dartmouth, 1997; MS, Northeastern University, 2002*

Paul R. Sturrock, MD, *assistant professor of surgery; BS, Villanova University, 1998; MD, MCP Hahnemann School of Medicine, 2001*

Dilipkumar B. Subbarao, MD, *instructor of medicine; MD, University of Indore, 1973*

Veera R. Sudireddy, MD, *assistant professor of emergency medicine*

Barbara Sullivan, NP, *instructor of family medicine & community health; BA, State University of New York Buffalo, 1971; MS, University of Massachusetts Amherst, 1995*

Deborah A. Sullivan, MD, *assistant professor of family medicine & community health; BA, Boston College, 1991; MD, University of Massachusetts Medical School, 1995*

Jean C. Sullivan, JD, *instructor of family medicine & community health; BA, Mount Holyoke College, 1977; JD, Boston University, 1984*

John L. Sullivan, MD, *professor of pediatrics and microbiology & physiological systems and pathology; BS, Lemoyne College, 1968; MD, State University of New York Upstate Medical University, 1972*

John S. Sullivan, MD, *instructor of pediatrics; BS, Harvard College, 1974; MD, Boston University School of Medicine, 1978*

Martha Sullivan, DDS, *assistant professor of family medicine & community health; BS, Worcester Polytechnic Institute, 1977; DDS, Case Western Reserve University, 1983*

Mary E. Sullivan, RNCS, ANP-BC, *assistant professor of nursing and surgery; BS, Fitchburg State College, 1976; MSN, University of Massachusetts Medical School, 1994; DNSc, University of Massachusetts Medical School, 2010*

Mary F. Sullivan, MSN, FNP, *instructor of family medicine & community health; BSN, Fitchburg State College, 1974; MSN, University of Massachusetts Lowell, 1989*

Susan L. Sullivan-Bolyai, DNSc, CNS, RN, *professor of nursing and pediatrics; BSN, Metropolitan State College Denver, 1976; MSN, Emory University, 1978; DNSc, Yale University, 1999*

Stephen M. Summers, MD, *assistant professor of medicine; BA, Wesleyan University, 1995; MD, University of Maryland Medical School, 1999*

Hui Sun, MD, PhD, *assistant professor of medicine and pediatrics; PhD, University of Tennessee, 1995; MD, Beijing Medical University, 1990*

Banu Sundar, MD, *clinical assistant professor of neurology; MD, Sri Ramachandra Medical College, 1993*

Arno S. Sungarian, MD, *assistant professor of neurosurgery; MD, Brown University, 1997*

Eugenio L. Suran, MD, *clinical associate professor of radiology; MD, University of Buenos Aires Medical School, 1963*

Padmaja Surapaneni, MD, *assistant professor of radiology; MD, Gunter Medical College, 1991*

Stanley Surette, MD, *affiliate of obstetrics & gynecology; MD, Boston University School of Medicine, 1990*

Andrew J. Sussman, MD, *associate professor of medicine; BA, Harvard College, 1987; MBA, Boston University, 1997; MD, Harvard Medical School, 1991*

Patricia H. Sutman, MD, *assistant professor of radiology; MD, University of Miami School of Medicine, 1978*

Keith A. Sutton, PhD, *research assistant professor of cell & developmental biology; BS, University of Edinburgh, 1991; PhD, 1995*

Susan L. Swain, PhD, *professor of pathology; BA, Oberlin College, 1968; PhD, Harvard Medical School, 1974*

Richard S. Swanson, MD, *associate professor of surgery; BA, Harvard University, 1976; MD, Harvard Medical School, 1980*

Susan M. Swanson, MA, *instructor of pediatrics; BS, Kent State, 1983; MA, 1984*

Joan M. Swearer, PhD, *clinical professor of neurology and psychiatry; BA, Macalester College, 1979; MA, New School for Social Research, 1985; PhD, 1991*

Kathleen A. Sweeney, MD, *assistant professor of family medicine & community health; MD, University Rochester, 1991*

Lisa D. Sweeney, MD, *instructor of family medicine & community health; BA, College of the Holy Cross, 1989; MD, University of Massachusetts Medical School, 1994*

Susan M. Sweeney, MD, *assistant professor of medicine and pediatrics; BS, Providence College, 1993; MD, University of Massachusetts Medical School, 1998*

William B. Sweeney, MD, *associate professor of surgery; BS, University of Scranton, 1979; MD, Hahnemann College, 1983*

Charles P. Sweet, MD, MPH, *associate professor of family medicine & community health; BA, Oberlin College, 1971; MPH, Boston University, 1990; MD, 1976*

Charles R. Swenson, MD, *clinical associate professor of psychiatry; BA, Harvard University, 1972; MD, Yale University, 1976*

Robert B. Swotinsky, MD, MPH, *assistant professor of family medicine & community health; BS, Massachusetts Institute of Technology, 1980*

Mustafa M. Syed, MD, *instructor of psychiatry; IS, Anwar-UI-Uloom College, 1989; MD, Deccan College of Medical Sciences, 1977*

Gyongyi Szabo, MD, PhD, *professor of medicine; PhD, Hungarian Academy of Science, MD, University Medical School Debrecen, Hungary, 1984*

Brian Szetela, MD, *assistant professor of psychiatry; BS, University of Vermont, 1976; MD, 1979*

Ronald Tadiri, MD, *instructor of pediatrics; MD, Ohio State University College of Medicine, 1986*

Deepak Takhtani, MD, *associate professor of radiology; MD, Armed Forces Medical College, 1983*

Ramamohan Takillapati, MD, *assistant professor of medicine; BS, Sri Venkateswara College of Engineering, 1989; MBBS, Sri Devaraj Urs Medical College, 1996*

Anthony P. Talieri, MD, *assistant professor of pediatrics; BA, Boston College, 1999; MA, Boston University Medical School, 2002; MD, 2006*

Claudia S. Talland, MD, *assistant professor of medicine; MD, Loyola University, 1985*

Stanley Tam, MD, *associate professor of surgery; MA, Brandeis University, 1977; MD, University of Massachusetts Medical School, 1981*

William M. Tang, MD, *clinical assistant professor of ophthalmology; BA, Baylor University, 1989; MD, Johns Hopkins University School of Medicine, 1993*

Qiushi Tang, MS, *instructor of pediatrics; BS, Jilin University, China, 1983; MS, 1997*

Kahraman Tanriverdi, PhD, *research assistant professor of medicine; BS, Cukurova University, 1989; MS, Cukurova University School of Medicine, 1993; PhD, 2002*

Maria Victoria T. Tantengco, MD, *associate professor of pediatrics; BS, University of the Philippines, 1978; MD, 1982*

Marcia V. Tanur, MD, *instructor of family medicine & community health; BA, State University of New York Binghamton, 1982; MD, Albany Medical College, 1990*

Amy Nicole Fox Tapper, PhD, *instructor of psychiatry*

Andrew R. Tapper, PhD, *associate professor of psychiatry; BS, University of California Riverside, 1995; MS, 1996; PhD, Vanderbilt University, 2001*

David P. Tapscott, MD, *assistant professor of pediatrics; BA, Yale University, 1969; MD, Tufts University School of Medicine, 1976*

Steven F. Taraborelli, MD, *instructor of medicine; BS, Providence College, 1970; MD, St. Louis University Medical School, 1974*

Lise J. Tardif, MD, *assistant professor of family medicine & community health; BS, Laval University, 1985; MD, 1989*

Susan N. Tarrant, MA, *clinical instructor of medicine; BA, Hollins College, 1970; MA, Cornell University, 1973*

Dawn S. Tasillo, MD, *assistant professor of obstetrics & gynecology; BA, Northwestern University, 1995; MD, State of New York Health Sciences, 1999*

Harvey A. Taylor, MD, *instructor of orthopedics & physical rehabilitation*

Melinda F. Taylor, BS, *instructor of surgery; BS, Worcester Polytechnic Institute, 1987*

Joseph C. Tennyson, MD, *assistant professor of emergency medicine; BS, Framingham State College, 2001; MD, University of Massachusetts Medical School, 2005*

Evan Teplow, MD, *assistant professor of family medicine & community health; BA, Middlebury College, 1985; MD, Dartmouth College, 1992*

Masanori Terajima, MD, PhD, *associate professor of medicine; BS, Tohoku University, 1988; MD, 1988*

Robert J. Terlato, MD, *assistant professor of medicine; BS, Manhattan College, 1983; ME, Rensselaer Polytechnic Institute, 1984; MD, New York Medical College, 1988*

Benjamin M. Terry, MD, MPH, *assistant professor of emergency medicine; MPH, New York Medical College, 2008; MD, 2008*

Bronson E. Terry, MD, *assistant professor of pediatrics; BA, Harvard University, 1994; MD, University of Massachusetts Medical School, 2002*

John P. Terry, PhD, *assistant professor of psychiatry; BA, Boston College, 1978; MA, Roosevelt University, 1978*

Ann M. Testarmata, MD, *assistant professor of emergency medicine; BS, University of Massachusetts Amherst, 1977; MD, University of Massachusetts Medical School, 1981*

William E. Theurkauf, PhD, *professor of molecular medicine; BA, Brandeis University, 1980; PhD, 1988*

Subha Thiagarajan, MD, *assistant professor of psychiatry*

Ramakrishna Thippanna, MD, *assistant professor of medicine; MBBS, JJM Medical College, India, 1994*

Aneetha Thirumalai, MD, *assistant professor of medicine; MD, Sri Ramachandra Medical College, 1993*

William D. Thomas, PhD, *assistant professor of medicine and pathology; BS, Virginia Polytechnic Institute & State University, 1984; PhD, Medical College of Virginia, 1989*

Jennifer A. Thompson, MD, *assistant professor of pediatrics; BA, St. Anselm College, 1992; MD, Tufts University School of Medicine, 1996*

Rachel Thompson, PhD, *associate professor of psychiatry; BA, University of Maryland College Park, 1992; MS, University Florida, 1999; PhD, 2001*

Luanne E. Thorndyke, MD, FACP, *professor of medicine; BA, Duke University, 1979; MD, University Nebraska Medical Center, 1983*

David Scott Tiber, MD, *assistant professor of pediatrics; BS, University of Illinois Urbana, 1995; MD, University of Medicine and Dentistry of New Jersey, 2001*

Guodong Tie, PhD, *research instructor of surgery; PhD, Gansu Agricultural University, 2000*

Emil L. Tigas, MD, *assistant professor of medicine; BS, University of the Philippines, 1993; MD, University of the Philippines College of Medicine, 1993*

Dennis A. Tighe, MD, *professor of medicine; BA, University Pennsylvania, 1982; MD, University of Massachusetts Medical School, 1986*

Matthew E. Tilem, MD, *assistant professor of neurology; MD, Tufts University School of Medicine, 2000*

Wendy B. Timpson, MD, *instructor of pediatrics; BA, Dickinson College, 1997; MEd, Boston College, 1998; MD, University of Massachusetts Medical School, 2008*

Andrew J. Ting, MD, MPH, *instructor of family medicine & community health*

Kristine Tingley, MA, *instructor of pediatrics; BA, Assumption College, 1992; MS, University of Alabama Birmingham, 2008*

Donald John Tipper, PhD, *professor emeritus of microbiology & physiological systems; BS, University of Birmingham, 1956; PhD, 1959*

Sandra E. Tirrell, MD, *assistant professor of medicine; BA, College of the Holy Cross, 2003; MD, University of Massachusetts Medical School, 2008*

Mayra Silvina Tisminetzky, MPH, MD, PhD, *instructor of quantitative health sciences and pediatrics; MPH, University of Massachusetts Medical School, 2004; MD, University of Buenos Aires Medical, 1989*

Heidi A. Tissenbaum, PhD, *professor of molecular medicine; PhD, Harvard University, 1997*

Jennifer Tjia, MD, *associate professor of medicine and quantitative health sciences; BA, Boston University, 1989; MS, University of Pennsylvania, 2003; MD, Boston University Medical School, 1994*

David Jonathan Tobin, PhD, *assistant professor of psychiatry; BA, Bates College, 1987; MA, University Rhode Island, 1992; PhD, University of Rhode Island, 1996*

Henry M. Toczylowski Jr., MD, *affiliate of orthopedics & physical rehabilitation; BS, United States Military Academy, 1968; MD, University of Massachusetts Medical School, 1979*

Madhavi K. Toke, MD, *assistant professor of medicine; MD, Moscow Medical Institute of Stomat, 1995*

William Wallace Tollefsen, MD, *instructor of emergency medicine; BA, Connecticut College, 2002; MA, Boston University, 2004; MD, New York Medical College, 2008*

Peter P. Tomaiolo, MD, *affiliate of medicine; BA, St. Anselm College, 1965; MD, University of Bologna, 1970*

Ludmilla L. Tonkonogy, MD, *affiliate of psychiatry; MD, First Moscow Medical Institute, 1971*

Stefan Topolski, MD, *assistant professor of family medicine & community health; BS, Brandeis University, 1991*

Eduardo M. Torres, PhD, *assistant professor of molecular medicine; BS, City College of New York, 1997; PhD, Cornell University, 2003*

Mira Sofia Torres, MD, *assistant professor of medicine; BS, University of the Philippines, 1990; MD, 1993*

Ulises Torres Cordero, MD, *assistant professor of surgery; MD, University Autonoma De Honduras, 1998*

Rosalie A. Torres Stone, PhD, *assistant professor of psychiatry; BA, Lehigh University, 1993; MA, University of Connecticut, 1995; PhD, 2000*

Peter F. Toscano, PhD, *assistant professor of psychiatry; BA, Clark University, 1972; PhD, State University of New York Stony Brook, 1976*

William A. Tosches, MD, *clinical associate professor of neurology and medicine; AB, College of the Holy Cross, 1967; MD, Loyola University Chicago, 1971*

Stephen E. Tosi, MD, *chair and associate professor of urology; BA, Dartmouth College*

Audrey A. Tracey, MD, *instructor of family medicine & community health; BA, Boston University, 1990; MD, 1995*

Gina Martin Trachimowicz, MD, *instructor of pediatrics; BA, College of the Holy Cross, 1999; MD, University of Vermont, 2005*

Matthew J. Trainor, MD, *assistant professor of medicine; BA, Colby College, 1994; MD, University of Dublin, Trinity, 2001*

Maichi Tran, PharmD, *assistant professor of medicine; PharmD, Massachusetts College of Pharmacy, 2002*

Tuong Q. Tran, MD, *lecturer of psychiatry; MD, Kaohsiung Medical College, 1981*

Christopher Trancynger, MD, *assistant professor of medicine; BS, State University of New York Stony Brook, 1981; MD, New York University, 1985*

Thomas L. Treadwell, MD, *assistant professor of medicine; BA, Dartmouth College, 1974; MD, 1977*

Steven Treistman, PhD, professor of psychiatry and anesthesiology; BA, State University of New York Binghamton, 1967; PhD, University of North Carolina Charlotte, 1972

Apeksha Tripathi, MD, MPH, instructor of family medicine & community health

Susan Tritell, PsyD, affiliate of psychiatry; BA, Sarah Lawrence College, 1980; MPS, Pratt Institute, 1980; PsyD, University of Wisconsin Milwaukee, 1988

Meghna C. Trivedi, MD, assistant professor of medicine; MBBS, Indira Gandhi Institute of Medicine, 2005

Nitin Trivedi, MD, assistant professor of medicine; MBBS, MGM Medical College, Indore, India, 1984

Shelia Trugman, MD, assistant professor of family medicine & community health; MD, Boston University, 1979

Eva Tsuda, MD, associate professor of pathology

Richard A. Tuft, PhD, research associate professor of microbiology & physiological systems; BS, Pennsylvania State University, 1963; MS, Massachusetts Institute of Technology, 1966; PhD, Worcester Polytechnic Institute, 1972

Henry Tulgan, MD, clinical professor of medicine; BA, Amherst College, 1954; MD, New York University, 1958

John M. Tumolo, MD, clinical associate professor of medicine; BS, Tufts University, 1976; MD, Boston University School of Medicine, 1980

Rossella Tupler, MD, PhD, research assistant professor of molecular medicine; MD, University of Brescia, 1985

Michael A. Tutty, MHA, assistant professor of family medicine & community health; BA, Western New England College, 1994; MHA, Clark University, 1996

Debra Ann Twehous, MD, assistant professor of orthopedics & physical rehabilitation; BS, University of North Texas, 1983; MD, University of Texas Health Sciences Center, 1989

Janet Sue Twyman, PhD, associate professor of pediatrics; BA, University of Kentucky Lexington, 1984; MS, 1992; PhD, Columbia University, 1996

Cornelius T. Tyrrell, MD, assistant professor of pediatrics; BA, Boston College, 1996; MD, Tufts University School of Medicine, 2005

Yumi Uetake, PhD, instructor of cell & developmental biology; BS, Japan Women's University, 1992; MS, Ochanomizu University, 1996; PhD, 1999

Laurence J. Ufford, MD, assistant professor of neurology; BA, Trinity College, Hartford, 1990; MD, Mount Sinai School of Medicine, 2002

Marc E. Uknis, MD, associate professor of surgery and microbiology & physiological systems; BA, Temple University, 1986; MD, 1990

Kenneth Ulin, PhD, clinical associate professor of radiation oncology; AB, Harvard University, 1971; MS, Tufts University, 1979; PhD, 1984

Borovann Ung, MD, assistant professor of anesthesiology; BS, Miami University of Ohio, 1988; MD, 1992

Katherine Upchurch, MD, clinical professor of medicine; BA, Sweet Briar College, 1972; MD, Duke University, 1976

Carole C. Upshur, EdD, professor of family medicine & community health and quantitative health sciences; BA, University of Southern California, 1969; MEd, Harvard University, 1970; EdD, 1975

Yoshiko Usami, PhD, research instructor of molecular medicine; PhD, Gifu University, 1993

Ghazala Naheed Usmani, MD, clinical associate professor of pediatrics; MBBS, King Edward Medical College, 1980

Karl Fabian L. Uy, MD, assistant professor of surgery; BS, University of Santo Tomas, 1985; MD, Manila Central University, 1989

Rohit Vakil, MD, assistant professor of medicine; MD, Baroda Medical College, 1967

Anthony Valadini, MD, clinical professor of family medicine & community health; BA, Syracuse University, 1971; MS, New York Institute of Technology, 1988; MD, State University of New York, 1988

Olga Valdman, MD, assistant professor of family medicine & community health; BA, Barnard College Columbia University, 2003; MD, University of Massachusetts Medical School, 2009

Stacey L. Valentine, MD, MPH, assistant professor of pediatrics; BA, College of the Holy Cross, 1997; MPH, Harvard University School of Public Health, 2011; MD, University of Vermont, 2003

Zayda Vallejo, MLitt, instructor of psychiatry; BS, Loyola University Chicago, 1978; PhM, Oxford Brookes University, 2000

Mary A. Valliere, MD, assistant professor of medicine; BS, University of New Hampshire, 1981; MD, University of Massachusetts Medical School, 1989

Georgianne Valli-Harwood, MD, assistant professor of medicine; BA, Yale University, 1987; MD, Columbia University College of Physicians & Surgeons, 2001

Ann Van Dyke, MD, affiliate of psychiatry

Mark P. Vanden Bosch, MD, assistant professor of anesthesiology; BS, Calvin College, 1981; MD, University of Michigan Ann Arbor, 1985

Vijay K. Vanguri, MD, assistant professor of pathology; BS, George Washington University, 1999; MD, 2004

Tammy E. Vargas, MD, instructor of family medicine & community health; MD, Universidad Nacional, 1987

Thomas J. Vaughan, MD, assistant professor of medicine; BS, Boston College, 1977; MD, Indiana University School of Medicine, 1981

Lina C. Vawter, MD, assistant professor of psychiatry; BA, University of California Santa Cruz, 1986; MD, University of Massachusetts Medical School, 2006

Srinivasan Vedantham, PhD, associate professor of radiology; PhD, Worcester Polytechnic Institute, 2002

Prashan Veerreddy, MD, assistant professor of medicine; MD, Gandhi Medical College, 2000

Gisela Velez, MD, MPH, MA, assistant professor of ophthalmology; MA, New York University, 1994; MD, 1994

Meenakshi Vemuri, MD, assistant professor of psychiatry; MBBS, Gunter Medical College, 1985

Joseph A. Veneziano, MD, affiliate of orthopedics & physical rehabilitation; BS, St. John's University, 1963; MD, New York Medical College, 1967

Suryadutt Venkat, MD, assistant professor of family medicine & community health; MPH, University of Alabama, 2004; MBBS, Bangalore University, 2000

Chengeto M. Vera, DMD, MPH, instructor of family medicine & community health; MPH, Yale University, 2003; DMD, Harvard School of Dental Medicine, 1998

Jeffrey R. Vercollone, MD, assistant professor of medicine; BS, James Madison University, 1997; MS, New York Medical College, 2003; MD, 2008

Valerie Veridiano, MD, instructor of medicine; BS, University of Santo Tomas, 1979; MD, 1979

Santosh K. Verma, MPH, MBBS, instructor of family medicine & community health; MPH, University of Massachusetts Amherst, 2001; MBBS, Gandhi Medical College, 1997

Gopal R. Vijayaraghavan, MD, MPH, assistant professor of radiology; MPH, Harvard University School of Public Health, 2003; MBBS, Pondicherry University, 1974

Peter H. Viles, MD, professor emeritus of pediatrics; BA, Harvard University, 1956; MD, Case Western Reserve University, 1960

Yuka-Marie Vinagre, MD, PhD, assistant professor of medicine and pediatrics; BS, Duke University, 1987; MD, Boston University, 1997

Gina Vincent, PhD, research associate professor of psychiatry; BA, University of Alaska Anchorage, 1994; MA, Simon Fraser University, 1999; PhD, 2002

Brant L. Viner, MD, clinical associate professor of medicine; AB, Amherst College, 1973; MA, University of Wisconsin, 1974; MD, Boston University, 1983

Mark A. Vining, MD, clinical associate professor of pediatrics; BS, University of Vermont, 1991; MD, 1997

Cathy Violette, MSN, NP, instructor of obstetrics & gynecology; BS, Worcester State College, 1998; MSN, University of Cincinnati, 2009

Joseph V. Virbasius, PhD, research assistant professor of molecular medicine; BS, Worcester Polytechnic Institute, 1985; PhD, Northwestern University, 1991

William Vogel, PhD, associate professor of psychiatry; BA, Wesleyan University, 1955; MA, Clark University, 1957; PhD, 1959

Rishi A. Vohora, DO, assistant professor of medicine; BS, Tufts University, 1998; DO, University of New England College of Osteopathic Medicine, 2002

Michael R. Volkert, PhD, professor of microbiology & physiological systems; BS, University of Wisconsin, 1971; MS, Iowa State University, 1973; PhD, Rutgers University, 1977

Gregory A. Volturo, MD, chair and professor of emergency medicine and medicine; BS, Rutgers University, 1978; MD, Loyola University Chicago, 1982

Lee E. Vorderer, MEd, instructor of psychiatry and pediatrics; BA, Wellesley College, 1970; MA, Peabody College, Vanderbilt University, 1972

Susan F. Voute, MD, assistant professor of pediatrics; BS, John Carroll University, 2002; MD, University of Massachusetts Medical School, 2007

Thom Vreven, PhD, research assistant professor of biochemistry & molecular pharmacology

Rachel M. Vuolo, MD, assistant professor of medicine and pediatrics; BA, Yale University, 1996; MD, University of Massachusetts Medical School, 2005

Anil M. Vyas, MD, assistant professor of anesthesiology; MBBS, Government Medical College Miraj, 1972

Sunita Vyas, MD, assistant professor of medicine; MD, Gujarat University, 1989

Mikhail Vydrin, MD, PhD, assistant professor of neurology; MD, First Moscow Medical Institute, 1972

Amy B. Wachholtz, PhD, assistant professor of psychiatry; MDiv, Boston University, 2000; PhD, Bowling Green State University, 2005

Stephen N. Waggoner, PhD, assistant professor of pathology; BA, St. Mary's College, 2000; PhD, University of Virginia, 2007

Douglas C. Waite, MD, assistant professor of medicine; BS, Wheaton College, Illinois, 1984; MD, University of Medicine and Dentistry of New Jersey, 1988

Martha B. Waite, MD, assistant professor of pediatrics; BA, Drew University, 1984; MD, University of Medicine and Dentistry of New Jersey, 1988

Ellen D. Waitzkin, MD, assistant professor of radiology; MD, Harvard Medical School, 1981

Ajay K. Wakhloo, MD, PhD, professor of radiology and neurology and surgery; MD, Johannes Gutenberg University, 1984

Janet L. Wale, PhD, instructor of family medicine & community health; PhD, University of Leeds, 1975

Albertha J. Walhout, PhD, professor of molecular medicine; BS, Utrecht University, 1992; PhD, 1997

Amy K. Walker, PhD, assistant professor of molecular medicine; PhD, State University of New York Stony Brook, 1998

Ellen C. Wallace, MD, assistant professor of radiology and pediatrics; MD, Queen's University, 1983

Barbara Walsh, MD, clinical associate professor of pediatrics; BA, Brandeis University, 1992; MD, University of Massachusetts Medical School, 1996

Kathleen E. Walsh, MD, associate professor of pediatrics; BA, Cornell University, 1992; MS, Boston University, 2005; MD, Georgetown University, 1998

Thomas A. Walsh, MD, instructor of medicine; BS, Fordham University, 1974; MD, State University of New York Downstate, 1978

William V. Walsh, MD, clinical associate professor of medicine; BA, Harvard University, 1980; MD, George Washington University, 1985

Gert-Paul Walter, MD, FACEP, instructor of medicine; BS, Tufts University, 1979; MS, 1980; MD, 1984

Otto Walter, MD, assistant professor of pathology; MD, Pecs University Medical School, 1993

Jens M. Walz, MD, associate professor of anesthesiology and surgery; MD, University of Tuebingen, 1999

Donghai Wang, PhD, assistant professor of medicine; BS, Wuhan University, 1986; MS, Chinese Academy of Sciences, 1989; PhD, Sun Yat-sen University of Medicine, 2004

Jennifer Wang, MD, associate professor of medicine; BA, Harvard University, 1991; MD, University of Michigan Ann Arbor, 1995

Jie Wang, PhD, instructor of biochemistry & molecular pharmacology; BS, Southeast University, 2003; PhD, Chinese Academy of Sciences, 2008

Shixia Wang, PhD, DVM, associate professor of medicine; MS, Institute of Epidemiology, 1990; DVM, Agricultural University of Hebei, 1985

Tao Wang, PhD, research assistant professor of radiation oncology; BS, Xiamen University, 1983; MS, South China Institute, 1986; PhD, University of Memphis, 1997

Xiaofei Wang, MD, PhD, assistant professor of pathology; MD, West China University of Medicine, 1983

Yang Wang, MD, PhD, assistant professor of medicine; MD, Tongji Medical University Wuhan, 1998

Yong Xu Wang, PhD, assistant professor of molecular medicine; BS, Peking University, 1989; PhD, University of Iowa, 1999

Mitchell W. Wagh, MD, lecturer of psychiatry; BA, Haverford College, 1969; MD, Albert Einstein College of Medicine, 1973

Jeanine Ann Ward, MD, assistant professor of emergency medicine; BS, Boston College, 1992; MD, Tufts University School of Medicine, 2005

John E. Ware, PhD, professor of quantitative health sciences; BA, Pepperdine University, 1964; MA, 1966; PhD, Southern Illinois University Carbondale, 1974

Molly E. Waring, PhD, assistant professor of quantitative health sciences; BS, Harvey Mudd College, 2003; PhD, Brown University, 2009

Hiral Warner, MD, assistant professor of obstetrics & gynecology; MD, State University of New York Brooklyn, 1998

Wahid Y. Wassef, MD, MPH, professor of medicine; BA, Boston University, 1980; MPH, University of Massachusetts, 2009; MD, Boston University Medical School, 1984

Shinya Watanabe, PhD, instructor of molecular medicine; BE, Soka University, 1997; ME, 1999; PhD, 2002

Catherine E. Waud, MD, assistant professor of medicine; BA, Wellesley College, 1983; MD, University of Massachusetts Medical School, 1987

Dana D. Weaver, PhD, assistant professor of psychiatry; PhD, University of Massachusetts Amherst, 1991

David R. Weaver, PhD, professor of neurobiology; BS, Michigan State University, 1981; PhD, 1985

John P. Weaver, MD, associate professor of neurosurgery; BS, Bucknell University, 1978; MS, Case Western Reserve University, 1980; MD, University of Texas Medical Branch Galveston, 1986

Rochelle Weber, MD, affiliate of family medicine & community health; BA, Wellesley College, 1974; MD, Washington University School of Medicine, 1978

Patricia E. Webster, BS, MS, assistant professor of radiation oncology; BS, Lock Haven University, 1975; MS, Anna Maria University, 2005

Beverly F. Wedda, MD, instructor of family medicine & community health; BA, College of the Holy Cross, 1983; MD, Uniformed Services University, 1987

Sarah Monaghan Wegiel, MD, affiliate of pediatrics; BA, Tufts University, 1997; MD, University of Massachusetts Medical School, 2004

Kathryn W. Weibrecht, MD, assistant professor of emergency medicine

Bonnie H. Weiner, MD, professor of medicine; BA, Mills College, 1970; MS, University of Maryland College Park, 2003; MD, University of Oregon Medical School, 1974

Elizabeth Anne Weiner, MD, MFA, assistant professor of pediatrics; BA, Wesleyan University, 2001; MFA, Boston University, 2007; MD, University of California San Francisco, 2008

Joel H. Weiner, MD, clinical associate professor of pediatrics and obstetrics & gynecology; BA, Northern Illinois University, 1975; BS, 1976; MD, Chicago Medical School, 1980

Linda F. Weinreb, MD, professor of family medicine & community health and pediatrics and quantitative health sciences; BA, Washington University School of Medicine, 1977; MD, Penn State College of Medicine, 1981

Bruce R. Weinstein, MD, clinical associate professor of medicine; BS, Duke University, 1975; MD, State University of New York Downstate, 1980

Robert Weinstein, MD, professor of medicine and pathology; BA, Brandeis University, 1971; MD, New York University, 1975

David E. Weinstock, DO, instructor of medicine; BS, Hobart College, 1991; DO, Philadelphia College of Osteopathic Medicine, 1999

Oren L. Weisberg, MD, instructor of family medicine & community health; MD, Albert Einstein College of Medicine, 1998

Stacy Weisberg, MD, clinical associate professor of emergency medicine; BA, University of Wisconsin Stevens Point, 1995

Stuart A. Weisberger, MD, assistant professor of pediatrics and obstetrics & gynecology; BS, University of Michigan, 1970; MS, 1972; MD, University of Cincinnati, 1980

Thomas O. Weisman, MD, instructor of family medicine & community health; BA, Haverford College, 1975; MS, Massachusetts Institute of Technology, 1980; MD, University of Cincinnati, 1984

Suzanne M. Weiss, MD, affiliate of pediatrics; BA, Mount Holyoke College, 1969; MD, University of Cincinnati, 1973

Norman W. Weissman, PhD, professor of quantitative health sciences; MS, Yeshiva University, 1958; PhD, University of Maryland, 1962

Robert Weitzman, MD, instructor of family medicine & community health; MD, Albany Medical College, 1982

Robert J. Wellman, PhD, professor of family medicine & community health; BA, University of California at Los Angeles, 1965; MS, Long Island University, 1973; PhD, University of Connecticut, 1982

Scott D. Wellman, MD, assistant professor of family medicine & community health and pediatrics; BS, State University of New York Binghamton, 1975; MD, University of Rochester School of Medicine, 1979

Raymond M. Welsh, PhD, professor of pathology and microbiology & physiological systems; BS, University of Massachusetts Amherst, 1967; PhD, 1972

Mary K. Wendel, MD, instructor of medicine; BS, University of Connecticut, 1976; MD, University of Massachusetts Medical School, 1980

Zhiping Weng, PhD, professor of biochemistry & molecular pharmacology; BS, University of Science and Technology, 1992; PhD, Boston University, 1997

Karen L. Wentworth, PsyD, affiliate of psychiatry; BS, Worcester State College, 1989; MA, Anna Maria College, 1993; PsyD, Massachusetts School of Psychology, 1998

Melodie Wenz-Gross, PhD, assistant professor of psychiatry; BA, Temple University, 1979; MEd, Boston University, 1980; PhD, Boston College, 1990

Michael D. Wertheimer, MD, FACS, professor of surgery and family medicine & community health; BA, Swarthmore College, 1967; MD, University of Pennsylvania, 1971

Robert P. Wespiser, MD, assistant professor of medicine; BA, University of Massachusetts Amherst, 1979; MD, University of Massachusetts Medical School, 1983

Mireya Wessolowsky, MD, associate professor of medicine; MD, Central University of Venezuela, 1989

Bernard A. Westerling III, MD, assistant professor of family medicine & community health; BA, College of the Holy Cross, 1969; MD, Tufts University School of Medicine, 1973

Ruth Westheimer, MD, assistant professor of psychiatry; BA, Reed College, 1962; MA, University of California Berkeley, 1965; MD, Rush University, 1975

Bryan J. Wexler, MD, instructor of emergency medicine; BA, University of Massachusetts Amherst, 2002; MD, Tufts University School of Medicine, 2007

David B. Wexler, MD, assistant professor of otolaryngology; BA, Case Western Reserve University, 1980; MD, Stanford University, 1985

Jennifer Weyler, MD, instructor of family medicine & community health; MD, The Medical College of Pennsylvania, 1992

Giles Whalen, MD, professor of surgery; BA, Harvard University, 1976; MD, Duke University, 1980

Mary Whalen, RN, DNSc, instructor of pediatrics; BS, Worcester State College, 1989; MS, Northeastern University, 1995; DNSc, Case Western Reserve University, 2008

Winthrop F. Whitcomb, MD, assistant professor of medicine; BA, Wesleyan University, 1984; MD, Jefferson Medical College, 1989

Troy W. Whitfield, PhD, research assistant professor of cell & developmental biology; PhD, Boston University, 2002

Michelle L. Whitham, MD, affiliate of pediatrics; BS, Santa Clara University, 1993; MD, University of California, 2004

Richard H. Whitten, MD, assistant professor of surgery; BS, Tufts University, 1968; MD, Tufts University School of Medicine, 1972

Richard Matthew Wholey, MD, assistant professor of medicine; BA, Williams College, 1979; MD, University of Cincinnati, 1984

Brenna W. Wiberg, NP, clinical instructor of obstetrics & gynecology; BS, Ithaca College, 1999; MSN, University of Massachusetts Medical School, 2007

Craig B. Wiener, EdD, assistant professor of family medicine & community health; BA, Clark University, 1973; MA, 1974; EdD, 1979

Julia A. Wilkinson, MS, instructor of pediatrics; BA, McDaniel College, 2004; MS, Brandeis University, 2006

Krista M. Wilkinson, PhD, professor of psychiatry; PhD, Georgia State University, 1993

Faren H. Williams, MD, professor of orthopedics & physical rehabilitation; BS, Albright College, 1972; MS, University of Maryland College Park, 1973; MD, Wright State University Dayton, 1983

Gregory T. Williams, MD, assistant professor of medicine; BA, Hamilton College, 1981; MD, New York Medical College, 1986

Jackson H. Williams, MD, assistant professor of pediatrics; BA, Wake Forest University, 1998; MD, University Tennessee Knoxville, 2002

Joseph M. Williams, MD, PhD, assistant professor of ophthalmology; BA, University of Rochester, 1978; MS, 1986; MD, 1989

Susan Williams, CNS, affiliate of psychiatry; BSW, Siena College; MSN, University of Massachusetts Amherst

Valerie F. Williams, MA, MS, research instructor of psychiatry; BA, West Virginia University Institute of Technology, 1989; MA, University of Illinois Chicago, 1992

David A. Wilner, MD, clinical associate professor of medicine; BS, Tufts University, 1975; MD, Tufts University School of Medicine, 1979

Peter B. Wilson, MD, assistant professor of medicine and family medicine & community health; BA, Swarthmore College, 1979; MD, Rush Medical College, 1984

Anthony E. Wilson, MD, assistant professor of medicine; BA, Oakwood College, 1984; MD, University of Massachusetts Medical School, 1990

Gary Wilson, DO, affiliate of obstetrics & gynecology; DO, University of Medicine and Dentistry of New Jersey, 1982

- Mark M. Wilson, MD**, *clinical associate professor of medicine; BA, Assumption College, 1980; MD, University of Massachusetts Medical School, 1987*
- Robert Wing, MA, CCLS**, *instructor of pediatrics; BFA, Lesley College, 1995; MA, Hofstra University, 1997;*
- Robyn D. Wing, MD**, *instructor of pediatrics; BS, Providence College, 2005; MD, University of Massachusetts Medical School, 2009*
- Karen Wiss, MD**, *professor of medicine and pediatrics; BA, University of Texas Austin, 1980; MD, 1985*
- George B. Witman III, PhD**, *the George F. Booth Chair in the Basic Sciences, professor of cell & developmental biology; BA, University of California Riverside, 1967; PhD, Yale University, 1972*
- John J. Wixted, MD**, *assistant professor of orthopedics & physical rehabilitation; BS, United States Military Academy, 1990; MD, University of Massachusetts Medical School, 1997*
- Bruce A. Woda, MD**, *professor of pathology; BS, Brooklyn College, 1971; MD, State University of New York Downstate, 1975*
- Charles I. Wohl, MD**, *clinical associate professor of medicine; BA, Franklin and Marshall College, 1967; MD, University of Pittsburgh, 1972*
- Gary L. Wolf, MD**, *assistant professor of medicine; BA, Boston University, 1979; MD, Boston University Medical School, 1979*
- Scott A. Wolf, DO**, *instructor of medicine; BS, Union College, NY, 1987; MPH, University of Connecticut, 2000; DO, New York College of Osteopathic Medicine, 1991*
- Scot Wolfe, PhD**, *associate professor of biochemistry & molecular pharmacology and molecular medicine; BS, California Institute of Technology, 1990; MA, Harvard University, 1992; PhD, 1996*
- Alexey Dmitriyevich Wolfson, PhD**, *research assistant professor of molecular medicine*
- Brian J. Wolk, MD**, *clinical instructor of emergency medicine; BA, Cornell University, 2003; MD, Tufts University School of Medicine, 2007*
- Rachel Behan Wollacott, PhD**, *instructor of medicine; BS, Providence College, 2002; PhD, Pennsylvania State University, 2007*
- Michael R. Wollin, MD**, *clinical associate professor of urology*
- John Woodhead, PhD**, *research associate professor of cell & developmental biology; BS, Massey University, 1972; MS, 1974; PhD, 1979*
- Robert T. Woodland, PhD**, *professor of microbiology & physiological systems; BS, Villanova University, 1967; MS, Ohio State University Columbus, 1969; PhD, University of Pennsylvania, 1974*
- William W. Woodruff, MD**, *clinical assistant professor of pediatrics; BA, Brown University, 1984; MD, University of Cincinnati, 1988*
- Monica S. Woodward, MD**, *assistant professor of medicine; BA, Mount Holyoke College, 1981; MD, University of Massachusetts Medical School, 1985*
- John Lorimer Worden IV, MD**, *instructor of family medicine & community health; BA, Harvard University, 1986; MD, University of Massachusetts Medical School, 1996*
- George Wright, PhD**, *professor of biochemistry & molecular pharmacology; BS, University of Illinois Chicago, 1963; PhD, 1967*
- Julie Wright, DNP**, *assistant professor of nursing and family medicine & community health; MS, Fairfield University, 1998*
- Paul D. Wright, PhD**, *research assistant professor of neurology; BS, University of Kent at Canterbury; PhD, King's College*
- Peggy W. Wu, MD**, *assistant professor of medicine; BA, Carleton College, 1995; MD, Rush University, 2003*
- Jacqueline Wu, MD**, *assistant professor of surgery*
- Xiufeng Wu, MD, PhD**, *research assistant professor of pediatrics and cell & developmental biology; MS, Shanxi, China, 1997; MD, PhD, Beijing University, 2001*
- Lewis D. Wurgaft, PhD**, *assistant professor of psychiatry; BA, Swarthmore College, 1962; PhD, Harvard University, 1971*
- Falgun Patel Wylie, MD**, *assistant professor of pediatrics; BA, Rice University, 1999; MD, Baylor College of Medicine, 2003*
- Yang Xiang, PhD**, *assistant professor of neurobiology; BS, Nanjing University, 1999; PhD, Chinese Academy of Sciences, 2003*
- Jun Xie, PhD**, *instructor of microbiology & physiological systems; BS, Huazhong Agricultural University, 1997; MS, 2000; PhD, Sun Yat-sen University of Medicine, 2005*
- Ping Xu, MD, PhD**, *instructor of molecular medicine; MD, Tianjin Medical College, 1986*
- Zuoshang Xu, MD, PhD**, *professor of biochemistry & molecular pharmacology and cell & developmental biology; MD, Shanghai Medical University, 1982*
- Khalid Yacoub, MD**, *instructor of family medicine & community health*
- Ali Yalcindag, MD**, *assistant professor of pediatrics; MD, Istanbul University Cerrahpasa Medical College, 1994*
- Jinglian Yan, PhD**, *research instructor of surgery; PhD, Gansu Agricultural University, 2000*
- Angela Z. Yang, MD, PhD**, *assistant professor of orthopedics & physical rehabilitation; PhD, Medical School of Ehime University, Japan, 2002; MD, China Medical University, 1992*
- Chaoxing Yang, PhD**, *instructor of molecular medicine*
- James P. Yang, MD**, *assistant professor of pathology; BS, Union College, KY, 1962; MD, Indiana University School of Medicine, 1966*
- Zhongfa Yang, MD**, *research assistant professor of medicine; BS, Beijing University, 1996; MS, Brown University; PhD, 2005*
- Haya Yankalev, MD**, *instructor of pediatrics; BS, University of Massachusetts Amherst, 1994; MA, University of Massachusetts Medical School, 2000*
- Shelly N. Yarnie, MPH**, *instructor of family medicine & community health; BA, University of Massachusetts Amherst, 1998; MPH, University of Massachusetts Amherst, 2000*
- Jorge D. Yarzebski, BA**, *instructor of emergency medicine; BA, Providence College, 2004*
- Jorge L. Yarzebski, MD, MPH**, *research associate professor of quantitative health sciences and medicine; MPH, University of Massachusetts Medical School, 1992; MD, University of San Carlos Guate, 1982*
- Majid Yazdani, MD**, *assistant professor of medicine; BA, Boston University, 1989; MS, 1990; MD, Boston University Medical School, 1994*
- Malathi Yella, MD**, *assistant professor of medicine; MBBS, University of Mysore, 1992*
- Susan M. Yeomans, MD**, *affiliate of ophthalmology*
- Iryna V. Yeuchyk, MD**, *instructor of family medicine & community health*
- Lutfu S. Yilmaz, PhD**, *instructor of biochemistry & molecular pharmacology; PhD, University of Wisconsin, 2006*
- Nese Kurt Yilmaz, PhD**, *research assistant professor of biochemistry & molecular pharmacology; BS, Bogazici (Bosphorous) University, 1996; MS, 1998; PhD, 2002*
- Rothsoyann Yong, MD**, *instructor of emergency medicine; MD, University of Massachusetts Medical School, 2008*
- Robert Alan Yood, MD**, *clinical professor of medicine; BA, Yale University, 1970; MD, University of Oregon Medical School, 1974*
- Motojiro Yoshihara, PhD**, *assistant professor of neurobiology; BS, University of Tokyo, 1987; MS, 1989; PhD, 1992*
- Edwin Russell Young, DO**, *assistant professor of medicine; BA, Gettysburg College, 1981; DO, New England College of Osteopathic Medicine, 1985*
- Lynda M. Young, MD**, *clinical professor of pediatrics; BA, State University of New York Buffalo, 1969; MD, 1973*
- Martin H. Young, PhD**, *professor of pediatrics; BS, State University of New York Downstate, 1971; MA, Farleigh Dickinson University Madison, 1973; PhD, State University of New York Albany, 1977*

Susan M. Young, MD, *affiliate of family medicine & community health; BS, Boston College, 1986; MD, University of Massachusetts Medical School, 1991*

Patricia Yranski, RN, MS, NP, *instructor of obstetrics & gynecology; BSN, Boston College, 1979; MS, 1998*

Hong Yu, PhD, *professor of quantitative health sciences; BS, Huazhong University of Science & Technology, 1990; MS, Beijing University, 1993; PhD, Columbia University, 1997*

Hongbo Yu, MD, PhD, *associate professor of pathology; MD, Beijing Medical University, 1993*

Neng Yu, MD, *clinical assistant professor of pathology; MD, Shanghai First University, 1988*

Wankin Joseph Yu, MD, *instructor of family medicine & community health; BA, Harvard University, 1979; MD, University of Rochester, 1983*

Zhong Yu, MD, PhD, *instructor of molecular medicine; MD, Shandong Medical University, 1986*

Zhongmo Yu, MD, PhD, *assistant professor of medicine; MS, Drexel University, 1991; PhD, Drexel University, 1995; MD, Shanghai Medical University, 1987*

Shakeeb A. Yunus, MD, *assistant professor of medicine; MBBS, University of Punjab, 1993*

Joshua T. Yurfest, MD, *assistant professor of orthopedics & physical rehabilitation; BS, University of Maryland, 1978; MD, St. George's University, 1982*

Edmond J. Zaccaria, MD, *assistant professor of family medicine & community health*

Isabel A. Zacharias, MD, *assistant professor of medicine; BA, Tufts University, 1997; MD, Tufts University School of Medicine, 2002*

Michael Zackin, MD, PhD, *instructor of pediatrics; BS, Wesleyan University, 1980; PhD, Tufts University, 1987; MD, University of Massachusetts Medical School, 1991*

Francis X. Zambetti, MD, *instructor of medicine; BS, Lehigh University, 1974; MD, New York Medical College, 1977*

Phillip D. Zamore, PhD, *the Gretchen Stone Cook Chair in Biomedical Sciences, Howard Hughes Medical Investigator, professor of biochemistry & molecular pharmacology; BA, Harvard University, 1986; PhD, 1992*

Rebecca A. Zanonato, MD, *assistant professor of anesthesiology and pediatrics; BS, University of Massachusetts Amherst, 1998; MD, University of Massachusetts Medical School, 2004*

Mary L. Zanetti, EdD, *assistant professor of quantitative health sciences; BS, Massachusetts College of Liberal Arts, 1980; MEd, University of Massachusetts Amherst, 1999; EdD, 2003*

Maria L. Zapp, PhD, *assistant professor of molecular medicine and microbiology & physiological systems; BA, Wilson College, 1980; PhD, Baylor College of Medicine, 1989*

John K. Zawacki, MD, *professor of medicine; BA, College of the Holy Cross, 1963; MD, Tufts University School of Medicine, 1968*

William E. Zawatski, MD, MPH, *instructor of pediatrics; BA, St. Anselm College, 2003; MPH, Boston University School of Public Health, 2005; MD, University of Massachusetts Medical School, 2009*

Maksim Zayaruzny, MD, *assistant professor of anesthesiology and surgery; BS, Brooklyn College, 1996; MD, Johns Hopkins University School of Medicine, 2000*

Konstantin B. Zeldovich, PhD, *assistant professor of biochemistry & molecular pharmacology; PhD, Moscow State University, 2001*

Paul A. Zgurzynski, MD, *clinical assistant professor of emergency medicine; BS, Boston College, 1991; MD, Georgetown University School of Medicine, 1995*

Hong Zhang, PhD, *assistant professor of cell & developmental biology; PhD, Michigan State University, 1998*

Nanyin Zhang, PhD, *assistant professor of psychiatry; PhD, Minnesota State University, 2005*

Surong Zhang, PhD, *instructor of radiology; BS, Xiangtan Teacher's, China, 1990; PhD, Beijing Normal University, 1996*

Xueqing Zhang, PhD, *instructor of pediatrics; BSc, Shanxi, China, 1985; PhD, Peking Union Medical College, 1998*

Zi Zhang, MD, *assistant professor of family medicine & community health; MD, Shanghai Medical University, 1987*

Rubing Zhao-Shea, MD, *research instructor of psychiatry; MD, Beijing Medical University, 1991*

Larry Z. Zheng, MD, *assistant professor of radiology*

Shaokuan Zheng, PhD, *instructor of radiology; PhD, Xiamen University, 2001*

Li Zhong, PhD, *research assistant professor of pediatrics; MSc, Hunan Medical University, 1997; MD, 1994*

Raymond R. Zhou, MD, PhD, *assistant professor of medicine; MS, Beijing Medical University, 1989; MD, Fujian Medical University, 1984*

Lihua Zhu, PhD, *research associate professor of molecular medicine; BS, China Agricultural University, 1990; MS, 1993; PhD, University of Wisconsin Madison, 1999*

Ronghua Zhuge, PhD, *associate professor of microbiology & physiological systems; BS, Zhejiang University, 1983; MS, Nanjing Agricultural University, 1986; PhD, Iowa State University, 1995*

Hana Zibdeh-Lough, DO, *assistant professor of pediatrics; BS, University of Virginia, 2002; DO, West Virginia University School of Osteopathic Medicine, 2007*

Zachry P. Zichittella, MD, *assistant professor of medicine; BA, College of the Holy Cross, 1998; MD, University of Massachusetts Medical School, 2004*

Douglas M. Ziedonis, MD, MPH, *chair and professor of psychiatry; BS, Davidson College, 1981; MPH, Yale University, 1996; MD, Penn State College of Medicine*

Julien R. Zierath, PhD, *professor of molecular medicine; BS, University of Wisconsin, 1984; MA, Ball State University, 1986; PhD, Karolinska Institute Stockholm, 1995*

Sarah Zifcak, MD, *instructor of medicine; BA, Bowdoin College, MD, University of Massachusetts Medical School, 2002*

Harvey Zimble, MD, *associate professor of medicine; BS, University of Michigan, 1968; MD, University of Illinois, 1972*

Jill A. Zitzewitz, PhD, *research associate professor of biochemistry & molecular pharmacology; BA, Carthage College, 1986; MS, Washington State University, 1988; PhD, 1991*

Iva Zivna, MD, *assistant professor of medicine; MD, Charles University, Prague, 1995*

Jaroslav Zivny, MD, *assistant professor of medicine; MD, Charles University, Prague, 1995*

Ralph J. Zottola, PhD, *instructor of quantitative health sciences; BS, State University of New York Binghamton, 1985; PhD, University of Massachusetts, 1995*

Patricia Zub, MD, *instructor of medicine; BA, Boston University, 1991; MD, Boston University Medical School, 1996*

Matthew Zuckerman, MD, *instructor of emergency medicine; BA, University of Arizona, 2002; MD, University of Michigan Ann Arbor, 2007*

Susan Zweig, MD, *associate professor of obstetrics & gynecology and radiation oncology; BA, University of California Berkeley, 1980; MD, Harvard Medical School, 1985*

Robert G. Zwerdling, MD, *professor of pediatrics; BA, University of Michigan Ann Arbor, 1963; MD, Wayne State University School of Medicine, 1967*

Marjorie Ann Zyrek-Bacon, MD, *assistant professor of medicine; BS, University of Massachusetts Amherst, 1985; MD, University of Massachusetts Medical School, 1989*

Samuel Zylstra, MD, *assistant professor of obstetrics & gynecology; BS, Houghton College, 1970*

Thomas H. Zytkevich, MD, *associate professor of pediatrics; PhD, Minnesota State University, 1973*
