New Sponsor Request Form

New Sponsor form requirements:

- Entity name
- Address
- Website
- Contact name and information (if applicable)
- IRB for Click Commerce (yes or no)

When a request is received, the President's Office completes several verification steps before creating or making updates to a sponsor or customer.

These steps include: reviewing the entity's website, checking PeopleSoft to prevent duplicate entries, and confirming the entity's legal name and status using the IRS nonprofit listing or local Secretary of State business registration listing, as applicable.

Occasionally, additional information may be requested from the campus in order to ensure that the correct legal entity is set up.
