New England - Subtotal	244	64.4%
Total	379	

Data exported on 8/19/11, yielding a total response rate of 35% (2558/7338).

Percentages are based on the number of respondents for each respective table.

Respondents who graduated from SOM and GME are included in tables for both schools.

Prepared by Michele Carlin, 9/22/11.
