

# Searching for SOM Course LCME Information in OASIS

## Searching in all SOM Core Curriculum Courses (except course objectives)

1. Log into OASIS  
<https://umassmed.oassischeduling.com/>
2. For all SOM Core Curriculum, click on **Manage>Event Based Courses>Search Events**

OR You can reach the search window by clicking **Calendar>Search** (select what year/s)

The screenshot shows the OASIS interface with the title "OASIS Curriculum Management and Student Scheduling". The top navigation bar includes "My Home", "Course", "Calendar", "Students", "Users", "Manage", and "Configure". The main content area is titled "Stephen Roll's Calendar for 2018-2019" and shows a "Day View" of August 2018. A red arrow points to the "Search" button in the "Page Filter" section, which also includes "Export" and "Page Filter" buttons. The calendar grid shows various events, including "FM-102-BWCT\_session\_3" and "FM-102-BWCT\_session\_4".

### 3. In Search window

- Check it is the correct year. If not, reselect year in top right corner.
- Select All Departments

The screenshot shows the "Search Events for 2018-2019" window. At the top, there is a "Reselect Year" button. Below it, a section titled "Select Department(s) to Search" has a radio button for "All Departments" (which is highlighted with a red arrow). A dropdown menu lists "Academic Schedule", "Advanced Biomedical and Translational Sciences", "Anesthesia & Perioperative Medicine (External)", "Anesthesiology & Perioperative", and "Basic and Biomedical Sciences". The "Search Criteria" section contains a table with three rows: "Report to CI" (is exactly Yes), "Event Objectives Search" (contains Acute), and "Keywords" (contains Acute). A red box highlights the "Add New" button. A red callout box on the right says "To search all SOM courses for a specific term". At the bottom, there are buttons for "Search" and "Email Results".

#### 4. In Search Criteria:
