

EPIC Support

Resources

1. **Super Users:** If you encounter an issue, first look for a person in a **BLUE** vest. Super Users are knowledgeable about both UMMHC workflows, as well as the EPIC system.

2. **Go-Live Support:** If the Super User is not able to assist you, look for Go-Live Support. These individuals will be wearing **YELLOW** vests or surgical caps. While they are knowledgeable about the EPIC system, please be aware they may not be as familiar about UMMHC workflows.

3. **Technical Support:** For a password reset or a device (e.g., printer, scanner, computer) look for an Information Services (IS) team member wearing a **GREEN** vest.
