FCE DESCRIPTION

Student will live and work in an Integrated Medical Home providing all care and surgery, journaling, educating patients, advocating for patients, collaborating with our community organizations, self-reflecting on medicine and creating an expression of your experience in your creative medium of choice during your week's stay.

This is a wonderful experience with FREE Housing and Parking in rural western Massachusetts. Those who enjoy western Massachusetts and all that we offer are welcome to come early and stay late for our hiking, kayaking, real skiing, hunting, fishing, night clubs, art festivals and other entertainments.

FCE LEARNING OBJECTIVES

- Becoming a first contact in our health care system for any patient experiencing biopsychosocial health
- Integrating into a diverse community
- Self-reflecting with more comfort expressing ourselves in less traditional ways
