There are notices

Announcements

- Set your [OASIS PIN](#).
- Set your [default font size](#).
- Set your [default OASIS year](#).
- Your track is MD Student
- You have [Requirement Checklist](#) items to complete.
- View your [Academic History](#).

Evaluations to Complete

[View a report of the evaluations you need to complete](#)

Where your Requirement Checklist will be

Once you click on it, the next page will display your specific Clerkship or Acting Internship Clinical Log. The example below is of the Pediatrics Clerkship. You MUST click on the gray bar to access the Clinical Log

Requirements Checklist

✓ = Completed ○ = Incomplete ○/ = Incomplete; Not required [Print Checklist](#) | [Include closed checklists](#)

○ Pediatrics Clerkship Clinical Log [Show](#)

Complete BEFORE: 06/29/2026
You must complete ALL items
Items completed: 0
Unique entries: 0
Total entries: 0

You can proceed by clicking on each skill to complete. Notice the color-coded legend. If you have not completed the skill, it will be red. Once you complete, it will turn to green.

You complete each skill by clicking “ADD ENTRY” on the right-hand side of the page

Requirements Checklist

✓ = Completed ○ = Incomplete ○/ = Incomplete; Not required [Print Checklist](#) | [Include closed checklists](#)

○ Pediatrics Clerkship Clinical Log [Hide](#)

Complete BEFORE: 06/29/2026
You must complete ALL items
Items completed: 0
Unique entries: 0
Total entries: 0

Skill	Status	Entries	Action
○ Developmental or Behavioral Concern (Autism, Developmental Delay, ADHD, Depression, Anxiety, etc.) 0 entry of 1 required	Required	0 entry of 1 required	Add entry
○ Dermatologic Disorder (rash, acne, eczema, etc.) 0 entry of 1 required	Required	0 entry of 1 required	
○ Gastrointestinal Disorder (acute diarrhea, GERD, Celiac, IBD, constipation, etc.) 0 entry of 1 required	Required	0 entry of 1 required	
○ Growth or Nutrition Concern (short stature, FTT, premature or delayed puberty, obesity, etc.) 0 entry of 1 required	Required	0 entry of 1 required	

By clicking “Add Entry” you will be prompted to make the selection for the date you saw the patient, the **setting** (inpatient, outpatient, simulation, or other experience), the **patient type** (infant, pediatric or adult) and **participation** (performed or observed). Please note that some items may have different options to complete.

Add entry for Developmental or Behavioral Concern Close

Date*

Setting*

☐ Inpatient ☐ Outpatient ☐ Simulation ☐ Other experience (e.g., modules, case discussions, etc.)

Patient Type*

☐ Infant (0-12 Months) ☐ Pediatric (1-18 Years) ☐ Adult

Participation*

☐ Performed ☐ Observed

* = Required

When ALL skills are completed, the gray bar will have a green check next to the title and the total tally of entries.

☒ **Pediatrics Clerkship Clinical Log**

Completed: 04/25/2023 12:33:28 PM

Complete BEFORE: 07/09/2023

You must complete ALL items

Items completed: 15

Unique entries: 18

Total entries: 18

[Hide](#)

Please note that some skills may require more than 1 entry., e.g. Transition of Care/Handoffs – Signouts (6 required).
