

ID# 5

Seminar Evaluation form

The purpose of this evaluation is for fellows to provide feedback on the seminars offered through the PRACCTIS program.

1. Are you currently a:

☐ Year 1 fellow

☐ Year 2 fellow

☐ Year 3 fellow

2. In general, how valuable were the seminars for you?

☐ Very valuable

☐ Valuable

☐ Moderately Valuable

☐ Slightly Valuable

☐ Not Valuable

3. What was the most valuable thing you learned during the seminars over the past 12 months? (Open response)

4. Do you have any suggestions for improvements? (Open response)

Self-Assessment of Core Competencies

Directions: This brief assessment should be completed by PRACCTIS fellows to assess the impact of the program coursework on core competencies.

Section 1: Reflect on your knowledge and experience one year ago, before you started the PRACCTIS Program. Please answer the following questions about your capabilities at that time.

Please indicate your level of agreement with the following statements.

1. One year ago, I could explain what the field of implementation science is about to a friend or colleague.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

2. One year ago, I could describe prominent models and frameworks used in implementation science.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

3. One year ago, I could select an appropriate implementation strategy for use in a particular context.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

4. One year ago, I could conduct a formative assessment as part of an implementation research project.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

5. One year ago, I could select an appropriate study design to use in an implementation research project.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

6. One year ago, I could select appropriate measures to evaluate outcomes in an implementation research project.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

7. One year ago, I could conduct a summative evaluation as part of an implementation research project.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

8. One year ago, I could quantify value and efficiency as part of an implementation research project.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

9. One year ago, I could scale-up and spread evidence-based innovations and clinical practices across settings.
☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

ID# 5

10. One year ago, I could disseminate and share results from an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

11. One year ago, I could apply ideas from other disciplines and fields to an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

12. One year ago, I could identify the implementation research funding opportunities that are available to me.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

13. One year ago, I could write an implementation research grant in response to a request for applications for funding.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

ID# 5

Section 2: Reflect on your knowledge and experience now, after completing the PRACCTIS Program coursework. Please answer the following questions about your current capabilities.

Please indicate your level of agreement with the following statements.

1. Currently, I can explain what the field of implementation science is about to a friend or colleague.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

2. Currently, I can describe prominent models and frameworks used in implementation science.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

3. Currently, I can select an appropriate implementation strategy for use in a particular context.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

4. Currently, I can conduct a formative assessment as part of an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

5. Currently, I can select an appropriate study design to use in an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

6. Currently, I can select appropriate measures to evaluate outcomes in an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

7. Currently, I can conduct a summative evaluation as part of an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

8. Currently, I can quantify value and efficiency as part of an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

9. Currently, I can scale-up and spread evidence-based innovations and clinical practices across settings.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

10. Currently, I can disseminate and share results from an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

11. Currently, I can apply ideas from other disciplines and fields to an implementation research project.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

ID# 5

12. Currently, I can identify the implementation research funding opportunities that are available to me.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

13. Currently, I can write an implementation research grant in response to a request for applications for funding.

☐ Strongly Agree ☐ Agree ☐ Neither Agree or Disagree ☐ Disagree ☐ Strongly Disagree

Post Fellowship Plans and Placements Form

The purpose of this form is for the fellows to reflect and report on their goals and plans for post-fellowship

1. What are your desired settings for work at this present time?

☐ Academic Medical Research

☐ Public Health Department

☐ Industry

☐ Government

☐ Other:

Specify: _____

2. How well prepared do you feel about this position?

☐ Very well prepared

☐ Well prepared

☐ Moderately Prepared

☐ Slightly prepared

☐ Not prepared

3. What are the reasons you are interested in that professional setting?

4. Are there other things you have identified that you need to be successful to work in that setting?
