

Directions to Psychiatry Classroom

After you enter the lobby of the Remillard Pavilion (see the map) stay to your left and follow that corridor past 3 sets of elevators (one on your left and two on your right) and past the cafeteria. Take the next set of elevators (on your right) to the 4th floor. When you get off the elevator head toward the rest rooms – turn right and then a sharp left down the corridor to the left, through the double doors and to room S4-325 (Department of Psychiatry Classroom) – which will be on your left. This is where we will begin your interview day.
