Objectives:
1. Recognize major challenges during COVID-19 outbreak.
2. Describe radiological findings in COVID-19 pneumonia.
The Edward H. Smith, M.D. Annual Lectureship in Radiology at the University of Massachusetts Medical School has been established to honor Dr. Smith’s service over two decades as Chair of the Department. Dr. Smith’s vision for developing Radiology at UMass and his ability to attract and retain talented faculty created the foundations for the thriving Department we see today. In recognition of his leadership and dedication, this Lectureship will invite leaders of our specialty to share their clinical experience and scientific achievements. We cordially invite you to join us.
