Dear Faculty, Residents, Fellows, Friends,
and Alumni,

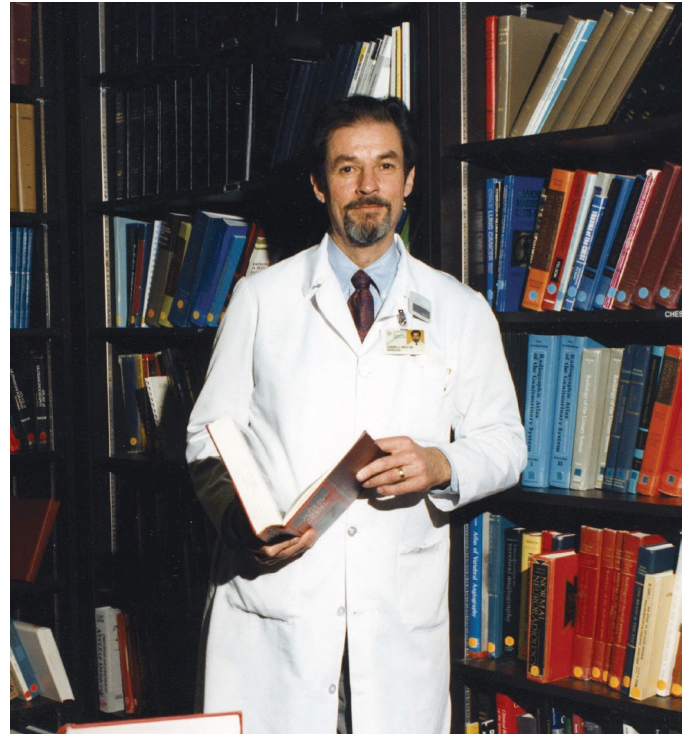

We are delighted to welcome Dr. Jinel A. Scott, as
the 16th Annual Edward Smith Lecturer.

Dr. Scott is a radiologist and Chief Quality Officer
at NYC Health + Hospitals/Kings County. In her
role she manages the strategy and activities around
health equity, quality management, performance
improvement, infection prevention, and regulatory
affairs.

She is a board member of the Radiology Society of
North America (RSNA) and is the RSNA represen-
tative to the Radiology Health Equity Coalition. She
serves on the American College of Radiology (ACR)
Appropriateness Criteria Expert Panel on Musculo-
skeletal Imaging and the General Radiology Im-
provement Database Committee.

Dr. Scott is passionate about health equity and has
dedicated her career to ensuring that safety net
hospitals provide high quality care to communities
whose health outcomes are heavily impacted by the
effects of poverty, racism, and prejudice. She believes
that robust, patient centered quality and safety strat-
egies are integral to the survival of these essential
institutions.

Best,
Max

*The Edward H. Smith, M.D. Annual Lectureship in
Radiology* at the University of Massachusetts Medi-
cal School has been established to honor Dr. Smith's
service over two decades as Chair of the Depart-
ment. Dr. Smith's vision for developing Radiology at
UMass and his ability to attract and retain talented
faculty created the foundations for the thriving
Department we see today. In recognition of his
leadership and dedication, this Lectureship will
invite leaders of our specialty to share their clinical
experience and scientific achievements. We cordially
invite you to join us.

Max P. Rosen, M.D., M.P.H.
Professor and Chair
Department of Radiology
