

RNA Therapeutics: FROM CONCEPT TO CLINIC

JUNE 23-25, 2021
Virtual Symposium

Confirmed Speakers:

Keynote Speakers:

Katherine High
Rockefeller University
and
Michael Rosbash
Brandeis University

Patrick Baumhof
CureVac

Julius Brennecke
Institute of Molecular
Biotechnology

Ye Grace Chen
Yale University

Paula Cohen
Cornell University

Andrea Crisanti
Imperial College

Kate Fitzgerald
UMass Medical
School

Myriam Gorospe
National Institutes
of Health

Michelle Hastings
Rosalind Franklin

Aimee Jackson
Atalanta
Therapeutics

Ruth Lehmann
Whitehead Institute,
MIT

Art Levin
Avidity Biosciences

Joshua Rosenthal
Marine Biological
Labs

Amy Wagers
Harvard Stem
Cell Institute

Jon Watts
RTI, UMass Medical
School

Timothy Yu
Boston Children's
Hospital, Harvard
Medical School
