RNA Therapeutics Inclusivity Grant Application Form

All boxes on the 2nd page must be completed in full for your application to be considered.
Please note availability for the funding is limited.

ELIGIBILITY

- Applicant must submit an abstract as first/presenting author to RNATx2021 by the **March 12, 2021** abstract submission deadline.
- International applicants are welcome.
- Applicant must be an early career investigator: including students, postdocs and PIs within the first 3 years of initiating their own lab.
- *Applications must be from populations that have been shown to be underrepresented in biomedical research, such as:*
 - Underrepresented racial and ethnic groups: African American/Black, Hispanic/Latino, Native American/Alaska Native, or Hawaiian Native/Natives of the U.S. Pacific Islands, or;
 - Individuals with disabilities: defined as those with a physical or mental impairment that substantially limits one or more major life activities, as described in the Americans with Disabilities Act of 1990, or;
 - Individuals from disadvantaged/underserved backgrounds: defined as individuals from an economically disadvantaged background, first generation college graduates, or individuals from challenging social, cultural or educational background, or;
 - Identify as a female in the biological workforce

REQUIRED EVENT PARTICIPATION

Award recipients are required to participate fully in the following events. Details will be provided with award notification.

- Career Workshop and Networking Reception on Wednesday, June 23, 2021
