

Greetings from

*Massachusetts
...and UMass Med!*

Student Perspectives

What do you like most about UMASS?

“Sense of **community**,
accessible faculty, and
ample opportunities for
clinical experiences!”

“The sense of
camaraderie among
students; everyone is
always willing to help
each other.”

“You get **exposed to
patients on your first day**,
and start working with them
the first month.”

“Everyone is **dedicated
to your success** and is
there to support you
when needed.”

“The quality of life.
**People are genuinely
happy at UMass**, and
it shows.”
